Honorable West Virginia County Commissions
County Commission Association of WV
2007 Quarrier Street
Charleston WV 2511

Honorable County Commissioners:

The Hardy County Commission is reaching out to ask you to oppose any changes to legislation regarding debris landslides.

The WV Department of Highways is trying to modify the interpretation of the state statute regarding a landowner’s responsibility for the clean-up costs in the event of a landslide which originates on the landowner’s property and falls onto a public highway. Currently, the landowner is supposedly responsible only if he/she “caused” the landslide. The DOH is seeking to modify the statute to make the landowner responsible for clean-up costs for ANY slide that originates on his/her property—whether or not the landowner “caused” the slide.

If West Virginia Department of Highways is successful, this action will affect every landowner in West Virginia—opening landowners to potential liability and/or debris which falls onto the public highway. WV taxpayer’s already struggle to pay their tax obligations for roads, land, personal property, business, state, federal etc. We can’t let this happen to our people in the Great State of West Virginia.

Thank you for your consideration of this request.

Sincerely,

THE HARDY COUNTY COMMISSION

IN THE CIRCUIT COURT OF HARDY COUNTY, WEST VIRGINIA

MARK KUYKENDALL,

Plaintiff,

v.                                                      Case No.: CC-16-2018-C-28
WEST VIRGINIA DEPARTMENT OF                                    Hon. H. Charles Carl III, Judge
TRANSPORTATION, DIVISION OF HIGHWAYS,

Defendant.

MOTION FOR JUDGMENT ON THE PLEADINGS

COMES NOW the West Virginia Department of Transportation, Division of Highways

Mr. Kuykendall filed this action (and a previous related action), because he wants the
Court to declare "that . . . DOH cannot assess costs against Plaintiff . . . because Plaintiff did not
cause, contribute, or consent to the landslide debris being placed onto" Hardy County Route 7,
South Fork Road (the "Road"). Complaint for Declaratory Judgment and Temporary and
Permanent Injunctive Relief (the "Complaint") at ¶ 38 (emphasis added). For purposes of a
motion for judgment on the pleadings, Mr. Kuykendall must be taken at his word. The Court
must assume that he did not "cause, contribute, or consent to" the landslide that pushed his debris
into the Road.

But no causal activity (and no consent to causal activity) is required for one to "place" a
landslide within the meaning of Chapter 17, Article 16 of the West Virginia Code. It is
sufficient, for purposes of the statute, for a person to own the land from which dirt, rocks, or
trees have slid into the Road. The *Complaint* alleges (a) that the Road runs through Mr. Kuykendall's property and (b) that landslide debris from his property has entered the Road. That is everything the Court needs to know in order to deny Mr. Kuykendall's requests for declaratory and injunctive relief.

**WHEREFORE**, DOH prays that the Court **DISMISS** the *Complaint* with prejudice for failing to state a claim upon which relief can be granted and for such other and further relief as the Court deems just and proper.

Respectfully submitted,

WEST VIRGINIA DEPARTMENT OF TRANSPORTATION, DIVISION OF HIGHWAYS,
By counsel,

PATRICK MORRISEY

Dear Community Partners

The Upshur County Partners in Prevention members are coordinating a Community Baby Shower for Upshur County pregnant parents and families with a child under the age of 6 months old. This group of community agencies want to provide participants with health, safety and support information, as well as to celebrate the birth of their child. Along with refreshments and games, we would like to provide the first 30 participants who register with gift bags. These gift bags would include many essential items they will need as new mothers. This event will take place at the WV Wesleyan College Social Hall from 10am to 1pm on March 16, 2019.

Unfortunately, grants funds that are used for this event do not cover all the expenses. Therefore, we are in need of donations from the community to help make sure that we can provide as many necessary items for the children. Most of the families who have attended this event in the past struggle financially to provide the needed items for their child, so they appreciate these gift bags tremendously. You will find a wish list of items attached.

If you are able to help this year, you can choose to purchase items on the wish list or sponsor a mom by making a financial donation that we will use to purchase the needed items. Donations can be dropped off at Stockert Youth Center/Family Resource Network office (79 East Main Street). Checks should be made out to the Upshur County Family Resource Network.

If you know of a mom who would like to attend, are able to make a donation, or assist in this event in any way, please contact me at 304-376-0086 or jfleshman@hse.wvu.edu. You may also contact Lori Ulderich Harvey at 304-473-1051 or upshurfmn@yahoo.com.

Thank you for your time and consideration of our request. We love providing this event for the families and are excited to host a wonderful event again this year!

Buckhannon-Upshur Parks and Recreation Advisory Board Minutes
10/8/2018

Attending: Katie Loudin, J. J. Ford, Sarah St.Clair and Hannah Lively

Absent: Josh Hinchman, Buck Edwards and Tappan Squires

Guest: Tabatha Perry

The meeting was held at the Upshur County Recreational Park Pavilion

1. The meeting was called to order at 5:36 p.m.

2. The 8/13/18 meeting minutes were approved on motion by J. J. Ford and seconded by Sarah St.Clair

3. Public Comment: None

4. Recap Community Float
   a. General Thoughts: Overall it was agreed that the first community float was a success. We had some challenges with the outfitter such as double booking, showing up a couple hours late and miscommunication regarding equipment available. The community members that participated in the event all seemed to have positive feedback and enjoyed the day on the water. We unanimously agreed that we should host this event again next year.
   b. Event Finances: We spent $400 on the event, made $595 leaving us with a positive balance of $195.
   c. Ideas for next year:
      i. We should review partnership possibilities and consider groups like the City of Buckhannon and Create Buckhannon
      ii. Revisit advertising and promotional opportunities such as more cross promotion at Festival Fridays
      iii. Select a new outfitter or shuttle option
      iv. Pick a date next year, suggestions thus far include 8/24/19, 8/31/19 (Labor Day Weekend) and 9/7/19
      v. Discuss having food trucks or food vendors at the float with the option of selling a bundled package which would include the float and a meal

5. Finances
   a. We have a total of $1,150 in our account
   b. Instead of spending the money in our account we are reviewing grant and sponsorship options for events as well as our one and five year goals. Board members will all research opportunities to be discussed at our next meeting.
c. Tabatha will bring the pool finances to the next meeting.
d. The annual budget hearing will be held in March 2019.

6. Discuss Objective and Goals (1 year vs 5 year) of the Board
   a. **1 Year:**
      i. **Basketball Court:** The stencils and hoop replacement have been completed. Park lights still need to be checked and the walkway from the road needs repaired (there are two trenches).
      ii. **Community Float:** Discussed above. The intention of the board is for this to be an annual event.
      iii. **Kiosks:** J. J. is revisiting and will bring additional information to the next meeting. The Lions Club might be interested in helping with this project.
      iv. **Water Way Signs:** Still needs further discussion regarding location of signs and cost of project.
      v. **Gaga Pits:** Katie suggested installing these at parks with pavilions such as Upshur County Recreational Park, City Park, Jawbone Park and the North Buckhannon Riverfront Park. Based on Union Elementary School’s pit the cost is estimated at $1,470 per pit.
   b. **5 Year:**
      i. **Sports Facility for the County:** No update
      ii. **Splash Pad/Pool Upgrades:** Tabatha and other members of the Commission toured the pool facility after the end of the season to review opportunities. Greg will be putting together a design for the splash pad that will be discussed at the budget hearing in March. Additionally it was recommended that more slides be added to the facility.

7. Adjournment: The next regularly scheduled meeting will be held on November 5, 2018 at 5:30 p.m. at the Upshur County Administrative Annex.

With no further business, the Board adjourned at 6:15 p.m.

Board of Directors Meeting

MINUTES
January 14, 2019

Chair Joyce Harris-Thacker called the regularly scheduled meeting to order in the Conference Room of the UCSWA (located at 380 Mudlick Road, Suite 102, Buckhannon, WV 26201) at 4:32 PM on January 14, 2019.

Present at the meeting were: Joyce Harris-Thacker, Mary Gower, James S. “Jay” Hollen, III, Jacqueline (Jackie) McDaniel and Director Burl Smith. G. Paul Richter was absent. A quorum was present. There was one guest, Jeff Wamsley, Supervisor of the City of Buckhannon Waste Collection Department. Burl Smith arrived late due to a family emergency and handwritten minutes were taken by Jay and later typed up by Burl.

Minutes of the December 10, 2018 meeting had previously been sent to the members and were part of the Agenda packet. A motion to accept the minutes by Jackie and seconded by Mary. Motion carried. The minutes were signed by the Chair and Director.

The Financial Report for December was presented by the Treasurer, Jay. Register Reports for the four bank accounts with First Community Bank covering December, 2018 were presented. The ending balances for the accounts are as follows:

- REAP Account $ 94.86
- SWMB Account $ 702.95
- Money Mkt Account $ 19,538.83
- Operating Account $ 13,812.41

A motion to accept by Mary and seconded by Jackie. Motion carried.

Director’s Report:

Burl Smith presented written copies of the Director’s Report for the Period from December 11, 2018 to January 14, 2019, a copy of which is attached as part of the minutes. Additionally, Burl noted that some items he had been working on will be covered under Old and New Business.

Recognition of Guests:

Jeff Wamsley presented the totals recycled by the City of Buckhannon for the month on December, 2018. Jeff participated in other discussion under old and new business.

Old Business:

- **April Make-It-Shine 2019 Discussion** – Jeff noted that there would be two city and two county Saturdays in April for residential customers to clean up their property and dispose of materials at the Transfer Station free of charge. Also, the Celebration of Recycling at Crossroads Recycling will be held on Friday and Saturday. The date will be determined in the next few weeks. Burl noted that he is meeting on 1/15/19 with Lamar Signs about the billboard on Route 33 advertising...
the Celebration of Recycling. Also, the digital sign in the City will be utilized. Jackie will once again conduct the poster contest at the BU Middle School.

- **EDDM Brochure Discussion**— There was discussion about revamping the brochure mailed to all Upshur County addresses to include some tweaking of the recycling of plastics. The City has revised the separation of #1 and #2 plastics to address the market changes. Information on this could be included on the brochure. The plan is to have the brochure mailed the last week of March or first few days of April to advertise the April Make-It-Shine promotion.

**New Business:**

- **Open Meeting Requirements, Notice of Meetings; Review**— Burl noted that he had checked with the WV SWMB on the legal requirements of public notice of the UCSWA meetings. To be in compliance, the UCSWA will: post an agenda on the front SWA office window, email copies of the agenda to the Upshur County Commission, RecordDelta newspaper, Intermountain newspaper; and, post the meeting notice on the WV Secretary of State website. This is to be done at least 3 business days prior to the meeting.

- **Shred-It Paper Shred Event, September 7, 2019**— Burl had been contacted by Shred-It about the free paper shred event for Upshur County residents. Shred-It will once again have a 3 hour event on Saturday, September 7, 2019 at Crossroads Recycling Center for a fee of $300/hr x 3 hours minimum or a total of $900.00 plus fuel surcharge. A motion by Jay and second by Mary to accept the proposal and pay for it from the Operating account but with the stipulation that a FY2020 SWMB grant application be made to cover this cost if possible. Motion carried.

- **WV DEP Junior Conservation Camp, June 17-21, 2019**— Burl and Jackie each received notice of the upcoming camp and the request for the UCSWA to sponsor campers. Jackie will advertise this at the BU Middle School. There is money in the current budget to sponsor campers.

**Board Member Items:**

- There was some discussion about a pesticide collection event held in Harrison County.

With no further business, the meeting adjourned at 5:23 PM.

Respectfully Submitted,

Burl Smith, Director

The Director's Report is attached on Page 3 of 3.
Activities include:
- Prepared and distributed by email the minutes of the 12/10/18 meeting.
- Checked upshurswa@yahoo.com email daily.
- Checked mail at Post Office 2 or more times per week.
- Received and deposited SWMB Assessment check ($2306.70) on 12/24/18.
- No Upshur County Magistrate Court checks during this time period.
- Received monthly bank statements on the four accounts and reconciled balances. Everything is okay for December, 2018. I printed Register Reports for the bank accounts showing current month transactions for the Operating and Money Market accounts and all transactions for REAP and SWMB accounts for the current Grants.
- Prepared checks for payment of bills.
- Cleaned office.
- Prepared Agenda and meeting package for the regularly scheduled 1/14/19 meeting. Posted Agenda on the office window and emailed to Upshur County Commission, press, etc. Also, posted the meeting notice on the WV Secretary of State's office meeting notice website. I checked with Nicole Hunter at the SWMB about this requirement. There is some disagreement in the SWMB as to whether this is a requirement, but they do recommend that it be done.
- Pickup of litter at Crossroads Recycling Center was done once this month.
- I was contacted by Shred-It about the September paper shred event. They sent a proposal which has the same terms as last year ($900 plus fuel surcharge for 3 hours on Saturday, September 7th). I put the proposal in packet. I suggest we accept the proposal and also include this on the FY 2020 SWMB grant application.
- Ordered and received both the grocery totes and the 18-gallon blue bins. I received the invoices and prepared payment for these and got check signatures and mailed. Payment was done this way because the payment would have been late if we waited until the January board meeting to have checks signed. There are 5 weeks between the December and January meetings.
- Worked on 4th quarter report for FY 2018 REAP Grant.

Thanks—Burl
