The Fred Meijer M-6 Trail provides a vital east/west route for trail users in southern Kent County. At its west end, the trail links with Kent Trails and at its east end it connects to the Paul Henry Thornapple Trail. The main access points with parking are at 60th and Burlingame Ave., at Creekside Park, and at Wing Ave and 60th St. The trail can also be accessed at any cross street along the route. This paved multi-community pathway is handicap accessible.
