RESOLUTION 2019-0007
RESOLUTION TO EXPRESS OPPOSITION TO TERMINATION OF 
STTE CONTRACT WITH THE LAKESHORE REGIONAL ENTITY

Whereas, on June 28th the Michigan Department of Health and Human Services (MDHHS) notified the 
Lakeshore Regional Entity (LRE), its member Community Mental Health organizations, and the general public 
regarding its intent to terminate the specialty Prepaid Inpatient Health Plan contract with the LRE effective 
September 30, 2019; and

Whereas, this proposal, by the Michigan Department of Health and Human Services (MDHHS), causes a great 
deal of unnecessary chaos and conflict for the over 250,000 Medicaid recipients within the seven counties in 
Lakeshore Regional Entity; and

Whereas, this proposal eliminates local public governance of the public behavioral health system—one of the 
foundations of Michigan’s nationally recognized behavioral health system for the past 50 years—and replaces it 
with a state-appointed advisory group; and

Whereas, this proposal does not get to the root cause of the fiscal distress of Lakeshore Regional Entity nor of 
the other Prepaid Inpatient Health Plans (PIHP’s) facing such distress—ineffective funding over a sustained 
period. Without adequate funding, as required by the Michigan Mental Health code and Michigan’s Medicaid 
Plan, the Lakeshore system and others who have been underfunded—regardless of the greater involvement of 
the state in the operation of the local public system—will be unable to pay providers and provide behavioral 
healthcare services to persons entitled to such services; and

Whereas, a better plan could be achieved sooner, simpler, and more directly without eliminating the local public 
control of the public behavioral healthcare system in this region. This plan would include, MDHHS joining 
Lakeshore and Beacon Health Options a three-way contract co-managing the benefit in the region; and
Whereas, a three-way contract maintains the momentum already achieved by the Lakeshore/Beacon partnership; maintains the local public governance of the public behavioral health system; and prevents the unnecessary chaos that the MDHHS proposal would create; and

Now Therefore Be It Resolved, that the County of Osceola requests that the Michigan Department of Health and Human Services (MDHHS) do not terminate its contract with the Lakeshore Regional Entity, thereby ensuring respect for the law and the rich history of Michigan’s mental health system, which is clear in its intent to maintain a publicly governed mental health system.

Be It Further Resolved that copies of this resolution be provided to Governor Gretchen Whitmer, Senator Thomas Barrett, Representative Graham Filler, Michigan Department of Health and Human Services Director Robert Gordon, Behavior Health and Developmental Disabilities Administration Deputy Director Dr. George Mellos, and the Michigan Association of Counties.
