Buckhannon, WV 26201

To Whom It May Concern,

The City of Buckhannon, Buckhannon Volunteer Center (BVC), and WVWC WE LEAD Gender Equality Team have come together to hold a Feminine Hygiene Drive. During the week of March 11-15, these organizations will be collecting donations from members of the Upshur County community. Accepted donations include: tampons, pads, panty liners, and sanitary wipes. All donations will benefit the Upshur Cooperative Parish House, Buckhannon-Upshur Middle School, Buckhannon-Upshur High School, and Blessing Boxes throughout the city.

The Buckhannon Volunteer Center’s goal is to make connections and promote a positive community through kindness and volunteerism. We intend to partner with the WVWC WE LEAD Gender Equality team, which held a Feminine Hygiene Drive during March of 2018. Collectively, the group collected 225 items from the WVWC community. This year, the Buckhannon Volunteer Center wanted to get involved, so we have partnered to reach more of the Buckhannon community.

As a valuable part of our community, we would like to have a donation box located in the Courthouse Annex Foyer. Currently, our drop off locations include: WVWC Center for Community Engagement, Buckhannon City Hall, and Kroger Grocery Store. The Courthouse is a central location that would be easy for community members to access when donating supplies. The BVC and WVWC Gender Equality Team would appreciate your support!

If you have any questions about getting involved, please contact bavolunteer@buckhannonwv.org, call the number below, or visit us at City Hall.

Yours Sincerely,

Dear President Nolte:

The Records Management and Preservation Board recently reviewed your county records grant application and approved a grant award of $10,737 to the Upshur County Commission to be used as follows:

**Assessor:** $5,737 for personnel costs to scan and index coal and railroad maps, personal property assessments, property review and transfer documents using the county’s records management system.

**Circuit Clerk:** $5,000 to digitize chancery and civil order books (1852-1992). It is the responsibility of the county and office holder to verify the digital images are exact duplicates of the original records and to provide copies of all images in JPEG or TIFF format to the State Archives. The images provided will not be retained beyond the life of the storage device.

On behalf of the Board, we ask that you respond within fifteen days from the date of this letter with your intent to pursue your records project. Please direct your written reply to me by postal mail or e-mail (joe.n.geiger@wv.gov). This is only an unofficial offer of funding and no activities relating to the grant should be undertaken based on this letter. The county must provide cash matching funds of at least ten percent for all grant expenditures. This grant would be for the fiscal year July 1, 2019-June 30, 2020.

The Records Management and Preservation Board’s grant program functions in accordance with Legislative Rule Title 100 Series 1 (100CSR1) and the grant information and application issued September 2018. RE: LEVY ESTIMATE (BUDGET) 2019-2020

In accordance with W. Va. Code § 11-8-10, as amended, each county commission is required to submit an estimate of revenues and expenditures to the State Auditor for approval. We have posted on our web-site the official Levy Estimate-Budget Document prescribed by our office. The web-site location is: www.wvsao.gov.

We have continued to refine and improve our procedures, which will further automate the budget process. If this format is completed correctly, it will perform several checks and alert you of some potential errors or omissions. The instructions in the budget will give you more details concerning the format. We have also posted on our web-site step-by-step instructions for completing and filling out the forms. These procedures will also be covered in our “County Budget Workshops.”

If the entity uses the electronic format, the budget may be submitted to our office for approval via email. The budget must be submitted by the county clerk or his/her designated employee and so stated in the email. Submitting the budget via email will facilitate the approval process and allow us to respond to you more quickly. There is a certification statement and recap sheet included in the budget that must be completed, signed, and forwarded to our Clarksburg office by the county clerk.

Submitting the budget via email is only an option. The entity may continue to submit a hard copy of the approved budget to the Clarksburg office. However, we recommend that this file be completed and submitted to the WVSAO electronically via email. Please do not submit both electronically and by mail.
If incorrect and/or outdated forms are submitted to our office, your levy estimate-budget may be returned for correction and will not be considered received until the correct forms are submitted.

We have enclosed a “Sequence of Events” that will assist you in understanding and meeting the timeframes involved in the budget process.

The Property Valuation Training and Procedures Commission met on January 24, 2019, for the purpose of reviewing and subsequently approving the FY 2019-2020 assessor’s valuation fund budget for each of the 55 counties. Enclosed in this mailing are the percentages approved for funding the assessor’s valuation fund.

A manual titled “County Government Guideline to the Budget Process” has been prepared to assist counties in preparing their budgets. We have made them available to county officials that have attended our budget workshops. It is also available and can be downloaded from our website, [www.wvsao.gov](http://www.wvsao.gov).

PUBLICATION OF BUDGET DOCUMENT:

After County Commission adopts the Budget, the entity must begin publication. The Budget Document must be published once a week for two consecutive weeks in TWO (2) newspapers of general circulation and of opposite politics published in the area. If the area has only one such newspaper, publish in only that newspaper for two weeks. Immediately after the commission adopts the Budget, each elected official should receive a copy of their detailed request for appropriation outlining the amount the county commission has approved for the operation of their respective office.

AUDIT AND REVIEW BY THE STATE AUDITOR:

The State Auditor's Office will audit and review the Budget Document. Prior to the third Tuesday in April, the Auditor's Office will notify the entity by letter of the results of this audit and review. If the auditor's office requires any changes, these changes must be made immediately and the auditor's office notified of the changes.

LAYING THE LEVY:

Each entity MUST MEET on the THIRD TUESDAY IN APRIL, to officially lay the levy. This entails the hearing of objections and the adoption of the levy rates to be used during the next fiscal year. An original certified copy of the Levy Order and Rate Sheet must be completed, signed, and forwarded to the State Auditor's Local Government Services Division within three (3) days after the third Tuesday in April.

TO: All District Engineer/Managers

THRU: HP

FROM: PP

SUBJECT: Statewide Transportation Improvement Program (STIP) Amendment

One requirement of the current legislation is that STIP amendments be made available for a public review/comment period. Recent legal advertisements and/or press releases have informed the public that a modified listing of proposed amendments to the STIP is available for inspection at each of the following locations: WVDOH District Headquarters, Metropolitan Planning Organization Offices, Regional Planning and Development Councils, County Commission Offices, and Main County Libraries.

Accordingly, if anyone comes to your office and wishes to review the attached list of projects, please make it available until February 4, 2019. If anyone wishes to comment on the projects, please instruct them to do so, in writing, to my office by February 4, 2019.

Comments on the projects should be addressed to:

Mr. Ryland W. Musick, Jr., M. S., P. E.
Director, Programming Division
Building 5, Room A-430
1900 Kanawha Boulevard, East
Charleston, West Virginia 25305-0430

To Whom It May Concern:

The Statewide Transportation Improvement Program (STIP) is a financially constrained document required to show planned Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) expenditures for federal fiscal years 2016-2021. One of the requirements to funding any project with FHWA or FTA funds is that each proposed project undergoes a public "review and comment period." Therefore, additions or deletions to the STIP and certain changes to projects currently in the STIP must meet this requirement before federal funds can be obtained. Accordingly, I am again requesting your assistance in making available (to anyone who wishes to review them) the attached listing of proposed amendments to the approved 2016-2021 STIP.

All written comments are to be received no later than February 4, 2019 and should be addressed to:

Mr. Ryland W. Musick, Jr., M. S., P. E.
Director, Programming Division
West Virginia Division of Highways
Building 5, Room A-430
1900 Kanawha Boulevard, East
Charleston, West Virginia 25305-0430

Thank you for your assistance with this matter. Should you need additional information, please feel free to contact my office at (304) 558-6233.

Sincerely,
