**New Business:**

a. **Crittenden Restroom**

All present were given an opportunity to express their thoughts on the Crittenden restroom.

It was recommended by Commissioner Belding and supported by commissioner Custer to repair the existing restroom and apply for a grant for a new building.

It was also decided that a new unisex restroom / building with showers separate from the restrooms, a chase in the center, exposed plumbing, on demand water heaters and pex plumbing would be the most economical.

It was recommended by Commissioner Belding and supported by commissioner Custer for Jim Custer to submit a cost estimated price and drawing for a new restroom / building at Crittenden Park for the next board meeting.

**Motion by Commissioner Custer, supported by Commissioner Belding to adjourn at 6 p.m. Motion carried unanimously.**

Respectfully submitted,

Char Dagen – Executive Secretary/Bookkeeper

Draft until approved at the next Osceola County Parks Commission meeting
