

Care Package Giveaway

The Portage Metropolitan Housing Authority (PMHA) is committed to doing everything we can to ensure the health and well-being of our residents during the COVID-19 pandemic. In order to assist our residents, we will be offering care packages to all of our housing programs participants in the Section 8 and Public Housing programs. The care packages contain hand sanitizer and a cloth facemask for each household member.

The distribution of these care packages will take place at the PMHA Office for all participants in the Section 8 program, as well as for Public Housing scattered site residents. For each Public Housing site and for Portage Landings residents, the distribution will take place at each of these properties. Please refer to the below schedule of events:
