Title: 2016 Comprehensive Plan Phase 1 Planning Commission Recommendation

Attachments: Attachment A Planning Commission Amendment Memos/Written Comments
Attachment B Planning Commission Recommendation

Submitted By: Community Development Director Kevin Stender

Approved For Agenda By: Daryl Eidinger, Mayor

Discussion: Annually, the City of Edgewood accepts Amendments to the City of Edgewood Comprehensive Plan from Citizens. For 2016, the City received two (2) applications. Both amendments were to the City’s Comprehensive Plan Land Use Map. These applications have been reviewed following the procedures outlined within EMC 18.60 as legislative decisions accordingly and the Planning Commission conducted a 300-foot noticed public hearing regarding the amendments May 15, 2017 and made a formal recommendation to begin Phase 2 review following the Public Hearing. The goal tonight is to educate you on the proposals and answer any questions before a resolution is in front of you next week to consider these amendments for Phase 2 Planning Commission review.

The two amendments included the Uchida Amendment that encompasses approximately 65 acres of property on the southern edge of the City and the Mountain-View Edgewood Water Company (MTVE) Map Change for a small parcel located just south of the water towers at 12224 48th Street East. The Uchida amendment proposes a land use map change from Single Family Moderate to Industrial and the MTVE amendment proposes a change from Single Family Moderate to Public.

The Planning Commission Public Hearing was well attended with approximately 35-40 citizens in present. The vast majority of people present at the hearing were there to speak regarding the Uchida Land Use Map Amendment. Of those in attendance citizens spoke both against and for this amendment with a slight majority speaking against the
amendment. In addition to public testimony, the City received several letters against the proposal as well. This information is included as part of Attachment A in this packet.

The City also received public testimony regarding the MTVE proposed map amendment at the Public Hearing and received a letter against the proposal as well. This information is also included as part of Attachment A in this packet.

**Recommendation:** Place the item on the agenda for Resolution at the June 13, 2017 meeting to decide whether or not to consider the amendments for Phase 2 review, consistent with EMC 18.60.

SUBJECT: REVIEW OF ATTACHMENT “A” MOUNTAIN VIEW-EDGEWOOD WATER COMPANY PROPOSAL, FILE #5214

On December 27, 2016, Ms. Jacki Masters from Mountain View-Edgewood Water Company (MTVE) submitted a Comprehensive Plan Land Use Map change amendment to re-designate a piece of property owned by MTVE (parcel number: 0420236041) from split-zoned Public (P) and Single Family Three (SF-3) to Public (P).

BACKGROUND INFORMATION:

The parcel under consideration is located in the southeastern part of the City of Edgewood on the south side of 48th Street East. The property is surrounded by single family residences all zoned Single Family Three (SF-3). The parcel totals approximately 0.98 acres or 42,689 square feet.

Mountain View Edgewood Water Company purchased a residential property directly to the south of their existing headquarters building property. In January 2008, MTVE submitted for a boundary line adjustment (BLA) with another neighboring single family residential property. This BLA moved the boundary line between the MTVE owned parcels and the neighboring residential property providing MTVE with one large parcel, albeit split-zoned.

MTVE applied for a comprehensive plan amendment to re-zone the property from its current status as a split-zoned property (Public and Single Family Three) to be designated as a Public (P) zone. Uses allowed on Public zoned land include civic uses, office/business uses, commercial uses, and utility uses. Specific to this site, these include Administration and professional offices and water supply facilities as allowed uses in the Public (P) zone.

The parcel is currently used as Mountain View Edgewood Water Company headquarters and site for two MTVE-owned water tanks.
Sewer service is not available to the parcels. The parcel is served by an on-site septic system.

Environmentally, the City’s critical areas map shows no critical areas present or within 165 feet of the parcel. The closest critical areas are steep slope designated areas approximately 261 feet to the south and southeast of the subject property.

**Type of Amendment:** 18.40.120 Process V – Legislative review.

The process for legislative review will be followed per EMC 18.60. The amendment requires a future land use map change and a rezone application to accompany a future permit submittal/issuance for this action.

**Type of Action:** Requires SEPA (consolidated as part of Phase II as appropriate with other updates for non-project actions), Staff Report discussion of any policy changes, PC to hold Public Hearing, Recommendation from PC following hearing to council for action.

**Main Issues:** This parcel is in the third and final phase of the City’s sewer service area.

As stated above there are no critical areas within 165 feet of the site. Steep slopes are present about 260 feet south and southeast of the parcel.

Surrounding land use designations are SF-3 to the west, south, east, and across 48th Street to the north. Parcels northeast of the intersection between 122nd Avenue East and 48th Street East are zoned SF-2. No residential dwelling units will be affected by this zoning change.

SUBJECT: REVIEW OF ATTACHMENT “A” UCHIDA FARM LLC PROPOSAL, FILE #5214

On December 14, 2016, Mr. Minoru Uchida from Uchida Farm LLC submitted a Comprehensive Plan Land Use Map change amendment to re-designate a portion of the area known as the “Special Land Use Study Area” (specifically parcel numbers: 0420175005/0420166003, 0420175004, 0420162700, 0420163052, 0420163054, 0420163702, 0420163055, 0420163047, 0420163026, 0420163023, 0420174047) from Single Family Three (SF-3) to Industrial (I).

BACKGROUND INFORMATION:

The eleven properties under consideration are located north of the city limits along Valley Avenue between approximately Cherrywood Manor Mobile Home Park, Wapato Creek, and 40th Street to the north, 84th Avenue Court to the west, and approximately 1,000 feet east of 90th Avenue. The parcels total 66.55 acres (2.9 million sf) out of the study area total of 147 acres (6.4 million sf).

The current use of the parcels is for agricultural, business, and single family residence uses and is currently zoned for single family development.

The applicant proposes a re-zone to the Industrial Land Use designation to allow for development of industrial uses per the Edgewood Municipal Code 18.80.100. Uses allowed on Industrial zoned land include multiple commercial uses, offices and training schools, utility uses, and industrial uses including warehousing and freight distribution, among other industrial uses.

Sewer service is not available to the parcels and would require the City to amend our sewer comprehensive plan and develop interlocal agreement with Puyallup, Fife, or Pierce County for sewer service.
Environmentally, the area requesting the re-zone is in the Puyallup River Watershed and has the Wapato and Simons Creek running through several parcels. These creeks have designated frequently flooded areas and habitat buffers along them. The northern most properties along Wapato Creek border steep slope areas.

There will be no transition between industrial zoned land and single family zoned land.

**Type of Amendment:** 18.40.120 Process V – Legislative review.

The process for legislative review will be followed per EMC 18.60. The amendment requires a land use map change and a rezone application to accompany a future permit submittal/issuance for this action.

**Type of Action:** Requires SEPA (consolidated as part of Phase II as appropriate with other updates for non-project actions), Staff Report discussion of any policy changes, PC to hold Public Hearing, Recommendation from PC following hearing to council for action.

**Main Issues:**

This parcel is not within any phase of the City’s sewer service area.

The proposal area has several critical area designations that abut or encroach on the proposal site. The two stream corridors that run through the project area include designated habitat buffers and are also considered frequently flooded areas. There may also be steep slope and wetland areas at the far north edge.

Surrounding land use designation is SF-3 to the west, north, and east, and to the south in Puyallup, land use is designated “Limited Manufacturing.”

Existing Single-Family residential units exist to the northwest, north, and southeast. There are three single family dwelling units in the proposal area which, based on a 2.5 person per household figure, amounts to the loss of dwelling units for about 8 people (7.5 rounded up).

Subject: Zoning File 5212

Kevin Stender

As property/homeowners with two parcels on 90th Avenue East, we are concerned and object to the Amendment Request to make the Land Use Map change from Single-Family Three to Industrial, File 5212.

Looking at the map enclosed with the notification, there does not seem to be any valid reason to make this change, unless Edgewood is trying to capitalize on the areas in Fife and Puyallup that have been changed and are now warehouses and industries.

We believe that there is sufficient warehouses and buildings already in place. Changing zoning to industrial will only encourage additional warehouses or industry. This will decrease the property value of our homes up on the hill and take away from the housing opportunities here in Edgewood.

Additionally, there will be an increase in noise of the heavy traffic, for which there is insufficient street capacity. The habitat of the current wild animal population and rodents will be driven up the hill into our neighborhoods.

We would prefer to continue with the current zoning, allowing for housing to be built or be retained. Valley Avenue East makes a good buffer between housing and industry. Edgewood has enough property for additional building of non-housing facilities and should not encourage a change from the general feel of the community, which this zoning change will do.

If the zoning remains as is, which is our hope, please consider using more information in the LEGEND of the map. Please spell out the abbreviations. Knowing what the zoning refers to, would help make an intelligent response. What is BP, CC, POS, MUR and what is Employment Center?

Thank you

joodeetea@gmail.com
Morning Kevin,

Unfortunately I will be unable to attend the Phase 1 Public Hearing today regarding File 5212-Comprehensive Plan Use Map Amendment Request. Please consider the following my opposition to the proposed amendment to the Land Use Map. I am the owner of, and reside at, 9308 44th Street Court E. Edgewood, WA 98371 Parcel # 0420163034.

My family has owned the aforementioned property since the early 1970's. I became the sole owner of the property in 2013. I strongly oppose the amendment due to the following:

- The proposed amendment in Land Use is not the desire of the collective residences in the current zoned area. This has been demonstrated and conveyed to the City of Edgewood via numerous prior Industrial zoning attempts. I was lucky enough to receive notice as my property resides within 300 feet of the proposed amendment. Based on prior failed Industrial zoning attempts, this spot or cluster zoning, appears to be taking the wishes of a few over the desires and well being of your residences. Industrial zoning is not a community building endeavor. Calling a spade a spade...this proposed amendment is designed to line the pockets of a few.

- As a resident who currently has warehouses immediately South to my parcel, the following issues are regular and ongoing. They are unsafe and unfair consequences to impose on your neighbors. The proposed amendment will create similar/related issues.
  - Noise and more Noise - The warehouses often run 24 hours. This means nightly noise to include running trucks, backing up of forklifts/equipment, bright yard lights, dropping of trailers, etc. Of note, the warehouses I hear daily (and nightly) fall under the jurisdiction of the City of Puyallup. There is a noise ordinance in the City. However, there is a warehouse that routinely and customarily runs in excess of the allowed levels. The excessive noise levels have been documented, recorded, and reported. Police have been involved....but yet....issues are ongoing. Please realize that spot/cluster Industrial zoning in the middle of a Single-Family zone will create noise pollution to your current single family residences.
  - Blocked Emergency Access and Roadways - I live down a single lane road. Trucks block my road nightly preventing myself and emergency vehicles access. The warehouse at the entrance of my road has posted signs of no parking, but to no avail. This means if I want to leave my residence at night, I have to get out of my vehicle, go up to a running truck, knock on the door, and ask a sleeping truck driver to move. Beyond annoying, this endeavor is dangerous.
  - Property Damage - Often times a truck driver will think they should venture down my one land road. They shortly find there is no turn around. The option is to then turn around in my yard causing damage. The one lane road they travel has not been keep up by the City of Edgewood due to reported lack of funds (44th St. Court E.). The truck traffic exacerbates the road conditions and safety.
Safety - Blocked roads, damaged roads, industrial traffic on roads where our children play, excess traffic in areas not designed for such.

Reduced Property Values - By placing a warehouse next door you are lowering my property value if not overtly in a "real world" way based on the above.

Bait and Switch or Conquer and Divide - From speaking with my neighbors/community there is a real sense of confusion and perceived ill-will over this spot/cluster zoning. What makes these 5 or 6 parcel owners specials? Why should they be allowed to switch zoning to allow them to make more money at the expense of the rest of us?

I am your single-family neighbor living in Single-Family zoning. Please consider the negative impact you will have on myself, family, and community before passing this proposed amendment to the Land Use Map.

Thank you for your time and consideration. I am reachable via email or phone (253-778-5588) if anyone should desire to speak with me further on this issue.

City of Edgewood
Regarding Phase I Public Hearing, File 5212-Comprehensive Plan Land Use Map Amendment Request

I own Tax Parcel 0420163037.

I would like to formally note I am against the proposed rezoning from SFR-3 to Industrial per the Uchida Farm Amendment for the following reasons:

1. The industrial zone is not consistent with single family use and is being proposed within a single-family zoning area. The proposed change is in the middle of a single-family zoning area and is not even along the edge of the zoning.
2. There are existing single family residences near and adjacent to the proposed changes.
3. The proposed change would place a considerable amount of heavy truck traffic on a road shared by single family residences placing the residents at risk. Children utilizing the road for things such as biking would be especially at risk. It is unfair to curtail a child’s ability to utilize roadways within a single-family zoning area for the sake of developers.
4. Based on what is happening up the road in Puyallup around the area of Cintas, there is a high likelihood the area will become a parking lot for trucks at night. Transient truckers leave garbage behind not to mention relieve themselves. This is not appropriate within a single-family zoning area.
5. The property values near the industrial zoning will decline. It is not fair to lower property values of those around the proposed industrial site just because the owners of these properties wish they were not within said SFR-3 zone. The fact is, they are within a SFR-3 zone and industrial sites next to a single-family residence will lower the value of the single-family property.
6. The proposed change will adversely affect future single-family development as developers most likely would not want to develop next to an industrial zone as the home prices asked would be less than those next to other single-family residences. If a developer does purchase property for single family development, the property owner can expect a lower price than an owner within a SFR-3 zone which is not next to an industrial zone.
7. Those proposing the change will no longer reside within the proposed altered zoning area, and will not have to live with the results of the changes. However, those remaining will have to live with the results as they are still single family residents of Edgewood. As those proposing the change will only benefit and those remaining will only be harmed, it is beyond conscience that these changes be allowed.

Please do not allow the proposed zoning change from SFR-3 to Industrial as it is not
consistent with zone uses of SFR-3 and will adversely impact property owners.

Please note, I would be supportive of rezoning this area to a higher density single-family use as that would be consistent with the current zoning and would not have the adverse impacts listed above.

Respectfully,

Anna Holt

Phone call received on April 14, 2017

A phone call was received by Kirk Rappe, Associate Planner, from Rebecca Bean, a resident who lives at 3923 84th Avenue Court East just south of one of the parcels in the proposed Uchida Farm Comprehensive Plan Amendment area. Rebecca’s concerns are summarized below, in no particular order. They are:

- Her single family property will be surrounded on three sides by Industrial zoned property.
- She says that 84th Avenue Court East will likely be the primary access road to the Industrial parcels and when a project is proposed and developed, the road will not be able to withstand the increased truck traffic.

Kirk Rappe, Associate Planner, talked to her about the process of reviewing proposed Comprehensive Plan Amendments and noted her concerns. She said she would likely be at the public hearing on May 1, 2017.

Phone calls received on April 25 and May 1, 2017

Kelly Pinchak from Cherrywood Village expressed concerns:

- She heard that at Elmwood Mobile Home park they had property adjacent to new industrial warehouse development in Fife or Puyallup (south of Valley Avenue) experienced increased flooding and water would no longer drain because the gravel fill under the warehouses prevents natural infiltration. She is concerned about the same happening to her property.
- Her property is in a flood zone and concerned about flooding impact on her land.

And had several questions:

- If her property decides to submit for a Comprehensive Plan Amendment, does that mean they can continue their triplex use?
- When would they be prevented from rebuilding as a triplex if a fire or other disaster happened?
- What does the Industrial zone category do to property owners taxes?

Subject: Edgewood File 5212-Comprehensive Plan Land Use Map Amendment Request

Dear Mr. Stender

The Pierce County Drainage District 21 (hereafter designated as "DD21") is governed by RCW 85 and overseen by 3 elected Commissioners. The purpose is to ensure that the constituents are protected from any adverse impacts to the existing Drainage Conveyance System. The proposed land use change to the 66.55 acres impacts the Simon’s Conveyance on the north side of the property and the Wapato Conveyance on the south side of the property (see attached DD21 District Map).

Therefore, considering Edgewood’s Notice Of Public Hearing, dated 4/14/17, regarding the above Subject, we will attend the Hearing, and will require the following items to be addressed at the Hearing and in writing to the District. It is important to understand that this requirement is needed to ensure a fully functional District Conveyance System. It is not our intent to enter into any disputes, suits or litigation having to do with the proposed land use amendment or future development of the property. That said, however, our lawful responsibility as elected officials of Pierce County is to be wholly satisfied that adverse downstream and upstream flow impacts will not occur, and that

DD21

4/24/17
the current conveyances on the property will be properly mitigated and maintained. Following are the items

1. Schedule a meeting wherein all affected entities are present and wherein all topics of concern shall be addressed in writing.
2. Perform a "walk-thru", preferably at the meeting, to view first-hand the current state of the above-mentioned conveyances, the results of which shall be in writing.
3. Provide evidence of the following in writing:
   a. SEPA Determination.
   b. HPA Determination.
   c. Impact analysis.
   d. Proposed Mitigation for total plan as it relates to making the affected drainage conveyances whole (e.g. culverts, plantings, and other mitigation related items).
4. Provide City of Edgewood's written assurance to Pierce County Drainage District 21 that any and all action(s) regarding the Land Use Amendment process and any and all future action(s) regarding the aforementioned property will have full involvement of and approval by the District.
5. Provide written confirmation that any costs other than those for which DD21 is responsible shall not be born by DD21.

We are pleased to be partnered with the City of Edgewood, and look forward to being involved in reaching mutually agreed upon decisions regarding this property.

Sincerely,

RE: PLANNED RESIDENTIAL DEVELOPMENT HEARING EXAMINER DECISION

The City of Edgewood received an application for a Planned Residential Development (PRD) in accordance with Edgewood Municipal Code (EMC) 18.50.095, Planned Residential Developments. At the June 6, 2017, Study Session the Council will be discussing the Closed Record Hearing Process only and no specific project or details of that project will be discussed.

The process for achieving final PRD approval is outlined within EMC 18.50.095, Planned Residential Developments and is reviewed in accordance with EMC 18.40.110, Process IV-Quasi-Judicial Rezones. Per code, the City Council shall consider the hearing examiner’s report in a closed record review proceeding without additional testimony or evidence. The Council must make its decision based exclusively upon the existing record evidence, which will be provided to the Council in advance of the meeting, in relation to the applicable standards for PRD approval set forth in the EMC.

Please note that as a site-specific proceeding involving the rights of particular landowners, the PRD consideration process is quasi-judicial in nature — i.e., the City Council will essentially be sitting as an impartial judge of the proposal. This process is accordingly subject to the Appearance of Fairness Doctrine under Washington law, which requires proceedings of this type to be not only fair in fact, but also objectively fair in appearance. The City Attorney or the Mayor will ask you at the commencement of the Council’s review process to disclose any personal, financial or familial connections you may have with respect to the project, the parties, and/or the subject property. The City Attorney will also ask each of you to verify for the record that you will approach your decisional obligations impartially and without prejudgment or bias.

Staff strongly recommends that you do not have any conversations regarding the project outside of the quasi-judicial review process at the scheduled hearing. If you are approached or otherwise engage in communications about the proposal while the matter is pending before the Council, please notify staff immediately and be prepared to formally disclose the content of such communications during the Council’s proceedings.

The Council’s consideration process for a PRD includes providing a written legal notice of the hearing. At the conclusion of the closed record review, the city council shall issue a final written decision approving or denying the proposed PRD through adoption of an ordinance similar to the
process for a rezone. At that time, the City Council may adopt the hearing examiner’s findings and/or enter its own findings in support of the ordinance.

Title: Labor Attorney Services Contract with Summit Law, P.C.

Attachments: Resolution No. 17-0XXX; Labor Law Attorney Services Contract

Submitted By: Dave Gray, ACA/Finance Director

Approved For Agenda By: Daryl Eidinger, Mayor

Discussion: When the City executed a contract with the current City Attorney, several specialty areas of legal expertise were noted as not something Morris Law engaged in within the scope of the City Attorney’s contract (Labor Law and LID/Foreclosure and Collection). The City does not routinely engage the services for Labor Law. Foster Pepper has been under contract with the City for LID/Foreclosure matters since 2009. City staff is pleased with the work Foster Pepper has provided the City in guidance - all things LID, and intends to continue to utilize them in that capacity. Both ACA’s have used Summit Law for Labor Law issues in other jurisdictions and are hereby recommending contracting with Summit Law for the infrequent need the City does utilize said services. State Law does not mandate a RFQ for legal service; however, MRSC does recommend the City adopt a process. The City used an RFQ process for executing a contract for City Attorney services, knowing the service would be used routinely and continuously with an expectation of annual costs in the $100,000 range.

Recommendation: Authorize the Mayor to execute the Summit Law Attorney Service Contract for Labor Law issues.

Fiscal Impact: The City expects the total service cost for Labor Issues in fiscal 2017 to be less than $5,000. The City expects this level of expenditure, budgeted as legal expense in the annual budget is a reasonable annual maximum.

Section 7. **Communications.** Attorney will communicate primarily with the Assistant City Administrator of Administrative Services, Dave Gray or Daryl Eindinger, Mayor.

Section 8. **Non-Assignment.** The parties recognize hereto that a substantial inducement to the City for entering into this Agreement was, and is, the professional reputation and competence of the Attorney. Neither this Agreement nor any interest therein may be assigned by the Attorney without the prior written approval of the City.

Section 9. **Indemnification and Insurance.**

A. The Attorney and Summit Law Group, PLLC agree to indemnify, hold harmless and defend the City, its elected and appointed officials, employees and agents from and against any and all claims, judgments or awards of damages, arising out of or resulting from the acts, errors or omissions of the Attorney. The City agrees to indemnify, hold harmless, and defend the Attorney and the Summit Law Group PLLC from and against any and all claims, judgments or awards of damages, arising out of or resulting from the acts, errors or omissions of the City, its elected and appointed officials, employees and agents. The provisions of this indemnification shall survive the termination or expiration of this Agreement.

B. The Attorney shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the services provided by the Attorney, its agents, representatives or employees. The Attorney’s maintenance of insurance as required by this Agreement shall not be construed to limit the liability of the Attorney to the coverage provided by such insurance, or otherwise limit the City’s recourse to any remedy available at law or in equity.

C. **Minimum Scope of Insurance.** The Attorney shall obtain insurance of the types and limits below:

1. **Automobile Liability** insurance covering all owned, non-owned, hired and leased vehicles. Coverage shall be written on Insurance Services Office (ISO) form CA 00 01 or a substitute form providing equivalent liability coverage. There must be a minimum combined single limit for bodily injury and property damage of $1,000,000.00 per accident.
2. **Workers’ Compensation** coverage as required by the Industrial Insurance laws of the State of Washington.

3. **Professional Liability** malpractice insurance, written with limits no less than $1,000,000.00 per claim and $1,000,000.00 policy aggregate limit.

   The Attorney’s insurance coverage shall be primary insurance as respects the City. Any insurance, self-insurance, or insurance pool coverage maintained by the City shall be excess of the Attorney’s insurance and shall not contribute with it.

   The Attorney’s insurance shall be endorsed to state that coverage shall not be cancelled by either party, except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the City.

   Insurance is to be placed with insurers with a current A.M. Best rating of not less than A:VII.

   Attorney shall furnish the City with certificates and any amendments before providing services under this Agreement.

**Section 10. Licenses.** Attorney warrants that he is a member in good standing with the Washington State Bar, and that any license or licenses that are required in order to perform the legal services under this Agreement have been obtained and are valid.

**Section 11. Termination.** This Agreement may be terminated by either party upon written notice with or without cause. In the event of termination, the Attorney shall be entitled to compensation as provided for in this Agreement, for services performed satisfactorily to the effective date of termination; provided, however, that the City may condition payment of such compensation upon Attorney’s delivery to the City of any and all documents, photographs, computer software, video and audio tapes, and other materials provided to Attorney or prepared by or for Attorney or the City in connection with this Agreement.

**Section 12. Notices.** Notices required under this Agreement shall be personally delivered or mailed, postage prepaid, as follows:

   **Attorney:**
   
   Shannon Phillips  
   Summit Law Group, PLLC  
   315 Fifth Ave S., Suite 1000  
   Seattle, WA  98104

   **To the City:**  
   City Clerk  
   City of Edgewood  
   2224 - 104th Avenue E.  
   Edgewood, WA  98372
And to: Carol Morris, City Attorney
Morris Law, P.C.
3304 Rosedale Street N.W., Suite 200
Gig Harbor, WA 98335

Notices given by personal delivery shall be effective immediately. Notices given by mail shall be deemed to have been delivered forty-eight hours after having been deposited in the United States mail.

Section 13. Ownership of Materials. Any and all documents, including draft documents where completed documents are unavailable, or materials prepared or caused to be prepared by Attorney pursuant to this Agreement shall be the property of the City at the moment of their completed preparation.

Section 14. Conflict of Interest. Attorney warrants and covenants that Attorney presently has no interest in, nor shall any interest be hereinafter acquired in, any matter which will render the services required under the provisions of this Agreement a violation of any applicable state, local or federal law or any rule of professional conduct. In the event that any conflict of interest should nevertheless hereinafter arise, Attorney shall promptly notify the City of the existence of such conflict of interest.

Section 15. Confidentiality. Attorney agrees to maintain in confidence and not disclose to any person, association, or business, without prior written consent of the City, any secret, confidential information, knowledge or data relating to the process or operation of the City and/or any of its departments and divisions. Attorney further agrees to maintain in confidence and not disclose to any person, association, or business any data, information or material developed or obtained by Attorney during the term of this Agreement. The covenants contained in this paragraph shall survive the termination of this Agreement for whatever cause.

Section 16. Amendments. This Agreement is not subject to modification or amendment, except by a written authorization executed by both the Attorney and the duly authorized representative of the City, which written authorization shall expressly state that it is intended by the parties to amend the terms and conditions of this Agreement.

Section 17. Waiver. The waiver by either party of a breach by the other of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of either the same or a different provision of this Agreement.

Section 18. Severability. Should any part of this Agreement be declared by a final decision of a court or tribunal of competent jurisdiction to be unconstitutional, invalid, or beyond the authority of either party to enter into or carry out, such decision shall not affect the validity of the remainder of the Agreement, which shall continue in full force and effect, provided that the remainder of this Agreement, absent the unexcised portion, can be reasonably interpreted to give effect to the intentions of the parties.
Section 19. **Controlling Law.** The laws of the State of Washington shall govern this Agreement and all matters relating to it.

Section 20. **Whole Agreement.** This Agreement constitutes the entire understanding and agreement of the parties. This Agreement integrates all of the terms and conditions mentioned herein or incidental hereto and supersedes all negotiations or previous agreements between the parties with respect to all or any part of the subject matter hereof. In the case of a conflict between this Agreement and its attachments and exhibits, this Agreement shall control.

Section 21. **Disputes.** In the event that the parties are unable to resolve any dispute regarding the performance of the legal services or this Agreement, any litigation brought to enforce the terms of this Agreement shall be filed in Pierce County Superior Court. The prevailing party shall be entitled to recover its reasonable attorney’s fees and costs from the non-prevailing party.

IN WITNESS WHEREOF, Attorney and the City, by the signatures below, have executed this Agreement on the dates indicated below.

Re: Engagement Letter

Dear Mr. Gray:

Thank you for hiring Summit Law Group to represent the City of Edgewood with regard to general labor matters. We will represent your interests vigorously and do our very best to be prompt, thoughtful and practical in everything we do on your behalf.

If you have not yet had an opportunity to view the background of Summit Law Group, please take a moment to view our website (www.summitlaw.com). Summit Law Group was founded on the principles that the market for legal services has dramatically changed and that a modern firm should be leaner, more efficient and more customer-responsive. We want to form productive working partnerships with our customers, delivering a better product at greater value.

Fee Arrangements. We will build a working partnership with you to enable you to maintain control over the scope and cost of your legal work. We are especially interested in fee arrangements that provide incentives for us to be cost effective and that reward us for superior results. Unless we agree otherwise, however, we will charge for our services by the billable hour. We encourage you to consider and suggest other ways of measuring the value of our services during the course of our relationship. Whether you choose to be billed by the hour, or some other fee arrangement, we, unlike any other law firm we know of in the country, invite you to pay in accordance with your perception of the value of our legal services. To that end, within 30 days of our invoice, you are free to adjust our billed amount, upward or downward, based on your perception of the value that you have received.
At present, my current hourly rate applicable to this engagement is $295. The billing rates and contact information of the Summit team members who are expected to work on this engagement are included in the Appendix to this letter.

Unless otherwise agreed in writing, we will provide you with full itemized billing information on a monthly basis, including people working on your engagement, their hours and rates and a detailed description of services performed. Payment of our bill is due upon receipt of our invoice and bills not paid within thirty (30) days of the date of the invoice will accrue interest at a rate of 1% per month. We do not charge for telephone, photocopying, computerized legal research, local travel, or other costs that are properly part of our cost of doing business. We charge our actual costs for out-of-town travel and meals, working meals, and other third-party vendor expenses (e.g., for high volume photocopying, courier and messenger services, conference calls and other extraordinary expenses). We also charge for costs related to document processing and discovery, electronic or otherwise. Our billings are monthly, unless otherwise agreed.

Attached to this letter is an Appendix, which includes additional terms of this engagement. Together, this letter and the Appendix constitutes the agreement between you and us regarding our professional services. If the terms of our representation as described above and in the Appendix are acceptable, please date and sign this letter where indicated below and return it to me via mail, facsimile or electronic mail. This agreement will take effect on the date of your signature or when we first perform services, whichever is earlier.

Sincerely,

SUMMIT LAW GROUP PLLC

**BILLING AND PAYMENT.**

We review and make changes to our hourly rates from time to time, usually on an annual basis. Changes may or may not apply across the board to all timekeepers.

Timely payment in full is a condition to our continuing provision of services. You agree that we may suspend or terminate our services and may withdraw from this engagement in the event our fees and other charges are not timely paid, subject to applicable rules governing attorney withdrawal. In extreme cases, we may pursue recovery of unpaid fees through collection actions or litigation. If our engagement is terminated by either you or us for any reason, you will remain obligated to pay us all fees and other charges properly incurred up to the termination date.

Although on occasion we will in good faith attempt to estimate in advance the fees and costs of an engagement, we are not bound by any such estimate unless agreed in writing. Also, we are not obligated to revise, amend or correct any such estimate if subsequent developments make it inaccurate.

If we have more than one client in this engagement, then each is jointly and severally obligated to pay us unless we agree otherwise in writing. Any outside arrangements you may have for allocation, reimbursement, insurance, indemnification or the like will not relieve you of your obligation to pay amounts due.

**CONFLICT CHECK.**

At the beginning of each engagement we conduct a review of potential conflicts of interest to ensure compliance with the Rules of Professional Conduct, using names that you have provided. As we move forward, please be sure to immediately provide us with any new or different names of adverse or interested parties so that we may update our conflict check.
OWNERSHIP AND RETURN OF FILES.

By executing our engagement letter, you agree that the files generated or accumulated as a result of our representation belong to Summit Law Group. If you desire a copy of the files at the conclusion of our representation, you will be responsible for costs associated with file duplication and mailing, based on the hourly rate of our administrative staff. Under our document retention policy, we normally destroy client records seven years after the conclusion of a matter unless other arrangements are made. Prior to destruction, we will attempt to contact you at your last known address on record with Summit Law Group. It is your responsibility to notify Summit Law Group of any change of mailing address after the termination of an engagement. E-mails that are duplicative, routine or otherwise not part of the client file may be destroyed before the end of the seven-year period, without prior notice to you. If your engagement will involve significant long-term storage costs, then we may charge you for our actual costs of such storage.

DISPUTE RESOLUTION AND ARBITRATION.

If you become dissatisfied with any aspect of our relationship, including the quality or adequacy of our representation, you agree to bring that to our attention, and we each agree to negotiate in good faith to resolve the matter. If we cannot reach agreement, we each agree to comply with any mandatory dispute resolution procedures that apply to any such dispute. If such applicable mandatory dispute resolution procedures have been completed or waived, and a dispute still exists between us, we each agree that the dispute will be submitted for mediation in Seattle, Washington, under the rules of JAMS. If such mediation fails, and a dispute still exists between us, we each agree that the dispute will be submitted to binding arbitration in Seattle, Washington, under the rules of JAMS. In arbitration, there is no right to a trial by jury and the arbitrator’s legal and factual determinations are generally not subject to appellate review.

By signing the engagement letter to which this is attached, you acknowledge that the agreement to arbitrate results in a waiver of your right to a court or jury trial for any fee dispute or malpractice claim. This also means that you are giving up your right to discovery and appeal. If you later refuse to submit to arbitration after agreeing to do so, you may be ordered to arbitrate pursuant to the provisions of Washington law. You acknowledge that before signing this agreement and agreeing to binding arbitration, you are entitled to, and have been given, a reasonable opportunity to seek the advice of independent counsel.

More specifically, definitions related to this subject matter. The Planning Commission held a Public Hearing on this issue, as well as offered a recommendation on these modifications, which is included for the Council’s review and consideration.

WHEREAS, since that time, the Washington State Legislature has amended the regulations relating to medical and recreational marijuana; and

WHEREAS, one of the recent amendments has been to eliminate “collective gardens” and to add “cooperatives”; and

WHEREAS, RCW 69.51A.250(3)(c) specifically acknowledges that “cooperatives” may not be located in a city if the city has prohibited it in the city’s zoning code; and

WHEREAS, the City desires to update its regulations to be consistent with State Law and to prohibit “cooperatives” within City limits; and

WHEREAS, the SEPA Responsible Official issued a DNS for this ordinance on May 3, 2017, 2017; and

WHEREAS, the Planning Commission held a public hearing on this ordinance on May 2, 2017; and

WHEREAS, the Planning Commission submitted a formal recommendation of approval to the Council dated May 1, 2017; and

WHEREAS, the City Council considered this ordinance during its regular City Council meeting of June 6, 2017;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EDGEWOOD, WASHINGTON, DO ORDAIN AS FOLLOWS:

Provided, however, that nothing herein shall be construed as criminalizing the growing or manufacture of cannabis by a qualifying patient or designated provider in accordance with RCW 69.51A.040.

Unless the context clearly indicates otherwise, all other terms used in this section shall have the meanings established pursuant to Chapters 69.50 and 69.51A RCW.

This prohibition extends to producers, processors, retailers and collectives, even if the same are licensed by the State of Washington. This prohibition applies to any person who participates as an employee, contractor, agent or volunteer, or in any other manner or capacity in any marijuana-related business or illegal marijuana use, regardless of whether he/she has a license from the State of Washington.

Title: Building Code Enforcement Code Update

Attachments: Ordinance 17-0501

Submitted By: Aaron C. Nix, ACA Municipal Services

Approved For Agenda By: Daryl Eidinger, Mayor

Discussion: The City’s Building code enforcement provisions defer to the International Building Code provisions that are general and do not typically outline sufficient processes or appeal procedures that are appropriate for the needs of the City of Edgewood. Staff and the City Attorney have begun drafting language for consideration by the Mayor and City Council as it pertains to code enforcement provisions as it relates to Edgewood’s Building Code. A draft version/Ordinance has been included for the Council’s re-consideration, of which a public hearing was held by the City Council at their May 23rd regular Council meeting, in which minimal comment was received. An adjustment was made, as requested by Councilmember Lowry, in regard to allowing email correspondence as a method for appealing. Otherwise, the revisions are similar to what the Council has seen from previous versions that they’ve reviewed.

Recommendation: Recommend that Staff bring this Ordinance forward to the City Council for consideration for adoption at the Council’s June 13, 2017 Council meeting.

A Notice of Violation or citation for a violation that subjects the violator to criminal penalties is enforced in municipal court.

B. Expedited Appeal Hearings on Stop Work and Emergency Orders. An expedited public hearing shall be held by the Hearing Examiner, according to the procedures in this Section, on an appeal of a Stop Work or Emergency Order, regardless of whether the violations described in the Stop Work Order or Emergency Order would eventually subject the violator to civil or criminal prosecution and/or the imposition of civil or criminal penalties. 15.07.090 Appeal Hearing.

A. The public hearing on an appeal shall include the following elements and be conducted as follows:

1. The Hearing Examiner shall set the time and place of the hearing, and arrange for notice of the public hearing to be provided, except in cases involving an expedited hearing. The Examiner shall grant substantial weight or otherwise accord deference whenever directed by ordinance or statute.
12. The Hearing Examiner may hear and decide appeals of orders, decisions or determinations made by the Building Official relative to the application and interpretation of the Building Code (all incorporated into Title 15). An appeal of these orders, decisions or determinations shall be based upon a claim that the intent of the Code(s) have been incorrectly interpreted, the provisions of the Code(s) do not fully apply, or an equivalent method of protection or safety is proposed. The Hearing Examiner shall not have authority to waive requirements of the Codes in Title 15.

13. After the conclusion of the public hearing, the Hearing Examiner may allow the parties a designated time for the submission of memos, briefs or proposed findings, as long as the Hearing Examiner can still issue his/her final decision according to any applicable deadline established by this chapter.

14. At or after the appeal hearing on a Notice of Violation, the Hearing Examiner may:

(a) Sustain the notice of violation;
(b) Withdraw the notice of violation;
(c) Continue the review to a date certain for receipt of additional information;
(d) Modify the notice of violation, which may include an extension of the compliance date.

A copy of the final decision may be recorded against the property in the County Auditor’s office. The decision on expedited hearings shall issue within five (5) business days after the completion of the hearing.

E. The decision of the Hearing Examiner on appeal shall be final, and no further administrative appeal may be filed. In order to appeal the decision of the Hearing Examiner, a person with standing must file an appeal of the decision to superior court as provided under Chapter 36.70C RCW within the deadline set forth in RCW 36.70C.040.

The Building Official shall notify the City Attorney in writing of the name of any person subject to the penalty, and the City Attorney shall, with the assistance of the Building Official, take appropriate action to collect the penalty.

C. The violator may show as full or partial mitigation of liability:

1. That the violation giving rise to the action was caused by the willful act, or neglect, or abuse of another; or

2. That correction of the violation was commenced promptly upon receipt of the notice thereof, but that full compliance within the time specified was prevented by inability to obtain necessary materials or labor, inability to gain access to the subject structure, or other condition or circumstance beyond the control of the defendant.

A. Any person violating or failing to comply with any of the provisions of the International Fire Code, the International Mechanical Code or the Uniform Plumbing Code (all as incorporated into Title 15) or who has had a judgment entered against him or her pursuant to 15.07.100 or 15.07.110(B) for the same violation within the past five years shall be subject to criminal prosecution and upon conviction shall be fined the amount set forth in EMC 1.10.010. CITY OF EDGEWOOD
STAFF REPORT
STUDY SESSION AGENDA ITEM: Verizon Franchise Agreement (MCI Metro)

Date: June 6, 2017

Title: Verizon Franchise Agreement (MCI Metro)
Attachments: Draft Franchise Agreement with Verizon Ordinance No. 17-XXXX

Submitted By: Aaron C. Nix, ACA Municipal Services – Acting Public Works Director
Approved For Agenda By: Daryl Eidinger, Mayor

Discussion: Staff and the City Attorney have been working with Verizon (i.e. MCI Metro) in establishing a Franchise Agreement with this working arm of the telecommunications company in order to allow them the ability to work within the City’s right of way, as dictated by Edgewood Municipal Code. MCI Metro provides transmissions infrastructure for Verizon as it pertains to telecommunications for Verizon. The last remaining issue pertains to the length of the Franchise Agreement. City Code is clear that Franchise Agreements are limited to maximum timeframe of 5 years, with some flexibility. Verizon has requested that this be extended and additional 5 years for these reasons, “Verizon is making a substantial investment in the city and as a result requests a longer franchise period. Verizon requests a 10-year franchise. Alternatively, a 5-year term with an automatic 5-year renewal is a possibility.” Staff is open to this option, but asks the Council for some guidance on this modification to the City’s current code language:

12.06.040 Term of grant.
Unless otherwise specified in the franchise, or unless otherwise renewed, a franchise granted hereunder shall be in effect for a term of not more than five years.

Recommendation: Recommend that Staff bring this Ordinance to the Council’s regular June 13, 2017 Council meeting to be considered for adoption and passage.

Franchisee may provide competitive telephone service and/or network telephone service as such terms are defined in RCW 82.16.010 and act as a service provider as such term is defined in RCW 35.99.010(6). This authorization is limited and is not intended nor shall it be construed as granting Franchisee or any other Person the right, duty or privilege to use its Facilities or the Public Rights-of-Way to provide Services not specifically authorized therein. This Franchise shall not be interpreted to prevent the City from lawfully imposing additional conditions, including additional compensation conditions, as permitted under applicable law for use of the Public Rights-of-Way, should Franchisee provide Service other than Service specifically authorized herein.

2.3 No rights shall pass to Franchisee by Implication. No rights shall pass to Franchisee by implication. Without limiting the foregoing and by way of example, this Franchise shall not include or be a substitute for:

2.4 Interest in the Public Right-of-Way. This Franchise shall not operate or be construed to convey title, equitable or legal, in the Public Rights-of-Way. No reference herein to a Public Right-of-Way shall be deemed to be a representation or guarantee by the City that its interest, or other right to control the use of such Public Right-of-Way, is sufficient to grant its use for such purposes. This Franchise shall be deemed to grant no more than those rights which the City may have the undisputed right and power to give. The grant given herein does not confer rights other than as expressly provided in the grant hereof and is subject to the limitations in applicable Law.

Franchisee acknowledges that, where City has ownership rights, those ownership rights may terminate for other reasons, such as a street vacation. Franchisee further acknowledges that Franchisee’s rights under this Franchise as to any Franchise Area, are subject and subordinate to all outstanding rights and encumbrances on City’s Public Rights-of-Way, and any easements, other franchise agreements, licenses, permits or agreements in effect on or before the Effective Date; City therefore grants to Franchisee no more right, title and interest in any Public Right-of-Way than the City holds in such Public Rights-of-Way at the time of grant, and Franchisee hereby releases City from any and all liability, cost, loss, damage or expense in connection with any claims that City lacked sufficient legal title or other authority to convey the rights described herein. In case of eviction of Franchisee or Franchisee’s contractors by anyone owning or claiming title to, or any interest in the Franchise Area, City shall not be liable to Franchisee or Franchisee’s Contractors for any costs, losses or damages of any Party.

Franchisee represents and warrants to the City that neither Franchisee nor its contractors or subcontractors have relied and will not rely on, and the City is not liable for or bound by, any warranties, guaranties, statements or information pertaining to the Condition of the Franchise Area or relating thereto made or furnished by the City, or any agent representing or purporting to represent the City, to whomever made or given, directly or indirectly, orally or in writing. The City hereby disclaims any representations or warranty, whether expressed or implied, as to the design or condition of the franchise area, its merchantability or fitness for any particular purpose, the quality of the materials or workmanship of the Public Right-of-Way, or the conformity of any part of the Public Right-of-Way to its intended uses. The City shall not be responsible to Franchisee or any of Franchisee’s contractors for any damages relating to the design, condition, quality, safety, merchantability or fitness for any particular purpose of any part of the Public Right-of-Way present on or constituting any franchise area, or the conformity of any such property to its intended uses.

2.6 Franchise Nonexclusive. This Franchise shall be nonexclusive. Subject to the terms and conditions herein, the City may at any time grant authorization to others to use the Public Rights-of-Way for any lawful purpose. Further, this Franchise shall in no way prevent or prohibit the City from using any of its Public Ways or affect its jurisdiction over them or any part of them, and the City shall retain power to make all necessary changes, relocations, repairs, maintenance, establishment, improvements, and dedication of the same as the city may deem fit, including the dedication, establishment, maintenance, and improvement of all new Public Ways.

2.7 Transfer. Franchisee may Transfer this Franchise after receipt from the City’s Transferee of Exhibit A, or a form substantially similar to Exhibit A, agreeing that Transferee(s) shall thereafter be responsible for all obligations of Franchisee with respect to the Franchise and guaranteeing performance under the terms and conditions of the Franchise and that transferees will be bound by all the conditions of the Franchise and will assume all the obligations of its predecessor. Such a Transfer shall relieve Franchisee of any further obligations under the Franchise, including any obligations not fulfilled by Franchisee’s Transferee; provided that, the Transfer shall not in any respect relieve Franchisee, or any of its successors in interest, of responsibility for acts or omissions, known or unknown, or the consequences thereof, which acts or omissions occur prior to the time of the Transfer. This Franchise may not be transferred without filing or establishing with the City the insurance certificates, security fund and performance bond as required pursuant to this Franchise and paying all Direct Costs to the City related to the Transfer.

Notwithstanding the foregoing, notice to the City shall not be required for a mortgage, hypothecation or an assignment of Franchisee’s interest in the Franchise in order to secure indebtedness.

Franchisee may, without the prior written notice to the City: (i) lease the Utility System, or any portion thereof, to another Person; (ii) grant an indefeasible right of user interest in the Utility System, or any portion thereof, to another Person; or (iii) offer or provide capacity or bandwidth in its Utility System to another Person; provided that, Franchisee at all times retains exclusive control over it Utility System and remains responsible for all obligations under this Franchise, including but not limited to Constructing its Facilities pursuant to the terms and conditions of this Franchise, and provided further that, Franchisee may grant no rights to any such Person that are greater than any rights Franchisee has pursuant to this Franchise; such Persons shall not be construed to be a third-Party beneficiary hereunder; and, no such Person may use the Utility System for any purpose not authorized herein.
2.8 **Street Vacation.** If any Public Right-of-Way or portion thereof used by Franchisee is to be vacated during the term of this Franchise, unless as a condition of such vacation the Franchisee is granted the right to continue its Facilities in the vacated Public Right-of-Way, Franchisee shall, without delay or expense to City, remove its Facilities from such Public Right-of-Way, and restore, repair or reconstruct the Public Right-of-Way where such removal has occurred, and place the Public Right-of-Way in such condition as may be required by the City. In the event of a vacation, the City, where practicable, will reserve an easement for Franchisee’s continued use of the portion of the area vacated where its Facilities are located.

2.9 **Reservation of City Use of Public Right-of-Way.** Nothing in this Franchise shall prevent the City from constructing sanitary or storm sewers; grading, changing grade, paving, repairing or altering any Public Right-of-Way; laying down, repairing or removing water mains; or installing conduit or fiber optic cable.

**ARTICLE 3. COMPLIANCE WITH LAWS/ORDER OF PRECEDENCE**

3.1 **Compliance with Laws.** Except as provided herein pursuant to Section 3.3, Franchisee shall comply fully with all applicable Laws as now or hereafter in effect, and any lawful orders from regulatory agencies or courts with jurisdiction over Franchisee and its Facilities, or over the City and the Public Rights-of-Way, and shall fully indemnify, protect, defend and hold harmless the City, its officials, officers and employees from and against any and all claims, losses, suits, penalties, costs and causes of action arising from any failure by Franchisee to so comply.

3.2 **Police Powers.** Franchisee acknowledges that its rights hereunder are subject to those powers expressly reserved by the City and further are subject to the police powers of the City to adopt and enforce ordinances necessary to protect the health, safety and welfare of the public. Franchisee agrees to comply with all lawful and applicable general ordinances now or hereafter enacted by the City pursuant to such power. Such powers expressly include but are not limited to, the right to adopt and enforce applicable zoning, building, permitting and safety ordinances and regulations, the right to adopt and enforce ordinances and regulations relating to equal employment opportunities, and the right to adopt and enforce ordinances and regulations governing work performed in the Public Right-of-Way.

3.3 **Alteration of Material Terms and Conditions.** Subject to federal and State preemption, the material rights, benefits, obligations or duties as specified in this Franchise may not be unilaterally altered by the City through subsequent amendments to any ordinance, regulation, resolution or other enactment of the City, except within the lawful exercise of the City’s police power, which the City hereby expressly reserves in full.

3.4 **Reservation of Rights/Wavier.** The City shall be vested with the power and right to administer and enforce the requirements of this Franchise and the regulations and requirements of applicable Law, or to delegate that power and right, or any part thereof, to the extent permitted under Law, to any agent in the sole discretion of the City. The City expressly reserves all of its rights, authority and control arising from any relevant provisions of federal, State or local Laws granting the City rights, authority or control over the Public Rights-of-Way or the activities of Franchisee. Nothing in this Franchise shall be deemed to waive the requirements of the various codes and ordinances of the City regarding franchises, fees to be paid or manner of Construction. Nothing in this Franchise shall be deemed to waive, and Franchisee specifically reserves the right to challenge, any City ordinance,
regulation or resolution that conflicts with its rights under this Franchise. Nothing in this Franchise shall abrogate the City’s right to perform any public works or public improvements of any description.

3.5 Subsequent Action. If the terms of this Franchise are materially altered due to changes in or clarifications governing Law or due to agency rule making or other action, then the Parties shall negotiate in good faith to reconstitute this Franchise in a way consistent with then-applicable Law in a form that, to the maximum extent possible, is consistent with the original scope, intent and purpose of the City and Franchisee and preserves the benefits bargained for by each Party.

3.6 Change in Form of Government. Any change in the form of government of the City shall not affect the validity of this Franchise. Any governmental unit succeeding the City shall, without the consent of Franchisee, succeed to all of the rights and obligations of the City provided in this Franchise except as expressly provided by applicable Laws.

3.7 Order of Precedence.

3.7.1 In the event of a conflict between a provision, term, condition, or requirement of the Edgewood Municipal Code or City ordinances in effect upon the Effective Date and a provision, term, condition, or requirement of this Franchise, the provision, term, condition, or requirement of the Municipal Code or City ordinances shall control to the extent of such conflict.

3.7.2 In the event of a conflict between a provision, term, condition, or requirement of the Municipal Code or City ordinances enacted subsequent to the Effective Date and a provision, term, condition, or requirement of this Franchise, the provision, term, condition, or requirement of the Municipal Code or City ordinances shall control, to the extent of the conflict, subject to Sections 3.3 and 3.4 of this Franchise.

3.8 WSDOT Requirements. To the extent that some Public Rights-of-Way within the Franchise Area are part of the state highway system (“State Highways”) and are governed by the provisions of Chapter 47.24 RCW and applicable Washington State Department of Transportation (WSDOT) requirements in addition to local ordinances and other regulations, the provisions of this subsection 3.8 shall apply, and Franchisee agrees that:

(a) Any pavement trenching and restoration performed by or on behalf of Franchisee within State Highways shall meet or exceed applicable WSDOT requirements;

(b) Any portion of a State Highway damaged or injured by Franchisee shall be restored, repaired and/or replaced by Franchisee to a condition that meets or exceeds applicable WSDOT requirements; and

(c) Without prejudice to any right or privilege of the City, WSDOT is authorized to enforce in an action brought in the name of the State of Washington any condition of this Franchise with respect to any portion of a State Highway.

ARTICLE 4. ACCEPTANCE
4.1 Acceptance. Within sixty (60) days after the passage and approval of this Franchise by the City Council, this Franchise shall be accepted by Franchisee by filing with the City Clerk during regular business hours, or such other person as may be designated by the City, three originals of this Franchise with its original signed and notarized written acceptance of all of the terms, provisions and conditions of this Franchise in conformance with the Exhibits hereto, together with the following, if required herein:

4.1.1 Payment in readily available funds of the administrative costs for issuance of the Franchise in conformance with the requirements of Section 5.8 herein.

4.1.2 Submission of proof of financial security in accordance with Section 5.4 herein.

4.1.3 Payment of the costs of publication of this Franchise Ordinance in conformance with the requirements of Sections 5.8 and 8.18 herein.

4.1.4 Parental Guarantee, if required, in conformance with the requirements of Section 5.5 herein.

In the event that the sixtieth (60th) day falls on a Saturday, Sunday or legal holiday during which the City is closed for business, the filing date shall fall on the first business day following such Saturday, Sunday or legal holiday.

4.2 Failure to Timely File Acceptance. Except as provided in this Section 4.2 below, the failure of Franchisee to timely file its written acceptance shall be deemed a rejection by Franchisee of this Franchise, and this Franchise shall then be void. In the event that Franchisee timely files its written acceptance but fails to timely comply with the applicable requirements of sections 4.1.1 through 4.1.4, this Franchise shall be voidable in the sole discretion of the Mayor without further action required by the City Council or the consent of Franchisee. The Franchise shall be voidable until such time as Franchisee complies with all of the applicable requirements of sections 4.1.1 through 4.1.4. No opportunity to cure or public hearing is required to void the Franchise pursuant to this Section 4.2 by giving written notice of the same to Franchisee.

4.3 Effective Date; Term.

4.3.1 Effective Date. Except as provided pursuant to Section 4.2 of this Franchise, the Effective Date of this Ordinance and franchise shall be 12:01 a.m. on the 31st day (one month) following passage and approval of this Franchise by the City Council. This Franchise and the rights, privileges, and authority granted hereunder and the contractual relationship established hereby shall take effect and be in force from and after the Effective Date of this Ordinance for the term hereof.

4.3.2 Term. The term of this Franchise shall commence on the Effective Date and shall continue in full force and effect for a period of five (5) ten (10) years, unless sooner terminated, revoked or rendered void. No more than 180 days prior to expiration, the Parties may mutually agree in writing to extend the term of this Franchise for an additional ten (10) year term upon the same terms and conditions as provided herein. The Mayor is authorized to execute such an extension on behalf of the City without further action or approval by the City Council.

Comment [A1]: Verizon requests a 30-year term. Verizon will be making a significant investment by adding additional network capability and capacity in the city to support wireless services and adding new products and services for business and government use. Considering the commitment Verizon will make and the fact that a franchise term of longer than five years, is permitted by city code, Verizon requests a ten-year franchise term.
4.4 **Effect of Acceptance.** By accepting the Franchise, Franchisee:

4.4.1 Accepts and agrees to comply with and abide by all of the terms and conditions of this Franchise;

4.4.2 Acknowledges and accepts the City's legal right to grant this Franchise;

4.4.3 Agrees that the Franchise was granted pursuant to processes and procedures consistent with applicable Law and that it will not raise any claim to the contrary.

4.4.4 Agrees that it enters into this Franchise freely and voluntarily, without any duress or coercion, after free and full negotiations, after carefully reviewing all of the provisions, conditions and terms of this Franchise, and after consulting with counsel;

4.4.5 Acknowledges and agrees that it has carefully read the terms and conditions of this Franchise; it unconditionally accepts all of the terms and conditions of this Franchise; it unconditionally agrees to abide by the same; it has relied upon its own investigation of all relevant facts; it was not induced to accept this Franchise; and, that this Franchise represents the entire agreement between Franchisee and the City.

4.4.6 Warrants that Franchisee has full right and authority to enter into and accept this Franchise in accordance with the terms hereof, and by entering into or performing this Franchise, Franchisee is not in violation of its charter or by-laws, or any law, regulation, or agreement by which it is bound or to which it is subject.

4.4.7 Warrants that acceptance of this Franchise by Franchisee has been duly authorized by all requisite Board action, that the signatories for Franchisee hereeto are authorized to sign the Franchise acceptance, and that the joinder or consent of any other party, including a court, trustee, or referee, is not necessary to make valid and effective the execution, delivery, and performance of this Franchise.

4.5 **Effect of Expiration/Termination.** Upon expiration or termination of the Franchise without renewal or other authorization, Franchisee shall no longer be authorized to operate the Facilities within the Franchise Area and shall; to the extent it may lawfully do so, cease operation of the Facilities. Forthwith thereafter, except as provided in this Section, or as otherwise provided by ordinance, Franchisee shall, at Franchisee’s sole expense: (1) remove its structures or property from the Public Rights-of-Ways and restore the Public Right-of-Way to such condition as the City may reasonably require; (2) sell its Facilities to another entity authorized to operate Facilities within the Franchise Area (which may include the City) upon City approval, to the extent the City may lawfully require its approval; or (3) abandon any Facilities in place in the Public Rights-of-Way upon written notice to the City of Franchisee’s intent to so do. If, within ninety (90) days of the City’s receipt of Franchisee’s notice of abandonment, the City determines that the safety, appearance, or use of the Public Rights-of-Way would be adversely affected, the Facilities must be removed by the Franchisee by a date reasonably specified by the City in light of the amount of work to be performed. In the event of failure by Franchisee properly to perform such work, then the City may, after thirty (30) days written notice to Franchisee, perform the work and collect the actual and reasonable costs thereof from Franchisee.
ARTICLE 5. PROTECTION OF THE CITY AND PUBLIC

5.1 Limitation of Liability

5.1.1 Indemnity/Release/Defense. Except as may be otherwise provided pursuant to section 5.2 of this franchise with respect to environmental liability, to the fullest extent permitted by law, franchisee shall fully protect, release, indemnify, defend, and hold harmless the City and City’s successors, assigns, legal representatives, officers (elected or appointed), employees, and agents (collectively, “indemnitees”) for, from, and against any and all claims, liabilities, fines, penalties, costs, damages, losses, liens, causes of action, suits, demands, judgments, and expenses (including, without limitation, court costs, reasonable attorney’s fees, and costs of investigation, removal and remediation, and governmental oversight costs), environmental or otherwise (collectively “liabilities”) of any nature, kind, or description, of any person or entity, directly or indirectly arising out of, resulting from, or related to (in whole or in part):

5.1.1.1 This franchise;

5.1.1.2 Any rights or interests granted pursuant to this franchise;

5.1.1.3 Franchisee’s occupation and use of the public right of way;

5.1.1.4 Franchisee’s operation of the utility;

5.1.1.5 The presence of the utility system within the public right of way;

5.1.1.6 The environmental condition and status of the public right of way caused by or contributed to, in whole or in part, by franchisee or its contractors, subcontractors, or agents;

5.1.1.7 Any act or omission or franchisee or franchisee’s contractors, subcontractors, agents and servants, officers or employees in connection with work in the public right of way; or

The only liabilities with respect to which franchisee’s obligation to indemnify the indemnitees does not apply are liabilities to the extent proximately caused by the negligence or intentional misconduct of an indemnitee or the liabilities that by law the indemnitees cannot be indemnified for.

This covenant of indemnification shall include, but not be limited by this reference, to Liabilities arising, as a result of the acts or omissions of Franchisee, its agents, servants, officers, or employees in barricading, instituting trench safety systems or providing other adequate warnings of any excavation, construction, or work in any public Right-of-Way or other public place in performance of work or services Permitted under this authorization or lease.

This covenant of indemnification shall specifically include, without limitation, claims for delay, damages, costs and/or time asserted by any contractor performing public work for or on behalf of the City to the extent such matters are caused by or result from the acts or omissions of Franchisee under this Franchise.
The fact that Franchisee carries out any activities under this Franchise through independent contractors shall not constitute an avoidance of or defense to Franchisee’s duties of defense and indemnification under this Section 5.1.

5.1.2 Tender of Defense. Upon written notice from the City, Franchisee agrees to assume the defense of any lawsuit, claim or other proceeding brought against any Indemnitee by any entity, relating to any matter covered by this Franchise for which Franchisee has an obligation to assume liability for and/or save and hold harmless any Indemnitee. City's failure to notify and request indemnification shall not relieve Franchisee of any liability that Franchisee might have, except to the extent that such failure prejudices Franchisee’s ability to defend such claim or suit. Franchisee shall pay all costs incident to such defense, including, but not limited to, attorneys’ fees, investigators’ fees, litigation and appeal expenses, settlement payments, and amounts paid in satisfaction of judgments. Further, said indemnification obligations shall extend to claims that are not reduced to a suit and any claims which may be compromised prior to the culmination of any litigation or the institution of any litigation. The City has the right to defend and may participate in the defense of a claim and, in any event, Franchisee may not agree to any settlement of claims financially affecting the City without the City’s prior written approval which shall not be unreasonably withheld. If separate representation to fully protect the interests of both Parties is necessary, such as a conflict of interest between the City and the counsel selected by Franchisee to represent the City, Franchisee shall select additional counsel with no conflict with the City.

5.1.3 Refusal to Accept Tender. In the event Franchisee refuses the tender of defense in any suit or any claim, said tender having been made pursuant to the indemnification clauses contained herein, and said refusal is subsequently determined by a court having jurisdiction (or such other tribunal that the Parties shall agree to decide the matter), to have been a wrongful refusal on the part of Franchisee, then Franchisee shall pay all of the City’s costs for defense of the action, including all reasonable expert witness fees and reasonable attorneys’ fees and the reasonable costs of the City, including reasonable attorneys’ fees of recovering under this indemnification clause.

5.1.4 Title 51 Waiver. Franchisee waives immunity under RCW Title 51 and affirms that the City and the Franchisee have specifically negotiated this provision, as required by RCW 4.24.115, to the extent it may apply.

5.1.5 Inspection. Inspection or acceptance by the City of any Work performed by Franchisee at the time of completion of construction shall not be grounds for avoidance of any of these covenants of indemnification.

5.2 Compliance with all Applicable Laws. Each party agrees to comply with all applicable present and future federal, state, and local laws, ordinances, rules, and regulations. This Franchise is subject to ordinances of general applicability enacted pursuant to the City’s police powers. The City reserves the right at any time to amend this Franchise to conform to any enacted, amended, or adopted federal or state statute or regulation relating to the public health, safety, and welfare, or relating to roadway regulation, or a City ordinance enacted pursuant to such federal or state statute or regulation, when such statute, regulation, or ordinance necessitates this Franchise be amended in order to remain in compliance with applicable laws, but only upon providing Franchisee with thirty (30) days’ written notice of its action setting forth the full text of the amendment and identifying the statute, regulation, or
ordinance requiring the amendment. Said amendment shall become automatically effective upon expiration of the notice period unless, before expiration of that period, Franchisee makes a written request for negotiations regarding the terms of the amendment. If the parties do not reach agreement as to the terms of the amendment within thirty (30) days of the call for negotiations, either party may pursue any available remedies at law or in equity.

5.3 **Insurance Requirements.** See Attached Exhibit “D”.

5.4 **Financial Security.** See Attached Exhibit “E”.

5.6 **Contractors/Subcontractors.** Franchisee’s contractors and subcontractors performing Work in the Public Rights-of-Way shall comply fully with such bond, indemnity and insurance requirements as may be required by City code or regulations, or other applicable Law. If no such requirements are set forth in the City code or regulations, Franchisee’s contractors and subcontractors shall comply with the requirements set forth in attached Exhibit “G”.

5.7 **Liens.** In the event that any City property becomes subject to any claims for mechanics’, artisans’, or materialmen’s liens, or other encumbrances chargeable to or through Franchisee which Franchisee does not contest in good faith, Franchisee shall promptly, and in any event within thirty (30) days, cause such lien claim or encumbrance to be discharged or released of record (by payment, posting of bond, court deposit, or other means), without cost to the City, and shall indemnify the City against all costs and expenses (including attorneys’ fees) incurred in discharging and releasing such claim of lien or encumbrance. If any such claim or encumbrance is not so discharged and released, the City may pay or secure the release or discharge thereof at the expense of Franchisee after first giving Franchisee ten (10) business days’ advance notice of its intention to do so. Nothing herein shall preclude Franchisee’s or the City’s contest of a claim for lien or other encumbrance chargeable to or through Franchisee or the City, or of a contract or action upon which the same arose.

5.8 **Financial Conditions.**

5.8.1 **Franchise Fees.** During the term of this Franchise, should federal and/or state Law change or the statutory prohibition or limitation upon assessment of Franchise fees be invalidated, amended, or modified allowing revenues derived by Franchisee from any Services provided by Franchisee using the Franchise Area to be subject to a Franchise fee or other fee in lieu of a Franchise fee that was otherwise prohibited or limited on the Effective Date, the City and Franchisee shall negotiate a reasonable Franchise fee or other fee in lieu of a Franchise fee, consistent with federal and/or state Law.

5.8.2 **Reimbursement of Direct Costs of Issuance, Renewal, Amendment and Administration.** Franchisee shall, to the extent allowable by law, fully reimburse the City for the City’s reasonable Direct Costs (including attorney’s fees) relating to the issuance, renewal, amendment (if requested by or for the benefit of the Franchisee) and administration of this Franchise.

5.8.3 **Reimbursement of Direct Costs of Design Review and Inspection.** City approvals and inspections, as provided for in this Franchise, are for the sole purpose of protecting the City’s rights as the owner or manager of the road Public Rights-of-Way and are separate and distinct from the
approvals and inspections and fees that may be required pursuant to a Regulatory Permit or an Administrative Permit. Therefore, Franchisee shall fully reimburse to the City, its reasonable Direct Costs of approvals and inspections, to the extent that such Direct Costs are not included in the costs for issuance of and compliance with the Regulatory Permit. Approvals and inspection, by way of example and not limitation, include review of design documents and inspection for compliance with Standards and 100% Design Submittal.

5.8.4 Reimbursement of Direct Costs of altering Public Rights-of-Way. Franchisee shall fully reimburse the City for the reasonable Direct Costs incurred by the City in planning, designing, constructing, installing, repairing or altering any City infrastructure, structure, or facility as the result of the actual or proposed presence in the Public Right-of-Way of Franchisee’s Facilities. Such costs and expenses shall include, but not be limited to, the Direct Costs of City personnel and contractors utilized to oversee or engage in any work in the Public Right-of-Way as the result of the presence of Franchisee’s Facilities in the Right-of-Way, and any time spent reviewing construction plans in order to either accomplish the relocation of Franchisee’s Facilities or the routing or rerouting of any public utilities or Public Rights-of-Way so as not to interfere with Franchisee’s Facilities. Upon request as a condition of payment by Franchisee, all billing will be itemized so as to specifically identify the Direct Costs and expenses for each project for which the City claims reimbursement. A reasonable charge for the actual cost incurred in preparing the billing may also be included in said billing.

5.8.5 Franchisee Responsibility for Costs. Except as expressly provided otherwise in this Franchise, any act that Franchisee, its contractors or subcontractors are required to perform under this Franchise shall be performed at their sole cost and expense.

5.8.6 Franchisee Work Performed by the City. Any work performed by the City that Franchisee has failed to perform as required pursuant to this Franchise and which is performed by the City in accordance with the terms of this Franchise, shall be performed at the cost and expense of the Franchisee. Franchisee shall be obligated to pay the reasonable Direct Costs to the City of performing such work.

5.8.7 Costs to be Borne by Franchisee. Franchisee shall fully reimburse the City for all costs of publication of this Franchise, and any notices prior to any public hearing regarding this Franchise, contemporaneous with its acceptance of this Franchise.

5.8.8 Taxes and Fees. Nothing contained in this Franchise Agreement shall exempt Franchisee from Franchisee’s obligation to pay any lawful utility tax, business tax, or ad valorem property tax, now or hereafter levied against real or personal property within the City, or against any local improvement assessment or imposed on Franchisee. Any lawful fees, charges and/or fines provided for in the Edgewood Municipal Code or any other City ordinance, and any compensation charged and paid for the Public Rights-of-Way, whether pecuniary or in-kind, are separate from, and additional to, any and all federal, state, local, and City taxes as may be levied, imposed or due from Franchisee.
5.8.9 **Itemized Invoice.** Upon request and as a condition of payment by the Franchisee of Direct Costs payable by Franchisee under this Franchise, City shall submit an itemized billing so as to specifically identify the Direct Costs incurred by the City for each project for which the City claims reimbursement.

5.8.10 **Time for Payment.** All non-contested amounts owing shall be due and paid within thirty (30) days of receipt of invoice; provided that, in the event that an itemized invoice is not provided at the time of receipt of invoice and the City receives a request from Franchisee for an itemized invoice within 30 days of receipt of invoice, such amounts shall be due and paid within (30) days of receipt of the itemized invoice.

5.8.11 **Overdue Payments.** Any amounts payable under this Franchise by Franchisee which shall not be paid upon the due date thereof, shall bear interest at the rate set forth in RCW 19.52.020, which as of the Effective Date is twelve (12%) percent per annum from the date that such payment is due.

5.8.12 **Contesting charges.** Franchisee may contest all or parts of amounts owed within thirty (30) days of receipt of any invoice. The City will investigate Franchisee’s contest and will make appropriate adjustments to the invoice, if necessary, and resubmit the invoice to Franchisee. Franchisee shall pay any amounts owing as itemized in the resubmitted invoice which amounts shall be due within thirty (30) days of receipt of the resubmitted invoice. However, Franchisee does not waive its rights to further dispute resolution processes pursuant to Section 6.1 of this Franchise. Submittal of a dispute over amounts owing pursuant to Section 6.1 does not relieve Franchisee of its obligation to pay amounts due under the resubmitted invoice.

5.8.13 **Receivables.** Either Party hereto may assign any monetary receivables due them under this Franchise; provided, however, such transfer shall not relieve the assignor of any of its rights or obligations under this Franchise.

**ARTICLE 6. ENFORCEMENT AND REMEDIES.**

6.1 **Dispute Avoidance/Mediation.**

6.1.1 **Communication and Discussion.** The Parties are fully committed to working with each other throughout the term of this Franchise and agree to communicate regularly with each other at all times so as to avoid or minimize Disputes. The Parties agree to act in good faith to prevent and resolve potential sources of conflict before they escalate into a Dispute. The Parties each commit to resolving a Dispute in an amicable, professional and expeditious manner.

6.1.2 **Representatives.** If a Dispute cannot be resolved through discussions by each Party’s representative, upon the request of either Party, each Party shall each designate a senior representative (“Senior Representative”), and the Senior Representatives for the Parties shall meet as soon as conveniently possible, but in no case later than thirty (30) days after such a request is made, to attempt to resolve the Dispute. Prior to any meetings between the Senior Representatives, the Parties will exchange relevant information that will assist the Parties in resolving the dispute.
6.1.3 Mediation. If the Parties are unable to resolve the dispute under the procedure set forth in this Section, the Parties hereby agree that the matter may, at the mutual discretion of the Parties, be referred to mediation. Either Party may request mediation upon a determination by that Party that the Parties are unable to resolve the Dispute pursuant to Section 6.1.2 herein. The Parties shall thereupon mutually agree upon a mediator to assist them in resolving their differences. If the Parties are unable to agree upon a mediator, the Parties shall jointly obtain a list of seven (7) mediators from a reputable dispute resolution organization and alternate striking mediators on that list until one remains. A coin toss shall determine who may strike the first name. If a Party fails to notify the other Party of which mediator it has stricken within two (2) business days, the other Party shall have the option of selecting the mediator from those mediators remaining on the list. Unless the Parties agree otherwise, mediation shall commence in no case later than thirty (30) days after a mediator is selected. Any expenses incidental to mediation shall be borne equally by the Parties. Nothing herein shall be construed as requiring mediation as a prerequisite to litigation or other method of Dispute Resolution.

6.1.4 Intent. The obligations of this Section 6.1 are not intended and shall not be construed to prevent a Party from, assessing liquidated damages, issuing an order to cure an alleged Non-Material Breach, or taking Corrective Action.

6.2 Remedies. The Parties have the right to seek any and all of the following remedies, singly or in combination, in the event of Material Breach:

6.2.1 Specific Performance. Each Party shall be entitled to specific performance of each and every obligation of the other Party under this Permit without any requirement to prove or establish that such Party does not have an adequate remedy at law. The Parties hereby waive the requirement of any such proof and acknowledge that either Party would not have an adequate remedy at law for the commission of an event of default or Breach hereunder.

6.2.2 Injunction. Each Party shall be entitled to restrain, by injunction, the actual or threatened commission or attempt of an event of default or Breach and to obtain a judgment or order specifically prohibiting a violation or breach of this Franchise without, in either case, being required to prove or establish that such Party does not have an adequate remedy at law. The Parties hereby waive the requirement of any such proof and acknowledge that the other Party would not have an adequate remedy at law for the commission of an event of default or Breach hereunder.

6.2.3 Alternative Remedies. Except as otherwise provided herein, neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed to bar or otherwise limit the right of the either Party to commence an action for equitable or other relief, and/or proceed against the other Party and any guarantor for all direct monetary damages, costs and expenses arising from the default or Breach and to recover all such damages, costs and expenses, including reasonable attorneys’ fees.

6.2.4 Damages. Except as otherwise provided or limited herein, (i) seek equitable relief, and/or (ii) commence an action at law for monetary damages or impose liquidated damages as set forth below. Remedies are cumulative; the exercise of one shall not foreclose the exercise of others. No provision of this Franchise shall be deemed to bar either Party from seeking appropriate judicial relief. Neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed
to bar or otherwise limit the right of either Party to recover monetary damages, as allowed under applicable law, or to seek and obtain judicial enforcement by means of specific performance, injunctive relief or mandate, or any other remedy at law or in equity. The City specifically does not, by any provision of this Franchise, waive any right, immunity, limitation or protection otherwise available to the City, its officers, officials, City Council, Boards, commissions, agents, or employees under federal, State, or local law.

6.3 Right to Cure Breach.

6.3.1 Notice. If a Party believes that the other Party is in Non-Material Breach, such Party shall give written notice to the Noticed Party stating with reasonable specificity the nature of the alleged non-material Breach. The Noticed Party shall have thirty (30) days, or such lesser or greater time as specified in the notice, from the receipt of such notice to:

6.3.1.1 Respond to the other Party, contesting that Party’s assertion that a Breach has occurred, and request a meeting in accordance with Section 6.1; or

6.3.1.2 Cure the Breach; or

6.3.1.3 Notify the other Party that the Noticed Party cannot cure the Breach within the time provided in the notice, because of the nature of the Breach. In the event the Breach cannot be cured within time provided in the notice, the Noticed Party shall promptly take all reasonable steps to cure the Breach and notify the other Party in writing and in detail as to the exact steps that will be taken and the projected completion date. In such case, the other Party may set a meeting to determine whether additional time beyond the time provided in the notice is indeed needed, and whether the Noticed Party’s proposed completion schedule and steps are reasonable.

6.3.2 Communication. If the Noticed Party does not cure the alleged Non-Material Breach within the cure period stated above, or denies the alleged Non-Material Breach the Parties shall meet in accordance with Section 6.1 to attempt to resolve the Dispute.

6.3.3 Time to Cure. When specifying the time period for cure, the Party giving notice shall take into account, the nature and scope of the alleged Breach, the nature and scope of the work required to cure the Breach, whether the Breach has created or will allow to continue an unsafe condition, the extent to which delay in implementing a cure will result in adverse financial consequences or other harm to the Party giving notice, and whether delay in implementing a cure will result in a violation of Law or breach of contract.

6.3.4 Failure to Cure. If the Noticed Party fails to promptly commence and diligently pursue cure of a Non-Material Breach to completion to the reasonable satisfaction of the Party giving notice and in accordance with the agreed upon time line or the time provided for in the Notice of Breach, then the Non-Material Breach shall become a Material Breach.

6.4 Material Breach. In the event of a Material Breach, no opportunity to cure shall be required before taking Legal Action to remedy the Material Breach created as a result of the failure to cure.
6.5 **Termination/Revocation.** In addition to the remedies available to the City as provided at Law, in equity or in this Franchise, upon a material breach, the City may revoke this Franchise and rescind all rights and privileges associated with this Franchise in accordance with the following:

6.5.1 **Notice.** Prior to termination of the Franchise, the City shall give written notice to the Franchisee of its intent to revoke the Franchise and request a meeting and commence dispute resolution pursuant to Section 6.1 of this Franchise. The notice shall set forth the exact nature of the material breach. If Franchisee objects to such termination, Franchisee shall object in writing and state its reasons for such objection and provide any explanation. If the material breach has arisen as a result of a failure to cure a Non-Material Breach, and the Parties have previously mediated the dispute pursuant to Section 6.1 herein, the Parties are not obligated to utilize the dispute resolution process before proceeding to a public hearing as provided as 6.5.2 herein.

6.5.2 **Hearing.** In the event the City is unable to resolve the Dispute as to the Material Breach to the satisfaction of the City pursuant to Section 6.1 herein, the City may then seek a termination/revocation of the Franchise in accordance with this Subsection.

6.5.2.1 The City Council, or its designee, shall conduct a public hearing to determine if termination/revocation of the Franchise is warranted.

6.5.2.2 At least fourteen (14) days prior to the public hearing, the City shall issue a public hearing notice that shall establish the issue(s) to be addressed in the public hearing; provide the time, date and location of the hearing; provide that the Hearing Body/Officer shall hear any Persons interested therein; and provide that the Franchisee shall be afforded fair opportunity for full participation, including the right to introduce evidence, to require the production of evidence, to be represented by counsel and to question witnesses.

6.5.2.3 Within sixty (60) days after the close of the hearing, the City Council shall issue a written decision regarding the termination/revocation of the Franchise. If the City Council has designated another hearing body/officer to conduct the public hearing, such hearing body/officer shall make a recommendation to the City Council within thirty (30) days following the close of the public hearing, and the City Council shall make a decision upon the recommendation of the Hearing Body/Officer after a closed record hearing and within sixty (60) days following receipt of the recommendation of the Hearing Body/Officer. The decision of the City Council shall be final. The Parties recognize that a decision to terminate/revoke a Franchise is not a land use decision that is subject to appeal pursuant to the Land Use Petition Act (Chapter 36.70C RCW). Failure to render a decision within the required time period shall not be a basis for invalidation of the decision that is made.

6.5.3 **Decision to Terminate.** The City may consider the following when determining whether or not to terminate/revoke the Franchise based upon the Material Breach:

6.5.3.1 The history of non-compliance by Franchisee with material terms and conditions of this Franchise;

6.5.3.2 Whether other remedies will achieve compliance with this Franchise;
6.5.3.3 Whether Franchisee has acted in good faith;

6.5.3.4 Whether the acts or omissions that gave rise to the Material Breach were willful or indifferent to the requirements that gave rise to the Material Breach;

6.5.3.5 The impact or potential impact of the Material Breach upon the public health, safety and welfare;

6.5.3.6 The economic risk the City is exposed to as a result of the Material Breach;

6.5.3.7 Whether consent, permission, adjudication, an order or other authorization of a governmental agency or body, is required as a condition precedent to the City ordering Franchisee to abandon or remove Facilities from the Public Rights-of-Way or to cease operations (temporarily or otherwise) of the Facilities.

6.5.3.8 Such other facts and circumstances that are relevant to the controversy that gave rise to the Material Breach and/or to whether or not the continued presence and operation of Franchisee’s Facilities within the Franchise Area will be harmful to the public health, safety or welfare.

6.6 Assessment of Liquidated Damages.

6.6.1 Because it may be difficult to ascertain or quantify the harm to the City in the event of a Breach of this Franchise by Franchisee, the Parties agree to liquidated damages as a reasonable estimation of the actual economic losses resulting from Franchisee’s Breach of those provisions of this Franchise set forth as Section 6.6.7 herein, and not as a penalty. To the extent that the City elects to assess liquidated damages as provided in this Franchise, such damages shall be the City’s sole and exclusive remedy for recovery of compensatory damages resulting from such Breach and shall not exceed a time period of one hundred eighty (180) days. Nothing in this subsection is intended to preclude the City from exercising any other right or remedy with respect to a Breach that continues past the time the City stops assessing liquidated damages for such breach.

6.6.2 Prior to assessing any liquidated damages, the City shall follow the procedures set forth in this Franchise that provide the Franchisee proper notice and a right to cure when applicable.

6.6.3 With the exception of failure to comply with a stop work order pursuant to Section 7.5.7 herein, the City shall not assess any liquidated damages if Franchisee has cured or commenced to and completes the cure under the enforcement provisions of Article 6 of this Franchise. In the event Franchisee fails to cure, the City may assess liquidated damages and shall inform Franchisee in writing of the assessment. Franchisee shall have thirty (30) days to pay the damages. The City may immediately begin assessing liquidated damages upon issuance of a stop work order in the event that Franchisee, or its contractors or subcontractors, fails to comply with such stop work order.

6.6.4 The first day for which liquidated damages may be assessed, if there has been no cure after the end of the applicable cure period, shall be the day that Franchisee received the notice of Breach.
6.6.5 Franchisee may appeal (by pursuing Legal Action) any assessment of liquidated damages upon paying the assessment and shall not be required to comply with the provisions of Section 6.1.

6.6.6 The liquidated damages amount shall be automatically adjusted every five years from the date of execution of this Franchise, to reflect the extent of cumulative inflation.

6.6.7 Pursuant to the requirements outlined herein, liquidated damages shall not exceed the following amounts: one hundred dollars ($100.00) per day for failure to comply with the requirements of the following Sections: 4.5 (Expiration/Termination), 5.3 (Insurance), 5.4 (Financial Security), 5.5 (Parental Guarantee); 7.5.3 (Work Subject to Inspection); 7.7.2 (Facilities Subject to Inspection); five hundred dollars ($500) per day for the first two days for failure to comply with the requirements of 7.5.7 (Stop Work Order), and one thousand dollars ($1,000) per day for each day thereafter; and one hundred dollars ($100.00) per day for any material breaches or defaults not previously listed.

6.6.8 The City may not collect both liquidated damages and actual damages for the same violation.

Franchisee shall not be: (1) obligated to pay these liquidated damages; or (2) held to violation if the noncompliance is “beyond the control” of Franchisee as that term is defined in Section 8.15 herein.

6.7 Receivership. At the option of the City, subject to applicable law and lawful orders of courts of jurisdiction, this Franchise may be revoked after the appointment of a receiver or trustee to take over and conduct the business of Franchisee whether in a receivership, reorganization, bankruptcy or other action or proceeding, unless:

6.7.1 The receivership or trusteeship is timely vacated; or

6.7.2 The receiver or trustee has timely and fully complied with all the terms and provisions of this Franchise, and has remedied all defaults under the Franchise. Additionally, the receiver or trustee shall have executed an agreement duly approved by the court having jurisdiction, by which the receiver or trustee assumes and agrees to be bound by each and every term, provision and limitation of this Franchise.

ARTICLE 7. CONDITIONS UPON USE OF PUBLIC RIGHTS-OF-WAY

7.1 Permits.

7.1.1 Regulatory Permit and Administrative Permit. If Franchisee has submitted an application for a Regulatory Permit, Utility Right-of-Way Permit, or Administrative Permit to perform work in the Public Right-of-Way, the City shall, to the extent practicable and consistent with applicable Laws, consider such application contemporaneously with the design review requirements hereunder.

7.1.2 Development Permit(s). In the event that, as a condition of applying for a Development Permit or a variance for Work within the Public Right of Way, Franchisee must have authorization from the City (as the owner/manager of the property to be developed) to apply for such Development Permit, the general franchise grant given herein shall, as to the proposed Franchise Area,
constitute any such consent or authorization of the City that is necessary for such application. This authorization is not intended to and does not operate to waive the requirement for Franchisee to apply for and obtain all applicable Regulatory Permits or Administrative Permits prior to commencement of Work within the Franchise Area nor shall such consent or authorization be deemed to be consent to or approval of the governmental action being sought. This authorization/consent is intended solely to allow Franchisee to seek any required Development Permit(s), approvals, or variance prior to or contemporaneous with its application for a Regulatory Permit or Administrative Permit.

7.2 Submission/Approval of Design Submittal.

7.2.1 Submission. At the time of application for a Regulatory Permit or Administrative Permit, or in the event that Franchisee seeks to alter or change the location the Facilities in a Franchise Area, Franchisee shall provide the City with 100% Design Submittal for review and approval of any Utility System Construction, alteration or change of location within the proposed Franchise Area.

7.2.2 Use of Public Rights-of-Way. Within parameters reasonably related to the City’s role in protecting the public health, safety and welfare and except as may be otherwise preempted by Law, the City may require that Facilities be installed at a particular time, at a specific place or in a particular manner as a condition of access to a proposed Franchise Area and may deny access if Franchisee is not willing to comply with such requirements; and, may remove, or require removal of, any Facility that is not installed in compliance with the requirements established by the City or which is installed without prior City approval of the time, place, or manner of installation.

7.2.3 Approval of Plans. Work may not commence without prior approval by the City of the 100% Design Submittal submitted by Franchisee. The City may review and approve the Franchisee’s 100% Design Documents with respect to:

7.2.3.1 Location/Alignment/Depth;

7.2.3.2 The manner in which the Facility is to be installed;

7.2.3.3 Measures to be taken to preserve safe and free flow of traffic;

7.2.3.4 Structural integrity, functionality, appearance, compatibility with and impact upon roadways, bridges, sidewalks, planting strips, signals, traffic control signs, intersections, or other facilities and structures in the Public Right-of-Way;

7.2.3.5 Ease of future road maintenance, and appearance of the roadway;

7.2.3.6 Compliance with applicable Standards and codes including temporary erosion control measures and stormwater compliance; and

7.2.3.7 Compliance and compatibility with the City’s six-year transportation plan, capital improvements plan, and regional transportation improvement plans.
7.3 Compliance with Standards/ Codes. Except as may be preempted by federal or state Laws, all Facilities shall conform to and all Work shall be performed in compliance with the following “Standards” as now or may be hereafter revised, updated, amended or re-adopted:

7.3.1 Road and Bridge Standards. The current and any subsequent edition of the Standard Specifications for Road, Bridge and Municipal Construction as prepared by the Washington State Department of Transportation (“WSDOT”) and the Washington State Chapter of American Public Works Association (“APWA”);

7.3.2 MUTCD. The Washington State Department of Transportation Manual of Uniform Traffic Control Devices (“MUTCD”);

7.3.3 Special Conditions. Requirements and standards set forth as special conditions;

7.3.4 City Regulations. City of Edgewood Municipal Code, Ordinances and regulations adopted by the City Council authorize a designated City official to establish standards for placement of Facilities in Public Rights-of-Way, including by way of example and not limitation, the specific location of Facilities in the Public Rights-of-Way. This shall also include any road design standards that the City shall deem necessary to provide adequate protection to the Public Rights-of-Way, its safe operation, appearance and maintenance;

7.3.5 Other Regulatory Requirements. Applicable requirements of federal or state governmental authorities that have regulatory authority over the placement, construction, or design of Franchisee Facilities;

7.3.6 Industry Standards. All Facilities shall be durable and Constructed in accordance with good engineering practices and standards promulgated by the government and industry for placement, Construction, design, type of materials and operation of Franchisee Facilities;

7.3.7 Safety Codes and Regulations. Franchisee Facilities and Work shall comply with all applicable federal, State and City safety requirements, rules, regulations, Laws and practices. By way of illustration and not limitation, Franchisee shall comply with the National Electrical Safety Code and the Occupational Safety and Health Administration (OSHA) Standards; and

7.3.8 Building Codes. Franchisee Facilities and Work shall comply with all applicable City building codes.

7.4 Conditions Precedent to Work. Except as may be otherwise required by applicable City code, rule, regulation or Standard, Franchisee shall comply with the following as a condition precedent to Work:

7.4.1 Regulatory Permits Required. Prior to performing any Work in the Public Right-of-Way requiring a regulatory permit, Franchisee shall apply for, and obtain, in advance, such appropriate Regulatory Permits from the City as are required by Edgewood Municipal Code, ordinance or rule. Franchisee shall pay all generally applicable and lawful fees for the requisite City Regulatory Permits and Administrative Permits.
7.4.2 **Compliance with Franchise.** Franchisee shall be and remain in material compliance with the Franchise, including by way of example and not limitation, payment of fees invoiced to Franchisee for City reimbursable costs and expenses related to review and approval of the Regulatory Permit, proof of insurance and proof of financial security.

7.5 **Work in the Public Rights-of-Way.**

7.5.1 **Least Interference.** Work in the Public Rights-of-Way shall be done in a manner that does not unnecessarily hinder or obstruct the free use of the Public Rights-of-Way or other public property and which causes the least interference with the rights and reasonable convenience of property owners, businesses and residents along the Public Rights-of-Way. Franchisee’s Facilities shall be designed, located, aligned and Constructed so as not to disturb or impair the use or operation of any street improvements, utilities, and related facilities of City or City’s existing lessees, licensees, Franchisees, easement beneficiaries or lien holders, without prior written consent of City or the Parties whose improvements are interfered with and whose consent is required pursuant to agreements with the City existing prior to the Effective Date. Franchisee’s Facilities shall be designed, located, aligned and Constructed in such a manner as not to interfere with any planned utilities. For purposes of this Section, “planned” shall mean utilities which the City intends to construct in the future, which intent is evidenced by the inclusion of said utility project in the Capital Improvement Program/Plan, a comprehensive utility plan, a transportation improvement plan, the City’s Comprehensive Plan, or other written construction or planning schedule.

7.5.2 **Prevent Injury/Safety.** All construction Work shall be performed in a manner consistent with high industry standards.

7.5.3 **Work Subject to Inspection.** The City may observe or inspect the construction Work, or any portion thereof, at any time to ensure compliance with the Utility Franchise, this Franchise, applicable Law, the applicable approved 100% Design Submittal, the Standards, and to ensure the Work is not being performed in an unsafe or dangerous manner.

7.5.4 **Publicizing Work.**

7.5.4.1 **Notice to Private Property Owners.** Except in the case of an Emergency, Franchisee shall give reasonable advance notice to private property owners and tenants of construction Work on or adjacent to such private property if the City or Franchisee reasonably anticipates such Work will materially disturb or disrupt the use of such private property.

7.5.4.2 **Notice to the Public.** Except in the case of an Emergency, Franchisee shall notify the public prior to commencing any significant planned Construction that Franchisee reasonably anticipates will materially disturb or disrupt public property or have the potential to present a danger or affect the safety of the public generally.

7.5.4.3 **Additional Requirements.** Work shall be publicized as the City may direct, from time to time, in accordance with written procedures established by the City and on file with the City Clerk. The publication of Work may be used to notify the public and operators of other Utility
Systems of the impending work, in order to minimize inconvenience and disruption to the public. The cost of publication shall be borne by Franchisee.

7.5.5 Work of Contractors and Subcontractors. Franchisee’s contractors and subcontractors performing Work in the Franchise Area shall be licensed and bonded in accordance with the City’s and State’s applicable regulations and requirements. Any contractors or subcontractors performing Work within the Public Right-of-Way on behalf of the Franchisee shall be deemed servants and agents of Franchisee for the purposes of this Franchise and are subject to the same restrictions, limitations and conditions as if the work were performed by Franchisee. Franchisee shall be responsible for all Work performed by its contractors and subcontractors and others performing work on its behalf as if the Work were performed by it, and shall ensure that all such Work is performed in compliance with this Franchise and other applicable laws, and shall be jointly and severally liable for all damages and correcting all damage caused by them. It is Franchisee’s responsibility to ensure that contractors, subcontractors or other Persons performing Work on Franchisee’s behalf are familiar with the requirements of this Franchise and other applicable laws governing the Work performed by them.

7.5.6 Tree Trimming. Franchisee may trim trees upon and overhanging on public ways, streets, alleys, sidewalks, and other public places of the City so as to prevent the branches of such trees from coming in contact with Franchisee’s Facilities. The right to trim trees in this Section 7.5.6 shall only apply to the extent necessary to protect above ground Facilities. Franchisee shall ensure that its tree trimming activities protect the appearance, integrity, and health of the trees to the extent reasonably possible. Franchisee shall be responsible for all debris removal from such activities. All trimming, except in emergency situations, is to be done after the explicit prior written notification of the City and at the expense of Franchisee. Nothing herein grants Franchisee any authority to act on behalf of the City, to enter upon any private property, or to trim any tree or natural growth not owned by the City. Franchisee shall be solely responsible and liable for any damage to any third parties’ trees or natural growth caused by Franchisee’s actions. Franchisee shall indemnify, defend and hold harmless the City from third-party claims of any nature arising out of any act or negligence of Franchisee with regard to tree and/or natural growth trimming, damage, and/or removal. Franchisee shall reasonably compensate the City or the property owner for any damage caused by trimming, damage, or removal by Franchisee. Except in an emergency situation, all tree trimming must be performed under the direction of an arborist certified by the International Society of Arboriculture, unless otherwise approved by the Public Works Director or his/her designee.

7.5.7 Emergency Permits. In the event that Emergency repairs are necessary, Franchisee shall immediately notify the Mayor of the need for such repairs. Franchisee may initiate such Emergency repairs, and shall apply for appropriate Utility Permits within forty-eight (48) hours after discovery of the Emergency. In the event of an Emergency, a Franchisee may perform Emergency Work in the Public Rights-of-Way without first securing a Regulatory Permit for such Emergency Work, provided that: (1) Franchisee notifies the City in advance of the Emergency requiring the performance of such Emergency Work and the type and location of such Work; (2) Franchisee applies for a Regulatory Permit on the first business day following commencement of such Work; and (3) Franchisee, at its sole cost and expense, makes its Work performed in the Public Rights-of-Way available for inspection to determine compliance with Laws and Standards.
7.5.8 **Stop Work.** On notice from the City that any Work does not comply with the Franchise, the approved 100% Design Documents for the Work, the Standards, or other applicable Law, or is being performed in an unsafe or dangerous manner as reasonably determined by the City, the non-compliant Work may immediately be stopped by the City. The stop work order shall be, in writing, given to the Person doing the work and be posted on the work site, indicate the nature of the alleged violation or unsafe condition; and establish conditions under which work may be resumed. If so ordered, Franchisee shall cease and shall cause its contractors and subcontractors to cease such activity until the City is satisfied that Franchisee is in compliance. If an unsafe condition is found to exist, the City, in addition to taking any other action permitted under applicable Law, may order Franchisee to make the necessary repairs and alterations specified therein forthwith to correct the unsafe condition by a time the City establishes. The City has the right to inspect, repair and correct the unsafe condition if Franchisee fails to do so, and to reasonably charge Franchisee.

7.5.8 **Dedication of City Utilities/Public Improvements.** Upon substantial completion of Construction of the Facilities and any related restoration of or improvements to or within the Public Rights-of-Way, including without limitation, curbs, gutters, sidewalks, underlayment, roadway surface, pipe, connectors, catch basins, or any part thereof that will be dedicated to City ownership (collectively “Dedicated Improvements”), and upon satisfaction of other applicable conditions of the City and this Franchise, Franchisee shall submit a written request to the City for a final inspection and acceptance of dedication of all Dedicated Improvements. The written request shall certify that the Work is substantially complete. The Work will be deemed to be “substantially complete” when:

7.5.8.1 Complete record drawings are provided to the City;

7.5.8.2 Franchisee has completely and accurately identified within the record drawings the Dedicated Improvements;

7.5.8.3 The Dedicated Improvements are functioning to the satisfaction of the City, and when appropriate, operationally tested;

7.5.8.4 Franchisee has warranted in writing that the Work is completed in conformance with the 100% Design Documents approved by the City; except for punch list items which do not substantially prevent the use of the Dedicated Improvements or any component thereof for the purposes intended;

7.5.8.5 No other acts are necessary to assign ownership of any and all Dedicated Improvements to the City free and clear of all liens and encumbrances;

7.5.8.6 Franchisee has assigned to the City any and all manufacturer warranties of the Dedicated Improvements, if any; and

7.5.8.7 Franchisee, or its contractors or subcontractors, warrant the Dedicated Improvements to be free from defects in design, manufacture and construction for a period of one year from the date that such Dedicated Improvements are accepted by the City. This warranty shall not operate to waive, alter or diminish any rights the City may otherwise have under this Franchise, at law, or in equity.
Upon receipt of Franchisee’s request for final inspection and dedication, the City shall within twenty (20) business days thereafter arrange for a final inspection. If the City determines that the Work with regard to the Dedicated Improvements is not substantially complete, it shall promptly provide Franchise with a written statement indicating in adequate detail in what respects Franchisee has failed to substantially complete the Work or any component thereof or is otherwise in default and what measures or acts will be necessary, in the opinion of the City, for Franchisee to take or perform in order to substantially complete such Work. Upon receipt of such detailed statement from the City, Franchisee shall undertake to complete the Work, cure the alleged default in a manner responsive to the stated reasons for disapproval, or Franchisee may submit to dispute resolution pursuant to Section 6.1 herein, the issue of whether the City has unreasonably withheld its acceptance.

When the City is satisfied that the Work related to the Dedicated Improvements is substantially complete, it will by ordinance, resolution or other lawful means accept ownership of such Dedicated Improvements and thereafter become responsible for maintenance, repair, and replacement of the same.

7.6 Alterations. Except as may be shown in the 100% Design Submittal approved by City or the record drawings, or as may be necessary to respond to an Emergency, Franchisee, and Franchisee’s contractors and subcontractors, may not make any material alterations to the Franchise Area, or permanently affix anything to the Franchise Area, without City’s prior written consent. Material alteration shall include by way of example and not limitation, a change in the dimension or height of the above ground Facilities or the addition of or change in configuration of an antenna. If Franchisee desires to change either the location of any Facilities or otherwise materially deviate from the approved design of any of the Facilities, Franchisee shall submit such change to City in writing for its approval pursuant to Section 7.2 of this Franchise. Franchisee shall have no right to commence any such alteration change until after Franchisee has received City’s approval of such change in writing.

7.7 General Conditions.

7.7.1 Right-of-Way Meetings. Subject to receiving advance notice, Franchisee will make reasonable efforts to attend and participate in meetings of the City regarding Right-of-Way issues that may impact the Utility System.

7.7.2 Compliance Inspection. Franchisee’s Facilities shall be subject to the City’s right of periodic inspection upon at least twenty-four (24) hours’ notice, or, in case of an emergency, upon demand without prior notice, to determine compliance with the provisions of this Franchise or Regulatory Permit or other applicable Law over which the City has jurisdiction. Franchisee shall respond to requests for information regarding its Utility System as the City may from time to time issue to determine compliance with this Franchise, including requests for information regarding Franchisee’s plans for Construction and the purposes for which the Facility is being constructed.

7.7.3 One Call. If Franchisee places Facilities underground, Franchisee shall, at its own expense, continuously be a member of the State of Washington one number locator service under Chapter 19.122 RCW, or an approved equivalent, and shall comply with all such applicable rules and regulations. Franchisee shall locate and field mark its Facilities for the City at no charge.
7.7.4 **Graffiti Removal.** Within 48 hours after notice from the City, Franchisee shall remove any graffiti on any part of its Utility System, including, by way of example and not limitation, equipment cabinets. If Franchisee fails to do so, the City may remove the graffiti and bill Franchisee for the cost thereof.

7.7.5 **Dangerous Conditions, Authority for City to Abate.** Whenever Construction of Facilities has caused or contributed to a condition that appears to substantially impair the lateral support of the adjoining Public Right-of-Way, street, or public place, or endangers the public, any utilities, or City-owned property, the City may reasonably require Franchisee to take action to protect the Public Right-of-Way, the public, adjacent public places, City-owned property, streets, and utilities. Such action may include compliance within a prescribed time. In the event that Franchisee fails or refuses to promptly take the actions directed by the City, or fails to fully comply with such directions, or if Emergency conditions exist which require immediate action, the City may, to the extent it may lawfully do so, take such actions as are necessary to protect the Public Right-of-Way, the public, adjacent public places, City-owned property, streets, and utilities, to maintain the lateral support thereof, or actions regarded as necessary safety precautions; and Franchisee shall be liable to the City for the reasonable costs thereof.

7.7.6 **No Duty.** Notwithstanding the right of City to inspect the Work, issue a stop work order, and order or make repairs or alterations, City has no duty or obligation to observe or inspect, or to halt work on, the applicable Facilities, it being solely Franchisee’s responsibility to ensure that the Facilities are Constructed and operated in strict accordance with this Franchise, the approved 100% Design Submittal, the Standards, and applicable Law. Neither the exercise nor the failure by City to exercise any right set forth in this Article 7 shall alter the liability allocation set forth in this Franchise.

7.7.7 **Roadside Hazard.** All of Franchisee’s Facilities shall be kept by Franchisee at all times in a safe and hazard-free condition. Franchisee shall ensure that Facilities within the Public Rights-of-Way do not become or constitute an unacceptable roadside obstacle and do not interfere with or create a hazard to maintenance of and along the Public Rights-of-Way. In such event, or in the event that the City determines that a Facility within the Public Rights-of-Way has become or constitutes an unacceptable roadside obstacle or may interfere with or create a hazard to maintenance of and along the Public Rights-of-Way, Franchisee shall:

7.7.7.1 If the hazard results from disrepair, repair the Facility to a safe condition;

7.7.7.2 Relocate the Facility to another place within the Public Right-of-Way or underground;

7.7.7.3 Convert the Facility to a break-away design;

7.7.7.4 Crash-protect the Facility;

7.7.7.5 Relocate the Facility to another location off the Public Rights-of-Way; or
7.7.7.6 In the event that the Facility is screened from view (i.e., not readily visible from all directions by persons standing at ground level), remove or trim vegetation in and around the Facility.

Franchisee, at all times, shall employ the standard of care attendant to the risks involved and shall install and maintain in use commonly accepted methods and devices for preventing failures and accidents which are likely to cause damage, injury, or nuisance to the public or to Franchisee’s agents or employees. Franchisee, at its own expense, shall repair, renew, change, and improve its Facilities from time to time as may be necessary to accomplish this purpose. Franchisee shall use suitable barricades, flags, flaggers, lights, flares and other measures as required for the safety of all members of the general public and to prevent injury or damage to any person, vehicle or property by reason of such Work in or affecting such Public Rights-of-Way or property. All excavations made by Franchisee in the Public Rights-of-Way shall be properly safeguarded for the prevention of accidents.

7.7.8 Verification of Alignment/Depth. Upon the reasonable request and prior written notice, in non-Emergency situations at least thirty (30) days’ notice by the City and in order to facilitate the location, alignment and design of Public Improvements, Franchisee agrees to locate, and if reasonably determined necessary by the City, to excavate and expose portions of its Facilities for inspection so that the location of same may be taken into account in the improvement design, PROVIDED that, Franchisee shall not be required to excavate and expose its Facilities unless Franchisee’s record drawings and maps of its Facilities submitted pursuant to Section 7.11 of this Franchise are reasonably determined by the City to be inadequate for purposes of this paragraph.

7.8 Facility Relocation at Request of the City.

7.8.1 Public Project. The City may require Franchisee to alter, adjust, relocate, or protect in place its Facilities within the Public Right-of-Way when necessary in the City’s sole discretion for construction, alteration, repair, or improvement of any portion of the Public Rights-of-Way for purposes of public welfare, health, or safety (“Public Improvements”). Such Public Improvements include, by way of example but not limitation, Public Rights-of-Way construction; Public Rights-of-Way repair (including resurfacing or widening); change of Public Rights-of-Way grade; construction, installation or repair of sewers, drains, water pipes, power lines, signal lines, communication lines, or any other type of government-owned communications, utility or public transportation systems, public work, public facility, or improvement of any government-owned utility; Public Rights-of-Way vacation, and the Construction of any public improvement or structure by any governmental agency acting in a governmental capacity.

7.8.2 Alternatives. If the City requires Franchisee to relocate its facilities located within the Public Rights-of-Way, the City shall make a reasonable effort to provide Franchisee with an alternate location within the Public Right-of-Way. Franchisee may, after receipt of written notice requesting a relocation of its Facilities, submit to the City written alternatives to such relocation. The City shall evaluate such alternatives and advise Franchisee in writing if one or more of the alternatives are suitable to accommodate the work which would otherwise necessitate relocation of the Facilities. If so requested by the City, Franchisee shall submit additional information to assist the City in making such evaluation. The City shall give each alternative proposed by Franchisee full and fair consideration, subject to RCW 35.99.060, within a reasonable time, so as to allow for the relocation work to be
performed in a timely manner. In the event the City ultimately determines, in its sole discretion, that there is no other reasonable alternative, the Franchisee shall promptly relocate its Facilities as otherwise provided in this Section at Franchisee’s sole expense. In the event that the City reasonably determines that it does not have available resources to evaluate Franchisee’s proposal, the City shall not be obligated to further consider such proposal unless and until Franchisee funds the additional costs to the City to complete its evaluation.

7.8.4 Notice. The City shall notify Franchisee as soon as practicable of the need for relocation and shall specify the date by which relocation shall be completed. Except in case of Emergency such notice shall be no less than thirty (30) days, or such longer period as mutually agreed to by the parties. In calculating the date that relocation must be completed, City shall consult with Franchisee and consider the extent of Facilities to be relocated, the service requirements, and the construction sequence for the relocation, within the overall project construction sequence and constraints, to safely complete the relocation. Franchisee shall complete the relocation by the date specified, unless the City, or a reviewing court, establishes a later date for completion, after a showing by Franchisee that the relocation cannot be completed by the date specified using best efforts and meeting safety and service requirements.

7.8.5 Coordination of Work. Franchisee acknowledges and understands that any delay by Franchisee in performing the work to alter, adjust, relocate, or protect in place its Facilities within the Public Rights-of-Way may delay, hinder, or interfere with the work performed by the City and its contractors and subcontractors in furtherance of construction, alteration, repair, or improvement of the Public Rights-of-Way, and result in damage to the City, including but not limited to, delay claims. Franchisee shall cooperate with the City and its contractors and subcontractors to coordinate such Franchisee Work to accommodate the public improvement project and project schedules to avoid delay, hindrance of, or interference with such project.

7.8.6 Failure to Comply. Should Franchisee fail to alter, adjust, protect in place or relocate any Facilities ordered by the City to be altered, adjusted, protected in place, or relocated, within the time prescribed by the City, given the nature and extent of the work, or if it is not done to the City’s reasonable satisfaction, the City may, to the extent the City may lawfully do so, cause such work to be done and bill the reasonable cost of the work to Franchisee, including all reasonable costs and expenses incurred by the City due to Franchisee’s delay. In such event, the City shall not be liable for any damage to any portion of Franchisee’s Utility System. In addition to any other indemnity set forth in this Franchise, Franchisee will indemnify, hold harmless, and pay the costs of defending the City, from and against any and all claims, suits, actions, damages, or liabilities for delays on Public Improvement construction projects caused by or arising out of the failure of Franchisee to adjust, modify, protect in place, or relocate its Facilities in a timely manner; provided that, Franchisee shall not be responsible for damages due to delays caused solely by the City.

7.8.7 Assignment of Rights. In addition to any other rights of assignment the City may have, the City may from time to time assign or transfer to its contractors or subcontractors its rights under Sections 7.8 or 7.10 of this Franchise to require Franchisee to alter, adjust, relocate, or protect in place its Facilities within the Public Right-of-Way. Franchisee acknowledges and consents to such an assignment(s)/transfer(s) and agrees that it is bound by all lawful orders issued by such assignee(s) of the City under color of authority of such assignment(s)/transfer(s) as though such orders had been issued by the City.
City under the terms and conditions of this Franchise. Such assignment/transfer is an assignment/transfer of
the City’s contract rights under this Franchise and shall not in any way be interpreted or construed as an
assignment, transfer, delegation or relinquishment of the City’s rights under its police powers to require
Franchisee to alter, adjust, relocate, or protect in place its Facilities within the Public Right-of-Way.

7.8.8 Reimbursement for Costs. Notwithstanding the cost allocation provisions set
forth in this Franchise, Franchisee does not waive its right(s) to and shall be entitled to seek
reimbursement of its relocation costs as may be otherwise specifically set forth and authorized in RCW
35.99.060.

7.9 Movement of Facilities for Others.

7.9.1 Private Benefit. If any alteration, adjustment, temporary relocation, or protection
in place of the Utility System is required solely to accommodate the Construction of facilities or equipment
that are not part of a Public Improvement project, Franchisee shall, after at least ninety (90) days advance
written notice, take action to effect the necessary changes requested by the responsible entity; provided that,
(a) the Party requesting the same pays for Franchisee’s time and material costs associated with the
requested work; (b) the alteration, adjustment, relocation or protection in place is reasonably necessary to
accommodate such work; (c) the Person requesting the alteration, adjustment, relocation, or protection in
place considers alternatives in the same manner as provided at Section 7.8.2; and (d) such alteration,
adjustment, or relocation is not requested for the purpose of obtaining a competitive advantage over
Franchisee.

7.9.2 Temporary Changes for Other Franchisees. At the request of any Person holding a
valid permit and upon reasonable advance notice, Franchisee shall temporarily raise, lower or remove its
wires as necessary to permit the moving of a building, vehicle, equipment or other item. The expense of
such temporary changes must be paid by the permit holder. Franchisee shall be given not less than seven
(7) days’ advance notice to arrange for such temporary wire changes.

7.10 Movement of Facilities During Emergencies.

7.10.1 Immediate Threat. In the event of an unforeseen event, condition or circumstance
that creates an immediate threat to the public safety, health, or welfare, the City shall have the right to
require Franchisee to shut down, relocate, remove, replace, modify, or disconnect Franchisee’s Facilities
located in the Public Rights-of-Way at the expense of Franchisee without regard to the cause or causes of
the immediate threat.

7.10.2 Emergency. In the event of an Emergency, or where a Facility creates or is
contributing to an imminent danger to health, safety, or property, the City retains the right and privilege
to protect, support, temporarily disconnect, remove, or relocate any or all parts of the Utility System
located within the Public Rights-of-Way, as the City may determine to be necessary, appropriate or
useful in response to any public health or safety Emergency and charge Franchisee for costs incurred.

7.10.3 Notice. During Emergencies the City shall endeavor to, as soon as practicable,
provide notice to Franchisee of such Emergency at a designated Emergency response contact number, to
allow Franchisee the opportunity to respond and rectify the problem without disrupting utility service. If
after providing notice, there is no immediate response, the City may protect, support, temporarily disconnect, remove, or relocate any or all parts of the Utility System located within the Public Rights-of-Way.

7.10.4 Limitation on Liability. The City shall not be liable for any direct, indirect, or any other such damages suffered by any person or entity of any type as a direct or indirect result of the City’s actions under this Section.

7.11 Record of Installations

7.11.1 Map/Record Drawing of Utility System. Upon request by the City, Franchisee shall search for and provide the City with the most accurate and available maps and record drawings in a form and content prescribed by the City reflecting the horizontal and vertical location and configuration of its Utility System within the Public Rights-of-Way and upon City property in a format acceptable to the City. Franchisee shall provide the City with updated record drawings and maps upon request. As to any such record drawings and maps so provided, Franchisee does not warrant the accuracy thereof and to the extent the location of the Utility System is shown, such Utility System is shown in its approximate location.

7.11.2 Planned Improvements. Upon written request of the City, Franchisee shall provide the City with the most recent update available of any planned improvements to its Utility System to the extent such plans do not contain confidential or proprietary information or such information can be redacted; provided, however, any such plan submitted shall be for informational purposes only and shall not obligate Franchisee to undertake any specific improvements, nor shall such plan be construed as a proposal to undertake any specific improvements.

7.11.3 Maps/Record Drawings of Improvements. After Construction involving the locating or relocating of Facilities, the Franchisee shall provide the City with accurate copies of all record drawings and maps showing the horizontal and vertical location and configuration of all of located or relocated Facilities within the Public Rights-of-Way. These record drawings and maps shall be provided at no cost to the City, and shall include hard copies and digital copies in an industry-standard, generally available format specified by the City. As to any such record drawings and maps so provided, Franchisee does not warrant the accuracy thereof and to the extent the location of the Utility System is shown, such Utility System is shown in its approximate location.

7.12.1 Restoration after Construction. Franchisee shall, after completion of Construction of any part of its Utility System, leave the Public Rights-of-Way and other property disturbed thereby, in as good or better condition in all respects as it was in before the commencement of such Construction. Franchisee agrees to promptly complete restoration work to the reasonable satisfaction of the City and in accordance with all Regulatory Permit conditions.

7.12.2 Notice. If Franchisee’s Work causes unplanned, unapproved, or unanticipated disturbance of or alteration or damage to Public Rights-of-Way or other public or private property,
Franchisee shall promptly notify the property owner and adjacent property owners within twenty-four (24) hours.

7.12.3 Duty to Restore. If Franchisee’s Work causes unplanned, unapproved, or unanticipated disturbance of or alteration or damage to the Public Right-of-Way or other public property, it shall promptly remove any obstructions therefrom and restore such Public Rights-of-Way and public property to the satisfaction of the City to as good or better a condition as existed before the Work was undertaken, unless otherwise directed by the City. If the City determines that complete or satisfactory restoration is not obtainable, the City shall have the right to require compensation for the less than complete or satisfactory condition of the Public Right-of-Way or public property. Franchisee shall complete the restoration work within forty-eight (48) hours or as authorized by the Mayor.

7.12.4 Temporary Restoration. If weather or other conditions do not allow the complete restoration required by this Section, Franchisee shall temporarily restore the affected Public Right-of-Way or public property. Franchisee shall promptly undertake and complete the required permanent restoration when the weather or other conditions no longer prevent such permanent restoration.

7.12.5 Survey Monuments. All survey monuments which are disturbed or displaced by any Work shall be referenced and restored, as per WAC 332-120, as the same now exists or may hereafter be amended, and all pertinent federal, state and local standards and specifications.

7.12.6 Approval. The Mayor shall be responsible for observation and final approval of the condition of the Public Rights-of-Way and City property following any restoration activities therein. Franchisee is responsible for all testing and monitoring of restoration activities.

7.12.7 Warranty. Franchisee shall warrant any restoration work performed by Franchisee in the Public Right-of-Way or on other public property for one (1) year, unless a longer period is required by the Municipal Code or any generally applicable ordinance or resolution of the City. If restoration is not satisfactorily and timely performed by Franchisee, the City may, after prior notice to Franchisee, or without notice where the disturbance or damage may create a risk to public health or safety, cause the repairs to be made and recover the reasonable cost of those repairs from Franchisee. Within thirty (30) days of receipt of an itemized list of those costs, including the costs of labor, materials and equipment, Franchisee shall pay the City.

7.12.8 Restoration of Private Property. When Franchisee does any Work in the Public Right-of-Way that affects, disturbs, alters, or damages any adjacent private property, it shall, at its own expense, be responsible for restoring such private property to the satisfaction of the private property owner.

7.13 Approvals. Nothing in this Franchise shall be deemed to impose any duty or obligation upon the City to determine the adequacy or sufficiency of Franchisee's Design Documents or to ascertain whether Franchisee's proposed or actual Construction is adequate or sufficient or in conformance with the 100% Design Submittal reviewed and approved by the City. No approval given, inspection made, review or supervision performed by the City pursuant to or under authority of this Franchise shall constitute or be construed as a representation or warranty express or implied by the City that such item reviewed, approved, inspected, or supervised, complies with applicable Laws or this
Franchise or meets any particular Standard, code or requirement, or is in conformance with the approved 100% Design Submittal, and no liability shall attach with respect thereto. City approvals and inspections as provided herein, are for the sole purpose of protecting the City’s rights as the owner and/or manager of the Public Rights-of-Way and shall not constitute any representation or warranty, express or implied, as to the adequacy of the design or Construction of the Facilities or Utility System, suitability of the Franchise Area for Construction, or any obligation on the part of the City to insure that Work or materials are in compliance with any requirements imposed by a governmental entity. City is under no obligation or duty to supervise the design, Construction, or operation of the Utility System.

7.14 Abandonment of Facilities. Except as may be otherwise provided by Law, Franchisee may abandon in place any Facilities in the Public Rights-of-Way upon written notice to the City, which notice shall include a description of the Facilities it intends to abandon, the specific location in the Public Rights-of-Way of such Facilities, and the condition of such Facilities. However, if the City determines within 90 days of the receipt of notice of abandonment from Franchisee, that the safety, appearance, functioning, or use of the Public Rights-of-Way and other facilities in the Public Rights-of-Way, including without limitation, utilities and related facilities, will be adversely affected, the operator must remove its abandoned Public Rights-of-Way Facilities by a date specified by the City and restore the Public Rights-of-Way to the same or better condition than existed immediately prior to removal. Within 60 days of a request by the City, Franchisee shall execute such documents as may be required to convey such abandoned property to the City free and clear of all encumbrances. Absent such request and conveyance, Franchisee shall be and remain responsible for any Facilities abandoned in the Public Rights-of-Way.

7.15 Aerial and Underground Construction. If all of the distribution lines of all of the wireline service providers, including without limitation telecommunications service providers, as defined in RCW 35.99.010, a utility service provider or a cable operator (collectively “Service Providers”) in any portion of the Franchise Area are underground, with the exception of power company lines, Franchisee shall similarly place its Facilities underground within that area; provided that such underground locations are actually capable of accommodating Franchisee’s Facilities without unreasonable technical degradation of transmission quality. In any portion(s) of the Franchise Area where the distribution lines of any of the respective Service Providers are both aerial and underground, Franchisee shall have the discretion to construct, operate, and maintain its Facilities, or any part thereof, aerially or underground to the extent consistent with applicable regulations and this Franchise. In areas where a Service Provider’s wiring is aerial, Franchisee may install aerial Facilities, except when a property owner or resident requests underground installation and agrees to bear the additional cost in excess of aerial installation. If funds exist, are set aside for such purpose, or provided by a third party, Franchisee may seek reimbursement for its share of funds to offset the cost of placing its facilities underground. Franchisee shall utilize existing conduit wherever possible.

The City shall not be required to obtain any easements or other property rights for Franchisee. Franchisee shall, to the extent economically feasible, participate with other Service Providers in joint trench projects to relocate its overhead Facilities underground and remove its overhead Facilities in areas where utilities are being converted to underground.

In the event of a City-driven facilities relocation project that requires conversion of overhead facilities to underground for purposes of health, safety or public welfare and provided such requirement is equally applicable to all entities with overhead facilities at such location(s), Franchisee agrees to bear
the costs of converting Franchisee's Facilities from an overhead system to an underground system as follows:

A. Utility Trench and Vault/Pedestal Engineering: To ensure proper space and availability in the supplied joint trench, Franchisee shall only pay for the work hours necessary to complete Facility-related engineering coordination with the other utilities involved in the project.

B. Conduit and Vaults/Pedestals Placement: Franchisee shall only pay for the direct cost of labor and materials it takes to place its conduits and vaults/pedestals in the supplied joint trench and/or solo trench as follows:

1. If a City contractor is completing this task, Franchisee shall pay the direct costs in accordance with Franchisee's approved labor and materials exhibits at the time of the project.

2. If the direct costs of Franchisee’s approved labor and materials exhibits are not agreeable to the City or its contractor, Franchisee shall have the option to hire its own contractor(s) to complete the work in accordance with Franchisee’s approved labor and materials exhibits at the time of the project.

3. If Franchisee chooses to hire its own contractor(s), the City and its contractor(s) are responsible to coordinate with Franchisee’s contractor(s) to provide reasonable notice and time to complete the placement of Franchisee’s Facilities in the supplied joint trench.

C. Within the conversion area, Franchisee shall not be responsible for any on-site coordination and performance of traffic control, trenching, backfill, and restoration, unless it is work related to solo trench.

ARTICLE 8 MISCELLANEOUS

8.1 Headings. Titles to articles and sections of this Franchise are not a part of this Franchise and shall have no effect upon the construction or interpretation of any part hereof.

8.2 Entire Agreement. This Franchise contains all covenants and agreements between the City and Franchisee relating in any manner to the Franchise, use, and occupancy of the Public Rights-of-Way and other matters set forth in this Franchise. No prior agreements or understanding pertaining to the same, written or oral, shall be valid or of any force or effect and the covenants and agreement of this Franchise shall not be altered, modified, or added to except in writing signed by the City and Franchisee and approved by the City in the same manner as the original Franchise was approved.

8.3 Incorporation of Exhibits. All exhibits annexed hereto at the time of execution of this Franchise or in the future as contemplated herein, are hereby incorporated by reference as though fully set forth herein.

8.4 Calculation of Time. All periods of time referred to herein shall include Saturdays, Sundays, and legal holidays in the State of Washington, except that if the last day of any period falls on any Saturday, Sunday, or legal holiday in the State of Washington, the period shall be extended to
include the next day which is not a Saturday, Sunday, or legal holiday in the State of Washington; provided that, the Effective Date shall be determined as provided at Section 4.3 of this Franchise.

8.5 **Time Limits Strictly Construed.** Whenever this Franchise sets forth a time for any act to be performed by Franchisee, such time shall be deemed to be of the essence, and any failure of Franchisee to perform within the allotted time may be considered a Breach of this Franchise.

8.6 **No Joint Venture.** It is not intended by this Franchise to, and nothing contained in this Franchise shall, create any partnership, joint venture, or principal-agent relationship or other arrangement between Franchisee and the City. Neither Party is authorized to, nor shall either Party act toward third Persons or the public in any manner which would indicate any such relationship with the other. The Parties intend that the rights, obligations, and covenants in this Franchise and the collateral instruments shall be exclusively enforceable by the City and Franchisee, their successors, and assigns. No term or provision of this Franchise is intended to be, or shall be, for the benefit of any Person not a Party hereto, and no such Person shall have any right or cause of action hereunder, except as may be otherwise provided herein. Further, Franchisee is not granted any express or implied right or authority to assume or create any obligation or responsibility on behalf of or in the name of the City. Nothing in this Section 8.6 shall be construed to prevent an assignment as provided for at Section 7.8.7 of this Franchise.

8.7 **Approval Authority.** Except as may be otherwise provided by Law or herein, any approval or authorization required to be given by the City, shall be given by the Mayor or duly authorized designee.

8.8 **Binding Effect upon Successors and Assigns.** All of the provisions, conditions, and requirements contained in this Franchise shall further be binding upon the heirs, successors, executors, administrators, receivers, trustees, legal representatives and assigns of Franchisee; and all privileges, as well as all obligations and liabilities of Franchisee shall inure to its heirs, successors, and assigns equally as if they were specifically mentioned wherever Franchisee is named herein.

8.9 **Waiver.** No failure by either Party to insist upon the performance of any of the terms of this Franchise or to exercise any right or remedy consequent upon a Breach thereof, shall constitute a waiver of any such Breach or of any of the terms of this Franchise. None of the terms of this Franchise to be kept, observed or performed by either Party, or no breach thereof, shall be waived, altered or modified except by a written instrument executed by the injured Party. No waiver of any Breach shall affect or alter this Franchise, but each of the terms of this Franchise shall continue in full force and effect with respect to any other then existing or subsequent Breach thereof. No waiver of any default of the defaulting Party hereunder shall be implied from any omission by the injured Party to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver and then only for the time and to the extent therein stated. One or more waivers by the injured Party shall not be construed as a waiver of a subsequent breach of the same covenant, term or conditions.

8.10 **Severability.** If any word, article, section, subsection, paragraph, provision, condition, clause, sentence, or its application to any person or circumstance (collectively referred to as “Term”), shall be held to be illegal, invalid, or unconstitutional for any reason by any court or agency of competent jurisdiction, such Term declared illegal, invalid or unconstitutional shall be severable and the remaining
Terms of the Franchise shall remain in full force and effect unless to do so would be inequitable or would result in a material change in the rights and obligations of the Parties hereunder; provided, however, that if either Franchisee or the City prevails in any proceeding seeking a finding that any Term invalid, illegal or unconstitutional for any reason, this Franchise shall be declared terminated and all rights and obligations hereunder shall immediately cease and be of no force and effect except with regard to those provisions that survive termination of this Franchise pursuant to Section 8.14 herein. In the event that such Term shall be held or otherwise mutually agreed to by the City and Franchisee to be illegal, invalid, or unconstitutional, the Parties shall reform the Franchise pursuant to Section 3.5 herein.

8.11 Signs. No signs or advertising shall be permitted to be posted or otherwise displayed by Franchisee within the Franchise Area except as may be allowed by Law or as may be required by the City for the protection of the public health, safety and welfare, to the extent it has authority to do so.

8.12 Discriminatory Practices Prohibited. Throughout the term of this Franchise, Franchisee shall fully comply with all equal employment and nondiscrimination provisions of applicable Law.

8.13 Notice. Any notice required or permitted to be given hereunder shall be in writing, unless otherwise expressly permitted or required, and shall be deemed effective either, (i) upon hand delivery to the person then holding the office shown on the attention line of the address below, or, if such office is vacant or no longer exists, to a person holding a comparable office, or (ii) or when delivered by a nationally recognized overnight mail delivery service, to the Party and at the address specified below, or (ii) on the third business day following its deposit with the United States Postal Service, first class and certified or registered mail, return receipt requested, postage prepaid, properly sealed and addressed as follows:

8.14 Survival of Terms. Upon the expiration, termination, revocation or forfeiture of the Franchise, Franchisee shall no longer have the right to occupy the Franchise Area for the purpose of providing services authorized herein. However, Franchisee’s obligations under this Franchise to the City shall survive the expiration, termination, revocation or forfeiture of these rights according to its terms for so long as Franchisee’s Utility System or any part thereof shall remain in whole or in part in the Public Rights-of-Way, unless Franchisee transfers ownership of all Facilities in the Franchise Area to a third-Party, or the Franchisee abandons said Facilities in place, all as provided herein. Said obligations include, by way of illustration and not limitation, Franchisee’s obligations to indemnify, defend, and protect the City, to provide insurance, to relocate its facilities, and to reimburse the City for its costs to perform Franchisee work.

8.15 Force Majeure. In the event Franchisee is prevented or delayed in the performance of any of its obligations herein due to circumstances beyond its control or by reason of a force majeure occurrence, such as, but not limited to, acts of God, acts of terrorism, war, riots, civil disturbances, natural disasters, floods, tornados, earthquakes, unusually severe weather conditions, employee strikes and unforeseen labor or availability of materials conditions not attributable to Franchisee’s employees, Franchisee shall not be deemed in Breach of provisions of this Franchise.

If Franchisee believes that circumstances beyond its control or by reason of a force majeure occurrence have prevented or delayed its compliance with the provisions of this Franchise, Franchisee shall provide documentation as reasonably required by the City to substantiate Franchisee’s claim. Franchisee shall have a reasonable time, under the circumstances, to perform the affected obligation under this Franchise or to procure a substitute for such obligation which is satisfactory to the City; provided that, Franchisee shall perform to the maximum extent it is able to perform and shall take reasonable steps within its power to correct such cause(s) in as expeditious a manner as possible, provided that Franchisee takes immediate and diligent steps to bring itself back into compliance and to comply as soon as possible under the circumstances with Franchise without unduly endangering the health, safety, and integrity of Franchisee's employees or property, or the health, safety, and integrity of the public, Public Rights-of-Way, public property, or private property.

8.16 Attorneys’ Fees. In the event of a suit, action, arbitration, or other proceeding of any nature whatsoever, whether in contract or in tort or both, is instituted to enforce any word, article, section, subsection, paragraph, provision, condition, clause or sentence of this Franchise or its application to any person or circumstance, the prevailing Party shall be entitled to recover from the losing Party its reasonable attorneys, paralegals, accountants, and other experts fees and all other fees, costs, and expenses actually incurred and reasonably necessary in connection therewith, as allowed by Washington law and as determined by the judge or arbitrator at trial or arbitration, as the case may be, or on any appeal or review, in addition to all other amounts provided by law. This provision shall cover costs and attorneys’ fees related to or with respect to proceedings in Federal Bankruptcy Courts, including those related to issues unique to bankruptcy law. This provision shall not apply to dispute resolution
proceedings under section 6.1 of this Franchise and shall not apply to the extent that the suit, action, arbitration or other proceeding is brought to interpret any term, condition, provision, section, article or clause of this Franchise.

8.17 Venue/Choice of Law. This Franchise shall be governed and construed in accordance with the laws of the State of Washington. Any action brought relative to enforcement of this Franchise, or seeking a declaration of rights, duties or obligations herein, shall be initiated in Pierce County Superior Court. Removal to federal court shall be to the Federal Court of the Western District of Washington.

8.18 Publication. This ordinance, or a summary thereof, shall be published in the official newspaper of the City, the expense of which shall be borne by Franchisee, and shall take effect and be in full force in accordance with Section 4.3 herein.

8.19 Preemption. In the event that federal or state law preempts a provision or limits the enforceability of a provision of this Franchise, the provision shall be read to be preempted to the extent required by law. In the event such federal or State law is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the City or Franchisee.

8.20 Regulatory Authority Reserved. Nothing herein shall be construed as a waiver, abridgment or limitation of the City’s regulatory authority and police power, which the City hereby expressly reserves in full.

Discussion: Due to the current work load and the need for continued consultant fill in as it pertains to work associated with general engineering, transportation and acting City Engineer services, Staff is in need of extending these existing contracts in order to continue these types of services through the beginning of 2018. The items for these services are covered under budgeted items included within the City’s current budget and/or covered through pass through fees that are allowed under City of Edgewood Municipal Code.

Recommendation: Recommend that Staff bring forward appropriate amendments to the previously approved contracts with these consultants in order to extend these contracts for services into 2018, at which time, Staff will conduct a new RFQ process allow these types of firms to compete for these types of services, as time will better allow.

Fiscal Impact: None. Budgeted and/or pass through items related to plan review, general engineering and capital improvement design work associated with the City’s approved Capital Improvement Plan.

Title: City Speed Limit Discussion

Attachments: EMC Chapter 10.10, Posted Speed Limits Map

Submitted By: Daryl Eidinger

Approved For Agenda By: Daryl Eidinger, Mayor

Discussion: As the Council is aware, numerous citizens have expressed concern over various roads in the City in regard to pedestrian safety. Most of the concerns are about lack of shoulder to walk on. The City of Seattle recently lowered all speeds on residential roads with a study showing that reduction by 10 mph would increase the survival rates for pedestrians from impact by a factor of 4, reducing injuries to the citizens. I have included our EMC, and as you can see, the Council can pick which roads might most need speed adjustments.

Recommendation: Determine which, if any, roads the council feels safety could be improved to our citizens, and seek public impute after specific changes are determined.

Fiscal Impact: Estimated to be about $1000 per reduction for new signage installed.
