RESOLUTION SUPPORTING THE DYNERGY WOOD RIVER POWER STATION

WHEREAS, Dynergy, Inc. has announced its plans to retire the Wood River Power Station; and

WHEREAS, the shutdown is due to a poorly designed wholesale capacity market in Central and Southern Illinois that does not allow competitive generators to recover costs and compete with neighboring regulated utilities and markets; and

WHEREAS, Northern Illinois power generating plants operate in an electric power market that, if available in Central and Southern Illinois, would likely result in the Wood River Power Station remaining in operation; and

WHEREAS, ninety workers are employed at the Wood River power plant and the plant is one of the largest property taxpayers for the local taxing districts; and

WHEREAS, the impact on the workers, their families, and the local taxing districts will be devastating; and

WHEREAS, the Madison County Board feels it is unfair that the Dynergy Wood River Power Station was forced into a flawed and unfair energy market which led to this anticipated action.

NOW THEREFORE BE IT RESOLVED, by the County Board of the County of Madison, Illinois, on this 17th day of February, 2016, that it supports the Dynergy Wood River Power Station and objects to the inclusion of Central and Southern Illinois into a market where it unfairly competes with neighboring regulated states, which will result in a loss of jobs for our residents and critical tax revenues for our taxing districts.

BE IT FURTHER RESOLVED that that suitable copies of this resolution are presented to the Federal Energy Regulatory Commission and members of the Illinois delegation of the US House of Representatives and United States Senate, requesting corrective action.

Present were Misters Campbell, Dauderman, Davis, Janek, Koeller, Sedlacek, and St. Peters. Absent were Misters, none.

The Board of Appeals, established by the Chairman and the Board of Supervisors and provided for under the terms of the Madison County Zoning Ordinance, 1963 and all subsequent amendments/revisions thereto do hereby submit the Reports and Recommendations on the following:

File #Z16-0004 – Cortney Warmouth (Pin Oak Township)
File #Z16-0002 – Darrel Luitjohan (Helvetia Township)
File #Z16-0005 – Nicole Mintert (Saline Township)

Z16-0004 – Petition of Cortney Warmouth and Edward Niemeier, applicants and owners of record, requesting Variances as per Article 93.023, Section B, Item 1 and Article 93.053, Section D of the Madison County Zoning Ordinance in order to create tracts of land that have 31 feet of road frontage instead of the required 40 feet and in order to create a tract of land which has 64 feet of property width at the front yard setback instead of the required 150 feet. This is located in an Agricultural District in Pin Oak Township, at 9 Stonehill Court, Edwardsville, Illinois PPN#10-1-16-09-00-000-005 (11)

A motion was made by Mr. Janek and seconded by Mr. Davis that the petition of Cortney Warmouth and Edward Niemeier be as follows: “Granted.”

The Finding of Fact of the Board of Appeals: I. The notice of Public Hearing was posted on the property in accordance with the terms of the ordinance; II. The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; III. The adjoining property owners were notified by mail of the time and date of the public hearing and none were in attendance; IV. Carl Nail, Surveyor, spoke on behalf of the applicants. Mr. Nail stated that the applicants are seeking to create new tracts of land to the west of Emerald Hill Estates subdivision to be developed as single family residences. Mr. Nail stated that the new lots would utilize an access easement through Lot 9 of Emerald Hills Estates, which is located on a cul-de-sac. Mr. Nail explained that due to the frontage on the cul-de-sac, the easement will initially be 31 feet before it widens out to the required 40 feet. Mr. Nail stated that the applicants are also seeking a variance for property width on Lot 9. Mr. Nail stated that Emerald Hill Estates subdivision was platted in 1999, prior to the County’s adoption of the 150 property width rule in 2005; V. The Board of Appeals notes for the record that the proposed variance requests would be compatible with the surrounding area; VI. The Board of Appeals feels that to allow this request would not cause a detrimental effect on adjoining properties; VII. The Board of Appeals notes that the Comprehensive Plan, Madison County Zoning Ordinance, and the zoning file were taken into consideration.

Voice Vote.

Ayes to the motion: Misters Dauderman, Davis, Janek, Koeller, and St. Peters.

Mrs. Mintert stated that she will be installing a landscape screening along the driveway to visually screen the building from the roadway and adjacent dwellings. Mrs. Mintert stated that her hours of operation are Monday through Saturday 8 a.m. to 5 p.m.; V. Debbie Gomez & Bob Trost, nearby property owners of 3233 Fawn Creek Court, inquired about the volume of dogs the applicant intends to board. Mrs. Mintert replied approximately ten (10) dogs. Mr. Trost inquired about the insulation of the structure. Dave Mintert, father-in-law of the applicant and building contractor, stated that the walls will be 2x6. Ms. Gomez stated that she is for anyone wanting to start a business, but she has concerns of the noise that will be generated from the animals and the impact it will have on her child who has medical complications. Mr. Trost stated that they have no concerns so long as the noise does not become an issue; VI. Nancy and Larry Vassel, nearby property owners of 3232 White Tail Court, asked the applicant if she had plans to expand beyond the current request. Mrs. Mintert replied that she does not have plans to expand beyond the current request. Mr. Vassel asked the applicant if she had done any research regarding property value impacts of kennels next to neighborhoods. Mrs. Mintert replied that she has not conducted research but stated that the new structure will not be an eyesore, will be professionally landscaped and well maintained; VII. Patricia Eckstein, property owner of 5 Cardinal Lane, Highland, spoke in favor of the request; VIII. Chris Wernle, adjacent property owner of 3280, spoke in favor of the request. Mr. Wernle stated that there is an existing cattle farm to the north of the subject property which has more of an impact on the area than the proposed dog kennel operation; IX. Rozanne Mulcrone, property owner of 133311 Fawn Creek Road, spoke in opposition to the request, stating that the area is predominantly residential and
that a commercial business is not appropriate. Mrs. Mulcrone stated that the request sets a precedent for commercial operations in the area; X. Ron Vannier, nearby property owner of 3329 Fawn Creek Road, spoke in opposition to the request, stating that the area is becoming a commercial area due to living next to a daycare and landscaping business; XI. Tracy Wernle, mother of the applicant and property owner, stated that the operation will be an asset to the community and provide a service to dog owners; XII. A letter of support was received from Chad Wernle. No address was provided; XIII. A letter of support was received from Leah Nungesser. No address was provided; XIV. A letter of support was received from Randy and Gina Huelsmann, nearby property owners of 3216 White Tail Court, Highland; XV. A letter of support was received from Mark Frey. A letter of support was received from Ben and Amy Thole, adjacent property owner to the south at 3279 White Trail Court; XIX. A letter of support was received from Debbie Suchomski, nearby property owner of 3201 Fawn Creek; XX. The Board of Appeals notes for the record that the proposed special use permit request would be compatible with the surrounding area; XXI. The Board of Appeals feels that to allow this request would not cause a detrimental effect on adjoining properties; XXII. The Board of Appeals notes that the Comprehensive Plan, Madison County Zoning Ordinance, and the zoning file were taken into consideration.
