(u) "2007 Bonds" means the City’s Limited Tax General Obligation Bonds, 2007, authorized pursuant to Ordinance No. 07-0286.

Section 2. Findings and Determinations. The City takes note of the following facts and makes the following findings and determinations:

(a) Refunding Plan. Pursuant to Ordinance No. 07-0286, the City issued its $5,565,000 principal amount Limited Tax General Obligation Bonds, 2007 (the "2007 Bonds"), for the purpose of financing the costs associated with constructing a new City Hall and civic campus, and by that ordinance reserved the right to redeem the 2007 Bonds maturing on and after December 1, 2017, prior to their maturity on or after June 1, 2017, at a price of par plus accrued interest to the date fixed for redemption.

There are presently $3,540,000 principal amount of 2007 Bonds outstanding, of which $3,280,000 are subject to redemption prior to their stated maturities (the "Refunding Candidates").

After due consideration, it appears to the City Council that all or a portion of the Refunding Candidates may be refunded by the issuance and sale of the limited tax general obligation refunding bond authorized herein so that a savings will be effected by the difference between the principal and interest cost over the life of the Bond and the principal and interest cost over the life of the Refunded Bonds but for such refunding, which refunding will be effected by carrying out the Refunding Plan.

To effect that refunding in the manner that will be most advantageous to the City it may be found necessary and advisable that certain Acquired Obligations bearing interest and maturing at such time or times as necessary to accomplish the refunding as aforesaid be purchased out of a portion of the proceeds of the Bond.

For the purpose of providing the funds necessary to refund the Refunded Bonds, and pay the costs of issuance and sale of the Bond, the City Council finds that it is in the best interests of the City and its taxpayers to issue and sell the Bond to the Purchaser as approved by the City's Designated Representative consistent with this ordinance.

(b) Debt Capacity. The maximum amount of indebtedness authorized by this ordinance is $3,160,000. Based on the following facts, this amount is to be issued within the amount permitted to be issued by the City for general municipal purposes without a vote:

(1) The assessed valuation of the taxable property within the City as ascertained by the last preceding assessment for City purposes for collection in the calendar year 2016 is $1,138,559,998.
(2) As of May 1, 2016, the City has limited tax general obligation indebtedness, consisting of bonds, notes and capital leases outstanding in the principal amount of $6,275,071, which is incurred within the limit of up to 1½% of the value of the taxable property within the City permitted for general municipal purposes without a vote.

(3) As of May 1, 2016, the City has no unlimited tax general obligation indebtedness for capital purposes outstanding.

Section 3. Authorization of the Bond. The City shall borrow money on the credit of the City and issue a limited tax general obligation refunding bond or bonds evidencing indebtedness in the amount of not to exceed $3,160,000 to provide funds necessary to refund the Refunded Bonds and to pay the costs of issuance and sale of the Bond.

Section 4. Description of the Bond; Appointment of Designated Representative. The Mayor, or the Assistant City Manager of Administrative Services/Finance Director, in the absence of the Mayor, is appointed as the Designated Representative of the City and is authorized and directed to conduct the sale of the Bond in the manner and upon the terms deemed most advantageous to the City, and to approve the Final Terms of the Bond, with such additional terms and covenants as the Designated Representative deems advisable, within the following parameters.

(a) Principal Amount. The Bond shall not exceed the aggregate principal amount of $3,160,000.

(b) Date or Dates. The Bond shall be dated as of its date of delivery to the Purchaser, which date may not be later than December 31, 2016.

(c) Interest Rate(s). The Bond shall bear interest at fixed or variable rates, provided that the average interest rate on the Bond may not exceed 2.4%, other than an adjustment that may occur upon an event of default or determination of taxability, and the true interest cost to the City for the Bond may not exceed 2.5%.

(d) Payment Dates. Interest must be payable at the rates and on such dates as are acceptable to the Designated Representative. Principal payments shall commence on a payment date acceptable to the Designated Representative and must be payable at maturity or in installments on such dates as are acceptable to the Designated Representative.

(e) Final Maturity. The Bond shall mature no later than December 1, 2026.

(f) Price. The purchase price for the Bond may be in an amount as is acceptable to the Designated Representative.

(g) Savings. There is a minimum net present value savings of 5.0% of the Refunded Bonds.
(h) **Other Terms and Conditions.**

(1) The Bond may not be issued if it would cause the indebtedness of the City to exceed the City’s legal debt capacity on the Issue Date.

(2) The Bond may be sold in accordance with Section 16 of this ordinance.

(3) The Designated Representative may accept such additional terms, conditions and covenants as he or she may determine are in the best interests of the City, consistent with this ordinance.

(4) The Designated Representative may enter into a continuing disclosure agreement, bond purchase agreement or loan agreement with the Purchaser, as applicable.

**Section 5. Payment of the Bond.** Both principal of and interest on the Bond shall be payable in lawful money of the United States of America. Principal and interest on the Bond shall be paid by automatic deposit, or if unavailable, by check or draft of the Bond Registrar mailed on or prior to the payment date to the Purchaser at the address appearing on the Bond Register.

**Section 6. Bond Registrar: Registration and Transfer of the Bond.** Pursuant to RCW 39.46.030(4) the City’s Assistant City Manager of Administrative Services/Finance Director shall serve as initial fiscal agent for the City (the “Bond Registrar”) with respect to the Bond and is authorized, on behalf of the City, to authenticate and deliver the Bond in accordance with the provisions of the Bond and this ordinance. The Bond shall be issued only in registered form as to both principal and interest and shall be recorded on books or records maintained by the Bond Registrar (the “Bond Register”). The Bond Register shall contain the name and mailing address of the owner of the Bond.

Upon a determination by the Assistant City Manager of Administrative Services/Finance Director that maintenance of the duties of the Bond Registrar is no longer convenient, the fiscal agent of the State of Washington shall act as Bond Registrar.

The Bond Registrar shall keep, or cause to be kept, at its office, sufficient books for the registration, assignment or transfer of the Bond, which books shall be open to inspection by the City at all times. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver the Bond transferred or exchanged in accordance with the provisions of the Bond and this ordinance, to serve as the City’s paying agent for the Bond and to carry out all of the Bond Registrar’s powers and duties under this ordinance.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar’s Certificate of Authentication on the Bond.

The Bond may be assigned or transferred only in whole by the registered owner to a single investor that is a financial institution or an entity that is reasonably believed to be a qualified institutional buyer within the meaning of the applicable federal securities laws. Any transfer shall be without cost to the owner or transferee, except for governmental charges imposed on any such transfer or exchange. The Bond Registrar shall not be obligated to
exchange or transfer the Bond during the 15 days preceding any installment or prepayment date. When the Bond has been paid in full, both principal and interest, the Bond shall be surrendered to the Bond Registrar, who shall cancel the Bond.

Section 7. Prepayment. The City reserves the right and option to prepay and redeem any or all of the principal amount of the Bond outstanding at par plus accrued interest to the date of prepayment. The City shall provide the Purchaser with written notice of any intended prepayment prior to such prepayment date. Interest on the principal amount of the Bond called for prepayment shall cease to accrue on the date fixed for prepayment unless the principal amount called for prepayment is not paid on the prepayment date.

At any time there is a partial prepayment, the remaining installment payments will continue to be made as set forth in the Bond, until the Bond has been repaid in full, unless the Purchaser agrees otherwise.

Section 8. Lost or Destroyed Bond. If the Bond is lost, stolen or destroyed, the Bond Registrar may authenticate and deliver a new Bond of like amount, maturity and tenor to the Purchaser upon the owner paying the expenses and charges of the Bond Registrar and the City in connection with preparation and authentication of the replacement Bond and upon his or her filing with the Bond Registrar and the City evidence satisfactory to both that such Bond was actually lost, stolen or destroyed and of his or her ownership, and upon furnishing the City and the Bond Registrar with indemnity satisfactory to both.

Section 9. Form and Execution of the Bond.

(a) Form of the Bond; Signatures and Seal. The Bond shall be prepared in a form consistent with the provisions of this ordinance and State law. The City Council authorizes the Bond to be signed by the Mayor and the City Clerk, either or both of whose signatures may be manual or in facsimile, and the seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon. If any officer whose manual or facsimile signature appears on the Bond ceases to be an officer of the City authorized to sign bonds before the Bond bearing his or her manual or facsimile signature is authenticated by the Bond Registrar, or issued or delivered by the City, that Bond nevertheless may be authenticated, issued and delivered and, when authenticated, issued and delivered, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. The Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although he or she did not hold the required office on its Issue Date.

(b) Authentication. Only the Bond bearing a Certificate of Authentication in substantially the following form, manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance: “Certificate of Authentication. This Bond is the fully registered City of Edgewood, Washington, Limited Tax General Obligation Refunding Bond, 2016, described in the Bond Ordinance.” The authorized signing of a Certificate of Authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated and delivered and is entitled to the benefits of this ordinance.
Section 10. Bond Fund. The Bond Fund is created as a special fund of the City for the sole purpose of paying principal of and interest on the Bond. Bond proceeds in excess of the amounts needed to pay the costs of the Refunding and the costs of issuance, if any, shall be deposited into the Bond Fund. All amounts allocated to the payment of the principal of and interest on the Bonds shall be deposited in the Bond Fund as necessary for the timely payment of amounts due with respect to the Bond. The principal of and interest on the Bond shall be paid out of the Bond Fund. Until needed for that purpose, the City may invest money in the Bond Fund temporarily in any legal investment, and the investment earnings shall be retained in the Bond Fund and used for the purposes of that fund.

Section 11. Pledge of Taxes. The Bond constitutes a general indebtedness of the City and is payable from tax revenues of the City and such other money as is lawfully available and pledged by the City for the payment of principal of and interest on the Bond. For as long as the Bond is outstanding, the City irrevocably pledges that it shall, in the manner provided by law within the constitutional and statutory limitations provided by law without the assent of the voters, include in its annual property tax levy amounts sufficient, together with other money that is lawfully available, to pay principal of and interest on the Bond as the same become due. The full faith, credit and resources of the City are pledged irrevocably for the prompt payment of the principal of and interest on the Bond and such pledge shall be enforceable in mandamus against the City.

Section 12. Refunding of the Refunded Bonds.

(a) Appointment of Refunding Trustee. U.S. Bank National Association is hereby appointed as Refunding Trustee in connection with the Bond.

(b) Use of Bond Proceeds; Acquisition of Acquired Obligations. The proceeds of the sale of the Bond shall be deposited immediately upon the receipt thereof with the Refunding Trustee and used to discharge the obligations of the City relating to the Refunded Bonds under Ordinance No. 07-0286 by providing for the payment of the amounts required to be paid by the Refunding Plan. If necessary, and to the extent practicable, such obligations may be discharged fully by the Refunding Trustee’s simultaneous purchase of the Acquired Obligations, bearing such interest and maturing as to principal and interest in such amounts and at such times so as to provide, together with a beginning cash balance, if necessary, for the payment of the amount required to be paid by the Refunding Plan. The Acquired Obligations, if acquired, will be listed and more particularly described in an exhibit to be attached to the Refunding Trust Agreement between the City and the Refunding Trustee, but are subject to substitution as set forth below. Any Bond proceeds or other money deposited with the Refunding Trustee not needed to purchase the Acquired Obligations and provide a beginning cash balance, if any, and pay the costs of issuance of the Bond shall be returned to the City at the time of delivery of the Bond to the Purchaser and deposited in the Bond Fund and used to pay interest on the Bond on their first interest payment date.

If payment of the costs of issuance of the Bond is not included in the Refunding Plan, the Bond proceeds that are not deposited with the Refunding Trustee will be deposited with the City to be used to pay the costs of issuance of the Bond.
(c) **Substitution of Acquired Obligations.** Prior to the purchase of any Acquired Obligations by the Refunding Trustee, the City reserves the right to substitute other direct, noncallable obligations of the United States of America ("Substitute Obligations") for any of the Acquired Obligations and to use any savings created thereby for any lawful City purpose if, (a) in the opinion of the City’s Bond Counsel, the interest on the Bond and the Refunded Bonds will remain excluded from gross income for federal income tax purposes under Sections 103, 148, and 149(d) of the Code, and (b) such substitution shall not impair the timely payment of the amounts required to be paid by the Refunding Plan, as verified by a nationally recognized independent certified public accounting firm.

After the purchase of the Acquired Obligations by the Refunding Trustee, the City reserves the right to substitute therefor cash or Substitute Obligations subject to the conditions that such money or securities held by the Refunding Trustee shall be sufficient to carry out the Refunding Plan, that such substitution will not cause the Bond or the Refunded Bonds to be arbitrage bonds within the meaning of Section 148 of the Code and regulations thereunder in effect on the date of such substitution and applicable to obligations issued on the issue dates of the Bond and the Refunded Bonds, as applicable, and that the City obtain, at its expense: (i) a verification by a nationally recognized independent certified public accounting firm acceptable to the Refunding Trustee confirming that the payments of principal of and interest on the substitute securities, if paid when due, and any other money held by the Refunding Trustee will be sufficient to carry out the Refunding Plan; and (ii) an opinion from a nationally recognized Bond Counsel to the City, to the effect that the disposition and substitution or purchase of such securities, under the statutes, rules, and regulations then in force and applicable to the Bond, will not cause the interest on the Bond or the Refunded Bonds to be included in gross income for federal income tax purposes and that such disposition and substitution or purchase is in compliance with the statutes and regulations applicable to the Bond. Any surplus money resulting from the sale, transfer, other disposition, or redemption of the Acquired Obligations and the substitutions therefor shall be released from the trust estate and transferred to the City to be used for any lawful City purpose.

(d) **Administration of Refunding Plan.** The Refunding Trustee is authorized and directed to purchase the Acquired Obligations (or substitute obligations), if so directed by the Designated Representative, and to make the payments required to be made by the Refunding Plan from the Acquired Obligations (or substitute obligations) and money deposited with the Refunding Trustee pursuant to this ordinance. All Acquired Obligations (or substitute obligations) and the money deposited with the Refunding Trustee and any income therefrom shall be held irrevocably, invested and applied in accordance with the provisions of Ordinance No. 07-0286, this ordinance, chapter 39.53 RCW and other applicable statutes of the State of Washington and the Refunding Trust Agreement. All necessary and proper fees, compensation, and expenses of the Refunding Trustee for the Bond and all other costs incidental to the setting up of the escrow to accomplish the refunding of the Refunded Bonds and costs related to the issuance and delivery of the Bond, including Bond Counsel’s fees, and other related expenses, shall be paid out of the proceeds of the Bond.

(e) **Authorization for Refunding Trust Agreement.** In order to carry out the Refunding Plan provided for by this ordinance, the Assistant City Manager of Administrative Services/Finance Director is authorized and directed to execute and deliver to the Refunding
Trustee a Refunding Trust Agreement setting forth the duties, obligations and responsibilities of
the Refunding Trustee in connection with the payment, redemption, and retirement of the
Refunded Bonds as provided herein and stating that the provisions for payment of the fees,
compensation, and expenses of such Refunding Trustee set forth therein are satisfactory to it.
Prior to executing the Refunding Trust Agreement, the Assistant City Manager of Administrative
Services/Finance Director of the City is authorized to make such changes therein that do not
change the substance and purpose thereof or that assure that the escrow provided therein and the
Bond are in compliance with the requirements of federal law governing the exclusion of interest
on the Bond from gross income for federal income tax purposes.

Section 13. Call for Redemption of the Refunded Bonds. The City calls for
redemption on June 1, 2017, all of the Refunded Bonds at par plus accrued interest. Such call for
redemption shall be irrevocable after the delivery of the Bond to the Purchaser.

The proper City officials are authorized and directed to give or cause to be given such
notices as required, at the times and in the manner required, pursuant to Ordinance No. 07-0286
in order to effect the redemption prior to their maturity of the Refunded Bonds.

Section 14. Findings with Respect to Refunding. The City Council authorizes the
issuance of the Bond if it will achieve debt service savings to the City and is in the best interest
of the City and its ratepayers. In making such finding and determination, the City Council will
give consideration to the maturity of the Bond and the Refunded Bonds, the costs of issuance of
the Bond and the known earned income from the investment of the proceeds of the issuance and
sale of the Bond and other money of the City used in the Refunding Plan, if any, pending
payment and redemption of the Refunded Bonds.

The Designated Representative may purchase Acquired Obligations to be deposited with
the Refunding Trustee, together with the income therefrom, and with any necessary beginning
cash balance, which will be sufficient to redeem the Refunded Bonds and will discharge and
satisfy the obligations of the City under Ordinance No. 07-0286 with respect to the Refunded
Bonds, and the pledges, charges, trusts, covenants, and agreements of the City therein made or
provided for as to the Refunded Bonds, and that the Refunded Bonds shall no longer be deemed
to be outstanding under such ordinance immediately upon the deposit of such money with the
Refunding Trustee.

Section 15. Tax Covenants; Designation of the Bond as a “Qualified Tax Exempt
Obligation.”

(a) Preservation of Tax Exemption for Interest on the Bond. The City covenants that
it will take all actions necessary to prevent interest on the Bond from being included in gross
income for federal income tax purposes, and it will neither take any action nor make or permit
any use of proceeds of the Bond or other funds of the City treated as proceeds of the Bond that
will cause interest on the Bond to be included in gross income for federal income tax purposes.
The City also covenants that it will, to the extent the arbitrage rebate requirements of Section 148
of the Code are applicable to the Bond, take all actions necessary to comply (or to be treated as
having complied) with those requirements in connection with the Bond.
(b) **Post-Issuance Compliance.** The Assistant City Manager of Administrative Services/Finance Director is authorized and directed to review and update the City’s written procedures to facilitate compliance by the City with the covenants in this ordinance and the applicable requirements of the Code that must be satisfied after the Issue Date to prevent interest on the Bond from being included in gross income for federal tax purposes.

(c) **Designation of the Bond as a “Qualified Tax-Exempt Obligation.”** The City hereby designates the Bond as a “qualified tax-exempt obligation” for the purposes of Section 265(b)(3) of the Code, and makes the following findings and determinations:

1. the Bond does not constitute a “private activity bond” within the meaning of Section 141 of the Code;

2. the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds and other obligations not required to be included in such calculation) that the City and any entity subordinate to the City (including any entity that the City controls, that derives its authority to issue tax-exempt obligations from the City, or that issues tax-exempt obligations on behalf of the City) will issue during the calendar year in which the Bond is issued will not exceed $10,000,000; and

3. the amount of tax-exempt obligations, including the Bond, designated by the City as “qualified tax-exempt obligations” for the purposes of Section 265(b)(3) of the Code during the calendar year in which the Series is issued does not exceed $10,000,000.

**Section 16. Sale of the Bond.**

(a) **Manner of Sale of the Bond; Delivery of the Bond.** The Designated Representative is authorized to sell the Bond by private placement, based on the assessment of the Designated Representative of market conditions, in consultation with appropriate City officials and staff, Bond Counsel and other advisors. In determining the method of sale of the Bond and accepting the Final Terms, the Designated Representative shall take into account those factors that, in the judgment of the Designated Representative, may be expected to result in the lowest true interest cost to the City.

(b) **Procedure for Private Placement.** The Designated Representative shall select the Purchaser with which to negotiate such sale. A Pricing Certificate shall set forth the Final Terms of the Bond. The Designated Representative is authorized to execute the Pricing Certificate on behalf of the City, so long as the terms provided therein are consistent with the terms of this ordinance.

(c) **Preparation, Execution and Delivery of the Bond.** The Bond will be prepared at City expense and will be delivered to the Purchaser.
Section 17. Reporting Requirements. With respect to the Bond, the City is exempt from the official statement and ongoing disclosure requirements of the Securities and Exchange Commission Rule 15c2-12 under the Securities Exchange Act of 1934.

While the Bond is outstanding, the City shall submit its (a) audited financial reports within 30 days of receipt of such report from the State Auditor and (b) annual budget within 30 days of approval of the final budget, to the Purchaser along with such additional information as the Purchaser may reasonably request from time to time.

Section 18. Supplemental and Amendatory Ordinances. The City may supplement or amend this ordinance for any one or more of the following purposes without the consent of the owner of the Bond:

(a) To add covenants and agreements that do not materially adversely affect the interests of the owner, or to surrender any right or power reserved to or conferred upon the City.

(b) To cure any ambiguities, or to cure, correct or supplement any defective provision contained in this ordinance in a manner that does not materially adversely affect the interest of the owner of the Bond.

Section 19. General Authorization and Ratification. The Mayor, Assistant City Manager of Administrative Services/Finance Director, City Clerk and other appropriate officers of the City are severally authorized to take such actions and to execute such documents as in their judgment may be necessary or desirable to carry out the transactions contemplated in connection with this ordinance, and to do everything necessary for the prompt delivery of the Bond to the Purchaser thereof and for the proper application, use and investment of the proceeds of the Bond. All actions taken prior to the effective date of this ordinance in furtherance of the purposes described in this ordinance and not inconsistent with the terms of this ordinance are ratified and confirmed in all respects.

Section 20. Severability. The provisions of this ordinance are declared to be separate and severable. If a court of competent jurisdiction, all appeals having been exhausted or all appeal periods having run, finds any provision of this ordinance to be invalid or unenforceable as to any person or circumstance, such offending provision shall, if feasible, be deemed to be modified to be within the limits of enforceability or validity. However, if the offending provision cannot be so modified, it shall be null and void with respect to the particular person or circumstance, and all other provisions of this ordinance in all other respects, and the offending provision with respect to all other persons and all other circumstances, shall remain valid and enforceable.

Section 21. Effective Date of Ordinance. This ordinance shall take effect and be in force from and after its passage and five days following its publication as required by law.
