To each petition paper there shall be attached a sworn affidavit by the circulator thereof, stating the number of signatures thereof and that each signature thereon is the genuine signature of the person whose name it purports to be, and that it was made in the presence of the affiant. Such petition shall be filed with the Clerk who shall, within fifteen (15) days, canvass the signatures thereof. If the petition does not contain a sufficient number of signatures of registered electors of the City, the Clerk shall notify forthwith by registered mail the person filing such petition and fifteen (15) days from such notification shall be allowed for the filing of supplemental petition papers. The presentation to the Council by the Clerk of a valid and sufficient referendary petition shall automatically suspend the operation of the ordinance in question pending repeal by the Council or final determination by the electors; but there shall be no such suspension if the ordinance has been in force more than six (6) months.

An ordinance adopted by the electorate through initiatory proceedings may not be amended or repealed for a period of six (6) months after the date of the election at which it was adopted, and an ordinance repealed by the electorate may not be reenacted for a period of six (6) months after the date of the election at which it was repealed; provided, however, that an ordinance may be adopted, amended or repealed at any time by appropriate referendum or initiatory procedure in accordance with the foregoing provisions of this Chapter or if submitted to the electorate by the Council on its own motion.

TAX ROLL CERTIFIED FOR COLLECTION:

Section 9.13. After spreading the taxes the Assessor shall certify the Tax Roll, and the Mayor shall annex his warrant thereto directing and requiring the Treasurer to collect, prior to March First of the following year, from the several persons named in said Roll the several sums mentioned therein opposite their respective names as a tax or assessment and granting to the Treasurer, for the purpose of collecting the taxes, assessments and charges on such Roll, all the statutory powers and immunities possessed by township treasurers for the collection of taxes. On or before June First the Roll shall be delivered to the Treasurer for collection.

TAX LIEN ON PROPERTY:

Section 9.14. On July First the taxes thus assessed shall become a debt due to the City from the persons to whom they are assessed, and the amounts assessed on any interest in real property shall become a lien upon such real property, for such amounts and for all interest and charges thereon, and all personal taxes shall become a first lien on all personal property of such persons so assessed. Such liens shall take precedence over all other claims, encumbrances and liens to the extent provided by statute and shall continue until such taxes, interest and charges are paid.

TAXES DUE: NOTIFICATION THEREOF:

Section 9.15. City taxes shall be due on July First of each year. The Treasurer shall not be required to call upon the persons named in the City Tax Roll, nor to make personal demand for the payment of taxes, but the Treasurer shall: (A) publish, between June Fifteenth and July First, notice of the time when said taxes will be due for collection and the penalties and fees for late payment of same and (B) mail a bill to each person named in said Roll, or as the person directs, but in cases of multiple ownership of property only one (1) bill need be mailed.

Failure on the part of the Treasurer to publish said notice or mail such bills shall not invalidate the taxes on said Tax Roll nor release the person or property assessed from the penalties and fees provided in this Chapter in case of late payment or non-payment of the same.

INTEREST ON LATE PAYMENT OF TAXES:

Section 9.16. All taxes paid on or before the Thirty-First day of August shall be collected by the Treasurer without additional charge. On September First the Treasurer shall add to all taxes paid thereafter four percent (4%) of the amount of said taxes and on the first day of October and of each succeeding month he shall add an amount equal to the highest penalty permissible by State law. Such penalty shall belong to the City and constitute a charge and shall be a lien against the property to which the taxes themselves apply, collectible in the same manner as the taxes to which they are added. It is provided, however, that if delivery of the Tax Roll to the Treasurer, as provided in Section 9.13, is delayed for any reason by more than thirty (30) days after June First, the application of the
penalty charge provided herein shall be postponed for the first thirty (30) days of such delay and shall be postponed an additional thirty (30) days for each additional thirty (30) days, or major fraction thereof, of such delay.

FAILURE OR REFUSAL TO PAY PERSONAL PROPERTY TAX:

Section 9.17. If any person, firm or corporation shall neglect or refuse to pay any personal property tax assessed to such person, firm or corporation, the Treasurer, under State jurisdiction and under provisions of State law, shall collect the same by seizing the personal property of such person, firm or corporation to an amount sufficient to pay such tax, fees and charges for subsequent sale, wherever the same may be found in the State, and from which seizure no property shall be exempt. The Treasurer may sell the property seized to an amount sufficient to pay the taxes and all charges in accordance with statutory provisions. The Treasurer may, if otherwise unable to collect a tax on personal property, sue in accordance with statute, the person, firm or corporation to whom it is assessed.

DE delinquent Tax Roll to County Treasurer:

Section 9.18. All City taxes on real property remaining uncollected by the Treasurer on the first day of March following the date when said Roll was received by the Treasurer shall be returned to the County Treasurer in the manner and with like effect as provided by statute for returns by township treasurers of township, school and County taxes. Such returns shall include all the additional assessments, charges and fees hereinbefore provided, which shall be added to the amount assessed in said Tax Roll against each property or person. The taxes thus returned to the County Treasurer are collected, in accordance with statute, and shall be and remain a lien upon the property against which they are assessed until paid. If by change in statute or otherwise the Treasurer of the County of Oakland is no longer charged with the collection of the delinquent real property taxes, such delinquent taxes shall be collected in the manner then provided by statutes for the collection of delinquent township, school and County taxes.

STATE, COUNTY AND SCHOOL TAXES:

Section 9.19. For the purpose of spreading and collecting taxes for State, County and school purposes, the City shall be considered the same as a township, and all provisions of statute relative to the collection of and accounting for such taxes shall apply. For these purposes the Treasurer shall perform the same duties as township treasurers under statute.
CHAPTER 10

GRANT OF AUTHORITY TO BORROW:

Section 10.1. Subject to the applicable provisions of law and this Charter, the Council may by ordinance or resolution authorize the borrowing of money for any purpose within the scope of powers vested in the City and permitted by law and may authorize the issuance of bonds, or other evidences of indebtedness therefor. Such bonds or other evidence of indebtedness shall include, but not be limited to, the following types:

(A) General obligation bonds which pledge the full faith, credit and resources of the City for the payment of such obligations; when authorized by a majority vote of those electors voting thereon at any General or Special Election;

10.1 (B) (tax anticipation notes), 10.1 (D) (special assessment bonds even though they are also a general obligation of the City), 10.1 (F) (revenue bonds) and any other obligations excluded by statute or Constitution from such limitation.
CHAPTER 10 - Continued

The amount of emergency loans which may be made under the provisions of Section 10.1 (C) may not exceed the maximum amount permitted by statute, and such a loan may be made even if it causes the indebtedness of the City to exceed the limit of net bonded indebtedness fixed in this Charter.

The total amount of such special assessment bonds issued under Section 10.1 (D) which are a general obligation of the City shall at no time by reason of future issues other than issues of refunding bonds exceed the maximum amount permitted by statute, nor shall such bonds be issued in any calendar year in excess of the maximum amount so permitted to be issued by statute unless authorized by a majority vote of the electors in the manner required by statute.

APPLICABILITY OF OTHER STATUTORY RESTRICTIONS:

The issuance of any bonds not otherwise requiring the approval of the electors shall be subject to applicable requirements of any statute with reference to public notice in advance of the authorization of such issues, filing of petitions for a referendum on such issuance, holding of such referendum and other applicable procedural requirements.

PREPARATION AND RECORD OF BONDS:

Section 10.4. Each bond or other evidence of indebtedness shall contain on its face a statement specifying the purpose for which the same is issued and it shall be unlawful for any officer of the City to use the proceeds thereof for any other purpose, and any officer who shall violate this provision shall be deemed guilty of misconduct in office, except that whenever the proceeds of any bond issue or part thereof shall remain unexpended and unencumbered for the purpose for which said bond issue was made, the Council may authorize the use of said funds for the retirement of bonds of such issue. All bonds and other evidences of indebtedness issued by the City shall be signed by the Mayor and countersigned by the Clerk, under the Seal of the City. Interest coupons may be executed with the facsimile signature of the Mayor and Clerk. A complete and detailed record of all bonds and other evidences of indebtedness issued by the City shall be kept by the City Clerk. No unissued bonds of the City shall be issued or sold to secure funds for any purpose other than that for which they were specifically authorized, and if any such bonds are not sold within five (5) years after authorization, said authorization shall, to such bonds, be null and void, and such bonds shall be cancelled.
DEFERRED PAYMENT CONTRACTS:

Section 10.6. The City may enter into any contract or agreement, by ordinance, for the purchase of lands, property or equipment for public purposes, to be paid for in installments over a period of not to exceed fifteen (15) years, but in any case not to exceed the useful life of the property acquired. The outstanding balance of all such purchases shall not exceed the sum of one percent (1%) of the equalized assessed value of real and personal property in any fiscal year of the City. All such deferred payments shall be included in the Budget for the year in which the installment is payable. Deferred payment contracts need not be entered into by ordinance for amounts less than ten thousand dollars ($10,000.00).
CHAPTER 11
SPECIAL ASSESSMENTS

GENERAL POWER RELATIVE TO SPECIAL ASSESSMENTS:

Section 11.1. The Council shall have the power to determine by resolution, with or without petition, that the whole or any part of the expense of any public improvement be defrayed by special assessment upon the property especially benefited in proportion to the benefits derived or to be derived.

DETAILED PROCEDURE TO BE FIXED BY ORDINANCE:

Section 11.2. Except for the assessments set forth in Section 11.7, the Council shall prescribe by ordinance the complete special assessment procedure governing the initiation of projects, preparation of plans and cost estimates, creation of districts, making and confirming of assessment rolls, correction of errors in the rolls, collection of assessments and any other matters concerning the making of improvements by the special assessment method.

Such ordinance shall be subject to the following provisions:

(A) No resolution finally determining to proceed with establishing any special assessment district for the making of any public improvement shall be enacted until cost estimates have been prepared and a public hearing has been held on the advisability of so proceeding, which hearing shall be held not less than ten (10) days after notice thereof has been published and sent by first class mail to all property owners in the proposed district or, if the assessment is to be financed in part by the City, to all property owners in the City as shown by the current assessment roll.

(B) No special assessment roll shall be finally confirmed until after a meeting of the Council has been held for the purpose of reviewing such roll, which meeting shall be held not less than ten (10) days after notice thereof has been published and sent by first class mail to all property owners in the proposed district or if the assessment is to be financed in part by the City, all property owners in the City as shown by the current assessment roll, nor shall such roll be finally confirmed if prior to such meeting written objection thereto has been filed by more than fifty percent (50%) of the number of owners of private real property to be assessed, nor shall such roll be finally confirmed, if such special assessment is to be financed in part by the City by City-portion bonds or otherwise, if prior to such meeting written objection has been filed by more than fifty percent (50%) of the number of owners of private real property in the City.

(C) No public improvement to be financed in whole or in part by special assessment shall be made before the confirmation of the special assessment roll for such improvement.
CHAPTER 11 - Continued

(D) No special assessment district or districts shall be created by the Council for any one public improvement which includes property having an area in excess of twenty-five percent (25%) of the total area of the City. No public improvement project shall be divided geographically for the purpose of circumventing this provision.

DISPOSITION OF EXCESSIVE SPECIAL ASSESSMENTS:

Section 11.3. The excess by which any special assessment proves larger than the actual cost of the improvement and expenses incidental thereto may be placed in the General Fund of the City if such excess is five percent (5%) or less of the assessment, but should the assessment prove larger than necessary by more than five percent (5%), the entire excess shall be refunded on a pro rata basis to the owners of the property assessed as shown by the current assessment roll of the City at the time such refund, if any, is payable. Such refund shall be made by credit against future unpaid installments to the extent such installments then exist and the balance of such refund shall be in cash. No refunds may be made which contravene the provisions of any outstanding evidence of indebtedness secured in whole or in part by such special assessment.

ADDITIONAL ASSESSMENT: CORRECTION OF INVALID SPECIAL ASSESSMENTS:

Section 11.4. Whenever any special assessment shall, in the opinion of the Council, be invalid by reason of irregularity or informality in the proceedings, or if any court of competent jurisdiction shall adjudge such assessment to be illegal, the Council shall, whether the improvement has been made or not, or whether any part of the assessments have been paid or not, have power to cause a new assessment to be made for the same purpose for which the former assessment was made. All proceedings on such reassessment and for the collection thereof shall be conducted in the same manner as provided for the original assessment, and whenever any sum or part thereof levied upon any property in the assessment so set aside has been paid and not refunded, the payment so made shall be applied upon the reassessment or if the payments exceed the amount of the reassessment, refunds shall be made.

No judgment or decree nor any act of the Council vacating a special assessment shall destroy or impair the lien of the City upon the premises assessed for such amount of the assessment as may be equitably charged against the same or as by regular mode of proceeding might have been lawfully assessed thereupon.

CONTESTED ASSESSMENTS:

Section 11.5. No suit or action of any kind shall be instituted or maintained for the purpose of contesting or enjoining the collection of any special assessment: (A) unless within thirty (30) days after the confirmation of the special assessment roll written notice is given to the Council of intention to file such suit or action, stating the grounds on which it is claimed such assessment is illegal and (B) unless such suit or action shall be commenced within sixty (60) days after confirmation of the roll.
SPECIAL ASSESSMENT ACCOUNTS:

Section 11.6. Except as otherwise provided in this Charter, monies raised by special assessment for any public improvement shall be credited to a special account and shall be used to pay for the costs of the improvement for which the assessment was levied and expenses incidental thereto or to repay any money borrowed therefor.

ASSESSMENT FOR REMOVAL OF HAZARDS ETC.

Section 11.7. The assessment for the cost of the abatement of any hazard or nuisance to be made pursuant to Section 2.2 (a) or Section 2.2 (p) shall be made by resolution of the Council. Notice of the time at which the Council will act thereon shall be given by first class mail to the owner of the property to be assessed as shown by the current tax roll of the City. For the purposes of collection of such assessment, the adoption of such resolution shall be equivalent to the confirmation of a special assessment roll. The amount of any such assessment shall become a debt to the City upon adoption of such resolution, and shall be due at such time as the Council shall prescribe. Every such assessment also shall be subject to Sections 11.3, 11.4 and 11.5.
(B) sealed bids shall be obtained except when the Council shall determine by five affirmative votes that no advantage to the City would result in obtaining sealed bids;

(A) the sale or purchase shall be approved by the Council; (B) sealed bids shall be obtained and (C) the requirements of Section 12.2 shall be complied with. No sale or purchase shall be divided for the purpose of circumventing the dollar value limitation contained in this Section. The Council may authorize the making of public improvements or the performance of any other City work by any City agency without competitive bidding.

Purchases shall be made from the lowest competent bidder meeting specifications unless the Council shall determine that the public interest will be better served by accepting a higher bid. Sales shall be made to the bidder whose bid is most advantageous to the City.

All purchases and sales shall be evidenced by written contract or purchase order.

The City may not sell, transfer or otherwise dispose of any real estate except by a majority vote of the electors voting thereon at a Regular or Special Election.

A copy of all contracts or agreements requiring such opinion shall be filed in the office of the Clerk together with a copy of the opinion.
CHAPTER 12 - Continued

Before any contract, agreement or purchase order obligating the City to pay an amount of one thousand dollars ($1,000.00) or more is executed, the accounting officer of the City shall first have certified that an appropriation has been made for the payment thereof, or that sufficient funds will be available if it be for a purpose being financed by the issuance of bonds or by special assessments or for some other purpose not chargeable to a Budget appropriation. In the case of a contract or agreement obligating the City for periodic payments in future fiscal years for the furnishing of a continuing service or the leasing of property, such certification need not cover those payments which will be due in future fiscal years. No contract or purchase order shall be subdivided for the purpose of circumventing the dollar value limitations contained in this Section.

No compensation shall be paid to any contractor except in accordance with the terms of the contract.

No contract shall be made with any person, firm or corporation in default to the City.

Any agreement or contract for the renting or leasing of public property to any person for a period longer than three (3) years shall be subject to the same referendum procedure as is provided in the case of ordinances passed by the Council, but any petition for such referendum must be filed within thirty (30) days after publication of the proceedings of the meeting of the Council at which such agreement or contract is authorized.

The transfer or assignment of any agreement or contract for such renting or leasing of public property may be made only upon approval of the Council, but approval of such transfer shall not be subject to referendum.
