Cares Act Economic Development Program Guidelines

Madison County is providing financial support through the Madison County CARES Small Business Loan for qualified small businesses that are negatively impacted by the COVID-19 pandemic due to orders to close or limit operations. This program provides a maximum $15,000 (amounts available are 1-5 FTE employees, max $5,000; 6-10 FTE employees max $10,000; 11+ FTE employees max $15,000), 0% deferred payment loan to help offset/recover from the significant, temporary loss of revenue to these qualified businesses during this pandemic, and to assist businesses in retaining and paying employees.

Funds are available as part of the Coronavirus Aid, Relief, and Economic Security (CARES) Act federal stimulus package.

- Larger businesses over 25 FTE employees, non-profits and home-based businesses are not eligible.
