   The contributions were based on pool members' experience modified in accordance with an actuarially derived formula.

   Whenever the Supervisory Board and the Insurance Commission determine that the fund account is actuarially insufficient, when considering pool assets and reserves to cover known claims both reported and unreported, the board shall make an assessment of the members of the Pool. Such assessments shall be paid within 90 days.

V. SERVICE AGENT – PUBLIC RISK SERVICES, INC.
   Note: Local government group self-insurance pools are not protected by any West Virginia insurance guaranty association against default due to insolvency. In the event of insolvency, Members and persons filing claims against Members may be unable to collect any amount owed to them by the Pool regardless of the terms of the Member agreement. In the event the pool is in a deficit position, a Member may be liable for any and all unpaid claims against such Member.

   With regards to Workers' Compensation liability, each member agrees to assume and discharge, jointly and severally, any liability under the West Virginia Workers' Compensation Laws of any and all employers party to such agreement and which provides that, in addition to the rights of the pool, in the event of failure of the pool to enforce such rights after reasonable notice to the pool, the commissioner may, at his or her sole discretion, order members to pay into the self-insured Employer Guaranty Risk Pool and Self-Insured Employer Security Risk Pool (if applicable) an amount sufficient to cover the estimated cost of all the accrued and contingent liabilities resulting from the period of self-insured status, or, in the alternative and in the commissioner's sole discretion, secure the liabilities in a manner consistent with other provisions of this rule.

ACCEPTED
BY:
Commissioners,

I received notification from Hannah Lively, Pool Director, of Racheal Hulett’s resignation from the concession stand effective May 30, 2019.

Due to the aforementioned resignation, Ms. Lively would like to utilize Brooke Newcome, lifeguard, in the concession stand, effective immediately at her current rate of pay.
TO: Upshur County Commission  
FROM: Carrie Wallace, County Administrator  
SUBJECT: Temporary full-time employment of Mildred “Jeanne” Zickefoose  
DATE: June 6, 2019

Commissioners,

I would like to request the temporary full-time employment of Mildred “Jeanne” Zickefoose at her current rate of pay. If approved, Ms. Zickefoose will continue to work part-time in her current position as Administrative Assistant in the Addressing & Mapping Department, but will also work part-time as a Commission Assistant during the upcoming short term vacancy expected in our office. Ms. Zickefoose’s full-time employment is estimated to begin around August 4, 2019 and last no more than 12 weeks. Her preliminary work schedule is as follows:

Addressing & Mapping Office: Monday, Wednesday, Thursday afternoon

Commission Office: Tuesday, Thursday morning, Friday

This schedule is subject to change based upon the needs of both offices.

Thank you for your consideration.
The Honorable Samuel R. Nolte  
President  
Upshur County Commission  
91 West Main Street, Suite 101  
Buckhannon, West Virginia 26201  

Dear Commissioner Nolte:  

I am pleased to inform you that the Court Security Board has approved a Court Security Fund Grant to the Upshur County Commission in the amount of $3,275 for the purpose of enhancing the county’s court security.  

The West Virginia Division of Justice and Community Services, the administrative agency for the Court Security Fund Grant Program, will be in contact with the Project Director concerning grant administration.  

We share a common goal of protecting our citizens and communities against the threat of crime and violence. Your participation in this project is a positive step towards achieving that goal.  

Please contact me if I can be of further assistance.  

Sincerely,  

Joseph Armstrong  
Chairperson  
West Virginia Court Security Board

Re: City of Buckhannon’s 2019 West Virginia Department of Highway Transportation Alternatives Program Application

To Whom It May Concern,

This correspondence serves as the Upshur County Commission’s official support of the City of Buckhannon’s application for funding assistance through the West Virginia Department of Highway Transportation Alternatives Program.

The extension of the Elizabeth J. “Binky” Riverwalk Trail to the High School has been a long-time goal of both the City of Buckhannon and the County Commission as the extension, first and foremost, would provide an alternative route for pedestrians to access the Tennerton area. Currently, residents (including many children) are forced to walk along-side U.S. Route 20 which, for the majority, does not have a sidewalk and creates a hazardous situation for pedestrians and drivers alike.

We have a growing interest in bike trails within our community and a solid volunteer group that has been established and is committed to their maintenance. In the last two years we have seen an influx of riders visit the area. The award of this grant funding would allow our community to expand that recreational interest and connect with other amenities such as the North Buckhannon Park, Hampton Boat Launch, Stockert Youth and Community Center and Buckhannon-Upshur Recreational Park.

The expansion of recreational offerings would not only boost our economy through additional tourism, but it would also provide a secure economic driver for the future by offering an alternative outlet for our youth. We are in the midst of a drug epidemic in the State of West Virginia and Upshur County is no exception. We believe our first defense to combat this
epidemic should be an investment in our young people. Recreation not only provides activities for youth and their parents to enjoy while they are growing up here, but also helps to provide a sense of investment in the area and, we believe, increases the likelihood of them staying here in our community to raise their families.

We commend the City of Buckhannon for taking the initiative to spear head this expansion through the submission of their grant application and hope to work together in the future to accomplish this goal.

Sincerely,

Carrie L. Wallace
County Administrator

RE: Ellamore Fd, Upshur County, West Virginia
Public Protection Classification: 05/5X
Effective Date: September 01, 2019

Dear Mr. Sam Nolte,

We wish to thank you and Chief Jamie Pugh for your cooperation during our recent Public Protection Classification (PPC) survey. ISO has completed its analysis of the structural fire suppression delivery system provided in your community. The resulting classification is indicated above.

If you would like to know more about your community’s PPC classification, or if you would like to learn about the potential effect of proposed changes to your fire suppression delivery system, please call us at the phone number listed below.

ISO’s Public Protection Classification Program (PPC) plays an important role in the underwriting process at insurance companies. In fact, most U.S. insurers – including the largest ones – use PPC information as part of their decision-making when deciding what business to write, coverage’s to offer or prices to charge for personal or commercial property insurance.

Each insurance company independently determines the premiums it charges its policyholders. The way an insurer uses ISO’s information on public fire protection may depend on several things – the company’s fire-loss experience, ratemaking methodology, underwriting guidelines, and its marketing strategy.

Through ongoing research and loss experience analysis, we identified additional differentiation in fire loss experience within our PPC program, which resulted in the revised classifications. We based the differing fire loss experience on the fire suppression capabilities of each community. The new classifications will improve the predictive value for insurers while benefiting both commercial and residential property owners. We’ve published the new classifications as “X” and “Y” — formerly the “9” and “8B” portion of the split classification, respectively. For example:

- A community currently graded as a split 6/9 classification will now be a split 6/6X classification; with the “6X” denoting what was formerly classified as “9.”
- Similarly, a community currently graded as a split 6/8B classification will now be a split 6/6Y classification, the “6Y” denoting what was formerly classified as “8B.”
• Communities graded with single “9” or “8B” classifications will remain intact.
• Properties over 5 road miles from a recognized fire station would receive a class 10.

PPC is important to communities and fire departments as well. Communities whose PPC improves may get lower insurance prices. PPC also provides fire departments with a valuable benchmark, and is used by many departments as a valuable tool when planning, budgeting and justifying fire protection improvements.

ISO appreciates the high level of cooperation extended by local officials during the entire PPC survey process. The community protection baseline information gathered by ISO is an essential foundation upon which determination of the relative level of fire protection is made using the Fire Suppression Rating Schedule.

The classification is a direct result of the information gathered, and is dependent on the resource levels devoted to fire protection in existence at the time of survey. Material changes in those resources that occur after the survey is completed may affect the classification. Although ISO maintains a pro-active process to keep baseline information as current as possible, in the event of changes please call us at 1-800-444-4554, option 2 to expedite the update activity.

ISO is the leading supplier of data and analytics for the property/casualty insurance industry. Most insurers use PPC classifications for underwriting and calculating premiums for residential, commercial and industrial properties. The PPC program is not intended to analyze all aspects of a comprehensive structural fire suppression delivery system program. It is not for purposes of determining compliance with any state or local law, nor is it for making loss prevention or life safety recommendations.

If you have any questions about your classification, please let us know.

Sincerely,

Alex Shubert

Re: Reminder of deadlines for submitting budget revisions.

June 14: Final Budget Revision for current fiscal year

The State Auditor must be in receipt of the final budget revision for the current fiscal year by June 14. This deadline will assure sufficient time to review, approve and return the request to the county/municipality before fiscal year end.

July 15: Coal Severance Fund budget revision
(W. Va. Code § 11-13a-6)

The projected fund balance for July 1, 2019 should be revised to actual by July 15. If the entity finds the fund balance was revised in error for whatever reason, the fund balance may be corrected with another revision after this date.

July 31, 2019: General Fund budget revision
The projected fund balance for July 1 should be revised by July 31, 2019. If the entity finds that the fund balance was revised in error for whatever reason, the fund balance may also be corrected with another revision after this date.

All budget documents must be submitted to:

Board Member Comments:

Meeting Adjournment:

NEXT MEETING: July 8, 2019 – (Regular Schedule)
THE ELKINS ROAD PUBLIC SERVICE DISTRICT WILL HOLD ITS REGULAR MONTHLY MEETING ON MONDAY, JUNE 10, 2019 @ 5:30 P.M.

ANYONE WISHING TO ADDRESS THE BOARD SHOULD REQUEST TO BE PUT ON THE AGENDA BY FRIDAY, JUNE 7, 2019 FOR ADDITIONAL INFORMATION, PLEASE CALL 304-472-3008 MONDAY THRU FRIDAY 9-1.
The regular monthly meeting of the Tennerton Public Service District was held at the District office at 188 Fayette Street, Buckhannon West Virginia on November 14, 2018

In attendance were John McGrew, Elmer Tenney, Joe Tenney, Terry Gould, and Vickie Dean

The meeting was called to order promptly at 3:00 pm by John McGrew, chairman. The minutes of the previous meeting held in October were not read.

Terry Gould reported the following:

- Need to get the manholes replaced. Cheaper to pay the sewer bills but we have promised the City to fix them. We will repair the major one first on Orr Street for now and then the minor ones later. The pump station on Orr Street is included in the project.
- The new tap on Stoney Run. Also property beside old Long John Silver’s building. Joni Nelson requested sewer tap for 9-10 lots. Informed her that it must be done by an engineer because it’s considered a development. Ringers has marked lines and right of way.
- Will try to have Randy Harris and engineers here at next meeting and hope to have petition from Red Knob residents.

Terry Gould presented the monthly financial reports and the bills to be paid. These reports and listing of invoices are attached and made a part of these minutes.

A motion to pay the invoices was made by John McGrew and seconded by Elmer Tenney.

There being no other business to discuss, motion was made by John McGrew to adjourn seconded by Joe Tenney.

Respectfully Submitted

In attendance were John McGrew, Elmer Tenney, Terry Gould, and Vickie Dean. Joe Tenney absent.

The meeting was called to order promptly at 3:00 pm by John McGrew, chairman. The minutes of the previous meeting on November 14, 2018 were read. John McGrew made a motion to approve, Elmer Tenney seconded the motion.

Terry Gould reported following:
- The landowners for the tap on Stoney Run decided not to have the tap put in after determining that the lines would have to run thru the creek.
- Joni Nelson is aware that engineers have taken a look and they can hook onto sewer line. They have been showed where tap is needed to be for the building out front but have not filled out an application yet. No sewer until we get a certified engineers drawings. We can access manhole instead of the terra cotta line.
- Project: the Annual Report and Rule 42 has been delivered to Joe Crickenburger. Our part is done and ready to go.
- Long range project. Next 5 years - $188,000.00 to replace pumps, stations, and generators.
- After first of the year, we will require a $50.00 deposit for sewer hook up thru Mt. Hope.

Terry Gould presented the monthly financial reports and the bills to be paid. These reports and listing of invoices are attached and made a part of these minutes.

A motion to pay the invoices was made by John McGrew and seconded by Elmer Tenney.

There being no other business to discuss, motion was made by John McGrew to adjourn seconded by Elmer Tenney.

The regular monthly meeting of the Tennerton Public Service District was held at the District office at 188 Fayette Street, Buckhannon West Virginia on January 9, 2019

In attendance were John McGrew, Elmer Tenney, Joe Tenney, Terry Gould, Dave Watson, and Vickie Dean

The meeting was called to order promptly at 3:00 pm by John McGrew, chairman. The minutes of the previous meeting held on December 12, 2018 were read. Joe Tenney asked about the $50.00 deposits through Mt. Hope. Terry will have to make a request through the PSC to have authority to request security deposits. We had to write off less than 1% overall. We will have to have formal agreement with Mt. Hope Water. Motion to approve minutes made by John McGrew, seconded by Elmer Tenney.

Dave Watson; Sewer Treatment Agreement signed. Terry will hand deliver to City Hall, then will deliver to Joe Crickenburger.

Terry Gould reported the following:

-Had a trouble call on Farnsworth Ave. from Shawn Halle, building stopped up. He wanted to know where tap was located. We had no drawing but our manhole was clear.

-Leggett addition, old car wash. New building needs tap. The road has been widened there. Our line is 13 ft. deep in the middle of the road. We’re checking to see if possible to tap into the neighbors tap. We are required to provide the tap. It will be very expensive, will probably require a double trench box, back hoe, time and equipment, estimate 5 to 6 thousand.

Terry Gould presented the monthly financial reports and the bills to be paid. These reports and listing of invoices are attached and made a part of these minutes.

A motion to pay the invoices was made by John McGrew and seconded by Elmer Tenney.
There being no other business to discuss, motion was made by John McGrew to adjourn seconded by Joe Tenney.

The regular monthly meeting of the Tennerton Public Service District was held at the District office at 188 Fayette Street, Buckhannon West Virginia on March 13, 2019.

In attendance were Joe Tenney, Elmer Tenney, John Barnes, Terry Gould, and Vickie Dean.

The meeting was called to order promptly at 3:00 pm by Joe Tenney, acting chairman. The minutes of the previous meeting held on February 13, 2019 were read, motion to approve by Joe Tenney, seconded by Elmer Tenney.

A motion was made by Joe Tenney to appoint John Barnes to the board, seconded by Elmer Tenney. Terry Gould gave a brief history about TPSD to John Barnes.

Terry Gould reported the following:

* Ringers, board approved, to put risers on low manholes. Mr. Samples from City of Buckhannon has offered to help.

* We are now in compliance with what the city wants: which is taking care of the infiltration problems.

* Charlie Smith and Joanie Howard requesting more information about engineer requirements and approval for sewer hook ups.

* Norvell Drive generator had an LP gas leak and blew up. Elmer Tenney made a motion to replace the generator and Joe Tenney seconded.

Terry Gould presented the monthly financial reports and the bills to be paid. These reports and listing of invoices are attached and made a part of these minutes.

A motion to pay the invoices was made by Joe Tenney and seconded by Elmer Tenney.

HODGESVILLE PSD MONTHLY MEETING

DECEMBER 4 2018

4:00PM

The regular monthly meeting of the Hodgesville PSD was called to order at the District Office at 188 Fayette St. Buckhannon WV on the above date and time.

In attendance were Robert Wright; Chairman, Roger Ward, Secretary; Terry Gould, Manager and Barbara Curry.

The reading of the previous month's minutes was waived at this time.

Terry Gould presented the monthly financial reports and bills to be paid. These reports are attached and made part of these minutes. A motion to pay bills by Roger Ward and seconded by Robert Wright.

A review of the monthly billing report was made and a recap is included on the financial report attached to these minutes.

The districts shutoffs for the month of November included a total of 20 shutoffs. This resulted in a total collection of $2653.35 in past due collections.

Credit memos for the month of October and were reviewed and approved.

Robert Wright made a motion and Roger Ward seconded to increase the UBS, Inc. billing by $400.00 starting with the January billing.

Terry Gould discussed the following topics:

* Major leaks to be fixed: Oliver Kelley, Michael Channel and Arthur Bennett.

* Hodgesville PSD purchased the property near the Shumaker tank. Hodgesville's contractor, Ringers Inc. is planning to install a road to the tank. At some point the tank will need to be fenced and trees trimmed on the right-of-way.

* Terry and Ringers, Inc met with a representative of the Pipeline. The only area in the Hodgesville territory to be effected would be Woody Lumber Co.

* Received letter from the Better Business Bureau regarding our response to Kevin
Lingers complaint. The customer never answered the district's response. The matter had been completed before the customer notified the Bureau.

*Roger Ward and Robert Wright are to attend the Region VII meeting at 12pm on December 13, 2018.

*As soon as the District can afford, Terry wants a stand-by generator installed at the Hall Road ump Station.

There being no further business, the meeting adjourned at 4:55pm.

11/2018
10/2018
The rescheduled monthly meeting of the Hodgesville PSD was called to order at the District Office at 188 Fayette St. Buckhannon WV on the above date and time.

In attendance were Robert Wright, Chairman; Howard Cutright, Member; Terry Gould, Manager; Barbara Curry, UBS, Inc. and Dave Watson of Thrasher Engineering.

The reading of the December 4, 2018 minutes were read and approved.

Dave Watson of Thrasher Engineering gave an overview and cost estimate of the Weston Road/Forest View Project. The District will need to publish “A Request for Engineering Services” in the legal section of at least one or two newspapers that covers the area of Upshur County.

Terry Gould presented the monthly financial reports and bills to be paid. These reports are attached and made part of these minutes. A motion to pay bills by Howard Cutright and seconded by Robert Wright.

A review of the monthly billing report was made and a recap is included on the financial report attached to these minutes.

The district did not conduct a shut off for past due payments this month due to the Christmas and New Year holidays falling in the time period of our normal shut off.

Credit memos for the month of December were reviewed and approved.

Terry Gould discussed the following topics:

*Major leaks that have been fixed include: Oliver Kelley, Michael Channel and Arthur Bennett. When fixing the Bennett leak, it was going to leave one customer, Connie Canter without water for the weekend. Terry spoke with her and told her to buy what water she needed and the District would pay for it along with paying her current bill. Ms. Canter was very cooperative and appreciative.
Reviewed the Dept of Health and Human Resources inspection completed by Seth Myers.

Reviewed the 2019 Monitoring Schedule for Testing by the Dept. Of Health and Human Resources. This will be conducted by contractor, Alan Westfall of Quality Water Services LLC.

Three taps were installed this past month. The District received a complaint on the Loudin tap that was installed on the Ira Moore Rd. The customer called the PSC and stated that the tap was not installed where the customer had marked. Jeremy Quick of Ringers Inc. said that the tap would not be advisable on the 8-10 ft bank where customer had marked. He placed the tap between the telephone pole and the customers mailbox for easy reading and would not be ran over in this area. The PSC will be sending an investigator to talk to the customer and the District and make a decision from there.

*Interest rates on security deposits are now 1 ½ percent.

Customer Harold Walton complained that Ringers, Inc. had ran over his meter, however Ringers, Inc. stated that the Department of Highway ran over it. For customer satisfaction, Terry had Ringers, Inc. repair the barrel.

There being no further business, the meeting adjourned at 4:55pm.

HODGESVILLE PSD MONTHLY MEETING

FEBRUARY 5TH    2019

4:00PM

The regular monthly meeting of the Hodgesville PSD was called to order at the District Office at 188 Fayette St. Buckhannon WV on the above date and time.

In attendance were Robert Wright, Chairman; Roger Ward, Secretary; Howard Cutright, Member; Terry Gould, Manager; Barbara Curry, UBS, Inc.

The reading of the January 8, 2018 minutes were read and approved.

Terry Gould presented the monthly financial reports and bills to be paid. These reports are attached and made part of these minutes. A motion to pay bills by Howard Cutright and seconded by Robert Wright.

A review of the monthly billing report was made and a recap is included on the financial report attached to these minutes.

The district conducted shut offs for past due payments in January and collected a total of $5018.31.

Credit memos for the month of January were reviewed and approved.

Terry Gould discussed the following topics:

* County Commission requested a copy of our budget for the year ending 6/30/19 and to start providing them a copy of our monthly minutes. This information was provided by fax to the County Commission. The Record Delta printed an article in the newspaper the next day stating Hodgesville PSD was in compliance.

* A notice of publication advertising for Engineering Services was published in the Inter-Mountain. No other applications have been received at this time other than Thrasher Engineering.

* Discussed the need of a generator at the Hall Rd Pump Station. Possibly include this expense in the next project.

Reported pump failure at the Hall Rd. Pump Station. John Marteney is in the process of
purchasing a new pump.

The Board agreed to start paying Atlas Group LLC a payment of $1000.00 per month on the past due balance owed to them by Hodgesville.

Ringers, Inc. fixed a severe main water line break on Rt 20N near Pet Paradise. A boil water advisory was issued. Alan Westfall of Quality Water Services LLC did the required testing and all tests came back good and the advisory was lifted.

A discussion was held on the Health Department Inspection conducted by Seth Myers in January. An answer to his findings needs to be sent in this week.

John Harper from the PSC investigated the Christina Loudin/John Zorick complaint in regard to the placement of the Loudin tap on the Ira Moore Rd. He visited the site and spoke with the customers and then came to the district office and spoke with Terry. Mr. Harper stated he will take it to the PSC Engineers to review and make a decision.

A discussion was held in regard to Hodgesville’s water loss. Once the weather clears in March and April we are going to do night time valve checks.

There being no further business to discuss the meeting adjourned @ 5:05pm.

Members Absent: Tom O’Neill and Linn Baxa
Others Present: Arthur Wilson, Joe Carrico, Tim Hissam, Kevin Huffman-Guests and Toni Newman-Fire Fee Clerk

The Fire Board meeting was called to order by Joe Malcolm at 6:30 pm. All motions passed unanimously unless otherwise stated.

The meeting minutes from March 19, 2019, were reviewed. On motion by Larry Alkire, and second by Joe Gower, the Board approved the minutes.

The 2nd disbursement of the 2018 Fire Fees in the amount of $12,000.00 each was presented to the VFD representatives present.

The Fire Fee Clerk reported the 2018 Fire Fees are at 91 percent collected. Quarterly Financial statements were sent to the County Commission for this week’s meeting.

The checking account balance as of 03/29/2019 was $150,774.02. The disbursement from the Chief Tax Deputy for the month of March was $6,660.12.

The following invoices were reviewed and approved upon motion by Joe Gower and second by Clifton Shaw:

- Software Systems---Invoice # 32575---Maintenance Charge January---$216.00
- Upshur County Commission---Reimbursement---Postage---January, February, March---$305.10.

There was 1 Request for Relief of Erroneous Assessment approved by the Fire Board. There were no corrective tickets this month.

Under other matters to consider: Joe Gower reminded the board that they had discussed putting signage on the fire trucks in the Strawberry Festival Parade thanking the citizens of Upshur County for paying their fire fees. Kristie Tenney will make a sign to display on the lead vehicle.

There being no further business the meeting adjourned at 7:00p.m. The next meeting of the Board will be May 21, 2019.

Upshur County Public Library Board of Trustees Meeting
April 17, 2019

The regular meeting of the Upshur County Public Library Board of Trustees was held on Wednesday, April 17 at 4:00 p.m. at the library. Board members in attendance were Dennis Xander, Michelle Strader, Carol Smith, John Haymond, and Mike Kuba. Also in attendance were Paul Norko, Beth Rogers, Connie Cutright, and Ann Slaughter.

The minutes of the March 20, 2019 meeting were approved.

The financial reports were approved on a motion made by Michelle and seconded by Carol.

Director’s Report (see attachment)
**Michelle Cutright, a part time employee, has resigned.

Discussion then turned to the ramp dinner. We now have $10,000.00 in sponsorships.

The following information was from an email to Dennis from Bryson concerning the parking lot.
1. Steve Corder needs to finish the concrete work on the new side. This should include concrete light pole foundations and curbs.
2. Sean Carpenter needs to come back and backfill soil around the outside of the curbs.
3. We need to bid the asphalt work, such that we can get the base coat installed on the new side.
4. Once we are parking on the new side (on the base coat), Sean Carpenter can demolish the existing concrete and asphalt pavement.
5. Someone (maybe your guys) needs to install new underground conduits and utilities across the old parking area.
6. Steve Corder comes back to build the new curbs, storm water catch basin, and sidewalks.
7. Finally, the asphalt guys come back to install wearing course across old and new parking areas.

Not sure when we are going to run out of money...
We’ll need to work with Carrie to put together an asphalt paving bid package.
I’ll have time to work on this in early May.

Two preliminary budgets were discussed, one with raises and one without. Both budgets were in the deficit but not as much as the budget for FY 2019. We will have a better idea of end of year spending by the next board meeting and budgets will be discussed then.

The Holiday list for FY 2020 was approved on a motion made by Carol and seconded by Mike.

Ann reported the Friends will be giving the library $2000.00 for books in FY 2020. She also reported that they are currently having basket raffles and will have 18 or so items for silent auction at the ramp dinner. They are planning a bake/book sale on May 31 and June 1.

The next meeting will be Wednesday, May 15.

Meeting adjourned.

Respectfully submitted,

Connie Cutright

MTN Project Development Meeting Recap

April 30, 2019

Hosted by: Greater Morgantown CVB

Parties in attendance: Greater Morgantown CVB, Monongalia County Commission, Morgantown Area Partnership, Preston County Economic Development Authority, Harrison County Commission, Harrison County Economic Development Authority, Marion County CVB, Lewis County CVB, Tucker County CVB, Upshur County CVB, Grant County CVB, and Taylor County Economic Development Authority

Additional attendees: Joe Statler and Andy Brozik

Meeting moderated by: Jason Donahue

Overview

After discussing the Mountaineer Trail Network (MTN) itself and the Senate Bill 317, Jason explained the process that must be in place to move this project forward. The ultimate goal for MTN is to create an economic development attraction that will draw mountain bikers (non-motorized) older than 52-years-of-age. If they are visitors, these bikers will park their cars at the lodging property they choose to patronize (in either Monongalia, Preston, Marion, Harrison, Taylor, Barbour, Lewis, Upshur, Randolph, Grant, Tucker, and Mineral Counties) and take a three to four-hour ride on the MTN before experiencing other local attractions. If they are potential recruits or existing professionals in the area, this will only improve the quality of life and reason to remain in West Virginia. This plan is mirrored to the Hatfield and McCoy plan but does not include any motorized vehicles.

Jason explained how this plan would drive “high-end tourism” in each MTN community, for mountain bikes are as expensive as $5,000 per bike. The target markets for advertising this attraction would be within a 4-5-hour drive, which includes major cities such as Washington D.C., Baltimore, Cleveland, etc.

Andy Brozik from Pathfinder WV, an outdoor equipment store in Downtown Morgantown, provided his insight on the travel patterns of mountain bike enthusiasts. Typically, passionate mountain bikers travel all around the world to experience intense trails.

Next Steps and Future Goals

Originally, the first step to execute MTN, was to receive a resolution from each of the 12 County Commissions stating that they wish to participate in this project. Upon reviewing this process, the MTN Project Development Meeting attendees agreed that it would be best for all Economic Development Authorities, Convention Visitors Bureaus, and Chambers of Commerce to work together to develop a pitch to present to all County Commissions. Then, a board of directors would need to be formed and an Executive Director would later be hired to spearhead the project.

This will allow the County Commissions the opportunity to receive more information, analyze it, and assess whether it would be a suitable cause for funding. Jason suggested the network be in place before moving ahead on the project itself.

Jason discussed the potential opportunity for self-funding with the project as well, for annual and daily passes could be sold at a set rate.
**Plan of Action**

A group of volunteers from the meeting agreed to put together a white paper outlining the parameters of the organization, the purpose and mission of the organization as well as how it would be initially funded. They would also analyze what assets already exist based on information from sources such as WVU Extension. This will allow the regional County Commissions to review before considering approval to establish the proposed MTN.
