1. Hearing upon the Petition/Complaint of the Upshur County Safe Sites and Structures Enforcement Agency -- Chapman Case Number 101118-01 (Warren Tax District – Tax Map 6B Parcel Number 11).

Next Regular Meeting of the Upshur County Commission
October 10, 2019 --- 9:00 a.m.
Upshur County Courthouse Annex

**The regularly scheduled Upshur County Commission Meeting on October 17, 2019 is CANCELLED**
In Re: The Estate of Sarah Downes, deceased
Objection to the Claim filed on June 24, 2019 by Michael Alborano

**FINAL HEARING RECOMMENDATIONS**

On the 9th day of September 2019, came the Claimant, Michael Alborano, in person and
the Executrix, Catherine Hesser, in person for a hearing before the undersigned Fiduciary
Commissioner on the Objection to the Claim filed on June 24, 2019 by Michael Alborano in the
amended amount of $2,000.00.

Sworn testimony was provided by Michael Alborano, Barbara Ann Loftis, and Rodney
John Biller.

Upon consideration of all of which, a review of the undersigned’s file on this matter and
the applicable West Virginia Code, the undersigned Fiduciary Commissioner makes the
following **Findings of Fact and Conclusions of Law:**

2. Peter Downes, the first Executor named in the Last Will and Testament of Sarah Downes
   of record in the Office of the Clerk of the Upshur County Commission in Will Book 63 at
   Page 333, is deceased.
3. Philip Downes, the second Executor named in the Last Will and Testament of Sarah
   Downes of record in the Office of the Clerk of the Upshur County Commission in Will
   Book 63 at Page 333, declined to serve.
4. On May 23, 2019, Catherine Hesser qualified as the Administratrix with the Will
   Annexed of the Estate of Sarah Downes.
5. On June 24, 2019, Michael R. Alborano filed a $2,000 claim against the Estate of Sarah
   Downes. Mr. Alborano’s claim included a portion of an email sent to the Administratrix,
unlabeled photos of assorted woodworking equipment, and a cancelled check dated October 30, 2018 to Sarah Downes with a memo line of “Woodworking Tools.”

7. Michael Alborano testified that:
   a. He first purchased woodworking tools from Sarah Downes in approximately August 2015.
   b. He contacted Sarah Downes in September 2018 and requested to purchase more tools.
   c. He offered to purchase five tools valued at $1350.00 (drill press $150, joiner / planer $150, table saw with dust collector $500, lathe with gouges $400, chop saw $150) for $1800.00
   d. Sarah Downes declined the offer of $1800 for $1350 worth of tools and the parties agreed upon a sale price of $2000.00 for $1350.00 worth of tools.
   e. He gave Sarah Downes the check for $2000.00 and the parties agreed that he would pick up the tools that he purchased in October 2018 at a later and unspecified date because he was a truck driver that no longer resided in West Virginia.
   f. There was no contract for the sale of the tools.
   g. There was no list of the tools that he purchased.
   h. He advised Sarah Downes in March 2019 of his intent to pick up the tools during the Strawberry Festival weekend of May 2019.
   i. Sarah Downes passed away in April 2019.

8. Barbara Loftis testified that:
a. Sarah Downes personally informed her at the end of 2018 that she sold Michael Alborano “a lot of tools.”
b. Sarah Downes personally informed her on an unknown date that Michael Alborano was coming to pick up the tools during the Strawberry Festival weekend of May 2019.

9. Rodney J. Biller testified that:
   a. Sarah Downes personally informed him during a Lion’s Club meeting that Michael Alborano purchased her father’s woodworking equipment.
   b. During the same conversation, Sarah Downes personally informed him that Michael Alborano had paid her, but still needed to pick up the tools in the future.

10. Michael Alborano gave Sarah Downes a check for $2000.00 for “Woodworking Tools” on or about October 30, 2018 and she negotiated the same.

11. There was no written contract between Michael Alborano and Sarah Downes for the sale of woodworking tools.

12. There was no written list of the woodworking tools purchased by Michael Alborano from Sarah Downes.

13. There was no written document detailing Michael Alborano’s taking possession of the woodworking tools.

14. Michael Alborano purchased five wood working tools from the estate valued at $1350.00; to wit: drill press, joiner / planer, table saw with dust collector, lathe with gouges and chop saw.

15. Michael Alborano was derelict in not taking ownership of the five wood working tools between October 30, 2018 and April 4, 2019.
16. Michael Alborano was derelict in not establishing a written and specified date to take ownership of the five wood working tools between October 30, 2018 and April 4, 2019.

17. The Estate no longer has possession of the drill press, joiner / planer, table saw with dust collector, lathe with gouges and chop saw as they are among the items in the possession of Aaron Harris Auction Services pursuant to a written contract between Catherine Hesser and Aaron Harris.

18. Michael Alborano is entitled to the monies received by the Estate from Aaron Harris Auction Services for the sale of the drill press, joiner / planer, table saw with dust collector, lathe with gouges and chop saw.

19. The Estate should issue said the monies received by the Estate from Aaron Harris Auction Services for the sale of the drill press, joiner / planer, table saw with dust collector, lathe with gouges and chop saw to Michael Alborano.

20. Pursuant to West Virginia Code 44-3A-7, Michael Alborano pre-deposited $750 for my services as Fiduciary Commissioner.

21. The invoice for my services totaled $800.00.

22. I have discounted my invoice $50.00.

23. The Estate and the Claimant should be equally responsible for the Fiduciary Commissioner fees.

24. The Estate should reimburse Michael Alborano for one half of the Fiduciary Commissioner fees.

The undersigned Fiduciary Commissioner Orders:

1. The Estate shall issue the monies received by the Estate from Aaron Harris Auction Services for the sale of the drill press, joiner / planer, table saw with dust collector, lathe
with gouges and chop saw (sale price minus the applicable auctioneer commission) to Michael Alborano via a certified check along with proof of the sale price and the applicable auctioneer commission within 10 days of the Estate receiving the same. Said proof and a photocopy of the certified check shall also be provided to the Clerk of the Office of the Upshur County Commission who shall then release the claim.

2. Within 10 days, the Estate shall issue a personal check to Michael Alborano in the amount of $375 and shall provide a photocopy of the same to the Clerk of the Office of the Upshur County Commission.

3. The Clerk of the Upshur County Commission shall send a copy of this Order to Michael Alborano and Catherine Hesser.

ENTERED: 9/7/9

Daya Masada Wright
Fiduciary Commissioner
MEMORANDUM

On Wednesday, September 4, 2019, Delmas Woody (Woody Lbr. Co.) and Nate Kennedy walked the south property line of Upshur County’s Oscar Sayre road tract described as Map Parcel #4R-35, Banks District, Upshur County, WV and discussed the east line of the same tract. Both of these lines border Woody Lbr. Property. The east line was easy; an old existing fence can be found and followed as the property line along the east side of the County tract and both Delmas and Nate agree to that. The south line consisted of widely spaced remnants of an old fence line and remains of orange ribbon which was used to mark the property boundary for when the tract was last logged ~14 years ago. The line was difficult to follow and find, however, enough pieces of it were found which matched up as a straight line that it could be used as a property line. The southeast corner of the County tract is an iron rebar. Location of the rebar matches up with the east line. Along the south line of the County tract, an approximate corner was located and matches up with a bend in the property line. The southwest corner of the County tract is an approximate corner which matches up with where the original corner should/would have been. Delmas Woody and Nate Kennedy are in agreement that the line locations as described are close enough that they can be accepted as property line. With County Commission permission, Delmas Woody is willing to paint the property line as the agreed upon property line between Woody property and County property.

Please consider the above paragraph as a request to be approved for action or used for developing a Property Line Agreement between Woody and Upshur County.

Nate Kennedy

Upshur County Commission
Upshur County Administrative Annex
91 West Main Street, Suite 101
Buckhannon, WV 26201

Dear Commissioners:

After the proper advertising, testing and interviewing of applicants for the positions of Deputy Sheriff, I respectfully request your approval of Cole William Bender and Hunter Ryan Fletcher to fill these positions. A complete background check has been completed for both of these individuals.

With your approval, Mr. Bender and Mr. Fletcher will begin employment on October 13, 2019. Their starting rates of pay will be $17.00 per hour. Upon completion of the WV State Police Academy, their rates of pay will be increased to $18.73 per hour provided that their completion is within this current fiscal year.

Respectfully,

David H. Coffman
Sheriff
Upshur County
Commissioners,

After a thorough testing background check, and interview process I am requesting the following three employees be considered for employment as *Full-Time Telecommunicators* at the Upshur County Emergency Communications Center.

Buckhannon, WV 26201

September 30, 2019

Upshur County Commission
Attn: Ms. Carrie Wallace
38 West Main Street
Buckhannon, WV 26201

Ms. Wallace,

The Upshur County Family Resource Network and the Upshur County Tobacco Prevention Coalition has two upcoming events in October and November. October is National SIDS Awareness Month and November is the Great American Smokeout.

As director of the UCFRN, I am requesting the use of a table to display safe sleep information for SIDS Awareness month during the month of October if the table is not already in use. As the vice-chair, the UCTPC is asking the commission for space in the courthouse annex to display a table for Great American Smoke-out which is in the month of November.

The table the resource network and coalition will use is approximately six foot long by two foot wide. Each month the appropriate materials will be used for each.

We appreciate your and the commission’s time on this matter. Please feel free to contact me or the FRN’s administrative assistant and UCTPC’s secretary, Ginny Dixon at (304) 473.1051 or upshurfnr@yahoo.com.

Thank you,

[Signature]

Lori Ulderich Harvey
Director, Upshur County Family Resource Network
Vice-Chair, Upshur County Tobacco Prevention Coalition
Pancake & Sausage Sausage & Gravy & Biscuit Day

“Eat A Bite for Sight” with the Hodgesville Lions Club. Menu:

VI. New Business
   A. Request for Reconsideration of Library Book

VII. Friends of the Library update - Ann

VIII. Setting date of next Board meeting

IX. Adjournment
Director's Report

UCPL Board of Directors Special Meeting – September 25, 2019

I. Grants/Donations received
   A. Lions Clubs – services for visually and hearing impaired people
      1. We received $300 from the Tennerton Lions Club (Thanks, John and Anne!) to be used to purchase Large Print and Audiobooks.
      2. Paul also attended a meeting of the Lowe Bartlett Armstrong Trust, which is jointly administered by the five Lions Clubs in the area, to request some of that money to help provide additional services to the deaf and blind in Upshur County. We are still discussing what exactly that will entail, but one thing we did agree to do related to this is become the repository in the county for the “talking book” machines that the Lions Clubs provide to people who request this service from the Lions Clubs.
      3. We have also started talking with the Special Services Library for the blind and deaf in Charleston about becoming one of their partner lending institutions. A lending institution enables our library to receive a rotating collection of large print from the Special Services Library and get one of their machines to demo the BARD audiobook cartridges for patrons. Our patrons can more easily participate in the BARD audiobook program, which is the State’s program for visually impaired citizens. Patrons can try out the machine at the library, then request one of these machines for personal use at home from the Special Services Library. One of the Special Services Library staff will be presenting on some other devices that are available for the visually impaired at Fall Conference, so I should have some more information about that.
   B. As some of you may have heard after the last board meeting (I got the notification during the board meeting and announced it to whoever heard as we were breaking up for the evening), we have received $3,000 from Weyerhaeuser this year. $2,000 of this will go to the materials budget (for Juvenile, Easy Books and YA), and the other $1,000 will go to the Programming budget.

II. Computer issues
   A. We received six newly refurbished PCs from the WV Library Commission as part of a project that they have to replace some of the older PCs in WV libraries. This allowed us to swap out almost all of the public PCs that were the oldest ones we owned. Paul has been working on getting them updated and configured properly.
   B. Karen also has a new PC that we had in a box in Beth’s office for the past three years, as her computer’s HD was starting to fail.
   C. We found out that we do need to purchase some wifi adapter cards so that all the public PCs can use the Raven Rock bandwidth. No wifi adapters were included on any of the public PCs that we have when we purchased them (or when the Commission gave them to us). These are around $20-25 each on Amazon, and we would need 10 of them to cover the public PCs.

III. Staff Evaluations
   A. The staff evaluations will be starting the first week of October. Beth and I will be beginning with the part time staff. After that, I will be working on the full time staff’s evaluations.

IV. Conferences
   A. The Fall Conference will be held October 16-18th at the Clarion Hotel in Shepherdstown, WV.
      1. Registration is now open, if anyone from the board wishes to go.
      2. I know so far that Paul and Connie will be attending at least one day, with Beth as a possibility of going, but we are waiting until the conference schedule is released so that we know how many days everyone will be attending.
   B. Planning ahead – PLA Conference 2020
      1. Paul (at a minimum, others may also want to attend) would like to attend the Public Library Association conference, which is held every two years. This year, it will be in Nashville, Tennessee, on February 25-29, 2020. I also know that several affiliates want to attend, and we would help them out by providing the transportation (we are thinking of driving there as a group in our library vehicle).
      2. Early registration rates are available until January 31, and the full conference rate will be $585 per person for non members of ALA, afterwards it is $625 a person, plus lodging. Paul went to this conference in 2016 when it was in Denver and loved it. We can also apply for microgrants from the Commission to help offset the cost of this conference. I am just seeking permission to start working on registering and working on grants to attend the conference now.
V. Programming
A. Programs over the past month
   2. The NLM nonfiction book discussion – 2 attendees. There is interest in the library hosting additional nonfiction discussions in the future, so we are working on planning that for late October.
   3. The first Early Dismissal Movie Day of this year was held on September 11th, and we had 20 attendees. We watched The Secret Life of Pets 2.

B. Upcoming programs
   1. Shon Butler Book Signing – Friday, September 20
   2. Shanda Hoover Book Talk & Signing – Tuesday, October 1 @ 5:30
   3. Early Out Movie – Aladdin – Friday, October 11 @ 2
   4. Gwyn Thorn Book Talk & Signing – Saturday, October 12 @ 10:30
   5. Patricia Harman Book Talk & Signing – Saturday, October 19 @ 1pm

VI. Outreach Events/Volunteers Update
A. School buses have been dropping middle school and high school age students off after school, and that has seemed to work pretty well. There have been a handful of students utilizing us as a place to hang out after school since this started.

B. Beth and Brandon attended the Upshur County Children’s Festival on September 14. 69 children visited our table to decorate a hand as part of our community art project.

C. Library representatives from UCPL and other county libraries will be participating in the BUHS Homecoming Parade on October 3.

D. The Library will be working with the Buckhannon Elks to host a Warm Up to the Library event on October 15. The Elks will be offering winter coats for children in grades K-5 and supplying pizza and drinks. The Library will be offering tours of the library with an introduction to library services as part of the event.

E. Student nurses from WVWC will be using the library as one of their community outreach sites this fall. As part of this program, student nurses will be in the library twice a week from late October through early-November offering blood pressure checks for library patrons. This is a small first step toward what I hope will be more health and wellness programs at the library.

VII. Affiliates
A. Paul visited Sutton and Mountaintop (Davis, WV) to do their Service Center evaluations during this past month. Connie went with him to Mountaintop and Beth to Sutton.
B. Paul also went to Pioneer Memorial Library in Harman to attend their board meeting. This library is recovering well after suffering some flood damage in July, and is getting close to reopening again. We may have a day where we send some of our employees up to help them with tasks related to getting reopened in the next few weeks, but that hasn’t been scheduled yet.
C. We have also been exploring the possibility with Ingram about including affiliates on our Ingram book ordering account, as we are a member of MALIA, a library consortia that negotiates contracts for additional discounts for its members from various library vendors. We receive better rates for shipping newly ordered books with Ingram because of that membership. These shipping discounts from MALIA would then pass on to the affiliates if they are added on our account. We may look at other vendors like Ingram, if they allow it, about including our affiliates on our accounts with them.

I. Executive Session to Discuss Property & Possible Litigation Matters Per WV Code §6-9A-4 No Action to be Taken

J. Adjournment
   Posted 09/30/19 Next Regular Scheduled City Council Meeting Thursday, October 17, 2019
The regular meeting of the Upshur County Public Library Board of Trustees was held on Wednesday, August 21, at 4:00 p.m. at the library. Board members in attendance were Dennis Xander, Michelle Strader, Carol Smith, John Haymond, and Kenna Leonard. Also in attendance were Paul Norko, Director; Beth Rogers, Assistant Director; Connie Cutright, Business Manager; Ann Slaughter, Friends of the Library representative; and Dr. Sara Stankus, Superintendent of Upshur County Schools.

The minutes of the July meeting were approved as corrected on a motion made by Michelle and seconded by Carol.

The financial reports were approved on a motion made by Carol and seconded by Michelle.

Director’s Report – see written report

Michelle reported that the Personnel Committee is working on the staff conduct policy. Two parts of the policy, the dress code and cell phone usage, is being broken out to their own sections with no change in wording. Much of the wording in the staff conduct policy is duplicated in other areas of the personnel manual and in some instances, parts of the policy would be better suited in another section. The committee hopes to have a few policies ready for approval at the next meeting.

Dennis reported that his employees had removed the hay bales and seeded and mulched the green areas of the parking lot. He also stated that we can circumvent bidding out the paving by using state approved contractors and the cost should be less but there may be difficulty in getting one to commit to the job. We still need to decide what to do with the circle where the book drop will be located. Another issue is the lack of lighting as we progress into fall. One suggestion was to mount a temporary fixture on the front of the garage with a light shining toward the front doors and one toward the parking area.

Concerning signature cards, Michelle made a motion which was seconded by Carol, to remove Mike Kuba’s name from our bank accounts and add Kenna Leonard’s. The motion carried.

Paul reported that our audit will be September 9-13 and also gave a brief explanation of possible upcoming changes with our library software and network.

Dr. Stankus spoke about collaboration between the library and schools in providing programming, possibly a bookmobile, and an employee hired or mentored by the library to work in the school libraries. It was asked if a southbound bus from the BUMS and a northbound bus from the BUHS could be designated to make stops at the library so students would have transportation directly from school.

Ann reported that the Friend’s will be having a meeting soon.

Because Paul needs to attend an Elkins Library Board meeting, which is generally held on the same date as ours, he asked if our next meeting might be moved so he could do so. All agreed. Our next meeting will be September 18 or 25, depending on when Elkins’ meeting will be.

Meeting adjourned.

Respectfully submitted,

Connie Cutright,
Business Manager

Approved,

Dennis Xander,
Board President
The July 24, 2019 meeting of the James W. Curry Library/Park Advisory Board was called to order by President Mike Quinn at 10:00 am.

Roll Call: Present – Mike Quinn, Al Lake, Erv Lake, Patricia Tolliver, Tink Simmons and Carrie Wallace

Absent: Lori Ulderich-Harvey

Guests: Ginny Dixon (on behalf of Lori Ulderich-Harvey) and Nate Kennedy

Staff: Judith Williams and Jonathan Freeman

Minutes: Minutes of the June 26, 2019 Advisory Board Meeting were approved; motion by Erv, seconded by Al; motion passed.

Public Comment Period:

Mike reported trespassing issues that private property owners are experiencing in the area. Mike questioned if it was hunters or campers from Curry property; however, no one is sure.

Staff Report:

Park: Jonathan has continued to stay busy with property upkeep. There were two campers for 4th of July (1 primitive). Seventeen reservations have been made for the campground for this weekend during the Brooks Hill Fair (2-3 nights). Jonathan will be utilizing a sign in sheet to prove occupancy in the event of non-payment. A sign has been posted directing all campers to sign-in at the Library upon arrival. Jonathan reviewed the current “No Hunting” sign design. All agreed to order the same design by general consensus. Jonathan is planning to change the material to metal and order them in a smaller size.

Library: The Library has been very busy with an extremely successful Summer Reading Program! Judith has received multiple positive comments from parents and children and believes it is the most popular program that has been offered thus far, serving 76 children and 53 adults in 4 programs. Judith expressed appreciation to the great community that helped make the program a success, including Beverly Ann Fantasia for donating rocket ship cookies, Darlene who donated cupcakes and parents who continually volunteer to engage. The quilt raffle has totaled $807 thus far with $350 in online sales. Upcoming programs include the Selbyville VFD Hayride on Friday, October 25th and the Children’s Christmas Program on December 7th. Judith was happy to report that a new family with 4 children has relocated to the community and they have all visited the library for books, wi-fi and programming. The Advisory Board commended Judith on community relationship building.

Timber: Nate reported that timber is currently in maintenance mode. It has been a great year for growing trees! The meeting with Nathan Fetty has not been rescheduled. Nate has a call into him and is waiting to hear back. Mike questioned if there is any white ash/mountain ash on the property and Nate clarified that there is not.
Old Business:

**Consideration of Bike Trails on Curry Property** – please find the explanation above. Nate reported that the logging trails from the 2008 sale are perfect for Mountain bikers. There is very little brush and most are grass covered requiring little to no maintenance. The Board clarified that the trails will not be open to motorized vehicles.

**FY 20 Budget** – Carrie reported that the Commission had approved the submitted Library and Park budgets without changes.

New Business:

Judith reminded the Board of the need for a bigger Library!

With no further business, the meeting adjourned at 10:38 am.

Members approving the July 24, 2019 minutes:

Michael Quinn

Carrie Wallace

Albert Lake

Ervin Lake

Lori Ulderich Harvey

Lewis Simmons

Patricia Tolliver
The August 28th, 2019 meeting of the James W. Curry Library/Park Advisory Board was called to order by President Mike Quinn at 10:00 am.

**Roll Call:** Present – Mike Quinn, Al Lake, Erv Lake, Patricia Tolliver, and Tink Simmons.

Absent: Lori Ulderich-Harvey, Carrie Wallace

Guests: Nate Kennedy

Staff: Jonathan Freeman, Darlene Gregory, and Judith Williams

Minutes: Minutes of the July 24th, 2019 Advisory Board Meeting were approved; motion by Al, seconded by Erv; motion passed.

**Public Comment Period:** No public comments

**Staff Report:**

**Park:** Jonathan reported that it has been fairly slow since the Brooks Hill Fair. Camping went well during the fair with 17 reservations, 12 actual campers, 3 cancellations and 2 no shows. The sign in procedure for that event went well; all camp fees were paid. The other accomplishment for this reporting period was the installation of the new light bulbs which have considerably improved visibility in the stacks. Mon Power replaced the electric meter which they said had failed. With regard to the property signs: the quote for 200 signs of “40 gauge” signs from the Sign Guy was $3.00 each or $600.00. Jonathan indicated that he would probably need 300 signs. Discussion ensued about the signs used by Beech Mountain Hunting Club. Jonathan showed a sign from them indicating it would be a more appropriate thickness to use for a 6”x6” sign nailed with 1 nail centrally placed. Jonathan sited a 2009 quote from Voss for a similar sign at $360.00 for 300 signs. Jonathan has indicated that he would continue to shop around. Discussion then turned to the use of purple paint, the wording of the sign, the feasibility of completion before the start of hunting season (“Sep 28”), 4-wheeler encroachment, the removal of the signs by vandals and the consequences thereof, paper versus metal signs and the merits thereof, near misses while hunting, bear sightings, the feasibility of putting the signs higher up on the tree, and laws regarding people illegally removing signs. A motion was made by Erv and seconded by Tink for Jonathan to move forward with the placement of an order for the property signs as approved in the budget upon locating a suitable vendor. Mike discussed an encounter off property with the owner of a blue truck that had been driving at excessive speeds over Brooks Hill crediting resolution to the DOJ/FBI badge on his t-shirt with getting his point home. Query was made about persons complaining about the increased camp fees. Those who camp here regularly have not complained, those who have complained in the past continue to do so. There seems to no longer be a problem with spillage/drainage/illegal dumping along the road. The amount of 4 wheeler traffic seems to be up; 4 wheeler runs seem to be the primary draw for the campground. Mostly, they are no problem except for 3 young people. Discussion turned to the effect of this year’s weather on nut bearing trees and fruit production. Jonathan’s apples are being eaten by yellow jackets and Mike’s are being knocked to the ground by another pest and consumed by deer.
James W. Curry Library/Park
Advisory Board Minutes
August 28, 2019

Library: Judith called attention to the significant deposit of $766.50 made from fund raising efforts. The final breakdown of the Quilt Raffle and the Brooks Hill Fair were reviewed. Otherwise, numbers are consistent for the time of year with a slight increase having picked up a few new patrons who have become engaged. The final recap for the Universe of Stories Summer Reading Program was reviewed: 10 programs over a 10 week period served 200 children and 141 adults; 1011 items circulated (864 books, 147 DVDs). Circulation by patron report class was explained. Judith reminded the Board of upcoming events: Glow Stick Party fund raiser on September 20th, Leap Into Science: Wind Family Workshop on September 24th (grant fulfillment requirement), Selbyville Volunteer Fire Department Hay Ride to the Library (Mad Science theme) on October 25th, Community Trick or Treat on October 31st, and the Santa’s Workshop Christmas Party on December 7th.

Timber: Nate reported that the timber is still growing. In response to a query, Nate indicated that the next timber sale is down the road roughly 7 years. This creates a 20 year cutting cycle which helps growth and allows for the factoring in of price variations. Walnut, cherry and red oak are primarily exports to China and the political climate is affecting these, but not necessarily in a negative fashion. Maple, poplar and white oak are doing well primarily because of domestic use. Discussion followed regarding the rumored barrel stave plant supposedly opening in Greenbriar and chestnut oak versus white oak pros and cons. Nate explained that Locust is only being used for post and rail; no one wants to bid on it, but if they can get a full truck load they are well paid for it (roughly $100.00/ton).

Old Business:

Consideration of Bike Trails on Curry Property — Nate reported that he has had nothing back from the group who had expressed interest in the trails; that there seems to be a perpetual scheduling conflict on their end creating the impression of lack of interest.

FY 20 Budget — Carrie reported that the Commission had approved the submitted Library and Park budgets without changes.

New Business:

Judith reminded the Board of the need for a bigger Library!

With no further business, the meeting adjourned at 10:43 am.

Members approving the August 28th, 2019 minutes:

Advisory Board Minutes
August 28, 2019

Albert Lake
Lori Ulderich Harvey
Patricia Tolliver

Ervin Lake
Lewis Simmons

All motions were unanimous unless otherwise noted.

The meeting was called to order at 10:00 am by Chairman Spencer.

Minutes of the July 11, 2019 meeting were read. Don made the motion to approve the minutes and Kelly second.

Invoices were presented – Motion to pay was made by Don, second by Kelly.

**Old Business**
- The lease for the Rock Cave broad band tower with the Development Authority is currently still being revised by the Development Authority’s attorney, then the PSD will look over for approval once we receive it back.

**New Business**- Don Killingsworth’s position as vice chairman is set to expire on October 30th, 2019. Don stated he is not going to be renewing his position and we will begin the process of looking for a new vice chairman.

**Items for Discussion/Action/Approval**
- Norma passed her flagger/barricade class.

**Maintenance – Eric**
- Installed five new services
- Repaired one leak
- Almost all new meters, bought with contingency money from Phase VII, have been installed.
- The telemetry for Rock Cave tank is scheduled to be fixed by CI Thornburg.
- The Grand Camp tank was repaired by Mid Atlantic.
- A tie rod was replaced in Mandy’s truck.
- New tires were purchased for Ed and Mandy’s trucks.

**Office Report**
- Business as usual.

The meeting adjourned at 11:00 am. Next regular meeting will be Sept. 12, 2019 at 10:00 am.

Board of Directors

Paul Spencer, Chairman
Don B. Killingsworth, Vice Chairman
Kelly Arnold, Sec., Treas.
