North Haven Senior Center Café

Our Center hosts a daily lunch program titled "North Haven Senior Center Café" which offers a daily lunch to all North Haven adults age 60 plus years of age. While there is not a fee for this program, a suggested modest donation of $3 is greatly appreciated. Donations collected go directly back into the lunch program and reduce the cost for supplies. Without monetary support, the cost is $6 a person.

Another piece of information that you may not know is the lunch program is formally called the Title III Elderly Nutrition Program. This program, funded through our federal government via the Older Americans Act, is designed to address problems of food insecurity, promote socialization, and promote the health and well-being of older persons through nutrition and nutrition-related services.

An obligatory requirement for all lunch participants upon reserving a meal is to complete a Form 5 – Consumer Registration Form. Forms are updated once a year and reports are used as a tool to measure the need for a nutrition program at our Center. New members and existing members in the lunch program will be required to complete the Form 5 because it is a federally subsidized program.

Lunch reservations must be made daily, between the hours of 9 -11:00 a.m. with our Café manager by phone, 203-239-4030 or in person. When calling by phone please do not leave a message, as it will not be honoured. Confirmation of a lunch for the next day is only confirmed once you speak with the Café’ manager or kitchen volunteer, and not the Senior Center staff. Bear in mind, food is not prepared on site and meals are prepared by an outside caterer/vendor. Without a reservation you will not be included in the count for the next day. As with any Café that requires reservations, if you did not make a reservation you will be turned away. Only those with prior reservations will be served.

- If the Center is closed on a Friday and you would like lunch for the upcoming Monday, make your reservation on Thursday morning.

- Because the lunch program is subsidized, the Center is penalized for wasted meals. To ensure that there are no wasted meals, no additional meals are ordered without a reservation. “No-shows” for lunch count as wasted meals.
