A motion was made by Mr. Janek and seconded by Mr. Koeller that the petition of Lee Baruxen be as follows: I. This special use permit is granted for the sole usage of Lee and Susan Baruxen for a period not to exceed five (5) years but may be extended either through an amendment to this special use permit or through an administrative review process, if qualified, as long as Lee and Susan Baruxen occupy the structure, notwithstanding any violations, nuisance, change in ownership, or change in occupancy. The owner shall remove the mobile home from the site or apply for a new special use permit when Lee and Susan Baruxen vacate structure;

The Finding of Fact of the Board of Appeals: I. The notice of public hearing was posted on the property in accordance with the terms of the ordinance; II. The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; III. The adjoining property owners were notified by mail of the time and date of the public hearing and none were in attendance; IV. Lee Baruxen, owner of record, stated that he is seeking a special use permit in order to place an updated mobile home on the parcel for the occupancy of him and his wife; V. The Board of Appeals notes for the record that the owner intends to replace the existing mobile home with an upgraded model, which will improve the community and that the proposed special use would be compatible with the surrounding area; VI. The Board of Appeals feels that to allow this request would not cause a detrimental effect on adjoining properties; VII. The Board of Appeals notes that the Comprehensive Plan, Madison County Zoning Ordinance, and the zoning file were taken into consideration.

Voice Vote.

Ayes to the motion: Misters Campbell, Davis, Koeller, and Janek.

Z17-0013 – Petition of Rick, Beth and Bryce Kiel, applicants, and Elfrieda Ludwig, owner of record, requesting a variance as per Article 93.023, Section B, Item 2 of the Madison County Zoning Ordinance in order to construct a new residence that will be 35 feet from the north and south property lines instead of the required 50 feet. This is located in an Agricultural District in Moro Township, on Loop Road, Dorsey, Illinois. PPN #16-1-03-00-000-001 (05)

A motion was made by Mr. Sedlacek and seconded by Mr. Janek that the petition of Rick, Beth and Bryce Kiel be as follows: Granted.

The Finding of Fact of the Board of Appeals: I. The notice of public hearing was posted on the property in accordance with the terms of the ordinance; II. The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; III. The adjoining property owners were notified by mail of the time and date of the public hearing; IV. Bryce Kiel, applicant, stated that he is asking for a variance in order to build a home on the property because the property is only 136 feet wide and he and his wife are looking to build something aesthetically pleasing. Mr. Kiel stated that they have decided on a ranch style home, which is why he is requesting to be 35 feet from the north and south property lines; V. Richard Hurst, adjoining property owner to the north, stated that he is opposed to the request due to the agricultural nature of the area. Mr. Hurst stated that there could be potential chemical drift, that he hauls manure because he has livestock, and that they pasture the cornstalks for the cattle in the winter time using an electric fence, which is why he is opposed to the request. Mr. Hurst concluded by stating that it is not wide enough in there and inquired about water run-off from the dwelling; VI. Charles Jordan, the tenant who farms the adjoining ground to the south of the subject parcel, stated that he fears because he lives on a farm and he has farm fields to the north and south of his home and he knows that there is dust for preparation of seeding and also at harvest time. Mr. Jordan also expressed concerns with chemicals, stating that he does things properly and can still smell chemicals. Mr. Jordan stated that he is concerned that if someone builds a house here that there will be complaints surrounding dust and chemicals; VII. Don Moulton, the property owner to the east, stated that he worried about the manure and chemicals; VIII. Chairman Mike Campbell noted for the record that the applicant could build a house on the parcel regardless of whether the variance was granted, explaining that the request is being made in order to locate the home fifteen feet closer to the property lines than he otherwise could; IX. Mr. Kiel stated that he lives on five acres approximately ten miles north in an agricultural area, and that he is not bothered by manure spreading or chemical applications and is aware that the surrounding properties are engaged in agricultural activities; X. The Board of Appeals notes for the record that the proposed variance request would not harm the local objectors as most of the concerns regarding farm operations and potential nuisances will be endured by the petitioners and not the adjoining owners; XI. The Board of Appeals notes that the applicant currently lives in an agricultural area and is aware of the risks, XII. The Board of Appeals feels that to allow this request would not cause a detrimental effect on adjoining properties and is compatible with the surrounding area; XIII. The Board of Appeals notes that the Comprehensive Plan, Madison County Zoning Ordinance, and the zoning file were taken into consideration.

Ayes to the motion: Misters Campbell, Davis, Sedlacek, St. Peters, and Janek.
Nays to the motion: None.

Finding of Fact and Recommendations

Z17-0010 – Petition of David & Shawna Lindley, applicants and owners of record, requesting a special use permit as per Article 93.025, Section G, Item 20 of the Madison County Zoning Ordinance in order to raise five (5) chickens and one (1) goat on the property. This is located in an "R-2" Single-Family Residential District in Collinsville Township, at 5927 Galli Lane, Collinsville, Illinois. PPN#13-1-21-16-00-000-032 (25)

A motion was made by Mr. Sedlacek and seconded by Mr. St. Peters that the petition of David and Shawna Lindley be as follows: I. That the special use permit is granted for 5 chickens only and no goat for the sole usage of David and Shawna Lindley. Any change of ownership will require a new special use permit; II. The owner shall keep the property in compliance with all Madison County Ordinances; III. The owner shall apply for an amendment to this special use permit for any future alterations, modifications, or expansions of the use; IV. The owner’s failure to adhere to the conditions of the special use permit will cause revocation of the same, and require immediate removal of the domestic farm animals, chicken coop, and chicken run.

The Finding of Fact of the Board of Appeals: I. The notice of public hearing was posted on the property in accordance with the terms of the ordinance; II. The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; III. The adjoining property owners were notified by mail of the time and date of the public hearing; IV. David Lindley, owner of record, stated that he is seeking a special use permit in order to raise five chickens and one goat on site. Mike Campbell asked Mr. Lindley for the size of the property. Mr. Lindley stated it was .93 acres and that he was seeking to keep the animals for personal and educational use as his children are home schooled; V. Donald Kerkemeyer, adjoining property owner to the north, spoke in opposition to the request. Mr. Kerkemeyer stated that the goat creates a horrible noise situation because it whines in the yard all day like a kid, creating constant noise. Mr. Kerkemeyer stated that prior to the chickens, the Lindleys had five geese in the yard, which also created a more annoying noise than the goat. Mr. Kerkemeyer stated that there had also been a rooster on the property, which was also removed. Mr. Kerkemeyer stated that the goat has eaten all the vegetation in his area and that he’s 90% sure that this is causing siltation on his property. Mr. Kerkemeyer stated that he can’t sit outside and enjoy his yard due to the incessant noise caused by the goat; VI. Paul Zellner, adjoining property owner to the north, spoke in opposition to the request. Mr. Zellner stated that allowing farm type animals is disruptive to a single-family environment, where he’s lived for 22 years. Mr. Zellner stated that the constant noise from the rooster and the goat have ruined the peaceful enjoyment of his home and yard. Mr. Zellner stated that he could not sit outside without the animals causing a distraction to either him or his guests. Mr. Zellner concluded by asking if the Board allows this, what is Mr. Lindley going to bring in next and who is going to police the situation; VII. Elizabeth Willnow, adjoining property owner to the north, stated that she has had to run out of her house in shorts and a bra due to stray dogs being in her yard. Ms. Willnow stated that she keeps her dog on a run line. Ms. Wilnow stated that she called Madison County 5-10 times about the dog barking before anything was done. Chairman Mike Campbell informed Ms. Willnow that the dogs were not being considered in this hearing. Ms. Willnow stated that the geese and the goat were annoying too, explaining that she cannot leave her back door open anymore because the noise comes straight through her house; VIII. Scott Peery, nearby property owner, stated that he’s had issues with animal noise coming from the Lindley’s area. Mr. Peery stated that to allow 5 chickens and a goat, he feels would be moving down a path toward more geese and more dogs, even though that’s not the issue at hand. Mr. Peery stated that the applicant can go to Willoughby Farms for animal education, he doesn’t need it in his back yard; IX. Jetieme Morris, adjoining property owner to the west, spoke in favor of the request. Ms. Morris stated that she helped the Lindley’s install their fence for the animals and were careful to set everything back from the property lines according to rules. Ms. Morris stated that they were not aware of their zoning classification, and have removed all the restricted animals. Ms. Morris stated that she is in the closest proximity to the Lindleys and doesn’t mind the noises; X. Mr. Lindley apologized to the crowd for the geese, stating that they were domesticated Chinese geese and that they had no idea that they would be
that loud, which is why they placed them in a rural area in Missouri. Mr. Lindley stated that if the board approved the special use permit it will only be for the animals stated in the request. Mr. Lindley stated that the property was purchased as a foreclosed property, and it required a lot of excavation, which could potentially be the cause of the siltation Mr. Kerkemeyer spoke to, but that he did not think the was a result of the animals. Mr. Lindley stated that he would be willing to leave the goat off the special use permit as a compromise since it had already served its purpose by eating most of the poison ivy on the property; XI. Shawna Lindley, property owner, seconded Mr. Lindley’s apology regarding the geese and the excessive noise. Mrs. Lindley stated that she doesn’t feel that the goat cries incessantly and does not consider the goat to be distressed. Mrs. Lindley stated that she’d like to keep the goat; XII. The Board of Appeals notes for the record that most of the opposition was regarding the goat and the noise it creates, and that the objectors seemed open to the compromise of allowing the chickens and denying the goat; VI. The Board of Appeals feels that to allow the five chickens would not cause a detrimental effect on adjoining properties; VII. The Board of Appeals notes that the Comprehensive Plan, Madison County Zoning Ordinance, and the zoning file were taken into consideration.

Ayes to the motion: Misters Campbell, Davis, Sedlacek, St. Peters, and Janek.

A RESOLUTION CREATING A FEE AND LICENSING POLICY IN MADISON COUNTY GOVERNMENT

WHEREAS, Madison County Board recognizes the need for adequately funding all budget lines that call for user fees; and

WHEREAS, Madison County establishes user fees on persons, commercial and industrial accounts in an effort to charge these persons more directly for the services they demand; and

WHEREAS, nonpayment of these services increases the cost of these services to other taxpayers in these systems;

NOW, THEREFORE, BE IT RESOLVED by the County Board of Madison County: that Ordinance 37.17 is effective May 1, 2017.

ORDINANCE 37.17 Application Fee Policies

Persons or business entities licensed or permitted by any agency in Madison County Government (or its branches) who are more than (sixty) 60 days behind in billing or owe licensing fees to any other Madison County entity will be denied licensure, licensure extension, renewal or permitting applications on the basis of that debt. Once paid in full or a suitable payment plan is approved by Madison County, such license or permit application will be accepted and face the approval process just as if the debt had never been part of the record.

An appeal of such administrative action will be to the appropriate Madison County Board committee wherein that license would ordinarily be approved. In an emergency, a temporary appeal can be made to the Chairman of the Madison County Board until the next regular meeting of the appropriate Madison County Board committee.

Respectfully submitted,
