**Daily, Medical, Errands, Grocery Shopping, Mini Trips**

**Daily Transportation**
Transportation is available for eligible residents who do not drive their own vehicles, or who cannot access a public transportation system to reach their desired destination. Those who do drive their own vehicles may use the system on a temporary basis if their vehicle is in for repairs or if they are experiencing a temporary disabling condition that prevents them from driving on their own. Service is curb to curb. Standing rides to the Center can be arranged for your convenience. Daily reservations are required by 12 noon of the preceding workday by contacting the Center 203-239-5432.

**Medical Transportation**
Only one medical ride may be scheduled per day. All reservations are on a first-come, first-served basis. Reservations can be made as early as three months prior to the medical appointment.

Every effort will be made to accommodate an individual’s appointment. However, an alternative time and transportation service may be suggested in order to better serve all requests. **Pickup times are approximate.** Please be patient as traffic and number of riders may impact your pickup. Non-Emergency Medical appointments include transportation to North Haven, Hamden and **on a very limited basis** to New Haven.

Passengers are to have the following information ready when calling for a medical reservation: name, address, telephone number of doctor’s office; date and time of appointment; name of any other person who rider will be traveling with to doctor’s office.

Please make note: there will be **no medical transportation** on the following days –October 12; November 11 and 26 and December 4 and 25. The Town is closed on these days as well as the Center.

**Activity dates, transportation and times are subject to change.**

**Scheduled and Mini Trips**
For errand, grocery, grooming, and mini trips all riders must be on time and ready for pick up beginning at 9:00 a.m. You must advise the driver if you are making other arrangements for your return trip. If you are not at your designated pick up point when driver arrives, there will be a ten-minute wait time. If you miss the bus it is your responsibility to obtain transportation home. Due to schedule restrictions under no circumstances will the driver return at a later time to pick you up on that day. Congratulations to our Bocce Players for coming home with the Trophy beating Wallingford. The trophy continues to stay with our North Haven Seniors! **OH NO ITS FLU SEASON AGAIN!!!**

Did you know every year research is done to determine which flu viruses are expected to be most prevalent and the top three or four strains are chosen for the vaccine? It usually takes about two-three weeks after your injection for your body to finish building immunity. This immunity lasts about six to eight months. Flu season in the U.S. often peaks in January/February; with flu activity occurring as late as May. Studies have proven getting a flu shot is the first and best defense you can take to prevent getting the flu. To ensure that we all stay healthy and active this year the VNA Community Healthcare will hold a Flu Clinic at the Center on Tuesday October 27 from 11am-12:30 p.m.

The following insurances are accepted:

For those over 65 years of age:
- Medicare Part B
- Connecticare VIP
- Aetna
- Anthem Medicare

If you have a family member that is interested in the vaccination and are 18 years and older the following insurances are accepted:
- Aetna
- Anthem BC/BS
- Connecticare
