Your request for a land division under the Michigan Land Division Act, 1967 P.A. 288, as amended (the "Act"), and or under any orther City of Corunna Ordinance has been approved, according to the requirements of such law, and based upon the representation contained in your application for a division.

Approval of a division under the Act is not a determination that any of the parcels which result from the division comply with any other ordinances or regulations, including but not limited to any applicable zoning ordinances. You should consult with the City or with an attorney, planner, engineer, surveyor or other professional to ascertain compliance with such matters. Approval of a division is also not a determination by the City that any of the representations made in your application are accurate.

This division approval is not a determination that adequate facilities are available for public water and or sewer, nor a determination that any parcel which results from the division will satisfy applicable standards for on-site water supply and /or on-site sewage disposal. The City and its officers and employees are not liable if a building permit is not issued for any parcel due to the inability of a parcel to be serviced by public water or sewer,
