SUBJECT: FILLING CITY COUNCIL VACANCIES

The following is an excerpt from the City Council Rules of Procedure, Section 18, which details the process for appointing a citizen to vacant Council positions.

18.1 PURPOSE - The following procedures are intended to provide guidance to the Council when a Councilmember position becomes vacant before the expiration of the official's elected term of office. Provided, the Council in its discretion may specify another lawful process for filling any vacancy.

18.2 APPOINTMENT PROCESS

(1) A Council position shall be officially declared vacant upon the occurrence of any of the causes of vacancy set forth in RCW 42.12.010, including resignation, recall, forfeiture, written intent to resign, or death of a Councilmember. The Councilmember who is vacating his or her position cannot participate in the appointment process.

(2) The Council shall direct staff to begin the Councilmember appointment process and establish an interview and appointment schedule so that the position is filled at the earliest opportunity.

(3) The City Clerk's office shall prepare and submit a display advertisement to the City's official newspaper and provide courtesy copies to all other local media outlets. The advertisement will announce the vacancy consistent with the requirements necessary to hold public office; specify that the applicant must be a registered voter of the City and have a one (1) year residency in the City. This display advertisement shall be published once each week for two (2) consecutive weeks. This display advertisement shall contain other information including, but not limited to, time to be served in the vacant position, election and salary information, Councilmember authority and duties, the deadline date and time for submitting applications, interview and appointment schedules, and such other information that the Council deems appropriate.

(4) The City Clerk's Office shall prepare an application form, which requests appropriate information for Council consideration of the applicants. Applications will be available at the City offices and such other locations that the Council deems appropriate.

(5) Applications received by the deadline date and time will be copied and circulated by the City Clerk's office to the Mayor and Council. Packets may also contain additional information received such as endorsements, letters of reference and other pertinent materials.

(6) The City Clerk's office shall publish the required public notice(s) for the meeting scheduled for interviewing applicants for consideration to the vacant position. This meeting may be a regularly scheduled Council meeting, or a special session Council meeting.
(7) The City Clerk's office shall notify applicants of the location, date and time of Council interviews.

(8) Prior to the date and time of the interview meeting, the Mayor shall accept one interview question from each Councilmember.

18.3 INTERVIEW MEETING - Each interview of an applicant/candidate shall be no more than thirty (30) minutes in length as follows:

(1) The applicant shall present his or her credentials to the Council. (10 minutes).
(2) The Council shall ask the predetermined set of questions which must be responded to by the applicant. Each applicant will be asked and will answer the same set of questions, and will have two (2) minutes to answer each question. (14 minutes).
(3) An informal question and answer period in which Councilmembers may ask and receive answers to miscellaneous questions. (10 minutes).
(4) The applicants’ order of appearance will be determined by a random lot drawing performed by the City Clerk.
(5) The Council may reduce the thirty (30) minute interview time if the number of applicants exceeds six (6) candidates or, alternatively, the Council may elect not to interview all of the applicants if the number exceeds six (6) candidates. The decision as to which applicants to interview will be based on the information contained in the application forms.

18.4 VOTING - Upon completion of the interviews, Councilmembers may convene into executive session to discuss the qualifications of the applicants. However, all interviews, nominations and votes taken by the Council shall be in open public session.

(1) The Mayor shall ask for nominations from the Councilmembers.
(2) After a nomination and second has been received, the City Clerk shall proceed with a roll-call vote.
(3) Balloting will continue until a nominee receives a majority vote.
(4) At any time during the balloting process, the Council may postpone balloting until a date certain or regular Council meeting if a majority vote has not been received.
(5) Nothing in this policy shall prevent the Council from reconvening into executive session to further discuss the applicant/candidate qualifications.
(6) The Mayor shall declare the nominee receiving the majority vote as the new Councilmember and the Clerk shall swear him/her into office at the earliest opportunity, no later than the next regularly scheduled Council meeting.
(7) If the Council does not give a majority vote within ninety (90) days of the declared vacancy, the RCW delegates appointment powers to Pierce County.

### SUMMARY STATEMENT:

On June 26, 2018, the City reached a partnership agreement with the Buxton Company to serve as an extension of City staff in identifying potential economic development for Edgewood. Staff, and Buxton, will perform the work of marketing Edgewood and matching businesses to Edgewood’s profile, as well as compiling and sharing community data, communicating with the development community regarding possible business expansion opportunities, and presenting recommendations on ways to attract additional interest or secure a final development deal. The policy discussions regarding whether the city will allow, help, or foster development, however, will still be conducted by the City Council or delegated to an Economic Development Advisory Board (EDAB). As such, the discussion for tonight should start with the decision as to whether those policy decisions should be made by City Council alone or with advisement from an EDAB.

The second point of this agenda item is directly dependent on a resolution of the first discussion item. If the decision is made to utilize an EDAB, then the charge as to make-up of the board, the frequency of their meetings, and other logistical expectations should be established. Edgewood Municipal Code (EMC) Section 2.32.030 outlines the powers of the EDAB. In addition, EMC Section 2.32.040 addresses the organization of the board and specifically requires the EDAB and City Council to meet at a joint study session at least once each year.

### COUNCIL COMMITTEE REVIEW AND RECOMMENDATION: N/A

**RECOMMENDED ACTION:** Receive a briefing, hold a discussion, and make a determination regarding the City’s Economic Development Advisory Board (EDAB) and, if reestablished, its agenda, goals and direction, meeting frequency, and other issues germane to the board’s work plan.

**ALTERNATIVES TO RECOMMENDED ACTION:**
- 1) No action; or
- 2) Continue the discussion for another work session.
Outline of [Revised] 60-day Timeline
For Implementation of Edgewood’s
Economic Development Strategy

1. June 19, 2018 – City Council study session discussion regarding Buxton agreement and economic development 60-day strategy.

2. June 26, 2018 – City Council meeting to adopt resolution and agreement partnering with Buxton.

3. July 17, 2018 – City Council study session to discuss EDAB membership. Update full council on status of each applicant and brief whether a seventh application was remitted to the City. If seven candidates cannot be confirmed, then City Council could either propose a code amendment to revise EMC Section 2.32.010 by reducing the required number of members or appoint any number of applicants to serve as members assuming additional recruitment would garner a seventh member or the EDAB will meet under a quorum without full membership.

4. July 18, 2018 – reach out to the six Economic Development Advisory Board (EDAB) applicants to gauge their continued level of interest in serving on the EDAB. In addition, continue recruitment efforts to find a seventh applicant to complete the prospective membership as required per Edgewood Municipal Code (EMC) Section 2.32.010.

5. July 11, 2018 – Buxton will enable the City of Edgewood’s SCOUT access.

6. July 31, 2018 – City Council study session to conduct interviews for the EDAB membership.

7. August 1, 2018 – Mayor assigns City staff, as necessary, in support of the EDAB.

8. August 6, 2018 – Assigned City staff coordinates with incoming EDAB members to ensure each member understands EMC Chapter 2.32 and is able to attend required Open Government Training within 90 days.

9. August 19, 2018 – Full access to Buxton’s retail match lists and marketing packages.

10. September 10, 2018 – First EDAB meeting to be held at 5:30 p.m. before the 6 p.m. Planning Commission meeting.

G. The board shall, on a regular basis, be available for citizens’ input concerning any matter which the board is considering or may consider;

H. The board shall make recommendations to the council regarding adoption of or amendments to all economic development plans. (Ord. 12-381 § 1).
2.32.040 Organization.
A. City staff will be assigned as deemed necessary by the mayor in support of the board.

B. The mayor may appoint a chair and vice chair from the membership or choose to allow the board to elect them from its members. The chair shall be a resident of the city of Edgewood. The chair and vice chair terms of office shall be for one year beginning July 1st and ending June 30th. The elected vice chair shall preside in the absence of the chair. The chair and vice chair shall be voting members of the board. The mayor may create and fill other such offices as is determined necessary.

C. At least once each year, the board shall meet with the council at a joint study session to discuss the board’s work plan for the coming year and other issues of general interest.

D. The board shall adopt such rules and regulations as are necessary for the conduct of its business, including rules of procedure that are consistent with applicable city ordinances and resolutions.

E. A simple majority of board members shall represent a quorum for the transaction of businesses, and a majority vote of those present shall be necessary to carry any proposition.

F. The board shall conduct meetings in accordance with the Open Public Meetings Act, and shall, whenever possible, keep an audio recording and/or written record of its meetings, business transactions, findings and determinations.

G. The board chair shall provide monthly reports to the city council at the second regular council meeting of the month. (Ord. 15-447 § 1 (Exh. A); Ord. 12-381 § 1).

### Fiscal Note/Consideration:

The Surface Water Management Plan (SWMP) Update is fully paid for with Surface Water Utility Funds. The Capital Improvement Plan and rate analysis components of this update will recommend revisions to the City’s Surface Water Rates, and there are several opportunities scheduled for public input and discussion before any such revisions are made.

### SUMMARY STATEMENT:

As discussed at the last Study Session, we have reviewed Herrera’s draft of the comprehensive SWMP update with Mt. View – Edgewood Water Company, the public, and the Planning Commission in recent weeks, soliciting discussion, comment and direction. Attached are revised project priority lists based on the input received to-date.

A final draft of the SWMP update will be brought to Council for consideration by August 7, including final recommendations for the Capital Improvement Plan and future Surface Water Rates. As presented to Council at the May 1, 2018 Study Session by FCS Group, existing Surface Water Rates barely cover ongoing operations and maintenance costs and do not adequately fund proposed capital improvements. Updating the SWMP plan and Surface Water Rate Ordinance is necessary to ensure a viable utility over the long-term, which manages both ongoing maintenance and capital improvement needs.

### COUNCIL COMMITTEE REVIEW AND RECOMMENDATION:

N/A

### RECOMMENDED ACTION:

Discuss and provide any additional feedback on draft capital improvement program refinement and final draft preparation, to be presented to Council for further review by August 7, 2018.

### ALTERNATIVES TO RECOMMENDED ACTION:

1) Forward to Study Session for further review

**Fiscal Note/Consideration:**
As the Transportation Improvement Program (TIP) is a component of the annual budgeting process, the anticipated impacts to the City’s budget and General Fund are outlined therein. TIPs are planning documents that express the Council’s desires for future transportation improvements within the City. Local agency TIPs are also utilized by State and other planning agencies, for evaluating projects on a regional scale and consideration for outside funding resources. The TIP is not a final budget document; this is reserved for the actual budget that is adopted by the City Council towards the end of the City’s fiscal year.

**SUMMARY STATEMENT:**
The City is required to put together a Transportation Improvement Program (TIP), in accordance with RCW 35.77.010 and the Transportation Element of the City’s adopted Comprehensive Plan. The TIP outlines the projects, their estimated costs, anticipated timelines for work, and the expected funding sources. These plans serve as the guiding documents for Staff to implement as resources are made available through City financial resources or other identified funding sources (i.e. TIB, WSDOT funding, other grants, loans, etc.). The attached DRAFT plan represents Staff’s initial recommendation as it pertains to project priorities, funding sources and timelines for implementation, as required under GMA. Staff relies on the City Council to help guide this planning in order to help it align with the Council’s desires and the management of the City’s financial resources.

**COUNCIL COMMITTEE REVIEW AND RECOMMENDATION:** N/A

**RECOMMENDED ACTION:** Move to prepare the attached documents for Public Hearing slated for July 24th, 2018.

**ALTERNATIVES TO RECOMMENDED ACTION:** 1) Forward to Study Session for further review
RESOLUTION NO. 18-xxxx

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
EDGEWOOD, WASHINGTON, APPROVING THE 2019-2024 SIX-YEAR TRANSPORTATION IMPROVEMENT PLAN

**Fiscal Note/Consideration:** The total of all contracts equals a not to exceed amount of $6,000,000.00. The actual expenditures must be appropriated annually by Council, and actual expenditures will be significantly less. The large open contract balances are due to opening contracts with multiple on-call vendors to allow the City rapid access to specialty consulting when one firm may not be available, and the City needs the regulatory or excess capacity work done timely. The City Finance Department monitors on-call activity for all open contracts in aggregate to ensure the City is in compliance with the Council’s current year appropriation for each discipline of work (traffic, engineering, etc.)

**SUMMARY STATEMENT:**
Exhibit A contains the City’s internal administrative & accounting control manual language identifying how on-call contracts are utilized in the City. The contract language makes clear there is no expectation on the part of the City or the Consultant as to any actual dollars being spent. No obligation to spend.

**COUNCIL REVIEW AND RECOMMENDATION:** Recommend staff bring the contracts forward for action on the consent agenda/new business agenda.

**RECOMMENDED ACTION:** See above

**ALTERNATIVES TO RECOMMENDED ACTION:**
1) Forward to Study Session for further review

ON-CALL CONSULTANT SERVICES CONTRACT
BETWEEN THE CITY OF EDGEWOOD AND
AHBL

THIS AGREEMENT is made by and between the City of Edgewood, a Washington municipal corporation (hereinafter the "City"), and AHBL, (hereinafter the “Consultant,”) a Washington corporation organized under the laws of the State of Washington located and doing business at 2215 North 30th Street, Ste. 300, Tacoma, WA 98403-3350.

RE bâtALS

WHEREAS, the City requires the provision of planning on-call services, and

WHEREAS, the Consultant has agreed to provide planning on-call services under the terms and conditions specified herein;

NOW, THEREFORE, in consideration of the mutual promises set forth herein, it is agreed by and between the parties as follows:

TERMS

I. Description of Work.

The Consultant shall perform services described in Exhibit A, Scope of Services, which is attached hereto and incorporated herein by this reference, according to the existing standard of care for such services. The City shall issue a written Task Order for each project assigned to the Consultant. The written Task Order shall include the following information, which may be furnished in consultation with the Consultant: (1) Task Order Title (project name); (2) technical approach to the task (if necessary); (3) specific deliverables; (4) schedule with milestones and deliverables; (5) cost/hour estimate; (6) due date of work. All of these items may be brief, but will be sufficiently detailed for the Consultant to understand the work being authorized and the amount it will cost. Written Task Orders and Notices to Proceed may be issued as e-mail documents.

The City does not permit sub consultants for those items of work necessary for the completion of any Task Order on any project. The Consultant shall not subcontract with sub consultants for the performance of any work under this Agreement without prior written permission of the City.

II. Payment

A. This Agreement does not guarantee any amount of work for the Consultant. Task Orders will be developed as determined by the City and as provided for in this Agreement. The City shall pay the Consultant an amount based on time and materials, not to exceed Three Hundred Fifty Thousand Dollars ($350,000.00) for the services described in Section I herein. This is the
maximum amount to be paid under this Agreement for the work described in this Agreement, and shall not be exceeded without the prior written authorization of the City in the form of a negotiated and executed supplemental agreement. PROVIDED, HOWEVER, the City reserves the right to direct the Consultant's compensated services under the time frame set forth in Section IV herein before reaching the maximum amount.

B. The Consultant shall be paid by the City for completed services rendered under each approved individual Task Order. Such payment shall be full compensation for work performed or services rendered and for all labor, materials, supplies, equipment and incidentals necessary to complete the work. The Consultant shall submit an itemized invoice to the City for each separate Task Order after the services have been performed.

C. The amount paid by the City for each invoice shall not exceed the amount in Section II(A) above and the Hourly Billing Rates set forth in Exhibit B, which is attached hereto and incorporated herein by this reference. The City shall pay the full amount of an invoice within sixty (60) days of receipt. If the City objects to all or any portion of any invoice, it shall so notify the Consultant of the same within fifteen (15) days from the date of receipt and shall pay that portion of the invoice not in dispute, and the parties shall immediately make every effort to settle the disputed portion.

D. The Consultant will not undertake any work or otherwise financially obligate the City in excess of said not-to-exceed amount in Section II (A) without a duly authorized amendment to this Agreement. In the event services are required beyond those specified in the Scope of Work and are not included in the compensation listed in this Agreement, a written contract amendment shall be negotiated and approved by the City before any effort is expended on such services.

III. Relationship of Parties

The parties intend that an independent contractor-client relationship will be created by this Agreement. As the Consultant is customarily engaged in an independently established trade which encompasses the specific service provided to the City hereunder, no agent, employee, representative or sub-consultant of the Consultant shall be or shall be deemed to be the employee, agent, representative or sub-consultant of the City. In the performance of the work, the Consultant is an independent contractor with the ability to control and direct the performance and details of the work, the City being interested only in the results obtained under this Agreement. None of the benefits provided by the City to its employees including, but not limited to, compensation, insurance, and unemployment insurance are available from the City to the employees, agents, representatives, or sub-consultants of the Consultant. The Consultant will be solely and entirely responsible for its acts and for the acts of its agents, employees, representatives and sub-consultants during the performance of this Agreement. The City may, during the term of this Agreement, engage other independent contractors to perform the same or similar work that the Consultant performs hereunder.
IV. Duration of Work

The Consultant shall not begin any work under this Agreement until an authorized Task Order has been agreed upon by the parties, and the City has issued a Notice to Proceed. This Agreement shall expire on July 1, 2021, unless extended by an amendment executed by the duly authorized representatives of the parties.

V. Termination

A. Termination of Agreement. The City may terminate this Agreement, for public convenience, the Consultant's default, the Consultant’s insolvency or bankruptcy, or the Consultant's assignment for the benefit of creditors, at any time prior to completion of the work described herein. If delivered to Consultant in person, termination shall be effective immediately upon the Consultant's receipt of the City's written notice or such date stated in the City's notice, whichever is later.

B. Rights upon Termination. In the event of termination, the City shall pay for all services satisfactorily performed by the Consultant to the effective date of termination, as described on a final invoice submitted to the City. Said amount shall not exceed the amount in Section II above. After termination, the City may take possession of all records and data within the Consultant’s possession pertaining to this Agreement, which records and data may be used by the City without restriction. Upon termination, the City may take over the work and prosecute the same to completion, by contract or otherwise.

VI. Discrimination

In the hiring of employees for the performance of work under this Agreement or any sub-contract hereunder, the Consultant, its Subcontractors, or any person acting on behalf of such Consultant or sub-consultant shall not by reason of race, religion, color, sex, national origin, or the presence of any sensory, mental, or physical disability, discriminate against any person who is qualified and available to perform the work to which the employment relates.

VII. Indemnification

The Consultant shall defend, indemnify and hold the City, its officers, officials, employees, agents and volunteers harmless from any and all claims, injuries, damages, losses or suits, including all legal costs and attorneys' fees, arising out of or resulting from the errors or omissions of the Consultant in connection with the performance of this Agreement, except for injuries and damages caused by the sole negligence of the City. The City's inspection or acceptance of any of the Consultant's work when completed shall not be grounds to avoid any of these covenants of indemnification.

Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Consultant and
the City, its officers, officials, employees, agents and volunteers, the Consultant's liability hereunder shall be only to the extent of the Consultant's negligence.

Notwithstanding the duty to indemnify and hold harmless, the Consultant expressly agrees, after adjudication by a court of competent jurisdiction, to reimburse the Client pursuant to this provision for any costs and fees determined by the court to have been reasonably, necessarily and actually incurred by the Client in the defense of those claims specifically founded upon the Consultant’s liability as set forth in this Section.

IT IS FURTHER SPECIFICALLY AND EXPRESSLY UNDERSTOOD THAT THE INDEMNIFICATION PROVIDED HEREIN CONSTITUTES THE CONSULTANT'S WAIVER OF IMMUNITY UNDER INDUSTRIAL INSURANCE, TITLE 51 RCW, SOLELY FOR THE PURPOSES OF THIS INDEMNIFICATION. THE PARTIES FURTHER ACKNOWLEDGE THAT THEY HAVE MUTUALLY NEGOTIATED THIS WAIVER. THE CONSULTANT'S WAIVER OF IMMUNITY UNDER THE PROVISIONS OF THIS SECTION DOES NOT INCLUDE, OR EXTEND TO, ANY CLAIMS BY THE CONSULTANT'S EMPLOYEES DIRECTLY AGAINST THE CONSULTANT.

The provisions of this section shall survive the expiration or termination of this Agreement.

RECITALS

WHEREAS, the City requires the provision of geotechnical engineering consulting on-call services, and

WHEREAS, the Consultant has agreed to provide wetlands/critical area consulting on-call services under the terms and conditions specified herein;

NOW, THEREFORE, in consideration of the mutual promises set forth herein, it is agreed by and between the parties as follows:

TERMS

I. Description of Work.

The Consultant shall perform services described in Exhibit A, Scope of Services, which is attached hereto and incorporated herein by this reference, according to the existing standard of care for such services. The City shall issue a written Task Order for each project assigned to the Consultant. The written Task Order shall include the following information, which may be furnished in consultation with the Consultant: (1) Task Order Title (project name); (2) technical approach to the task (if necessary); (3) specific deliverables; (4) schedule with milestones and deliverables; (5) cost/hour estimate; (6) due date of work. All of these items may be brief, but will be sufficiently detailed for the Consultant to understand the work being authorized and the amount it will cost. Written Task Orders and Notices to Proceed may be issued as e-mail documents.

The City does not permit sub consultants for those items of work necessary for the completion of any Task Order on any project. The Consultant shall not subcontract with sub consultants for the performance of any work under this Agreement without prior written permission of the City.

II. Payment

A. This Agreement does not guarantee any amount of work for the Consultant. Task Orders will be developed as determined by the City and as provided for in this Agreement. The City shall pay the Consultant an amount based on time and materials, not to exceed One Million
Dollars ($1,000,000.00) for the services described in Section I herein. This is the maximum amount to be paid under this Agreement for the work described in this Agreement, and shall not be exceeded without the prior written authorization of the City in the form of a negotiated and executed supplemental agreement. PROVIDED, HOWEVER, the City reserves the right to direct the Consultant's compensated services under the time frame set forth in Section IV herein before reaching the maximum amount.

B. The Consultant shall be paid by the City for completed services rendered under each approved individual Task Order. Such payment shall be full compensation for work performed or services rendered and for all labor, materials, supplies equipment and incidentals necessary to complete the work. The Consultant shall submit an itemized invoice to the City for each separate Task Order after the services have been performed.

C. The amount paid by the City for each invoice shall not exceed the amount in Section II(A) above and the Hourly Billing Rates set forth in Exhibit B, which is attached hereto and incorporated herein by this reference. The City shall pay the full amount of an invoice within thirty (30) days of receipt. If the City objects to all or any portion of any invoice, it shall so notify the Consultant of the same within fifteen (15) days from the date of receipt and shall pay that portion of the invoice not in dispute, and the parties shall immediately make every effort to settle the disputed portion.

D. The Consultant will not undertake any work or otherwise financially obligate the City, without an executed Task Order, or in excess of said not-to-exceed amount in Section II (A) without a duly authorized amendment to this Agreement. In the event services are required beyond those specified in the Scope of Work and are not included in the compensation listed in this Agreement, a written contract amendment shall be negotiated and approved by the City before any effort is expended on such services.

III. Relationship of Parties

The parties intend that an independent contractor-client relationship will be created by this Agreement. In the performance of the work, the Consultant is an independent contractor with the ability to control and direct the performance and details of the work, the City being interested only in the results obtained under this Agreement. None of the benefits provided by the City to its employees including, but not limited to, compensation, insurance, and unemployment insurance are available from the City to the employees, agents, representatives, or sub-consultants of the Consultant. The Consultant will be solely and entirely responsible for its acts and for the acts of its agents, employees, representatives and sub-consultants during the performance of this Agreement. The City may, during the term of this Agreement, engage other independent contractors to perform the same or similar work that the Consultant performs hereunder.
IV. Duration of Work

The Consultant shall not begin any work under this Agreement until an authorized Task Order has been agreed upon by the parties, and the City has issued a Notice to Proceed. This Agreement shall expire on July 23, 2021, unless extended by an amendment executed by the duly authorized representatives of the parties.

V. Termination

A. Termination of Agreement. The City may terminate this Agreement, for public convenience, the Consultant's default, the Consultant's insolvency or bankruptcy, or the Consultant's assignment for the benefit of creditors, at any time prior to completion of the work described herein. B. Rights upon Termination. In the event of termination, the City shall pay for all services satisfactorily performed by the Consultant to the effective date of termination, as described on a final invoice submitted to the City. Said amount shall not exceed the amount in Section II above. Upon termination, the City may take over the work and prosecute the same to completion, by contract or otherwise.

VI. Discrimination

In the hiring of employees for the performance of work under this Agreement or any subcontract hereunder, the Consultant, its Subcontractors, or any person acting on behalf of such Consultant or sub-consultant shall not by reason of race, religion, color, sex, national origin, or the presence of any sensory, mental, or physical disability, discriminate against any person who is qualified and available to perform the work to which the employment relates.

The City's inspection or acceptance of any of the Consultant's work when completed shall not be grounds to avoid any of these covenants of indemnification.

Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Consultant and
the City, its officers, officials, employees, agents and volunteers, the Consultant's liability hereunder shall be only to the extent of the Consultant's negligence.

Notwithstanding the duty to indemnify and hold harmless, the Consultant expressly agrees, after adjudication by a court of competent jurisdiction, to reimburse the Client pursuant to this provision for any costs and fees determined by the court to have been reasonably, necessarily and actually incurred by the Client in the defense of those claims specifically founded upon the Consultant’s liability as set forth in this Section.

IT IS FURTHER SPECIFICALLY AND EXPRESSLY UNDERSTOOD THAT THE INDEMNIFICATION PROVIDED HEREIN CONSTITUTES THE CONSULTANT'S WAIVER OF IMMUNITY UNDER INDUSTRIAL INSURANCE, TITLE 51 RCW, SOLELY FOR THE PURPOSES OF THIS INDEMNIFICATION. RECITALS

WHEREAS, the City requires the provision of building department support on-call services, and

WHEREAS, the Consultant has agreed to provide building department support on-call services under the terms and conditions specified herein;

NOW, THEREFORE, in consideration of the mutual promises set forth herein, it is agreed by and between the parties as follows:

TERMS

I. Description of Work.

The Consultant shall perform services described in Exhibit A, Scope of Services, which is attached hereto and incorporated herein by this reference, according to the existing standard of care for such services. The City shall issue a written Task Order for each project assigned to the Consultant. The written Task Order shall include the following information, which may be furnished in consultation with the Consultant: (1) Task Order Title (project name); (2) technical approach to the task (if necessary); (3) specific deliverables; (4) schedule with milestones and deliverables; (5) cost/hour estimate; (6) due date of work. All of these items may be brief, but will be sufficiently detailed for the Consultant to understand the work being authorized and the amount it will cost. Written Task Orders and Notices to Proceed may be issued as e-mail documents.

The City does not permit sub consultants for those items of work necessary for the completion of any Task Order on any project. The Consultant shall not subcontract with sub consultants for the performance of any work under this Agreement without prior written permission of the City.

II. Payment

A. This Agreement does not guarantee any amount of work for the Consultant. Task Orders will be developed as determined by the City and as provided for in this Agreement. The City shall pay the Consultant an amount based on time and materials, not to exceed Three Hundred Thousand Dollars ($300,000.00) for the services described in Section I herein. This is the maximum amount to be paid under this Agreement for the work described in this Agreement, and
shall not be exceeded without the prior written authorization of the City in the form of a negotiated and executed supplemental agreement. PROVIDED, HOWEVER, the City reserves the right to direct the Consultant's compensated services under the time frame set forth in Section IV herein before reaching the maximum amount.

B. The Consultant shall be paid by the City for completed services rendered under each approved individual Task Order. Such payment shall be full compensation for work performed or services rendered and for all labor, materials, supplies equipment and incidentals necessary to complete the work. The Consultant shall submit an itemized invoice to the City for each separate Task Order after the services have been performed.

C. The amount paid by the City for each invoice shall not exceed the amount in Section II(A) above and the Hourly Billing Rates set forth in Exhibit B, which is attached hereto and incorporated herein by this reference. The City shall pay the full amount of an invoice within sixty (60) days of receipt. If the City objects to all or any portion of any invoice, it shall so notify the Consultant of the same within fifteen (15) days from the date of receipt and shall pay that portion of the invoice not in dispute, and the parties shall immediately make every effort to settle the disputed portion.

D. The Consultant will not undertake any work or otherwise financially obligate the City in excess of said not-to-exceed amount in Section II (A) without a duly authorized amendment to this Agreement. In the event services are required beyond those specified in the Scope of Work and are not included in the compensation listed in this Agreement, a written contract amendment shall be negotiated and approved by the City before any effort is expended on such services.

III. Relationship of Parties

The parties intend that an independent contractor-client relationship will be created by this Agreement. As the Consultant is customarily engaged in an independently established trade which encompasses the specific service provided to the City hereunder, no agent, employee, representative or sub-consultant of the Consultant shall be or shall be deemed to be the employee, agent, representative or sub-consultant of the City. In the performance of the work, the Consultant is an independent contractor with the ability to control and direct the performance and details of the work, the City being interested only in the results obtained under this Agreement. None of the benefits provided by the City to its employees including, but not limited to, compensation, insurance, and unemployment insurance are available from the City to the employees, agents, representatives, or sub-consultants of the Consultant. The Consultant will be solely and entirely responsible for its acts and for the acts of its agents, employees, representatives and sub-consultants during the performance of this Agreement. The City may, during the term of this Agreement, engage other independent contractors to perform the same or similar work that the Consultant performs hereunder.

IV. Duration of Work

The Consultant shall not begin any work under this Agreement until an authorized Task Order has been agreed upon by the parties, and the City has issued a Notice to Proceed. This
Agreement shall expire on July 1, 2021, unless extended by an amendment executed by the duly authorized representatives of the parties.

V. Termination

A. Termination of Agreement. The City may terminate this Agreement, for public convenience, the Consultant's default, the Consultant’s insolvency or bankruptcy, or the Consultant's assignment for the benefit of creditors, at any time prior to completion of the work described herein. If delivered to Consultant in person, termination shall be effective immediately upon the Consultant's receipt of the City's written notice or such date stated in the City's notice, whichever is later.

B. Rights upon Termination. In the event of termination, the City shall pay for all services satisfactorily performed by the Consultant to the effective date of termination, as described on a final invoice submitted to the City. Said amount shall not exceed the amount in Section II above. After termination, the City may take possession of all records and data within the Consultant’s possession pertaining to this Agreement, which records and data may be used by the City without restriction. Upon termination, the City may take over the work and prosecute the same to completion, by contract or otherwise.

VI. Discrimination

In the hiring of employees for the performance of work under this Agreement or any subcontract hereunder, the Consultant, its Subcontractors, or any person acting on behalf of such Consultant or sub-consultant shall not by reason of race, religion, color, sex, national origin, or the presence of any sensory, mental, or physical disability, discriminate against any person who is qualified and available to perform the work to which the employment relates.

VII. Indemnification

The Consultant shall defend, indemnify and hold the City, its officers, officials, employees, agents and volunteers harmless from any and all claims, injuries, damages, losses or suits, including all legal costs and attorneys' fees, arising out of or resulting from the errors or omissions of the Consultant in connection with the performance of this Agreement, except for injuries and damages caused by the sole negligence of the City. The City's inspection or acceptance of any of the Consultant's work when completed shall not be grounds to avoid any of these covenants of indemnification.

Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Consultant and the City, its officers, officials, employees, agents and volunteers, the Consultant's liability hereunder shall be only to the extent of the Consultant's negligence.

Notwithstanding the duty to indemnify and hold harmless, the Consultant expressly agrees, after adjudication by a court of competent jurisdiction, to reimburse the Client pursuant to this provision for any costs and fees determined by the court to have been reasonably, necessarily and
actually incurred by the Client in the defense of those claims specifically founded upon the Consultant’s liability as set forth in this Section.

IT IS FURTHER SPECIFICALLY AND EXPRESSLY UNDERSTOOD THAT THE INDEMNIFICATION PROVIDED HEREIN CONSTITUTES THE CONSULTANT’S WAIVER OF IMMUNITY UNDER INDUSTRIAL INSURANCE, TITLE 51 RCW, SOLELY FOR THE PURPOSES OF THIS INDEMNIFICATION. THE PARTIES FURTHER ACKNOWLEDGE THAT THEY HAVE MUTUALLY NEGOTIATED THIS WAIVER. THE CONSULTANT'S WAIVER OF IMMUNITY UNDER THE PROVISIONS OF THIS SECTION DOES NOT INCLUDE, OR EXTEND TO, ANY CLAIMS BY THE CONSULTANT'S EMPLOYEES DIRECTLY AGAINST THE CONSULTANT.

EXHIBIT A

ON-CALL (UNIT BASED) CONTRACT-TASK ORDERS:

When the City has a need for the Consultant’s services, the City will issue a Task Order, discretely identified numerically with a Task Number, and assigned a Task Name.

The written Task Order shall include the following information, which may be furnished in consultation with the Consultant:

1. Task Order Title (project name) & Task Order Number;
2. General overview of the task to be accomplished, technical approach to the task (if necessary). Where the City or other contractors will be performing work in conjunction with the Consultant, the Task Order shall identify the work to be completed by all parties, especially where the Consultant’s work is dependent on the City or other contractors meeting their obligations;
3. Specific deliverables and an estimate of the quantities of the anticipated types of work or trades;
4. Schedule with milestones and deliverables;
5. Cost/hour estimate (by deliverable if progress payments are anticipated).
6. Due date of work.

All of these items may be brief, but will be sufficiently detailed for the City and the Consultant to understand the work being authorized and the amount it will cost. Written Task Orders and Notices to Proceed may be issued as e-mail documents.

The Consultant shall reference this Task Order Number on all correspondence, invoicing traffic and payments or reimbursements. The City will have no financial responsibility to make payment upon or provide reimbursement for any work performed prior to the Task Order acceptance by the Consultant.

NOTICE TO PROCEED. Once the Consultant has accepted the Task Order in writing, the City will issue a Notice to Proceed to the Consultant.
