Learn about . . . .

**Successful Aging and the Treatment of Hearing Loss** – Thursday, September 13, 1:00 p.m. 
Sponsored by Beltone. Successful aging is most clearly reflected as independence. This program shares the facts on how hearing is far more than a lifestyle option. Studies over the past ten years confirm that hearing care is essential in supporting general health. Topics include dementia & other risks, sensory deprivation, signs of hearing loss, myths vs. facts, and essential hearing management. Please register with the office by September 11 by calling 203-239-5432 or stop by.

**Home Safety** – Tuesday, September 18, 10:45 a.m.
Over 1/3 of all seniors, averaging over 12 million people, suffer serious falls each year, leading to over 5,000 avoidable fatalities. The presentation will cover general home safety, how to prevent slips and falls in the home, kitchen safety, bathroom safety and proper use of carbon monoxide and fire detectors. A home safety checklist and a helpful resource list will be provided. Please register with the office by September 12th by calling 203-239-5432 or stop by.

**Senior Immunizations: Flu & Shingles** – Wednesday, September 19, 10:45 – Sponsored by VNA Community Healthcare. Come on in and learn about what the CDC recommends as the “universal flu vaccine” for everyone over the age of 6 months. This informative session will teach about the flu, discuss this year’s flu season and dispel myths and concerns about the vaccine. They will also talk about how Shingles can be a painful condition that frequently occurs in persons over age 60. Find out if you are at risk, the latest on the shingles vaccine, how to recognize symptoms and how to talk to your doctor about pain management. Please register with the office by September 17th by calling 203-239-5432 or stop by.

**Judy’s Corner . . . .**

It’s hard to believe summer is almost over and autumn is upon us. Children are back in school, leaves are beginning to drop, and the days are growing shorter. With the seasonal transformation there are changes at the Center as well. A variety of new classes and events have been planned. With this I hope you will venture out and engage yourself in the new activities have been designed to meet your needs.

Instead of skimming through the Newsletter I suggest you take time to read it thoroughly to see what is in store for you. While there are new and exciting choices, we continue to hold our traditional programs.

A favorite for all is the Annual Red Hat Picnic served by the Town of North Haven Department Heads, to be held this year on September 12th. This event is open to all members, Red Hatters and Non Red Hatters alike. In the past the department heads cooked for you but this year Zandri’s will be catering and food will be served by the department heads.

For a special autumn treat our Senior Songsters have been practicing all summer and will bring you Budrow’s Broadway Theatre on September 25th. Along with this spectacular show there will be a special luncheon. *Seating is limited.* Don’t be left out - purchase your tickets early!
