STANDARD CONDITIONS & ASSURANCES

Effective: July 23, 2019
Revision History: N/A

The following Standard Conditions and Assurances apply to all Grant Programs that the Division of Administrative Services, Justice and Community Services (JCS) Section administers. The application of these Assurances is applicable regardless of the source of funding and/or whether the recipient receives an upfront allocation of funds or is operating under a request for reimbursement process.

All correspondence to JCS, which is required and/or occurs as a result or action of any of the following Assurances, or as a result of the administration of any JCS grant program, should be mailed to the following address:

Justice and Community Services Section
1124 Smith Street, Suite 3100
Charleston, West Virginia 25301-1323

1. LAWS OF WEST VIRGINIA: This grant application/contract shall be governed in all respects by the laws of the State of West Virginia. State procedures and practices will apply to all funds disbursed by JCS, regardless of the original funding source. At the sole discretion of JCS, this grant can be based on a "reimbursement bases" mechanism, or a mechanism which awards an "upfront allocation" of funds on a quarterly or semi-annual basis. Upon timely notification to the grantee, JCS reserves the express right to commute an upfront allocation mechanism to a request for reimbursement mechanism for a recipient of funds, at any time during a grant period.

2. LEGAL AUTHORITY: The applicant hereby certifies it has the legal authority to apply for the grant; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directly authorizes the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required if applicable.

3. RELATIONSHIP: The relationship of the grantee to JCS shall be that of an independent contractor, not that of a joint enterprise. The grantee shall have no authority to bind JCS for any obligation or expense without the express prior written approval from JCS.

4. COMMENCEMENT WITHIN 60 DAYS: This project must be operational within 60 days of the project starting date, as specified in the grant contract agreement. If the project is not operational within 60 days of the specified project starting date, the grantee must report by letter to JCS, the steps taken to initiate the project, the reasons for delay, and the expected starting date.
5. **OPERATIONAL WITHIN 90 DAYS:** If the project is not operational within 90 days of the specified project starting date, the grantee must submit a second statement to JCS explaining the delay in implementation.

6. **SUSPENSION OF FUNDING:** The grantee acknowledges that acceptance of an award is not a guarantee of funds. Further, by accepting this award, the grantee acknowledges and agrees that JCS may suspend in whole or in part, terminate, or impose other sanctions on any grantee funds for the following reasons:

   - Failure to adhere to the requirements, standard conditions, or special conditions and assurances of this program;
   - 60 or more days late in submitting reports;
   - Failure to submit reports;
   - High Risk Grantee as determined by the JCS High Risk Assessment; or
   - Any other cause shown.

7. **SANCTIONS FOR NONCOMPLIANCE:** In the event of the grantee's noncompliance with the terms, conditions, covenants, rules, or regulations of this grant, JCS shall impose such contract sanctions, as it may deem appropriate, including but not limited to:

   - Withholding of payments to the grantee until the grantee complies or, if reports are more than 60 days late, the funding for that month is forfeited and may not be recouped or remedied;
   - Cancellation, termination or suspension of the contract, in whole or in part;
   - Refraining from extending any further assistance to the grantee until satisfactory assurance of future compliance has been received;
   - If the grantee is receiving funds on an upfront basis, JCS can commute the transfer of funds mechanism to a reimbursement only process for the remainder of the grant period;
   - If the grantee is receiving funds on an upfront basis and a determination is made by JCS that funds were intentionally or unintentionally misused, misappropriated, misspent or otherwise not consistent with the intents and purpose of the grant, the grantee automatically forfeits any remaining funds from the grant program, and any other awarded funds from any other program, until a satisfactory resolution has been achieved;
   - If a grantee is indebted to JCS for any amount of funds at the close of an applicable quarter, semi-annual or end of a grant period, and the debt is not resolved within 30 days following the close of those periods, the grantee acknowledges and agrees that it is automatically ineligible to receive or apply for funds from JCS for any grant program; and
   - Grantee agrees and acknowledges that under no circumstances may it commute a debt to be applied as matching funds; or, will JCS reduce a future quarterly or semi-annual allotment or future award as repayment of the debt. Repayment must be from a general account or an account unrelated to the grant award.
8. **ACCOUNTING REQUIREMENTS:** Grantee agrees to record all project funds and costs following generally accepted accounting principles. A unique account number or cost recording must separate all project costs from the grantee's other or general expenditures. Adequate documentation for all project costs and income must be maintained. Adequate documentation of financial and supporting material must be retained and be available for audit purposes. Federal regulations prohibit the commingling of Federal grant funds with funds from other sources; further, funds received on an upfront basis from JCS for one program may not be commingled with funds received on an upfront basis for another JCS program.

9. **REPORTS:** Regardless of an award being on an upfront or reimbursement basis, each grantee shall submit all reports as JCS requires necessary to the execution of monitoring, stewardship, and evaluation of programmatic and fiscal responsibilities.

10. **WRITTEN APPROVAL OF CHANGES:** The grantee must obtain prior written approval from JCS for all project changes (programmatic, fiscal or otherwise) before those changes are executed.

11. **OBLIGATION OF PROJECT FUNDS:** Funds may not, without prior written approval from JCS, be obligated prior to the effective start date or subsequent to the termination date of the project period. Obligations outstanding as of the project termination date shall be liquidated within thirty (30) days.

12. **USE OF FUNDS:** Funds awarded through JCS may be expended only for the purposes and activities specifically covered by the grantee's approved project scope and budget. By attaching their signature, the grantee recognizes that any deviations from the original grant budget are unallowable.

13. **ALLOWABLE AND UNALLOWABLE COSTS:** Allowable and unallowable costs incurred under this grant shall be determined in accordance with General Accounting Office principles and standards, state guidelines, and federal guidelines pursuant to the specific grant program.

14. **PURCHASING:** When making purchases relevant to the grant, the grantee will abide by applicable State and local laws, which address purchasing procedures by a state or local unit of government or another agency. See 148CSR1 of the West Virginia State Code.

15. **PROJECT INCOME:** All income earned by the grantee as a result of the conduct of this project must be accounted for and included in the total budget. Project income is subject to the same expenditure guidelines established for grant funds by JCS. All grantees must maintain records that clearly show the source, the amount, and the timing of all project income. There is no waiver provision for the project income requirement.

16. **MATCHING CONTRIBUTION:** The grantee will have available, and will expend as required, adequate resources to defray that portion of the total costs as set forth in this application as "match" and as approved by JCS. The applicant assures that the matching funds required to pay the grant portion of the cost of each program and project, for which funds are made available, shall be in addition to funds that would otherwise be made available for the proposed project by the recipients of grant funds and shall be provided on a project-by-project basis. Matching contributions are subject to the same expenditure guidelines as grant funds for this program. All grantees must maintain records that clearly show the source, the amount, and the timing of all matching contributions. In addition, Federal grant dollars from any source may not be utilized as matching funds.
17. **TIME EXTENSIONS:** In general, time extensions will not be granted. Unexpended grant funds remaining at the close of the grant period shall be deobligated. Funds remaining at the end of a project where an upfront allocation will, by the deadline of the final financial and progress report, be remitted back to JCS.

18. **NON-SUPPLANTING:** Grant funds must be used to supplement existing funds for program activities and may not replace (supplant) funds that have been appropriated for the same purpose. Potential supplanting will be the subject of monitoring and audit. Violations can result in a range of penalties, including suspension of future funds under this program, suspension or debarment from state grants, recoupment of monies provided under this grant, and civil and/or criminal penalties. The grantee hereby certifies that funds made available under this grant will not be used to supplant other funding sources.

19. **TRANSFER OF FUNDS PROHIBITION:** The grantee is expressly prohibited from transferring funds between any JCS programs. Federal regulations prohibit the commingling of Federal grant funds with funds from other sources.

20. **TRAINING:** For projects involving payment of personnel, JCS reserves the right to require training as a condition of the grant before or at any time during the project period.

21. **PURCHASE OF AMERICAN-MADE EQUIPMENT/PRODUCTS:** To the extent practicable, all equipment and products purchased with state funds made available under this grant should be American-made.

22. **MARKING OF EQUIPMENT:** Grantee will ensure that all equipment purchased with grant funding shall be prominently marked as follows: "Purchased with funds provided by Justice and Community Services."

23. **PROPERTY ACCOUNTABILITY:** The grantee shall establish and administer a system to control, protect, preserve, use, maintain, and properly dispose of any property or equipment furnished it, or made available through a grant by JCS. This obligation continues as long as the property is retained by the grantee, notwithstanding the expiration of this agreement. Prior to sale, trade in or disposal of property, disposition instructions will be obtained from JCS. Grantee assures inventory checks will be performed annually or pursuant to guidance promulgated in the Administrative Manual for this program (if applicable), with copies provided to JCS. Property must be used for the intended grant purposes. If the property is not being used in accordance with terms of the grant, said property will revert to JCS.

24. **COMPUTER EQUIPMENT:** Grantees purchasing computer equipment (hardware, software, or peripherals) with grant funds are required to adhere to the established bidding procedures for their respective units of government or agency. To ensure reputable vendors are obtained, grantees may consider utilizing the current applicable State computer contract. Computer equipment must adhere to minimum requirements established by the West Virginia Office of Technology.

25. **LEASE AGREEMENTS:** Grantee agrees to provide JCS with a copy of the lease arrangement if funds are being requested for reimbursement or utilized as match.

26. **PATENTS AND/OR COPYRIGHTS AND RIGHTS IN DATA:** Grantee acknowledges that JCS, or any applicable parent federal agency, reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use, for State or Federal government purposes: (1) the copyright in any work developed under an
award or sub award; and, (2) any rights of copyright to which a recipient or sub recipient purchases ownership, in whole or in part, with State or Federal support. Grantee agrees to consult with JCS regarding the allocation of any patent rights that arise from, or are purchased with, this funding.

27. **ACCESS TO RECORDS:** JCS, through any authorized representative, shall have access to and the right to examine all records, books, papers, or documents related to the grant and to relevant books and records of contractors.

INSTRUCTIONS

Completing the Certification Form
Compliance with the Equal Employment Opportunity Plan (EEOP) Requirements

The federal regulations implementing the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, require some recipients of financial assistance from the U.S. Department of Justice subject to the statute's administrative provisions to create, keep on file, submit to the Office for Civil Rights (OCR) at the Office of Justice Programs (OJP) for review, and implement an Equal Employment Opportunity Plan (EEOP). See 28 C.F.R.: pt. 42, subpt. E. All awards from the Office of Community Oriented Policing Services (COPS) are subject to the EEOP requirements; many awards from OJP, including awards from the Bureau of Justice Assistance (BJA), the Office of Juvenile Justice and Delinquency Prevention (OJJDP), and the Office for Victims of Crime (OVV), are subject to the EEOP requirements; and many awards from the Office on Violence Against Women (OVW) are also subject to the EEOP requirements. If you have any questions as to whether your award from the U.S. Department of Justice is subject to the Safe Streets Act's EEOP requirements, please consult your grant award document, your program manager, or the OCR.

Recipients should complete either Section A or Section B or Section C, not all three.

Section A

The regulations exempt some recipients from all of the EEOP requirements. Your organization may claim an exemption from all of the EEOP requirements if it meets any of the following criteria: it is a nonprofit organization, an educational institution, a medical institution, or an Indian tribe; or it received an award under $25,000; or it has less than fifty employees. To claim the complete exemption from the EEOP requirements, complete Section A.

Section B

Although the regulations require some recipients to create, maintain on file, and implement an EEOP, the regulations allow some recipients to forego submitting the EEOP to the OCR for review. Recipients that (1) are a unit of state or local government, an agency of state or local government, or a private business; and (2) have fifty or more employees; and (3) have received a single grant award of $25,000 or more, but less than $500,000, may claim the limited exemption from the submission requirement by completing Section B. In completing Section B, the recipient should note that the EEOP on file has been prepared within twenty-four months of the date of the most recent grant award.

Section C

Recipients that (1) are a unit of state or local government, an agency of state or local government, or a private business, and (2) have fifty or more employees, and (3) have received a single grant award of $500,000 or more, must prepare, maintain on file, submit to the OCR for review, and implement an EEOP. Recipients that have submitted an EEOP Utilization Report (or in the process of submitting one) to the OCR, should complete Section C.

Submission Process

If a recipient receives multiple awards subject to the Safe Streets Act, the recipient should complete a Certification Form for each grant. Recipients should download the online Certification Form, have the appropriate official sign it, electronically scan the signed document, and then send the signed document to the following e-mail address: EEOPforms@usdoj.gov. The document must have the following title: EEOP Certification. If you have questions about completing or submitting the Certification Form, please contact the Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, DC 20531 (Telephone: (202) 307-0690 and TTY: (202) 307-2027).

RE: Blasting Operations
Permit No. S-2006-04
Permit No. Q-2006-14

Dear Sir or Madame:

Notice is hereby given that Nesco, Inc., 709 Middletown Road, Fairmont, WV 26554, (304) 534-5276, surface mine permit No. S-2006-04 and quarry permit No. Q-2006-14, situated in Meade District of Upshur County, approximately 2.3 miles northeast of Adrian (nearest Post Office), West Virginia, will be conducting blasting activities in accordance with all State and Federal Laws and as approved by the Department of Environmental Protection. Blasting activities will occur Monday through Saturday from “sunrise to sunset”. No blasting shall be conducted on Sunday. Blasting is to commence on August 26, 2019 and continue through August 27, 2020.

Ten minutes prior to and immediately after each blast, all access to the specific area will be safeguarded from unauthorized entry. The warning signal prior to each blast shall be from a horn, air horn or siren audible to at least one half mile from the blast. The warning will be given three (3) minutes prior to detonation and will consist of three (3) short warning signals of five (5) seconds duration with five (5) seconds between each signal. The all clear signal shall be one long warning from a horn, air horn or siren, of twenty (20) seconds duration.

Blasting shall be conducted in such a way so as to prevent adverse impacts to the public or the environment.

Blasting activities will not be conducted at times other than those announced in the blasting schedule except in the event of an emergency situation where rain, lightning, or other atmospheric conditions, or operator or public safety requires unscheduled detonations.

Respectfully,

Nesco, Inc.
• If the area is large (i.e., greater than 6 inches in diameter), the tar and the impacted soil will be removed prior to solidification and placed in a bucket or wheelbarrow for solidification treatment. Following solidification treatment, the material will be placed in a predesignated low area of the Site and covered with 12 inches of clean topsoil as dictated in the SMP, then seeded. The area from which the material was removed will have an equivalent amount of clean topsoil added, then seeded.

• Areas that are barren (grass growth impeded by the previous addition of Portland cement) will have an approximate four-inch layer of clean topsoil added, then seeded.

No overall change in site elevation is anticipated. Environmental Standards will provide direct oversight of the soil cap improvement activities performed by E2C. It is estimated the soil cap repairs will require two field days. Mr. Greg Woody, Camp Director, will perform follow up inspections on the condition of the soil cap and report to the UCC if further tar wicks to the surface. Any future maintenance or repairs to the soil cap will be managed by the attached SMP.

The soil cap improvements are scheduled to be completed prior to August 31, 2019.

If you have any questions or need additional information, please feel free to contact me.

PROJECT UPDATE: UPSHUR COUNTY YOUTH CAMP ARCHERY RANGE

BROWNFIELDS GRANT

Status of Remediation Services

- April 25, 2019, WVDEP approved use of recreational use clean-up standards for the site. Based on these, the soil and tar do not present an excess risk to users of the Camp. But the tar required remediation for the Camp to use the site as desired.
- May 1, 2019. Contractor, E2C, completed the pine tar remediation, with oversight from Lydia Work, LRS, Environmental Standards. In specified areas, large amounts of pine tar were buried, Portland cement added to solidify, and on-site soils used to create a soil cap. Work dictated no elevation change in order to forgo flood plain permit. Area was hydro seeded. Some areas of cap retained surface water due to topography and abundance of rain.
- June 6, 2019, Environmental Standards submitted a Remediation Completion Report to the WVDEP.
- June 14, 2019. Contractor, E2C, returned to the site in response to pine tar globules appearing at surface. Portland cement was added to the surface in these areas.
- June 26, 2019. WVDEP visited site and reported pine tar was still visible and questioned if the soil cap had been breached.
- July 9-10, 2019. Lydia Work, LRS, Environmental Standards, returned to site to investigate the observed tar and the soil cap’s current condition. Weather was very hot and sunny; observations are summarized below:

Subject: Remedial Action Work Plan - Addendum Number 2
        Soil Cap Improvements
        Youth Camp Archery Range (VRP #18028)
        Selbyville, Upshur County, West Virginia

Dear Mr. Sutphin:

On behalf of the Upshur County Commission (UCC), the Licensed Remediation Specialist
(LRS), is submitting this Remedial Action Work Plan (RAWP) Addendum number two,
associated with soil cap improvements at the Upshur County Youth Camp Tar Pit property
located in Selbyville, Upshur County, West Virginia.

This RAWP Addendum has been provided in response to small tar globules wicking to the
surface from soil cap soils, as well as improving soil cap conditions in barren areas. It is
important to note these conditions do not present an excess health risk but are designed to
improve the appearance and usability of the ground surface. As background, please refer to the
Project Update provided by Environmental Standards on July 11, 2019, attached to this RAWP
Addendum. Following discussions with you, the UCC, Mr. Ross Brittain, West Virginia
Department of Environmental Protection (WVDEP) Toxocologist, and Enri Brittain, Brownfields
Program Manager, WVDEP, on July 11, 2019 it was agreed soil cap improvements were
warranted.

The previously approved RAWP, dated October 2018, included a Soil Management Plan (SMP)
to address soil cap maintenance and repairs. The SMP has been updated and is provided here
as the guideline for the soil cap improvements to be undertaken by the UCC.

The soil cap improvement tasks will include:

- EnviroCheck of Virginia, Inc. (E2C) will return to the site and solidify all visible pine tar,
  including soils beneath if suspect for containing tar that may wick to the surface in the
  future.

- If the area is very small (i.e., less than 6 inches in diameter), the solidification will be
  performed in-situ, followed by a covering of clean topsoil enough such that grass can
take root, followed by the addition of grass seed.
- Majority of site was grass covered (Photo 1).
- Standing water still present on the site in a few small areas (Photo 2).
- Pine tar was observed at the surface, predominantly in the soil cap areas. Most were very small, ranging in size from silver dollar to tea plate (Photo 3). Largest was approximately 4' x 1.5' (Photo 4).
- Areas where grass was absent seemed to correspond with locations that Portland cement was added and/or there was standing water. Cement would presumably change the soil pH, making conditions difficult for plant growth.
- Pine tar odors greatly reduced since previous visits, except near areas where tar was visible.
- Lydia Work, with shovel, dug up the largest pine tar globule, confirming the soil cap had not been breached. The source of the pine tar was impacted site soils used in the cap (Photo 5). In April/May, the pine tar was not visible in the clay soils, but with heat and sun, the pine tar has become free flowing, appearing at the surface.
- Lydia Work, in order to improve odors and hinder additional pine tar flows, added Portland cement to all visible tar globules on the site. A few of the larger pine tar globules were dug up or skimmed from the surface, solidified, and placed in a low area on the site.

Recommendations

- E2C and Environmental Standards return to the site, remove all visible pine tar globules, including soils beneath if suspect for tar, add Portland cement if still needed after July 10th treatment, place in low area of site (southwest corner is low and out of the way), and cover as dictated in the WVDEP approved Soil Management Plan.
- Areas that are waterlogged and impacted by the addition of Portland cement should have a layer of clean topsoil added and reseeded. No change in elevation anticipated.

Upcoming tasks

- Additional remediation as approved by the WVDEP.
- Update Remediation Completion Report (RCR) and submit to the WVDEP.
- WVDEP approve RCR and approve Land Use Covenant, already submitted.
- The Final Report and request for a Certificate of Completion has been drafted and submitted to the Commission for review. The Final Report will be updated once additional remediation is completed.

Re: Project Number 19-CSF-20

Dear Ms. Lemon,

On Monday, August 5, 2019, a technician from Micrologic Inc. was on-site preparing to install the corner mount surveillance camera in the Courthouse Annex elevator which was approved for purchase utilizing Court Security Funds. During this time a thyssenkrupp inspector was also on-site conducting an annual inspection. It has been brought to the Commission’s attention that in order for the warranty on the elevator to remain in good standing, a new shielded travel cable must be used for the surveillance camera as the lines emit radiation. The estimate for this cable, provided by thyssenkrupp, is in the amount of $6,570.

The grant funds awarded to the Upshur County Commission amount to $3,275; therefore, the Commission would like to inquire if there are funds remaining within the Court Security Fund that could be reallocated for this project in particular. Your consideration of this request will be greatly appreciated. If you have any questions, please feel free to contact our office.

Best regards,

Unless otherwise agreed, it is understood that the work described above will be performed during regular working days and hours which are defined as Monday through Friday, 8:00AM to 4:30PM (except holidays and scheduled union holidays). If overtime is mutually agreed upon, an additional charge to thyssenkrupp Elevator's usual rates for such work shall be added to the price of this Work Order.

In consideration of thyssenkrupp Elevator performing the work described above Purchaser, to the fullest extent permitted by law, expressly agrees to indemnify, defend, save harmless, discharge, release and forever acquit thyssenkrupp Elevator, its employees, officers, agents, affiliates, and subsidiaries from and against any and all claims, demands, suits, and proceedings made or brought against thyssenkrupp Elevator, its employees, officers, agents, affiliates and subsidiaries for loss, property damage (including damage to the equipment which is the subject matter of this Work Order), personal injury or death that are alleged to have been caused by Purchaser or any others in connection with the design, manufacture, maintenance, installation, removal, manufacture, design, operation or condition of the vertical transportation equipment that is the subject of this Work Order, or the associated areas surrounding such equipment. Purchaser's duty to indemnify does not apply to the extent the loss, property damage (including damage to the equipment which is the subject matter of this Work Order), personal injury or death is determined to be caused by or resulting from the negligence of thyssenkrupp Elevator and/or its employees. Purchaser recognizes, however, that its obligation to defend thyssenkrupp Elevator and its employees, officers, agents, affiliates and subsidiaries under this clause is broader and distinct from its duty to indemnify and specifically includes payment of all attorney's fees, court costs, interest and any other expenses of litigation arising out of such claims or lawsuits.

Purchaser expressly agrees to name thyssenkrupp Elevator along with its officers, agents, affiliates and subsidiaries as additional insureds in Purchaser's liability and any excess (umbrella) liability insurance policy/policies. Such insurance must insure thyssenkrupp Elevator, along with its officers, agents, affiliates and subsidiaries for those claims and/or losses referenced in the above paragraph, and for claims and/or losses arising from the negligence or legal responsibility of thyssenkrupp Elevator and/or its officers, agents, affiliates and subsidiaries. Such insurance must also specify that its coverage is primary and non-contributory.

thyssenkrupp Elevator shall not be liable for any loss, damage or delay caused by acts of government, labor strikes, strikes, lockouts, fire, explosions, riot, civil commotion, war, malicious mischief, acts of God, or any cause beyond its control. thyssenkrupp Elevator Corporation shall automatically receive an extension of time commensurate with any delay regarding the work called for in this Work Order.

Should loss or damage to thyssenkrupp Elevator's material, tools or work occur in the location that is the subject of this Work Order, Purchaser shall compensate thyssenkrupp Elevator herefor, unless such loss or damage results solely from thyssenkrupp Elevator's own acts or omissions.

If any drawings, illustrations or descriptive matter are furnished with this Work Order, they are approximate and are submitted only to show the general style and arrangement of equipment being offered, Work Order.

Purchaser shall bear at their(s) expense any inspection of thyssenkrupp Elevator's work, due to items outside the scope of this Work Order or for any inspection arising from the work of other trades requiring the assistance of thyssenkrupp Elevator.

Purchaser expressly agrees to waive any and all claims for consequential, special or indirect damages arising out of the performance of this Work Order and specifically releases thyssenkrupp Elevator from any and all such claims.

A service charge of 1.5% per month, or the highest legal rate, whichever is greater, shall be added to delinquent accounts. In the event of any default of any of the payment provisions herein, Purchaser agrees to pay, in addition to any defaulted amount, any attorney's fees, court costs and all other expenses, fees and costs incurred by thyssenkrupp Elevator in connection with the collection of that defaulted amount.

Purchaser agrees that this Work Order shall be construed and enforced in accordance with the laws of the state where the vertical transportation equipment that is the subject of this Work Order is located and consent to jurisdiction of the courts, both state and federal, of that state or states, and that all matters and disputes arising out of this Work Order, Purchaser further agrees to waive trial by jury for all such matters and disputes.

The rights of thyssenkrupp Elevator under this Work Order shall be cumulative and the failure on the part of thyssenkrupp Elevator to exercise any rights given hereunder shall not operate to forfeit or waive any of said rights and any extension, indulgence or change by thyssenkrupp Elevator in the method, mode or manner of payment or the time of payment, or any other rights, shall not be construed as a waiver or any of its rights under this Work Order.

In the event any portion of this Work Order is deemed invalid or unenforceable by a court of law, such finding shall not affect the validity or enforceability of any other portion of this Work Order.

This Work Order shall be considered as having been drafted jointly by Purchaser and thyssenkrupp Elevator and shall not be construed or interpreted against either Purchaser or thyssenkrupp Elevator by reason of either Purchaser or thyssenkrupp Elevator's role in drafting same.

In the event Purchaser's acceptance of the work called for in this Work Order is in the form of a purchase order or other kind of document, the provisions, terms and conditions of this Work Order shall exclusively govern the relationship between thyssenkrupp Elevator and Purchaser with respect to the work described herein.

Dear Community Leader:

With an increasing awareness on global environmental issues, it is more important than ever to attend the 2019 WV Educational Conference on Litter Control and Solid Waste Management taking place October 20-22, 2019, at Canaan Valley Resort State Park.

This conference is the one time of the year that solid waste authorities, state officials, private haulers and municipal government leaders gather to discuss environmental issues, share ideas and successful strategies and develop a stronger network for more effective solid waste management, recycling, and litter control across the entire state.

We've continued our tradition of excellence with comprehensive educational sessions covering a wide variety of topics including Mandatory Disposal Enforcement, Community Salvage Programs, and much more.

I have enclosed a tentative conference agenda and a conference Attendee Registration form for your use. Please consider joining us for this year's conference.

If you have any questions about registering for the conference, please contact Annette Hoskins, 304-926-0499, extension 1659 or by email to annette.l.hoskins@wv.gov.

I hope to see you in October!

Chair Joyce Harris-Thacker called the regularly scheduled meeting to order in the Conference Room of the UCSWA (located at 380 Mudlick Road, Suite 102, Buckhannon, WV 26201) at 4:30 PM on July 8, 2019.

Present at the meeting were: Joyce Harris-Thacker, Mary Gower, G. Paul Richter, Jacquelin (Jackie) McDaniel, James S. “Jay” Hollen, III, and Director Burl Smith. A quorum was present. There was one guest, JP Phillips, General Manager of Mountain State Waste.

The first order of business was the election of officers for FY 2020. A motion from Paul that the officers remain the same for FY 2020. Second by Mary. Motion carried.

The officers for FY 2020 are: Chair - Joyce Harris-Thacker; Vice Chair - Jacqueline (Jackie) McDaniel; Treasurer - James S. “Jay” Hollen, III.

Minutes of the June 10, 2019 meeting had previously been sent to the members and were part of the Agenda packet. A motion to accept the minutes by Jay and second by Paul. Motion carried. The minutes were signed by the Chair and Director.

The Financial Report for June was presented by the Treasurer, Jay. Register Reports for the four bank accounts with First Community Bank covering June 2019 were presented. The ending balances for the accounts are as follows:

- REAP Account $100.00
- SWMB Account $100.00
- Money Mkt Account $19,546.59
- Operating Account $12,956.11

A motion to accept by Paul and seconded by Mary. Motion carried.

Director's Report:

Burl Smith presented a written copy of the Director's Report for the period from June 11, 2019 to July 8, 2019, a copy of which is attached as part of the minutes. Additionally, Burl noted that some items he had been working on will be covered under Old and New Business.

Recognition of Guests:

JP Phillips stated that he came to the meeting because of the discussion on Recycling and Marketing Issues agenda item. He contributed to the discussion during the New Business agenda item and left the meeting after that agenda item.
Old Business: None.

New Business:

- **City of Buckhannon Recycling Program/Marketing Issues** —

  Burl opened the discussion by noting that he attended the 7/2/19 City of Buckhannon Waste Board meeting along with Jackie McDaniels, Jay Holley and Paul Richter. He learned that the issue about the rejection of the mixed newspaper/magazine load discussed at the June meeting was because of mis-marketing of the load. It was sent as a No. 1 new print which commands a much better price per ton. However, the City’s mixed paper collection failed to meet the quality criteria. Jerry Arnold, at that meeting, stated that the solution is to properly market the materials. It was brought out at that meeting, that the recycling market is down at this time and that nationwide, recycling operations are having to make adjustments. The City is taking the long-term position of getting much material out of the waste mainstream by recycling and avoiding landfill tipping costs. Based upon this report, there is no specific action required by the UCSWA.

- **WV SWMB -- Request for Bylaws and Handbook** — Burl presented a request from the WV SWMB for copies of Bylaws and the Employee Handbook. If the bylaws were more than five years old they should be reviewed and possibly updated. He noted that this item had been addressed at the November 12, 2018 UCSWA Board meeting at which time the bylaws were reviewed and left unchanged and a copy sent to the SWMB. The Board had declined to develop an employee handbook for one part time employee. A motion by Jackie and a second by Jay that Burl notify the WV SWMB of the 11/12/2018 action and that nothing had changed in the interim. Motion carried.

- **FY 2019 SWMB Grant Final Report** — Burl presented the Final Report for review. He noted that all money had been spent in accordance with the approved grant as amended. Motion to have the chair sign the final report by Paul. Second by Mary. Motion carried.

- **WV State Auditor -- Small Gov't Monitoring Program, In Lieu of Audit** — Burl noted that notice had been received from the WV State Auditor of the availability of this program. Although this program is available, the UCSWA has a contract for the FY 2019 Audit already. Use of this program could be a good consideration for next year.

- **Financial Report for FY 2019** — Burl and Jay presented the FY 2019 Financial Report for Review. A motion by Jackie and second by Paul to accept the FY 2019 Financial Report. Motion carried. The Report was signed by Jay and Burl and will be filed with the minutes of this meeting.

Board Member Items:

Burl noted that a letter of reappointment of Jackie to another term ending June 30, 2023 was received.
With no further business, the meeting adjourned at 5:15 PM.

Respectfully Submitted,

The Director's Report is attached on Pages 4 of 4.
Activities include:

- Prepared and distributed by email the minutes of the 6/10/19 meeting.
- Checked upshurwa@yahoo.com email daily.
- Checked mail at Post Office 2 or more times per week.
- Received email of Direct Deposit to Operating Account of SWMB Approved check ($35810.11) 6/10/19. Made a copy of the notice and put in file. Since this amount exceeds previous month's checks, I called Scott Norman of the SWMB for an explanation. The check amount is correct. It just reflects the lower than average of previous month's checks.
- No Upshur County Magistrate Court checks during this time period.
- Received monthly bank statements on the four accounts and reconciled balances. Everything is okay for June 2019. I printed Register Reports for the bank accounts showing current month transactions for the Operating and Money Market accounts and all transactions for REAP and SWMB accounts for the current grants.
- Prepared checks for payment of bills.
- Cleaned office.
- Prepared Agenda and meeting package for the regularly scheduled 7/8/19 meeting. Posted Agenda on the office window and emailed to UCSWA Board, Upshur County Commission, press, etc. I did not post on the W V Secretary of State's website meeting notice because according to some at the WV SWMB this is unnecessary. Starting this FY 2020, this will no longer be posted.
- Pickup of fiber at Crossroads Recycling Center was done twice this month.
- Received W V CoRP Director's insurance certificate for coverage for FY 2020.
- Received thank-you letters from 4th of the campaign to Judi Conservation Camp which was sponsor.
- Attended the 7/8/19 City of Buckhannon Waste Board meeting along with Jacks McDaniel's, Jay Hollen and Paul Richter. Learned that the issue about the rejection of the mixed newspaper/paper/ads load discussed at the June meeting was because of the marketing of the load. It was sent as a No. 1 newspaper which commands a much better price per ton. However, the City's mixed paper collection failed to meet the quality criteria. Jerry Arnold, at that meeting, stated that the solution is to properly market these materials. It was brought out at that meeting that the recycling market is down at this time and that nationwide, recycling operations are having to make adjustments. The City is taking the long-term position of getting much material out of the waste mainstream by recycling and avoiding landfill tipping fees.
- Put copies of FY 2020 UCSWA Budget in packet for Board members.
- Mailed FY 2020 REAP Grant application. Received notice that it was received.
- Began preparing books for FY 2020 in UCSWA office.
- Prepared Final Report for FY 2019 SWMB Grant to be presented at July Board meeting. All money has been expended according to the approved grant budget as modified.
- Prepared FY 2019 Financial Report. It was reviewed by Treasurer Jay Hollen and we both signed off on the Report. Will be presented at July board meeting.

Thanks—Bill
