2. Fife Sewer ILA item removed from Agenda

3. Pierce Transit Reduction of Service
   City of Fife Deputy Mayor Glen Hull representative for the cities of Edgewood, Fife and Milton on the Pierce Transit Board, briefed Council on the proposed reduction of service by Pierce Transit. The City of Fife is proposing an alternative circulator route concept in an attempt to reduce costs and eliminate redundancies in service while still providing critical public transportation services to the communities of Edgewood, Fife and Milton. Representative Hull noted the importance of the three cities standing together and providing input during the public comment period. He also provided Council with a draft Resolution for their consideration.

   City Manager Bauer noted the draft Resolution would be brought back for Council consideration at the next Regular Council meeting.

   Council discussed the item.

4. Urban Forestry Grant
Assistant City Manager Phillips briefed Council on the proposed Department of Natural Resources (DNR) Urban Forestry Grant. He noted the program will provide Washington Conservation Corps (WCC) and Puget Sound Corps crews to assist the City in the removal of non-native invasive species near the edges of the forested area at Nelson Nature Park. He noted the City will be required to develop and implement a three-year maintenance plan for the project site that includes annual monitoring. He further noted the work would take place during the month of August.

5. Improvements at Edgemont Park
City Manager introduced the item noting the improvements staff is proposing to Edgemont Park.

Public Works Director briefed Council on the improvements to Edgemont Park which include restoration of the park shelter, restroom, and repair and or replacement of the electrical panel and lighting system, surface cleaning and re-application of new surface treatment for the basketball court.

Council discussed the item.

6. Jovita Boulevard Realignment Signage
City Manager Bauer briefed Council on the item noting Council had requested staff provide the Signing Plan for the Jovita Boulevard and Emerald Street round-about that was installed during the Jovita Boulevard Realignment project.

Council discussed the item.
