Medicare Insurance Made Simple...

As you may know Medicare is not a “one size fits all” program. There are various choices, and important differences within those choices. To determine which plan best suits your needs, it is best to speak with a professional that specializes in this arena so that it does not become overwhelming. On November 18 at 10:30 Nick Cassella of Medicare CT will be here to update you on the changes that are happening with Medicare and how this may affect your current plan. Most importantly, if you are a Gray Card Holder or receive Extra Help there are several new benefits that will enhance your health care and lifestyle.

Prior to our presentation, here are some of the very important questions that you should be asking and getting straight answers on:

- Is your preference to keep with original Medicare Part A and Part B?
  - If so, which of the eleven standardized Medigap Plans are right for you?

- Which Part D (Prescription) Plan should you choose?

- Would a Medicare Advantage Plan work best for you since it is all inclusive and less expensive?

- What kind of Medicare Advantage Plan an HMO or a PPO?
  - Which option offers freedom of choice with doctors and hospitals?

In addition you should ask yourself these questions:

1. Are my doctors in the plan?

2. If I need any of these services how much will I have to pay out of pocket?
   - Hospital
   - Skilled nursing facility for rehabilitation
   - Home care
   - Emergency room

3. If I get sick, and need to use expensive health services, will I pay more than I will save with a low premium plan?

If you are choosing a Medicare Drug Plan ask yourself:

1. Are my medicines on the plan drug list (formulary)?

2. How much will I pay out of pocket for my medicine?

The Medicare Annual Enrollment Period ends December 7, 2014. If you are currently enrolled in Medicare or approaching age 65 you will benefit from this program. Don’t miss your opportunity to make the right decision for you. Seating is limited please sign up in the office to ensure that you have a seat for this important and most of all informative presentation.
