B. Community Affairs: Council Member Coletti reported that three vendors have registered for the Community Yard Sale. Because of the low attendance, she asked Council if the City should cancel the yard sale. City Manager Peet reported there will not be a shredder available for the public but the electronic dumpsters are in place. It was the consensus of the Council to cancel the yard sale. The agenda moved to Item D, Finance.
C. **Economic Development/Downtown Development Authority (DDA):** Mechel McKinley thanked Council for the appointment of Jelani Linder to the DDA Board. She reminded everyone that the Farmer's Market opens tomorrow, April 19. Ms. McKinley reported on the events in town that support Georgia Cities Week. She reported two grand openings in the month of March and one commercial building was sold. Ms. McKinley asked if the building directory at the corner of Main and East Mountain be demolished. She reported that the sign makes the intersection non-ADA compliant. The gentlemen that have purchased the building have asked that it be removed. Topic included wrapping the box with artwork, the box itself being awkward; the request to remove it being a separate request and whether it is fiscally responsible to move it. Ms. McKinley asked Council if the DDA and Council might be able to split the cost 50/50 for police coverage for Tunes by the Tracks. Mr. Peet reported the cost if they split it would be $1,020. It was the consensus of Council to put the request on the next agenda as a budget amendment. The City currently has a resolution that does not allow for profit businesses to use the gazebo. There is a business in town, Snow Ball Café, interested in selling snow cones on the weekend. Mayor Wheeler asked that Ms. McKinley review the resolution.
