North Haven Senior Center Walking Group-
Walking is one of the simplest, safest and most effective ways to get regular exercise. When done briskly on a regular basis, walking can reduce blood pressure, increase the efficiency of the heart and lungs, boost bone strength, and help burn excess calories. In fact, walking briskly for one mile in 15 minutes burns about the same number of calories as jogging an equal distance in 8.5 minutes. And walking an extra 20 minutes each day will burn off 7 pounds of body fat per year. With each step you take, you will be helping to prevent chronic health conditions. In that walking is one of the easiest forms of exercise and the Town of North Haven has one of the best walking tracks in the area, the Center will be forming a walking group. If you are interested in joining the walking group please join us for a meeting at the Center on May 15th at 4pm. While you may already walk on your own, walking with others may enhance safety, socialization, accountability, friendship, and above all may keep you motivated.

Above all walking is the greatest thing ever and free!

Today, an American develops Alzheimer's disease every 68 seconds. In 2050, an American will develop the disease every 33 seconds. In CT alone nearly 70,000 people age 65 and older have Alzheimer’s. In that Alzheimer’s has no cure and is the sixth leading cause of death in the United States I invite all members, family, friends, and staff to join in the 2013 Alzheimer’s Walk to be held on September 29 at Lighthouse Point in New Haven. This year our Center has joined with the Hamden Senior Center and formed a team titled the “Q-Striders”. With the hope that we will recruit several walkers, transportation will be provided. So mark your calendars and remember: Alzheimer’s has no current cure but treatments for symptoms are available and research continues with support from fundraisers and support from the Q-Striders!

Happy Mother’s Day to All!

"M" is for the million things she gave me,  
"O" means only that she's growing old,  
"T" is for the tears she shed to save me,  
"H" is for her heart of purest gold;  
"E" is for her eyes, with love-light shining,  
"R" means right, and right she'll always be,
