Happy New Year!

We hope that you and your family have had a great Winter Break, and are now ready to start fresh next week with a new semester. In the new year we are sadly saying goodbye to Karin Tarpinian, who has been at the teen club since its opening. On the other hand we are happily welcoming our new assistant director, Kelsey Peace to the club! Come in anytime to meet her.

This month we will be having an awesome Teen Night Out to a Virtual Reality place in Northridge! Look out for upcoming information on it!
