City of Tigard Seeks Applicants for Community Events and Social Services Grants

Are you a member of a registered nonprofit organization providing services to our community? Do you know of a community event in need of funding? Each year, Tigard sets aside a portion of the operating budget to assist agencies whose work aligns with the City Council's goals and the Strategic Plan.

Grant funding is determined during the annual budget process in the late spring. Once the council adopts a budget in June, the city will notify organizations if they are funded.

This year, the city is launching the Marland Henderson Community Grant, a program named after the former city councilor who served from 2008 to 2016. A portion of the proceeds from the newly implemented marijuana tax will fund this grant. Agencies that work with addictions, alcoholism and homelessness are encouraged to apply for this grant.

Applications can be found on our website at www.tigard-or.gov/finance. Completed applications must be returned to the City Finance Office no later than Feb. 8.

Submit your completed application to Liz Lutz, City of Tigard, 13125 SW Hall Blvd., Tigard, OR 97223. Applications may be sent online to lizbeth@tigard-or.gov.
