To whom it may concern:

The Upshur County Commission is grateful for their partnership with the 26th Judicial Circuit Community Corrections Day Report Center and its effectiveness within the County. In 2018, this program saved Upshur County approximately one million two hundred seventy seven thousand nine hundred ninety seven dollars and seventy cents ($1,277,997.70) in regional jail fees. Even though the regional jail bill continues to increase on a yearly basis, due to more criminal acts being performed, the County has been able to remain current. Without these services we are certain there would be an increase in offender recidivism resulting in an increase in the regional jail bill that would have a devastating impact on the taxpayers of this County. This Commission continues to support the hard work and dedication of Cheyenne Troxell and her staff. Continued funding of the above referenced program will be greatly appreciated.

RE: April 2019—Acknowledging Fair Housing Month

Governor Jim Justice has proclaimed April as Fair Housing Month for the State of West Virginia. As a recipient of a Small Cities Block Grant (SCBG), you must take this opportunity for your community to affirmatively further fair housing and comply with this SCBG regulation.

You should have received a memo dated March 5, 2019 from the WV Development Office outlining examples of how you can comply with this requirement (enclosed for your reference). You may already have some of these examples in place, and if so, please revisit, update, and add to these efforts. Below, I am providing you with a summary of examples for you to complete to further your efforts and comply with this SCBG mandate:

1. At your next regularly scheduled meeting, declare April as Fair Housing Month in the form of the attached resolution.
2. Add to your letterhead and email signatures: “City/Town/Commission is an Equal Opportunity Employer (EOE)” and “This community supports Fair Housing practices”.
3. Utilize the Equal Housing logo in all your general publications, ads, and communications. You can download this logo from the HUD website:
4. Download and prominently display posters and brochures found on the HUD website:

On your behalf, our office will be placing an advertisement/press release in your local paper as a public notice to show that your County/City is a fair housing community and promotes equal housing opportunities. This notice will be in the papers within the next couple of weeks.

Please complete these items as soon as possible and send our office a copy/statement of all the requirements you completed so we can include these in the project files. If you should have any questions or comments regarding this matter, please feel free to contact our office.

Sincerely,

Shane Whitehead
Executive Director
FAIR HOUSING RESOLUTION

Whereas, under the West Virginia State Fair Housing Law, Title 49-2-305, MCA, it is illegal to deny housing to any person because of race, sex, religion, color, age, physical or mental handicap or national origin;

Therefore, be it resolved the Upshur County Commission in West Virginia makes a firm commitment to do all within its power to eliminate prejudice, intolerance, disorder and discrimination in housing.

Therefore, be it also resolved that a Fair Housing Law poster, which has the "Equal Housing Opportunity" logo, will be displayed at the Upshur County Courthouse.

Therefore, be it also resolved that the following procedures will be used to accomplish the purpose of the aforementioned resolution:

1. The Upshur County Commission shall inform all County employees of the County’s commitment to fair housing.

2. The Upshur County Commission will post this resolution in County buildings and other public places and publicize it.

3. The Upshur County Commission shall direct all employees to forward immediately to the Commission President any reports they receive of housing discrimination.

4. The President of the Commission shall forward such complaints to the West Virginia Human Rights Commission, 1321 Plaza East, Room 108A, Charleston, West Virginia, 25301-1400, within 10 days of receipt of said complaint.

SUBJECT: Letter of Agreement

The intent of this letter is to set out the terms of agreement on how marking and selling a timber sale on Selbyville Youth Camp lands will be conducted as well as to provide authorization to proceed. This agreement is based on work which has been done and will be done on Selbyville Youth Camp property and is between Upshur County and Nate Kennedy. This agreement will focus on the timber sale area described as the merchantable timber within the borders of Selbyville Youth Camp east of Buckhannon River and to be called Selbyville Youth Camp Timber Sale and will consist of ~55 acres of marked timber. This area was previously harvested during the late ‘90s with skid roads built to facilitate logging. The following terms and conditions will apply:

1) Danny James, WV Division of Forestry Service Forester for Upshur County has marked those trees which are to be harvested with blue paint using a circular spot at chest high on both the uphill, the downhill side, and a spot below the projected stump level of the tree. Each tree has been measured for species, diameter, and height to determine sawlog volumes by species and diameter class. For sale purposes, timber volumes have been determined using Doyle scale and International scale. Doyle scale will be used to determine advertised and sold volumes for the timber sale.

2) Preparation of the timber sale began during the summer of 2018 and timber cruise information and summaries turned over to Upshur County during the fall of 2018 with the intent of a timber sale auction date at the earliest practical date, preferably during the spring of 2019. In December of 2018, Nate Kennedy was asked to sell the timber sale and handle contract administration duties for the timber sale. Mr. Kennedy has agreed and in January of 2019, began R/W research as well as meetings with the Selbyville Youth Camp Board.

3) The timber sale will be advertised and sold as a lump sum sealed bid timber sale with the highest bidder being awarded the timber sale contract. An appraised value will be
determined to use as a guide for the bidding process. Upshur County Commission has the right to reject any bids.

4) Mr. Kennedy will provide all services needed for negotiating signed agreements needed for harvesting the timber sale, advertising, showing, auctioning, sale, and contract administration of the timber sale. Since skid roads are already in place, the existing roads will be used wherever practical. Mr. Kennedy will layout and/or designate any additional skid roads necessary for the harvest of timber.

5) Mr. Kennedy’s fees for the professional forestry services outlined will be 5% of the timber sale values. Payment for professional forestry services will be at the point in time when the timber sale has been sold.

6) It is further agreed that the Upshur County Commission will follow the professional forest management advice as provided by Mr. Kennedy.

7) Property line locations will be the responsibility of Upshur County. Should it be determined that a property line survey is required to determine the location of any and/or all property lines, the responsibility and cost of this will be borne by Upshur County Commission. Upshur County Commission also reserves the right to choose surveying contractors and to assist in location of property lines.

NON APPROPRIATION RIDER

This Non-Appropriation Rider to the Rental Agreement No. _____ dated ______ 20____ (the "Rental"), is by and between CIT Bank, N.A. (Rentor) and _____ (Rentor). Capitalized terms used herein without definition shall be defined as provided in the Rental.

Notwithstanding anything contained in the Rental to the contrary,

1. Rentor presently intends to continue the Rental for its entire term and to pay all rentals or other payments relating thereto and shall do all things lawfully within its power to obtain and maintain funds from which the rentals and all other payments owing thereunder may be made. To the extent permitted by law, the person or entity in charge of preparing Rentor's budget shall include in the budget request for each fiscal year during the term of the Rental the rentals to become due in such fiscal year, and will use all reasonable and lawful means available to secure the appropriation of money for such fiscal year sufficient to pay all rentals coming due therein. The parties acknowledge that appropriation for rentals is a governmental function which Rentor cannot contractually commit itself in advance to perform and the Rental does not constitute such a commitment. However, Rentor reasonably believes that money in an amount sufficient to make all rentals can and will lawfully be appropriated and made available to permit Rentor's continued utilization of the Equipment in the performance of its essential functions during the term of the Rental.

2. If Rentor's governing body fails to appropriate sufficient monies in any fiscal year for rentals or other payments due under the Rental and if other funds are not available for such payments, then a "Non-Appropriation" shall be deemed to have occurred. If a Non-Appropriation occurs, then: (i) Rentor shall give Rentor immediate notice of such Non-Appropriation and provide written evidence of such failure by Rentor's governing body at least sixty (60) days prior to the end of the then current fiscal year or if Non-Appropriation has not occurred by that date, immediately upon such Non-Appropriation; (ii) no later than the last day of the fiscal year for which appropriations were made for the rentals due under the Rental (the "Return Date"), Rentor shall return to Rentor all, but not less than all, of the Equipment covered by the Rental, at Rentor's sole expense, in accordance with the terms hereof; and (iii) the Rental shall terminate on the Return Date without penalty or expense to Rentor and Rentor shall not be obligated to pay the rentals beyond such fiscal year, provided, that Rentor shall pay all rentals and other payments due under the Rental for which monies shall have been appropriated or are otherwise available, provided further, that Rentor shall pay month-to-month rent at the rate set forth in the Rental for each month or part thereof that Rentor fails to return the Equipment as required herein.

3. The Rental shall be deemed executory only to the extent of monies appropriated and available for the purpose of the Rental, and no liability on account thereof shall be incurred by the Rentor beyond the amount of such monies. The Rental is not a general obligation of the Rentor. Neither the full faith and credit nor the taxing power of the Rentor are pledged to the payment of any amount due or to become due under the Rental. It is understood that neither the Rentor nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make monies available for the purpose of the Rental.

4. The Rentor and Rentor agree that they intend the Rental to be an operating Rental and that by the execution thereof, Rentor acquires no ownership interest in the Equipment whether vested or contingent. The Rentor's Interest in the Equipment is limited to that of a Rentor and Rentor retains all the rights of owner therein. Any provisions indicating to the contrary in this Rider are for precautionary purposes only.

IN WITNESS WHEREOF, each of the parties hereto has caused this Rider to be executed as of the _____ day of _____ 20____.

RE: Upshur County Sheriff’s Residence and Jail  
CFIA  
FR# 19-357-UP

Dear Ms. Perry:

We have reviewed the above referenced project to determine its effects to cultural resources. The following comments are offered under West Virginia Code 29-1-8.

According to submitted information, the Upshur County Commission proposes to use CFIA funds to restore the dormers and chimneys at the former sheriff’s residence and jail. It is our understanding that the bid will be placed out this spring for the proposed project. As described the project will cut out and repoint three dormers and the gable dormer encompassing a chimney. Two chimneys will be deconstructed and rebuilt, using original bricks with the addition of in-kind replacement brick. One section of sandstone will be replaced in-kind.

Architectural Resources:
We have reviewed the submitted information. We determined that the Upshur County Courthouse is contributing to the National Register of Historic Places listed Downtown Buckhannon Historic District. Based on the phone conversation with Ernest Blevins, of my staff, the county would like guidance as to what the construction bid package should include. After the project is awarded and plans finalized, we will comment further.

It is our understanding that the roof replacement will be completed as the second phase of the project so that the new roof will not be damaged by the deconstruction and reconstruction of the chimneys. Currently, the roof is being maintained with patches as necessary. What is the time line for the second phase of the project to occur?

When the project is placed to bid, the work will need to adhere to the Secretary of the Interior’s Standards for Rehabilitation (Standards). The Standards should be included in the bid and construction documents. We recommend consulting with Preservation Brief 2: Repointing Mortar Joints in Historic Masonry Buildings. This reference will provide guidance regarding the depth to cut the mortar, and how to complete a mortar analysis to use in repointing. Prior to the bid process, we request an opportunity to comment on the plans for the deconstruction and
reconstruction of the chimneys and review of proposed infill brick that may need to be used to replace damaged original brick. The sandstone replacement should match the existing color of the existing sandstone. During the conversation with Mr. Blevins, you mentioned that the lower parts of the building appear painted and the dormers and chimneys are either not painted or badly worn. It is our opinion that the present exterior should maintain its existing appearance and if not currently painted should not be painted to match the lower portions of the building. We request an opportunity to review the proposed sealant if one is recommended during the scoping of the project. We will provide additional comments upon receipt of the requested information.

We appreciate the opportunity to be of service. If you have questions regarding our comments or the Section 106 process, please contact Ernest Blevins, Structural Historian, at (304) 558-0240.

Sincerely,

Project Title: James W. Curry Public Library Garden Project Date: March 11, 2019

Applicant: James W. Curry Public Library Contact Person: Judith Williams

Address: 1721 Brooks Hill Road, French Creek, WV 26218

Telephone: 304-924-6724 Email: jwilliams@upshurcounty.org

Counties Affected: Southern Upshur County

Summary of project activities: The creation of a raised bed garden will initially be used for a pumpkin patch to raise funds for children’s programming. The patch will involve participants of our Family Storytime in the creation, planting, maintenance, harvest and sale of pumpkins grown. If successful, seeds will be harvested, shared and saved and the program repeated. If this endeavor is unsuccessful, the space will be converted to a pollinator garden. We plan to approach the Tygart Valley Conservation District for guidance if this proves to be the best outcome for this project.

How will this project address soil and water conservation?

Primarily from the experiential, education standpoint by engaging youngsters and families in an activity that encourages increased physical activity, literacy, and promotes a sense of ownership with regard to the library. With a view to the pollinator garden, it will convert some of our sizeable expanse of grass into a more attractive habitat for pollinators which are on the decline in our area based upon reports from local gardeners.

UPSHUR COUNTY EMERGENCY RESPONDERS AND SCHOOLS SPONSOR
TRAINING EVENT – March 20, 2019- 8:00-3:00 at BUMS

Upshur County Schools and emergency responders from county and city agencies are working collaboratively to prepare for potential emergencies at the schools in the county. On Wednesday, March 20, 2019, officials from these agencies will participate in a community-wide emergency training event at Buckhannon-Upshur Middle School.

Jodie Akers, Director of Student Service’s says “With last year’s exercise at Buckhannon Academy Elementary being a huge success, we look forward to again partnering with our excellent emergency responders on this event at the Buckhannon Upshur Middle School.” We recognize that practicing emergency response procedures can reduce anxiety and safety risks. These activities build our staff confidence in knowing what to do in an emergency. We want to make our drills and training thoughtful and routine for our staff.

That training will take the form of a full-scale, “mock disaster” exercise. As part of the event, school and emergency personnel will respond to a simulated situation as if it were real.

According to Superintendent, Dr. Sara Lewis-Stankus, “Each day in our schools, families entrust our Upshur County schools to provide safe and healthy learning environments for approximately four thousand students. Our Upshur County families and communities expect that schools will keep children safe. There is a fundamental link between day-to-day emergency readiness and how well we are prepared for larger scale emergencies. Schools that are well prepared for an individual emergency involving a student or staff member are more likely to be prepared for complex events.

I hope we are never required to use the valuable knowledge we will learn in this practice, yet we understand the importance of such training. Whether for an emergency or disaster, preparedness and practice is important to assure we are ready with an effective response that will keep our staff and students safe.”

The event is scheduled to take place on Wednesday, March 20, 2019, from 8:00 a.m. to 3:00 p.m. Organizers would like the community to be aware of the event because residents will see lots of participants, observers, actors, and emergency vehicles in the area, and it may be difficult to get through the area during the event.
According to Jeff Harvey, Owner Preparedness Division Manager of JH Consulting “In order to adequately test all elements of this response, we may have emergency vehicles on roadways and parked in the area around Buckhannon-Upshur Middle School. We will keep these disruptions to a minimum.”

The training builds off of events from 2018, and it is the culmination of significant planning. Even though it is a lot of work, Upshur Schools knows it is a necessary activity.

According to Dr. Tammy Samples, President of the Upshur County Board of Education, “Upshur County Board of Education members consider the safety of students and school personnel of highest priority. This community has excellent emergency responders who strive to keep our communities safe. This planning training exercise, and future similar events, will provide valuable insights into how Upshur County Schools can work collaboratively with emergency responders to ensure the safety of all students and staff.”

Meeting Minutes

Board Members present: Jodie Akers, Addie Helmick, Susan Duranti, Jodi McQuillan, Joseph Reed, Tonya Kittle and Buddy Brady.
Board Members not present: Debora Brockelman (although attended Board meeting), Matt Kerner, Phyllis Sembello, Angel Harvey and Alicia Rapking.
Staff: Lori Ulderich Harvey and Ginny Dixon

• Community Members present: Crystal Replogle (HRDF Youth Ready), Dave Rossana (WV Family Health), Casey Gilbert (Buckhannon Volunteer Center), Rita McCrobie (Atty. General’s office), Marjorie Burdick (The Health Plan), Delora Kittle (BUMFS-SAHI), Andi Cartier (Americorps VISTA/Opportunity House), Sarah Newcome (RCHA), Deb Harrison (Upshur County Schools), Edgar Lewis (Work Force WV DVOP), Beth Rogers (Upshur County Public Library), and Anne Chopyak (community).

Opening/Invocation: Prior to opening the meeting, Chair, Joseph Reed, took some pictures of the group, and, after a blessing, we shared a delicious potluck meal.

Introductions: Introductions were made around the room, each sharing his or her group affiliation where appropriate. We were asked to tell our favorite Christmas present ever.

FRN Director’s Report: Lori reported there was not much information to share from meetings she has attended. On November 1st, the Upshur County Commission signed a proclamation for November being adoption month. Currently there are 7,200 children in foster care in WV, and a clothesline of socks (each sock representing 100 children) was displayed at the Commission meeting, as well as at the open house held November 14th at SYCC. The Upshur FRN was a drop-off point for Boxes with a Purpose (went to children in foster care for Christmas). Katherine Heatherly with Upshur County Schools is reportedly working on a support group focusing on grandparents. Regarding Safe at Home, Justin Bowers, Appalachian Impact, emailed Lori about Al having mentors and that the school system having had an MOU with him for years. No figures are yet available for Literacy Volunteers’ book sale last month. The Tobacco Prevention Coalition has gained a few new members. Dr. Reed noted that he presents the Tar Wars program to 4th and 5th grades in our county. Ginny Dixon added that the statewide Coalition is proposing restoration of funding as opposed to an added tax on tobacco products. Ginny also gave a brief report on the Upshur County Homeless and Housing Coalition, which meets every other month (next meeting being January 9, 2019).

Guest Speaker: Deb Harrison, Assistant Superintendent of Upshur County Schools, provided information, including a flyer, on the upcoming school levy election, scheduled for Saturday, January 19, 2019. Our county has had a levy since 1999 and it comes up for re-election every 5 years. Monies generated by the levy account for 10% of the school system’s budget. Deb stated that what happens in the classrooms is “our future”, and the schools cannot do their job without the community. Every vote matters, and to that end, she as well as Sara Stankus, Superintendent, have spoken to various groups within the community, to “spread the good word.”

Information Sharing:
- Edgar Lewis, Work Force West Virginia, shared that he works with all veterans with barriers to employment, as well as helping veterans' widows, spouses and dependents, in Fairmont, Clarksburg, Moorefield and Elkins. Businesses can receive tax credits (up to $15,000) if they hire a veteran.
- David Rossana, WV Family Health, provided us with a brochure/flyer.
- Casey Gilbert, Buckhannon Volunteer Center Coordinator, shared that the City is planning an event on Saturday, January 19th in honor of Martin Luther King Day.
- Beth Rogers, Assistant Librarian, UCPL, shared that on Friday, December 21st from 5:00-7:30 pm the library is hosting children aged 6 to 12, with pizza and Zul’s being provided. They are looking for donations of bottled waters and Christmas cookies.
- Ginny Dixon distributed flyers for Highland-Clarksburg Hospital’s Ugly Sweater Run to be held December 15th, and information on WVABLE (information relevant to individuals with a disability).
- Dr. Reed provided information on First Presbyterian Church’s upcoming Christmas program.

Our next meeting will be January 14, 2019 at 12:00 noon.

Staff: Lori Ulderich Harvey and Ginny Dixon

- Community Members present: Rita McCrobie (office of WV A.G), Beth Rogers (Upshur County Public Library), David Rossana (WV Family Health), Casey Gilbert (Buckhannon Volunteer Center), Amanda Hayes (Inter-Mountain newspaper freelancer), Delora Kittle (BUMFS-SAH), Edgar D. Lewis (Work Force WV), Cindy Jenkins (Girl Scouts), Anne Choppyak (community), Angie Hinchman (Birth to Three), Barb Tucker (Adolescent Health), Janet Coffey (Board of Ed-BUHS), Kylee Hassan (Mission WV), and Angela Mahaffey (WVWC OB).

Opening/Invocation: Board Chair, Joseph Reed, opened the meeting and provided our invocation.

Introductions: Introductions were made around the room, each sharing his or her group affiliation where appropriate.

FRN Director’s Report: Lori reported that the next IMC (Inter-Mountain Collaborative) meeting is scheduled for tomorrow. Their collaborative has discussed having a monthly open house to focus on foster care and adoption, with counties in our region (Region 3) rotating hosting it. The Community Baby Shower is scheduled for Saturday, March 16th. Contact Lori or Jodi McQuillan if interested in participating. On February 4th, the Upshur FRN in collaboration with DBSA will host a self-care workshop for first responders and other care providers. Speaker will be Mike Kuba. Lunch will be provided and the hours are 11:00-1:30. Please see flyer on FRN’s family socials, the next one being on Friday, January 25th at SYCC.

Guest Speaker: We had the good fortune to have 2 guest speakers at this meeting. The first one to present was Kylee Hassan, outreach director with Mission WV; email: khasan@missionwv.org. We watched a short video on older children in need of foster care or adoption. Mission WV is not a private agency but works closely with DHHR in trying to identify service gaps. If one cannot foster or adopt there are numerous volunteer activities, for example providing care packages to a child in foster care; see flyer which Kylee distributed. Providing respite care is another option to help. All foster parents must attend PRIDE training, yet each agency may differ in what they require of foster families. Our second speaker was Cindy Jenkins, Regional Recruitment Manager for Girl Scouts of Black Diamond Council (covering 16 counties). Girl Scouts has a lot to offer girls, and Cindy described the organization as “The best girl leadership program in the world. Period.” They now offer I Girls, which stands for Independent Girl Scout, whose members don’t attend troop meetings but participate in all other aspects of scouting. Every elementary school in Upshur County now has a troop associated with it. Cindy provided us with promotional Girl Scout cookies, the sale of which began 1/4/19. If at the gold level when a Girl Scout graduates from high school, she can enter the military as an
officer. Cindy noted the challenge in finding volunteers, which go through a vetting process as well as a background check. Frequency of meetings (always in a public place) is up to the troop leader, and the troop as a whole decides what activities they want to participate in. You can purchase cookies even if you can’t eat them. Rather, they are donated to people in the military. Contact email address is: BDGSC.org.

Information Sharing:

- Edgar Lewis, Work Force West Virginia, distributed flyers.
- Dave Rossana, WV Family Health, explained that theirs is a managed care organization, for members who qualify for Medicare. New this year is a member advocate program.
- Barb Tucker, Adolescent Health, reminded us that the IMC meets tomorrow at 11:00 am at the Lewis County DHHR. She provided flyers on human trafficking. Barb is doing presentations on juuling, noting that CVS offers a tobacco cessation program called Catch My Breath (catch.org), which is research-based (too new to be evidence-based). Of note is the finding that e-cigarettes are worse than regular cigarettes.
- Addie Helnick, Women’s Aid in Crisis), explained what she does and added to the discussion on human trafficking, noting that it has been coming into Upshur County. The month of January is both human trafficking and stalking awareness month. WAIC’s role is in trying to keep people safe.
- Casey Gilbert, Buckhannon Volunteer Center coordinator, shared that there will be an event (speed-volunteering, similar to speed-dating) on February 12th at 5:00 pm at the Public Safety Complex. She encouraged those agencies looking for volunteers to come.
- Ginny Dixon reminded those present that the FRN and SYCC are in need of gently used, clean gloves, scarves, and hats for the Warm Wishes Tree which will be located outside SYCC (free for the taking).
- Dr. Joseph Reed noted that the Planning Commission is engaged in 2025 planning and wants to hear from community members.

Our next meeting will be February 11, 2019 at 12:00 noon.

Opening/Invocation: As both Board Chair, Joseph Reed, and Vice-Chair, Susan Duranti, could not be present, FRN director, Lori Harvey, opened the meeting. Addie Helmick provided our invocation.

Introductions: Introductions were made around the room, each sharing his or her group affiliation where appropriate.

FRN Director’s Report: Lori reported that the next family social will be on Feb. 22nd at 11:30 am at the Upshur County Public Library, and we’ll celebrate Read Across America Day; the Grinch is also coming. March 25th social will be our 2 year anniversary! Baby shower is March 16th; let Lori or Jodi McQuillan know if you want a table at this event. Agencies are asked to bring a door prize if they are able. The day before (March 15th) we’ll be packing the diaper bags and setting up at WVWC’s social hall. VIPS will help us carry in stuff and give directions to attendees. On May 7th, probably 6-8 pm, at Chapel Hill UMC, our next foster care open house will be held. This time agencies such as WIC, BTT, etc. will be present. April is child abuse prevention month. The UCTPC has been focusing on juuling. Barb Tucker demonstrated how a device is used. Catch My Breath also has good information for people. CNN has a story on You Tube on juuling. Barb commented that the adolescent mind is still growing and is so susceptible to the marketing campaign going on, which she described as “genius.”

Guest Speaker: We did not have a guest speaker this month.
