Whereas, the County of Osceola (the “County”) and the County of Mecosta (each a “Constituent County”) have formed the Mecosta County & Osceola County Joint Consolidated Central Dispatch Authority by entering into the Agreement to Establish the Mecosta County & Osceola County Joint Consolidated Central Dispatch Authority [Mecosta Consolidated Central Dispatch Authority] (the “Agreement”) pursuant to Act 7, Public Acts of Michigan, 1967 (Ex. Sess.) (“Act 7”) (the “Authority”); and

Whereas, the Authority is governed by an administrative policy board created pursuant to the Agreement; and

Whereas, the Board of County Commissioners recognizes a need for continued cooperation between neighboring communities to provide 911 dispatch services and the need to purchase central dispatch equipment for this purpose; and

Whereas, the Authority desires to purchase central dispatch equipment to more efficiently provide central dispatch services to its Constituent Counties; and

Whereas, the Constituent Counties and the Authority have determined that it is necessary to borrow the funds necessary to purchase the central dispatch equipment; and

Whereas, the Constituent Counties and the Authority also deem it necessary that the Authority refinance the principal amount owing pursuant to the Equipment Lease Purchase Agreement between the Authority and Motorola Solutions, Inc., Lease Number 23980 (the “Lease Purchase”), which was issued to finance the central dispatch equipment specified therein; and

Whereas, the Authority has received an offer from Huntington Public Capital Corporation (“HPCC”) to loan the Authority the sum of $845,000 payable over ten years pursuant to an installment purchase agreement; and

Whereas, each Constituent County has the power and authority, in accordance with Act 156, Public Acts of Michigan, 1851, as amended (“Act 156”), to enter into an installment purchase agreement; and

Whereas, Act 7 provides that the Constituent Counties acting jointly may exercise any power they might each exercise separately, and

Whereas, the Central Dispatch Equipment Acquisition and Financing Contract (the “Contract”), which has been presented to the Board of County Commissioners approves the purchase of the central dispatch equipment and related equipment, authorizes the Constituent Counties acting jointly through the Authority to borrow money pursuant to Act 7 and Act 156 and pledges the County’s limited tax, full faith and credit to the payment of the County’s share of the cost thereof to the extent 911 surcharge revenues are insufficient.

Now Therefore, Be it Hereby Resolved as follows:

2. As provided in the Contract, the County hereby pledges its limited tax, full faith and credit contractual general obligation for the prompt payment of its obligation to the Authority and HPCC as provided in the Contract.

3. The County designates its portion of the obligations under the Contract as “qualified tax-exempt obligations” for purpose of the deduction of interest expense by financial institutions pursuant to Section 265 (b)(3) of the Internal Revenue code of 1986, as amended.

4. The officers of the County, or any one or more of them, are hereby authorized to do all acts and things to execute any documents or certificates as may be necessary or desirable, and to deliver such documents to the parties to effectuate the transaction described in the Contract.
