Re: FY 2019 Funding Request

Dear County Commissioners:

On behalf of the Robert C. Byrd Corridor H Highway Authority I kindly request that the Upshur County Commission consider making a financial contribution to the Corridor H Authority during FY 2019.

As you may recall, the annual appropriation given to the Corridor H Authority for our operations ceased during FY 2017 and has not been restored to date. This same cut was made to all of the highway authorities across the state. The ongoing state budget concerns were given as the reason for the cut in funding. Through the generous support of the counties along the Corridor H route, the Authority has continued doing the important work we are charged by code to do.

The authority has a lot of important work ahead of us, including, but not limited to the following:

- Continued advocacy for the prioritization and completion of Corridor H to state and federal officials
- Continued promotion of the use/importance of Corridor H to a variety of groups/organizations

The Corridor H Authority has been very successful over the past several years working with both the private and public sector to support the completion of Corridor H. However, without the proper funding, these efforts are much more difficult to continue. We are requesting a contribution of $5,000 from each county along Corridor H to support our goals and objectives during FY 2019.
We appreciate all of the support Upshur County has given the Corridor H Authority over the years. We know you share our desire to see this important piece of economic development infrastructure completed as quickly as possible. In order to achieve this goal it will take a team effort from everyone. I trust we can count on your support of the Corridor H Authority.

If you have any questions or need additional information, please do not hesitate to contact me.

Respectfully Submitted,

Dear Commissioners:

The following budget amount estimate is provided to assist you in your task of preparing a FY2019-2020 budget for the Statewide Computer Network, Account #408.

Upshur County $34,137

You should consult with your county assessor to determine if he or she plans a higher level than usual of data processing activity for the coming year. If a higher level of activity is anticipated, you should revise the above figure upward to account for that activity. Our staff can help you to determine an appropriate dollar amount for such a revision.

As always, you can be assured that the staff of our Property Tax Division will continue to do all in its power to ensure that costs concerning the administration of the network are held to a minimum. Our efforts during the upcoming fiscal year will be focused on ensuring that actual costs come under budget amounts as much as possible.

Should you have questions regarding this information, please feel free to contact Kris Pinkerman at 304-558-8507.

Upshur County Fire Board Meeting
December 18, 2018

Members Present: Joe Malcolm, Joe Gower, Clifton Shaw, and Terry Cutright
Members Absent: Linn Baxa, Tom O’Neill, and Larry Alkire
Others Present: Arthur Wilson-Guest and Toni Newman-Fire Fee Clerk

The Fire Board meeting was called to order by Joe Malcolm at 6:30 pm. All motions passed unanimously unless otherwise stated.

The meeting minutes from November 15, 2018, were reviewed. On motion by Terry Cutright, and second by Clifton Shaw, the Board approved the minutes.

The Fire Fee Clerk reported the 2018 Fire Fees are at 85 percent collected. Government Windows for online payment of Fire Fees is now up and running and we have collected 16 online payments since inception. There was no cost to the Fire Board for this service, all cost is deferred to the customer with 4% (or minimum of $1.50) being added at time of payment.

Per Legal Opinion, civil suits for nonpayment of Fire Fees are the responsibility of the County Commission, not the Fire Board, and follow-up by Writ of Execution is required. It was opined that larger amounts should be completed first.

The checking account balance as of 11/30/2018 was $129,875.38. The disbursement from the Chief Tax Deputy for the month of October was $7,180.00.

The following invoices were reviewed and approved upon motion Terry Cutright and second by Joe Gower:

- Software Systems---Invoice # 32200---Maintenance Charge November---$216.00
- Ferrari and Associates, PLLC---2018 Audit---Invoice # 0001050---$2,520.00

There being no further business the meeting adjourned at 7:00 p.m. The next meeting of the Board will be January 15, 2019.
