RESOLUTION NO. 16-0344

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EDGECOMO, WASHINGTON, DECLARING AS SURPLUS TO THE CITY’S NEEDS A KUBOTA EXCAVATOR PREVIOUSLY ACQUIRED AND USED BY THE CITY SURFACE WATER UTILITY FUND; AUTHORIZING ITS DISPOSITION; AND USE AS A TRADE-IN/SALE FOR THE PURCHASE OF IT’S REPLACEMENT SKID STEER.

WHEREAS, several years ago the City of Edgewood acquired a Kubota Excavator for the purpose of maintaining surface water drainage ditches and vegetation management; and

WHEREAS, after several years of use by the City, said Excavator has proven to be less than optimal for overall ditch and vegetation management and has been scheduled in the 2016 Budget for replacement by a Skid Steer; and

WHEREAS, as part of the purchase transaction for the new Skid Steer, the City has negotiated a $38,000 credit for trading in the Excavator with Washington Tractor/John Deere. Reviews of like kind used equipment prices show this price to be on the upper end of used equipment asking prices. Pursuant to RCW 35.94.040, the City Clerk has published a call to public hearing advertising the City’s intent to surplus and sell the Excavator; and

WHEREAS, the City Council desires to declare the Kubota Excavator surplus, to formally authorize its disposition, and to ratify and confirm the City’s action in trading in this item as part of the purchase transaction for 2016 budgeted purchase of a Skid Steer;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EDGECOMO, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:
