Title: Speed Limit Reductions – City-wide Arterial Network

Attachments: “Posted Speed Limits” Map, showing the affected roads
Ordinance 18-0xxx (DRAFT)

Submitted By: Jeremy Metzler, PE – Public Works Director

Approved For Agenda By: Daryl Eidinger, Mayor

Discussion: As traffic congestion continues to increase in the region, more and more commuters are discovering local arterial streets as a convenient bypass with minimal traffic flow restrictions. In recent years we have seen increased traffic volumes, resulting in accidents and excessive speeds, causing concern for the safety and welfare of local residents. In an effort to step up enforceability, introduce traffic calming measures, and align with the statutory maximum lawful speed limit within cities, we propose reducing the maximum posted speed on several local arterial streets from 35 miles per hour to 25 miles per hour.

Recommendation: Staff recommends that the City Council move forward with this proposal, bringing Ordinance 18-0xxx forward to the next Council meeting for adoption.

Alternatives: 1) Do not adopt. 2) Forward to next Study Session for further review

Fiscal Impact: With the passing of this ordinance as presented, there are 29 existing speed limit signs would need to be updated, and 3 new “reduced speed limit ahead” signs would be needed. Assuming the existing sign posts can remain, the estimated cost to accomplish this is approximately $2,000.
AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF EDGEWOOD, WASHINGTON, RELATING TO SPEED LIMITS ON THE CITY'S STREETS AND HIGHWAYS, REDUCING THE SPEED LIMIT FROM 35 MPH TO 25 MPH ON CERTAIN IDENTIFIED STREETS AND PORTIONS OF STREETS, AND DIRECTING THE TRAFFIC ENGINEER TO POST SIGNS REFLECTING THE NEW SPEED LIMITS ON THE AFFECTED STREETS, AMENDING EDGEWOOD MUNICIPAL CODE SECTION 10.10.020.

WHEREAS, the Revised Code of Washington (RCW) Section 46.61.400(2)(a) establishes a maximum lawful speed of twenty-five (25) miles per hour on city and town streets; and

WHEREAS, on January 12, 1999, the City Council for Edgewood adopted Ordinance 98-0124, establishing maximum lawful speed limits for vehicles using certain city streets, roads and highways as 35 and 40 miles per hour (as codified in EMC Section 10.10.020); and

WHEREAS, since the passing of said Ordinance, traffic volumes and speeds on certain arterial streets within the city have increased to the extent that the City Council now believes that the public health and safety require a reduction of the maximum speed limit for certain streets identified in EMC Section 10.10.020; and

WHEREAS, RCW 46.61.415 provides that the City is required to obtain an engineering and traffic study when the City determines that the maximum speed permitted under RCW 46.61.400 for city streets is greater or less than is reasonable and safe under the conditions found to exist;

WHEREAS, the maximum speed permitted in RCW 46.61.400 is 25 miles per hour on city streets; and

WHEREAS, the City’s decision to reduce the speed limit on certain streets from 35 mph to the maximum speed for city streets of 25 mph in RCW 46.61.400 is therefore consistent with RCW 46.61.415 and does not require a traffic study; and

WHEREAS, EMC Section 10.10.020(B) currently provides that Meridian Avenue from the Pierce County line south to the city limits shall have a 40 mph speed limit; and

WHEREAS, since the adoption of EMC Section 10.10.020(B) in 1999, the Washington State Department of Transportation has posted the maximum lawful speed limit along Meridian Avenue East (State Route 161) as 35 miles per hour, and the City desires to adopt the necessary code amendment to be consistent with the decision of WSDOT;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EDGEWOOD, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. Section 10.10.020 of the Edgewood Municipal Code is hereby amended to provide in its entirety as follows:
10.10.020 Increasing state speed limit. Whenever conditions are found to exist upon an arterial street or highway which warrant an increase in the speed permitted by state law, the legislative authority of this City, subject to the approval of the State Highway Commission in cases involving state highways, shall determine and declare a reasonable and safe maximum speed limit for such arterial street or highway, or portion thereof, not to exceed 55 miles per hour. Pursuant to the foregoing authority, the following speed limits are established for the following streets and highways:

A. Twenty-Five Miles Per Hour (25 MPH). The speed limit on the following streets shall be established as 25 mph, consistent with RCW 46.61.400(2)(a). These streets are listed below to address the change in the speed limit from 35 MPH to 25 MPH as a result of this Ordinance. The speed limit on any City street not listed in this subsection A or subsection B of this Section 10.10.020 shall remain at 25 MPH.

Discussion
The City of Edgewood is experiencing unprecedented levels of growth and development. This level of construction activity generates a high volume of on-site building inspections and results in numerous building applications that must be reviewed. The workload is currently divided among a Building Official, a Building Inspector, and an apprentice trainee from L&I gaining inspection experience under an on-the-job program.

On February 12, 2018, the City’s Building Inspector submitted his resignation to the Mayor and the Building Inspector’s last work day is scheduled for February 23. The impending loss of this employee allowed the management team to implement a succession plan for the re-staffing of the lost job duties. The succession plan calls for the hiring of a new employee that is capable of performing both the lost inspection capacity and augmenting the Building Official’s plan review functions. This request to staff the vacant position needs approval of a new job description.

Recommendation: Forward the proposal to City Council for approval.

Fiscal Impact: The Building Inspector position is classified as an FT-06 and the new position is anticipated as an FT-09.

Title: Amendment No. 1 to the 2018 Budget

Attachments: Budget Amendment Ordinance with Exhibit A & B

Submitted By: Dave Gray, Assistant City Administrator

Approved For Agenda By: Daryl Eidinger, Mayor

Discussion: Administration recently learned our Combination Building Inspector is leaving City employment. Staff felt this presented an opportunity to upgrade the position to an Inspector/Plans Examiner position, which is a position that would be a likely progression to Building Official. Our Building Official has disclosed plans to retire in approximately 18 months, hence this succession plan. 2018 Budget Amendment No. 1 establishes a new position, Building Inspector/Plans Examiner by adding the partial year increase to the Building Services budget resulting from a change to the Salary Schedule.

Recommendation: Recommend the Mayor move Budget Amendment No.1 to the Regular Council Meeting on February 27th for Council Action.

Fiscal Impact: A net decrease of General Fund Balance of $5,034 results by eliminating the budgeted Combination Inspector pay and replacing the job functions with the higher paying Building Inspector/Plans Examiner position for an estimated eight months. The full year impact of this change would be $7,551.00 for 2018.

This budget amendment results from adding a Building Inspector/Plans Examiner position to the salary schedule FT-17-08 @ step 4. The fund balance impact identified is for the new position funded for the remaining 8 months of 2018, net of the reduction of our Combination Building Inspector FT-17-06 @ step 5 leaving for another job. The reason for the addition of this position is to improve the City succession planning for a known upcoming retirement (Building Official) and an unplanned employee departure (Combo Inspector).

Full year impact of this amendment in the next budget cycle (2019) is $7,551.00.

Discussion
The Council set the comprehensive plan amendment docket on May 1, 2017, after holding a public hearing, to include the proposed amendment to revise the existing Comprehensive Land Use Designation for a single property identified as Tax Parcel Number 0420236041 containing dual land use designations, “SF-3 and Public” to a single land use designation, “Public”.

The Planning Commission discussed the proposed comprehensive plan amendment during two regularly scheduled meetings, respectively August 21 and October 16, 2017 and held a public hearing on November 20, 2017 to hear public testimony and consider the proposed amendment. Immediately after the public hearing, the Planning Commission passed a motion to the City Council recommending approval of the proposed comprehensive plan amendment.

On November 28, 2017, the Planning Commission recommendation was reviewed by the City Council during a Study Session and a public hearing was scheduled to receive public testimony on February 27, 2018.

Recommendation: Forward the proposal to City Council for a Public Hearing.

AN ORDINANCE OF THE CITY OF EDGEWOOD, WASHINGTON RELATING TO LAND USE AND ZONING, AMENDING THE COMPREHENSIVE PLAN MAP AND ZONING MAP IN ACCORDANCE WITH CHAPTER 18.60 OF THE EDGWOOD MUNICIPAL CODE (EMC) AND SECTION 36.70A.130 OF THE GROWTH MANAGEMENT ACT (GMA) UNDER THE REVISED CODE OF WASHINGTON (RCW) TO REVISE THE LAND USE DESIGNATION AND ZONING ON A SINGLE PARCEL LOCATED AT 1224-48TH STREET E. IN EDGEWOOD, FROM SF-3 AND PUBLIC TO PUBLIC.

WHEREAS, RCW 36.70A.130 of the Growth Management Act generally allows cities and counties to consider comprehensive plan amendments no more frequently than once per year; and

WHEREAS, the City of Edgewood City Council has established a process and criteria for making modifications to the City’s Comprehensive Plan in EMC Chapter 18.60, including text and map amendments in accordance with the Growth Management Act and State Law; and

WHEREAS, the Community Development Department did receive an application for a Comprehensive Plan amendment from Mountain View Edgewood Water Company (MTVE) located at 1224 48th Street E, Edgewood, WA., to amend the existing Comprehensive Plan Land Use Designation for a property identified as Tax Parcel Number 0420236041 containing dual land use designations, “SF-3 and Public”, to a single land use designation, “Public”; as depicted in Exhibit A attached hereto and incorporated herein; and

WHEREAS, The Edgewood City Council held a public hearing on May 1, 2017 and set the comprehensive plan amendment docket to include the proposed Comprehensive Plan amendment.

WHEREAS, The Planning Commission discussed the proposed comprehensive plan amendment during two regularly scheduled meetings, respectively August 21 and October 16, 2017.

WHEREAS, the Planning Commission did hold a properly noticed public hearing on November 20, 2017 to consider the proposed amendment and following the public hearing, the Planning Commission did pass a motion recommending approval of the proposed comprehensive plan amendment to the Edgewood City Council; and
WHEREAS, the City Council considered this Ordinance during a regular City Council meeting on November 28, 2017; and

WHEREAS, the proposed amendment to the Edgewood Comprehensive Plan map is consistent with the City’s planning goals and objectives; and

WHEREAS, the comprehensive plan is implemented by the zoning map;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EDGEWOOD, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. Property. The subject property is located at 1224 - 48th Street E., Edgewood, WA, tax parcel No. 0420236041. The Comprehensive Land Use designations for the property are Single Family (SF-3) and Public. The Zoning Classifications for the property are Single Family SF-3 and Public. Request: The request is to amend the Comprehensive Plan Land Use Designation and Zoning Classifications for this property from those identified above, to a single Land Use Designation and Zoning Classification, Public.

Section 2. The City Council has reviewed the Comprehensive Plan amendment under EMC Section 18.60.220 and adopts the Findings and Recommendation from the Planning Commission attached hereto as Exhibit B, as well as the following:

A. The proposed amendment conforms to the Growth Management Act (GMA), Chapter 36.70A.RCW; the GMA planning goals include the efficient provision of public facilities and services within urban areas and the facilitation of fair, timely and predictable permit processing. The amendment supports these goals in that the parcel is owned by a public water purveyor who will need to expand infrastructure to provide adequate water to support growth in urban area. The dual land use designation on a single parcel is problematic for permit processing.

B. The proposed amendment is consistent with and implements the goals and policies of the City’s comprehensive plan; the single family moderate land use designation is intended to preserve and maintain established residential neighborhoods and allowed uses in this designation include uses single family detached dwelling units and compatible uses. The public designation is intended to permit activities related to the provision of necessary public services, including utility uses. Goal U.11 of the Comprehensive Plan states, “Support the provision of quality utility services that are reliable, efficient and financially and environmentally sustainable“. Policy U.11.j states, “Work in collaboration with water utility providers to improve the efficiency and quality of services“. The subject parcel is owned by the Mountain View Edgewood Water Company (MTVE). MTVE is already using the portion of the parcel that is designated as “Public” for water infrastructure and it will need to expand infrastructure onto the portion of the parcel that is designated for single family use. Amending the single-family use portion of the parcel to “Public” is consistent with the City’s Comprehensive Plan.
C. The subject parcel in the proposed amendment did not contain dual land use
designations until after the City approved a Boundary Line Adjustment which
expanded the parcel to include the area designated for single family use.

D. The June 2015 adoption of the City’s updated Comprehensive Plan map did not
consider the need for expanding the Public land use designation around MTVE-
owned property for the expansion of water utilities to support future growth.

E. The proposed amendment is consistent with the widely held values of the residents
of the city as expressed in the City’s adopted Vision Statement to be fiscally
sustainable and provide high quality public services. The action to correct the
subject parcel dual land use designation allows MTVE to be more fiscally
sustainable in the provision of public services because it allows for the utility to
expand services more efficiently.

F. The proposed amendment does not adversely affect the City’s adopted level of
service standards for transportation or other public facilities and services.

G. The proposed amendment will not result in probable adverse impacts to the City’s
transportation network, capital facilities, utilities, parks or environmental features.
A SEPA review was conducted which resulted in a Determination of
Nonsignificance (DNS) on November 9, 2017.

H. The proposed amendment to change the single-family residence land use
designation portion of the subject parcel is compatible with the existing and planned
surrounding land use. The parcel is currently used for the provision of potable water
for Edgewood residents and is therefore physically suitable for such use.

I. The proposed amendment will not create pressure to change the land use
designation of other properties because the use of the subject property for a public
water purveyor does not provide impetus for neighboring single-family residential
properties to convert to a Public use designation.

J. The proposed amendment does not materially affect the City’s land use and
population growth projections; the water purveyor is effectively planning to support
the City’s population growth projections through its own capital facility planning
efforts.

K. The proposed amendment is consistent with applicable county-wide policies
because it ensures that the City is considering the need for public facilities needed
to support service demands generated by growth.

Section 3. The Edgewood Comprehensive Plan Land Use Map is hereby amended to change
the land use designation of the real property identified as Tax Parcel Number 0420236041
containing dual land use designations, “SF-3 and Public”, to a single land use designation, “Public”
attached hereto as Exhibit A.
Section 4. The Edgewood Official Zoning Map is hereby amended to change the zoning on Tax Parcel Number 0420236041 from “SF-3” and “Public” to “Public”.

Section 5. Severability. If any section, sentence, clause or phrase of this ordinance should be held invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of any other section, sentence, clause or phrase of this ordinance.

Section 6. Effective Date. This ordinance will take effect and be in full force five (5) days after publication.
