Daily Transportation
Transportation is available for eligible residents who do not drive their own vehicles, or who cannot access a public transportation system to reach their desired destination. Those who do drive their own vehicles may use the system on a temporary basis if their vehicle is in for repairs or if they are experiencing a temporary disabling condition that prevents them from driving on their own. Service is curb to curb. Standing rides to the Center can be arranged for your convenience. Daily reservations are required by 12 noon of the preceding workday by contacting the Center 203-239-5432.

Scheduled and Mini Trips
For errand, grocery, grooming, and mini trips all riders must be on time and ready for pick up beginning at 9:00 a.m. You must advise the driver if you are making other arrangements for your return trip. If you are not at your designated pick up point when driver arrives, there will be a ten-minute wait time. If you miss the bus it is your responsibility to obtain transportation home. Due to schedule restrictions under no circumstances will the driver return at a later time to pick you up on that day. If you drive on your own and would like to join us on mini trips, you must drive to the Center by 9:30 a.m. to participate in the trip, the driver will not pick you up at your home.

Tuesdays:
➢ Hairdressers, Barbers and Nail Salons

Wednesdays: (time frame for errands will be up to an hour for a single stop from time of drop off)
➢ Errands to include – pharmacies, bank, post office, card shop

Thursdays: (time frame for mini trips will be an hour and half from time of drop off)
➢ Mini Trips:
  ➢ Thursday, August 13: Universal Drive
  ➢ Thursday, August 20: Wallingford Walmart

Fridays: (time frame for grocery shopping will be an hour and half from time of drop off)
➢ Grocery Shopping

Please Note: A staff member will contact you the day before to inform you of your pick up time when you have a scheduled medical appointment for the following day.

Medical Transportation
Only one medical ride may be scheduled per day. All reservations are on a first-come, first-served basis. Reservations can be made as early as three months prior to the medical appointment.

Every effort will be made to accommodate an individual’s appointment. However, an alternative time and transportation service may be suggested in order to better serve all requests. Pick up times are approximate. Please be patient as traffic and number of riders may impact your pickup. Non-Emergency Medical appointments include transportation to North Haven, Hamden and on a very limited basis to New Haven.

Passengers are to have the following information ready when calling for a medical reservation: name, address, telephone number of doctor’s office; date and time of appointment; name of any other person who rider will be traveling with to doctor’s office.

Please make note: there will be no medical transportation on the following days – September 7; October 12; November 11 and 26 and December 25. The Town is closed on these days as well as the Center.

Please note: All scheduled Grocery Shopping, Hairdressers, Errands and Mini Trips begin pickups at 9:00 a.m. Reservations for mini trips begin on the first day of the month. If scheduled trips are canceled for any reason, there will not be a make-up day during that week for transportation.

Activity dates, transportation and times are subject to change.

**Senior Center Outreach**

I am inviting all interested residents who would like to participate in our outreach to support families who reside at the Ronald McDonald House. The Ronald McDonald House of Connecticut is a "home away from home" for families of children who are being treated at nearby hospitals and other healthcare facilities.

Over the past three years the Center has supported the efforts of this wonderful home away from home. Our past projects have brought joy knowing we helped sick children and their families.

This year we will be making table runners that will be for sale at the annual Trees of Hope fundraiser. **You do not have to be crafty nor is this for women only.** What is needed is a few hours of your time to help cut fabric and if you would like to sew with a machine, that is needed as well. Please see the newsletter on page 5 for more information.
