WHEREAS, on November 26, 2013 the city Council adopted Ordinance No. 13-0408 establishing a Transportation Benefit District pursuant to Chapter 36.73 RCW for the improvement, preservation, and maintenance of the City’s transportation infrastructure, to protect the City’s long-term improvements in that infrastructure, to reduce the risk of transportation facility failure, to improve safety, to continue optimal performance of the infrastructure over time and to avoid more expensive infrastructure replacements in the future, (“Edgewood Transportation Benefit District” or “the ETBD”); and

WHEREAS, the boundaries of the ETBD are coterminous with the boundaries of the City of Edgewood; and

WHEREAS, the City Council believes that the public interest and welfare will be satisfied by the City assuming the rights, powers, immunities, functions, and obligations of the ETBD and that the City will enjoy a reduction of cost by ceasing to operate the ETBD as a separate entity, hereby declares its intent to do the same; and

WHEREAS, SESSB 5987 requires that the City Council declare its intent to and subsequently hold a public hearing to consider the proposed assumption of the rights, powers, immunities, functions, and obligations of the ETBD;
