Proceedings of the County Board of Madison County, Illinois, as the recessed session of said Board held at the Nelson "Nellie" Hagnauer County Board Room in the Administration Building in the City of Edwardsville, in the County and State aforesaid on said Wednesday, April 19, 2017, and held for the transaction of general business.

WEDNESDAY, APRIL 19, 2017
5:00 PM
EVENING SESSION

The meeting was called to order by Kurt Prenzler, Chairman of the Board.

The Pledge of Allegiance was said by all members of the Board.

The Roll Call was called by Debra Ming-Mendoza, County Clerk, showing the following members present:

ABSENT: Dodd and Minner.

Ms. Hawkins moved, seconded by Mr. McRae, to approve the minutes of the March 15, 2017 meeting.

On the question:

Mr. Parkinson: I noticed in the minutes it is incorrectly reflected. There was no discussion on a salary increase for Kristen Poshard. It was merely a title only, there was no discussion of a pay raise.

Mr. Prenzler: I can address that, this has been the practice of what we are doing. When we make these appointments if it is not what the director had been getting before, we noted that. Mr. Todd Fulton his rate of pay was proposed at a rate different than what it was before, higher and Rob Schmidt as well. Kristen Poshard, I think it was understood that she would be receiving the same rate of pay that Frank Miles did when he was Director of Community Development.

Mr. Parkinson: I have to caution the board that this is potentially a violation of the open meetings act as it wasn’t on the agenda as a pay raise. The minutes are not correct, it does not reflect that. We did not
discuss a pay raise, we only discussed giving her that title and title only. I would like to make a motion that we amend the minutes, that there is no pay increase involved with that appointment.

Ms. Ciampoli: I second that amendment.

Mr. Holliday: What is her salary?

Mr. Prenzler: The salary for Kristen Poshard in her prior position was $44.55 per hour, grade 17 step 1, which works out to $92,664.00 per year. That is her prior rate of pay. Her title was chief deputy of Community Development.

Mr. Chapman: I am concerned that if we were to approve the minutes as un-amended that we would actually be violating a law in that it is a fact that the amount of salary and any specific amount was never discussed, yet the minutes would be reflecting that it was discussed. I must say this is a concern for me.

Mr. McRae: I would agree with Mr. Chapman, I do not recall a discussion on her salary at the meeting. I would agree with Mr. Parkinson and Mr. Chapman that it wasn’t discussed, whether or not she gets the salary you are suggesting is a different issue. But, if we are talking about the minutes, I don’t recall the discussion either about her specific salary.

Mr. Prenzler: It is my understanding that the rate of pay for that position was what it was which a matter of public record and that is what Frank Miles was getting, which was $100,500.00 roughly per year.

Mr. Chapman: Is it correct that the board must specifically agree or set the salary of this position?

Mr. Prenzler: I would say the position has a rate of pay and that is what it was. The position does indeed have a rate of pay.

Mr. Holliday: So the amendment is for her to receive the amount she was receiving before?

Mr. Prenzler: No the amendment is to change the minutes.

Ms. Mendoza: The amendment on the floor right now is to change the wording of the minutes that the resolution was not read, that the appointment of Ms. Poshard was read and I will amend the minutes to reflect that.

Mr. Holliday: So the amount she will be making cannot be a part of the amendment?

Mr. McRae: I think we are amending the minutes, to say what was discussed at the meeting, right?

Mr. Prenzler: Let’s repeat the amendment.

Mr. Parkinson: The motion is to amend the minutes that her salary remains the same until this board approves a pay raise for her.

Mr. Prenzler: What we are doing right now is actually approving the minutes, I don’t think we can do that, I think we should not approve the minutes and go back…

Mr. Parkinson: My suggestion is that we amend the minutes on what we actually voted on, the appointment, to give her the title only.
Mr. Prenzler: That was certainly not my understanding. I believe that there is a salary amount which is on the position and that is what Frank Miles got. So when you are appointed you receive that salary that is associated with that position that is my understanding.

Mr. Parkinson: Mr. Walters made the motion and Mr. Wesley seconded and there was no pay attached to it, it was strictly the title.

Mr. Prenzler: I think it was included in the sense that position has a rate of pay.

Mr. Parkinson: I voted and I don’t remember any discussion on a pay raise. I think the board is agreeing with me here.

Mr. Walters: No, I think the board is agreeing that we need to change the minutes. When we have done this in the past, there has not been any indication of what the salary was for anyone that was appointed. This is the way we have done it for the past several years and nobody ever asked what the salary was until back in December. This is something that has been going on, she is going into a position and there is a specific amount to be paid for that position.

Mr. Madison: I don’t think we can even have this discussion in this meeting since it was not on the agenda. We can adjust the minutes but I don’t think we can adjust the salary.

Mr. Walters: We have a first and second, why don’t you call for the roll and we will amend the minutes.

Mr. Prenzler: I think the amendment is to reduce Kristen Poshard’s salary.

Mr. Walters: He cannot do that, all he can do is change what was in the minutes.

Mr. Parkinson: There was nothing as far as pay in the minutes. It was never discussed, it was title only. The pay can’t stand.

Mr. Prenzler: I don’t think there is clarity on what the amendment is.

Ms. Hawkins: I think all we are doing here is making a correction to the minutes and it is as simple as that.

Mr. Prenzler: I think the intent of Mr. Parkinson is to reduce her rate of pay.

Mr. Parkinson: No, it is to keep it at what it was.

Mr. Prenzler: I don’t think we can make that sort of amendment because it was not on the agenda. But I think what you can do is vote that the minutes not be approved.

Mr. Walters: Or you can approve them with the amendment, delete the portion that there was no discussion about a pay raise. Right Debbie?

Ms. Mendoza: There is nothing in the minutes that shows there was any discussion about a pay raise. What is part of the minutes is the resolution you received after the appointment, that is what the minutes reflect, a copy of the resolution after the appointment was made.

Mr. Parkinson: That is correct, the resolution was added after the vote was taken.
Ms. Mendoza: The resolution was provided to the County Clerk’s office in preparation of doing the minutes.

Mr. Prenzler: From what I understand from Madame Clerk, I talked with her today, this is how it has been done and this is the first time it has been questioned. This position has a rate of pay attached, so when someone is appointed as a director, they receive what that director gets paid.

Mr. Parkinson: That is not accurate, because we are talking about Mr. Fulton’s pay rate tonight.

Mr. Prenzler: The reason we made a specific mention of his rate of pay is because it was being increased. But this is just exactly what the rate of pay was attached to the position. Also with Mr. Schmidt, the reason we mentioned his rate of pay was because he was getting more. If it had been the same it would not have been mentioned.

Mr. Parkinson: She is doing the same job as she was doing before and she is getting a $20,000.00 pay raise in a 3 month period.

Mr. Prenzler: Mr. Hulme’s rate of pay was mentioned because he was receiving less at that position.

Mr. Parkinson: So that proves my point, we have discussed pay on positions and we didn’t do it on this one.

Mr. Prenzler: We have discussed pay when the rate of pay is what is attached to the position that is what we voted on. In my opinion, the county board voted to appoint that person to that position at that rate of pay.

Mr. Parkinson: That is not what was on the agenda.

Mr. Prenzler: I think it was implicit on what was on the agenda.

Mr. Parkinson: It was not on the agenda.

Mr. Prenzler: So what are we going to do with the minutes, should we not approve the minutes and just review it?

Ms. Mendoza: There is a motion to amend the minutes, we either need to rescind the motion to amend the minutes or vote?

Mr. Chapman: There is an amendment on the floor that has been seconded and it is very clear and you can’t just dismiss it and erase it like it never happened and we move along. There is a motion on the floor that demands a vote that the minutes be amended.

Mr. Prenzler: I don’t think it is an appropriate motion, what we are voting on here is approving the minutes, we can’t just change people’s rate of pay.

Mr. Chapman: I do not hear his amendment saying anything about the pay.

Mr. Prenzler: Yes it did
Mr. Chapman: That may be his intent. All of this discussion has been out of order because all the motion was to amend the minutes so they did not reflect pay that was not on the original motion and was not discussed.

Mr. Prenzler: I don’t think that was the amendment.

Mr. Asadorian: Can we get a legal opinion on this?

Mr. Prenzler: No, I would like for the clerk to read how you understand Mr. Parkinson’s motion.

Ms. Mendoza: Mr. Parkinson moved for a motion which was seconded by Ms. Ciampoli, to amend the minutes to reflect the appointment and not the resolution.

Mr. Prenzler: I don’t think that was what he said.

Mr. Parkinson: Let me do this, I will rescind the motion for further discussion and I would like a legal opinion to being what is presented here as in the minutes and resolution was discussed and it was added to the minutes after the meeting and after the vote was taken. I would like a legal opinion as to whether the increase in salary is legal at this point, because it was not approved by the county board.

Ms. Mendoza: So are you rescinding the motion?

Mr. Parkinson: Momentarily.

Mr. Chapman: He cannot rescind his own motion. He can ask it be taken off the table, we have to vote on that and the person that seconded has to agree with that.

Mr. Asadorian: The maker of a motion rescinds his motion, the second has to also send it and it is removed. We do not have to vote on rescinding a motion.

Ms. Ciampoli: I will rescind mine.

Mr. Parkinson: I would like to have a legal opinion. The vote was a title only, never a discussion about a pay increase.

Mr. Prenzler: If I can suggest that we postpone until the end of the meeting.

Herb Simmons, Jr. Address to the Board

I would like to thank you for your time tonight, the reason I am here is to speak for the firefighters of State Park Fire Department. My name is Herb Simmons, I am the chief of the State Park Fire Department. We are trying to move forward with our department and we are being told from numerous people that board member Helen Hawkins is trying to make attempts on changing the State Park Fire District board. From my understanding that is not Ms. Hawkins’ area, it is Ms. Glasper’s area. My concern is, we are making a change and I don’t know if it will be for the better or for the worse, but I will say were we are today, we are moving forward in training of firemen, we have been showing up doing more for the firehouse and have a safer community. As you see, I have several firemen here tonight in support of this. I am not against the appointment, but why is a county board member who is not in our district going around making phone calls and attempting to get someone to be appointed over the current board member, who has helped us. Thank you for listening and I hope you will rethink the appointment. If not I will do my best to work with the new appointment.

Mr. Holliday: I have a question, what is the name of the person who you recommend for that?

Mr. Simmons: It is recommended to be William Ellis that is who Ms. Glasper recommended. The fire department and St. Clair County president wrote a letter to that affect as well. Our department is split between Madison and St. Clair County.
Mr. Parkinson: Mr. Prenzler can you enlighten us on where Jimmy Wells’s recommendation came from?

Mr. Prenzler: He was recommended by two county board members, Lisa Ciampoli and Helen Hawkins.

Mr. Simmons: I also have a petition to leave with you signed by the firefighters.

Mr. Futrell: I would like to hear an explanation on the signed document that he was getting ready to explain.

Mr. Simmons: It is a petition of 18 of the firemen. I have 24 firemen and 18 of them on their own free will walked in and said this is what they wanted to do. The secretary drew up the petition and they all signed it.

Ms. Hawkins: State Park Fire District is divided between district 16 and 23. I did call Gussie about it and told her there was another person that had been recommended and she was not able to return the call. I talked to former fire people there and that is where I got the recommendation for Jimmy Wells. I do have the right, I have never done this before, but I do have the right to make the appointment.

Ms. Glasper: I will speak to that. I was sent the list to make the recommendation for appointment for State Park Fire District as in the past. And in the past I have never coordinated it with another board member. It was my recommendation to make. I did submit a recommendation on Mr. William Ellis, Ms. Hawkins did call me and leave a message after I had done that. No, we did not talk or agree on that. My recommendation was for Bill Ellis and I am asking when we vote on this appointment that it be separated out.

Ms. Novacich: I concur with Ms. Glasper. I think Mr. Ellis has done a fantastic job at the State Park Fire District and I think we should go with the recommendation from Gussie Glasper and the State Park Fire Department.

Ms. Kuhn: I was wondering about these appointments, it has always been the call of the county board member, they had a say on this. There was a lot of different agendas made this time, the first agenda was blank on appointments, then approximately there were about 18 appointments made out of 30-40. Why were the other ones taken away?

Mr. Prenzler: We had a great number of appointments for this month and we have not got to all of those.

Ms. Kuhn: None of us would want it to come to our district that there is someone we know. We need time to look at it.

Mr. Prenzler: There are cases where the county board members have not had the time to look at it. And that is why we have delayed it.

Public Notice
Proposed Issuance of a Federally Enforceable State Operating Permit
Buckeye Terminals, LLC in Hartford

Buckeye Terminals, LLC has applied to the Illinois Environmental Protection Agency for a federally enforceable state operating permit regulating air emissions from the facility is located at 200 East Hawthorne Street in Hartford. The facility is bulk petroleum product and distribution terminal for gasoline and distillate fuels. The Illinois EPA has reviewed the application and made a preliminary determination that the application meets the standards for issuance and has prepared a draft permit for public review and comment.

The Illinois EPA is accepting written comments on the draft permit. Comments must be postmarked by midnight, April 30, 2017. If sufficient interest is expressed in the draft permit, a hearing or other informational meeting may be held. Requests for information, comments and questions should be directed to Rachel Stewart, Office of Community Relations, Illinois Environmental Protection Agency, P.O. Copies of the documents may also be obtained upon request to the contact listed above.

The 1990 amendments to the Clean Air Act require potentially major sources of air emissions to obtain federally enforceable operating permits. A FESOP permit allows a source that is potentially major to take operational limits in the permit so that it is a non-major source. The permit will contain federally enforceable limitations that restrict the facility’s emissions to non-major levels. The permit will be enforceable by the USEPA as well as the Illinois EPA.

Library visitors came from the states of Colorado, Idaho, Illinois, Maryland, Massachusetts, Missouri, Nebraska, North Carolina, Oklahoma, Oregon, Texas, and Virginia.

**Historical Museum Activities**

- The museum staff moved to temporary quarters at the Archival Library.
- Staff members worked on inventorizing the large collection of hand fans and jewelry.
In addition, staff has begun the process of reorganizing the collection center in order to clear areas to fit the larger pieces of furniture from the museum. Working toward the goal of a new look in the museum with new and enhanced exhibits, fewer items will be displayed but more of the Madison County story will be told.

The museum took in a number of interesting items and collections during the last half of 2016. A few are listed below.

- A long time employee of the Owens Glass Company donated a collection of glasses made at the plant consisting of one glass from every year between 1950 and 1983.
- The daughter of a member of the Women’s Army Corps donated her mother’s dress uniform and supplemental information as well as photographs. She was an Edwardsville native and a corporal in the signal corps.
- The wife of an Edwardsville native and SIUE graduate donated a Vietnam era U.S. Air Force dress uniform that had belonged to her husband.
- The most exciting collection came to us from the National World War II Museum in New Orleans. Milton Siegrist’s daughter had donated her father’s World War II medals, patches, garrison cap, photographs, and documents to the National Museum. Because the items had a strong Madison County connection and were a small collection (by National Museum standards), we were contacted to see if we were interested in the collection and we happily accepted the items. As a collection, these items provide an excellent insight into this Madison County man’s time in the service. Additional photos and personal information have also been added to this collection.

Archival Library Activities

- Mary Westerhold joined the Steering Committee of the Madison History project whose goal was to produce an online history of Madison County that was free and accessible to everyone. The project required a collaborative effort from many areas of the county with SIUE staff and students creating the online encyclopedia. This is an ongoing project.
- Library staff and volunteers processed a collection of over 300 documents and photos of the Paddock family donated in May.
- As part of the process of preparing the museum for renovation, the books from the original 1819 Edwardsville Library were removed from the museum, wrapped in tissue, cataloged, and stored at the collection center. One of the more interesting books in this collection is “Naval History of the United States from the Commencement of the Revolutionary War to the Present Time,” published in 1814. There are two volumes in this history with Volume 2 containing over 60 pages of “British Vessels Captured by Public and Private Armed Vessels of the United States” beginning in 1775 and continuing through 1813. The list includes the name of the capturing vessel, the name and type of the captured vessel, number of crew and arms, contents and their value, and the disposition of the vessel. Some were captured after a “desperate action” and these notations included the number of men wounded or killed on each vessel. Some of the captured vessels were burned while others were sent to various ports. The contents of the vessels included coffee, rum, sugar, fruits, and mahogany with total value of the contents ranging from a $100 to over $150,000.
- Volunteers and staff have transcribed the early records of St. Andrew’s Church.
- Ongoing projects include scanning of scrapbooks and photos, indexing newsletters from various industries, indexing guardianship files, accepting and cataloging collections, and various research projects.
- Mary Westerhold attended the five-day Federation of Genealogical Societies
Conference held in Springfield, IL.

- Donations in the second half of 2016 included
  - A large collection of books, music, photos, and documents relating to Edwardsville History and the Lange family;
  - Scrapbooks relating the activities of various railroads in the early 1900s;
  - Handbooks on Genealogy research; and
  - Family Histories and House Histories.

**VOLUNTEERS**

- In spite of temporary working locations and limited parking, the museum and library volunteers logged over 650 hours of volunteer time.

**REPORTS, RECORDS**

- Six month progress report; invoices approved and forwarded to County Auditor

**MEETINGS**

- Madison County Institutions Committee

**BUILDINGS AND GROUNDS**

- Routine Pest control, lawn mowing, and snow removal for Museum, Archival Library, and Collections Center (County), housecleaning (Society), and herb garden care (Volunteer Gardeners).

**PURCHASE**

- Purchase and necessary paperwork for equipment and supplies for the Museum office, Archival Library, buildings, and displays.

WHEREAS, Ernest Morris has been recommended for consideration and appointment,

NOW, THEREFORE BE IT RESOLVED that Ernest Morris, be appointed to a 5 year term ending 5/2/2022.

FURTHER, that said Ernest Morris give bond in the amount of $1,000 with security to be approved by the Chairman on behalf of the Madison County Board.

Dated at Edwardsville, Illinois, this 19th day of April, 2017.

Madison County Board Chairman

Mr. Walters moved, seconded by Mr. Michael, to adopt the foregoing resolution.

On the question:

Mr. Parkinson: I do not know where Ernest Morris’ name came from. I don’t know who recommended him. I think Kristen and I both were pleased with Curt Edwards, he has done a fine job. I have received phone calls in support of Curt Edwards and I don’t know why we are making a change with this.

Mr. Prenzler: The name is recommended by Ms. Helen Hawkins.

Mr. Parkinson: Ok. There are two other board members here that represent that area as well and neither one of us would like to have a change.

Mr. Asadorian: If we vote this down, do we need to make a motion afterwards for a different appointment?

Mr. Prenzler: Then I would have the opportunity to recommend another person at another time. The appointment would just be rejected.

The ayes and nays being called on the motion to adopt resulted in a vote as follows:
AYES: Mr. Chapman, Ms. Ciampoli, Ms. Dutton, Goggin, Ms. Harriss, Ms. Hawkins, Jones, Madison, McRae, Michael, Moore, Walters and Wesley.

NAYS: Asadorian, Dalton, Futrell, Glasper, Gorman, Holliday, Kuhn, Malone, Maxwell, Novacich, Parkinson, Petrillo, Pollard, Trucano

STATE PARK FIRE PROTECTION DISTRICT
RESOLUTION

WHEREAS, the term of Bill Ellis, Trustee of the STATE PARK FIRE PROTECTION DISTRICT, has expired; and,

WHEREAS, Jimmy Wells has been recommended for consideration and appointment,

NOW, THEREFORE BE IT RESOLVED that Jimmy Wells, be appointed to a 3 year term ending 5/4/2020.

FURTHER, that said Jimmy Wells give bond in the amount of $1,000 with security to be approved by the Chairman on behalf of the Madison County Board.

Dated at Edwardsville, Illinois, this 19th day of April, 2017.

Madison County Board Chairman

Ms. Ciampoli moved, seconded by Ms. Hawkins, to adopt the foregoing resolution.

On the question:

Ms. Ciampoli: With all due respect to Ms. Glasper and to the rest of the board, I was approached and asked for a recommendation on this. Mr. Wells is an outstanding citizen of State Park. He has lived there all his life and he has worked with State Park when I was on the City Council in Collinsville to make State Park a village. He would have the best interest for the citizens of State Park. I do respect you Gussie, but on many times and many issues in State Park, even though it is not my area, I have been called on numerous occasions when there has been flooding. Things that have happened down there they have called me. I always contact Gussie at that time whenever there is an issue. When Canteen Creek flooded twice, I contacted Mr. Jim Trucano, who is on the Canteen Creek levee district, he went down and did some work down there and I have commended him for his work. He is trying to work with the people. I am sorry for the miscommunication, but I was approached and I did give a name. I think he will do an excellent job, sometimes change is good. Mr. Ellis is a nice man and it is nothing personal.
Ms. Glasper: It is my recommendation as representative of the 23rd district that Jimmy Wells not be appointed to this position and that Mr. Bill Ellis remain on the State Park District.

Mr. McRae: There is no guarantee that either of these gentlemen that they be nominated next month right?

Ms. Hawkins: As Lisa commented, being the clerk of Nameoki Township I get the calls of State Park place. Mr. Wells has been wonderful and as far as the flood, I met with the representative Beiser and Senator Haine and they came up with some solutions and the Cahokia Creek Water District has already worked to alleviate that problem and because of my experience with Mr. Wells and what a good person he was for the State Park place and also his knowledge on the fire district is why I recommend him. It says district 16 and 23. It is the first time I have ever recommended anyone for any district and I had good cause for Mr. Wells.

Mr. Asadorian: Listening to the chief speak earlier and praising the work that this individual has been doing on that board, any time a firefighter says that they have increased education and increased training, they are pretty dedicated to it. Nobody likes to go through the education and training. This tells me that the firefighters are behind this guy and if this guy has treated them with respect and dignity for them to feel this way. And to change that would not be good for the moral of that department.

Mr. Holliday: Past practice has been that the recommendation of the county board member in the district was always taken first and looked at being the dominant recommendation. So these recommendations from other county board members is a slap in the face on the person that has that district and their word is not taken on who they want to be.

Ms. Ciampoli: With respect to that, prior to the other administration, multiple times I have made recommendations for my areas and never was I granted that. Past practice might have worked for some but it did not work for the entire board. I wanted to make that point.

The ayes and nays being called on the motion to adopt resulted in a vote as follows:

AYES: Mr. Chapman, Ms. Ciampoli, Futrell, Goggin, Ms. Harriss, Ms. Hawkins, Jones, Madison, McRae, Michael, Walters and Wesley.

AYES: 12. NAYS: 15. Whereupon the Chairman declared the foregoing resolution has failed.

Mr. Wesley moved, seconded by Mr. Walters, to adopt the foregoing resolution.

On the question:

Mr. Parkinson: Just to be clear, that certification is going to be done by you and Mr. Hulme?

Mr. Prenzler: No the certification will be done by a third party organization that provides training for this department.

Mr. Maxwell: To address Mr. Parkinson’s question, I believe you are referring to the job audit and not the job certification. The certification will be an outside, but the job audit will be Mr. Prenzler and Mr. Hulme.

Mr. Prenzler: Actually no, we will have a third party come and do the job audit.

Mr. Maxwell: Then they will come back to the Personnel committee at that point.

Mr. Parkinson: So I am clear, the job audit is going to be done by the third party? I did misspeak, I said certification, but meant job audit. This will be done by an outside agency?

Mr. Prenzler: Yes.
The ayes and nays being called on the motion to adopt resulted in a vote as follows:

NAYS: Kuhn.

AYES: 26. NAYS: 1. Whereupon the Chairman declared the foregoing resolution duly adopted.

Mr. Parkinson: I would like to commend the Personnel Committee on the bipartisan work they did to get this resolved. Mr. Fulton is a good candidate for this job. I am just concerned with the tax payers money in the exorbitant salary were looking at. I commend the committee.

Planning & Development Committee

Mr. Maxwell moved, seconded by Mr. McRae, to adopt the seven (7) foregoing resolutions.

On the question:

Mr. Asadorian: In the past we have had an issue arise on the mobile homes where I believe the owner of the home went into a nursing home and the attorney who was overseeing the property attempted to rent the home and we had spoken about it on the floor concerning some change in language. Has any language been changed to solidify the fact that once someone leaves the mobile home with a special use permit that it will revert back to its original zoning?

Mr. Maxwell: We are in the process of working on some different language to put forward to the board at some point. But in regards to a rental property, it would go back to the owner if there was somebody beyond that person or a renter that is occupying it. Does that answer the question?
Mr. Asadorian: I think the issue was the individual who applied for the special use permit was no longer residing in that mobile home and they wanted to rent it and the issue was they could not rent it because the special use permit was assigned to the individual residing in that home.

Mr. Maxwell: And when the individual moves a new special use permit would have to be filed for.

Mr. Chapman: There is a motion on the floor, I don’t see…

Mr. Prenzler: This issue is not being determined tonight, there is a question about it.

Mr. Chapman: I call the question.

Mr. Asadorian: We are voting on grading these special use permits and my question is are we going to have trouble down the road on this. We have had issues before.

Mr. Maxwell: In that situation there were numerous objections with continued use of that location. On the ones in front of you tonight, there were no objections from the other property owner.

Mr. Moore: On resolution Z17-0010, the chicken and goat issue, I noticed that is R-2 zoned. Were there neighbors nearby that were considered and was there opposition from the neighbors?

Mr. Maxwell: The opposition was to the goat itself and that is why if you look at this resolution the chickens were approved but the goat was denied. The resolution had to be modified from the original to deny the goat.

The ayes and nays being called on the motion to adopt resulted in a vote as follows:

NAYS: None.

AYES: 27. NAYS: 0. Whereupon the Chairman declared the six (6) resolutions duly adopted.

Finance and Government Operations Committee
Mr. McRae moved, seconded by Mr. Walters, to adopt the nine (9) foregoing resolutions.

On the question:

**Mr. Asadorian:** On the resolution on the transfer on Governors Parkway, Madison County put the road in and Illinois Department of Transportation tends to transfer ownership of the departments property rights at issued to Madison County. Exactly what does that mean?

**Mr. Gvillo:** Right now we are currently maintaining Governors Parkway County Highway 75 was constructed by Madison County on property designated for a state maintained highway. During the design process IDOT said they would transfer ownership of the property (R.O.W.) to Madison County upon completion of the project. IDOT is in the process of transferring the property to Madison County. This resolution states that Madison County is willing to accept the Right of Way transfer and will maintain County Highway 75. After Madison County has taken possession of the property from IDOT they could possibly transfer the maintenance to another agency, but this would be the first step in that process.

The ayes and nays being called on the motion to adopt resulted in a vote as follows:

**AYES:** Asadorian, Mr. Chapman, Ms. Ciampoli, Ms. Dalton, Ms. Dutton, Futrell, Ms. Glasper, Goggin, Ms. Gorman, Ms. Harriss, Ms. Hawkins, Holliday, Jones, Ms. Kuhn, Madison, Malone, Maxwell, McRae, Michael, Moore, Ms. Novacich, Parkinson, Petrillo, Pollard, Trucano, Walters and Wesley.

**NAYS:** None.

**AYES:** 27. **NAYS:** 0. Whereupon the Chairman declared the nine (9) resolutions duly adopted.

************

**Mr. Prenzler:** If we could go back to where we were with approving the minutes from March 15th meeting. To review we had a motion and a second to approve them then we had a motion to amend the minutes and that motion to amend has been rescinded correct?

**Mr. Parkinson:** Upon further discussion. I am still not clear on how a pay raise of $20,000.00 was attached to this appointment.

**Mr. Prenzler:** It is not 20,000 it is less than 8,000.

**Mr. Parkinson:** Ok, any amount of money was attached without any discussion from the board. The vote we took was just title. This resolution that is attached today was not presented at the meeting. There was no pay attached to it and it was not voted on, it was to give her the title in the present job that she was already doing at the rate she was being paid at. I will make a motion to table the minutes until they are corrected to show she was not given a pay increase.

**Mr. Prenzler:** Do you mean to table or postpone until the next meeting?

**Mr. Parkinson:** Either way.

**Mr. Prenzler:** Ok, table until the next meeting.
Mr. Parkinson moved, seconded by Mr. Asadorian, to table the March 15, 2017 minutes until next meeting.

On the question:

**Mr. Asadorian:** Can I get a clarification, was she appointed to a new position or existing?

**Mr. Prenzler:** Existing.

**Mr. McRae:** I think the issue is that if you read the minutes, you would think we discussed her salary, correct? So I would think we could just amend the minutes to striking a sentence or two and we could perfect the minutes tonight?

**Mr. Parkinson:** If I could ask the question to Mr. McRae, by doing that would we be authorizing the 8,000 pay increase?

**Mr. Walters:** This is to table, but he said also he wants to amend her pay.

**Mr. Prenzler:** No, it is a simple motion to table.

**Mr. Walters:** That is what I heard.

**Mr. Parkinson:** It is a motion to table, so we can explore what we did is correct or not regarding the pay.

**Mr. Walters:** That is not the way I am hearing it, I am hearing he wants to adjust her pay.

**Mr. Prenzler:** Clerk, what is the motion?

**Ms. Mendoza:** The motion is table the minutes and I have to assume until the next time this board meets.

**Mr. Madison:** Will this be sent to the Personnel Committee?

**Mr. Prenzler:** I am not sure.

**Mr. Chapman:** I suggest to make the motion to postpone until the next meeting.

**Mr. Prenzler:** He clarified that.

**Mr. Parkinson:** I would like to postpone until next meeting, so it could possibly go back to committee for clarification on whether that vote entailed a monetary increase that was never part of that vote.

**Mr. Walters:** I do not think we can do that. We put her in a position that has a specified amount and we voted for it. I am sorry if you did not understand what we were voting on, but as a county board member you should know these things. We have done this for a long time. If you haven’t been on here, I am sorry. But you can ask the questions and it is always noted that when someone is getting the position they are getting the salary of that person or position is given an amount. That is what we voted on, so therefore we did vote to give her a raise. You may not have understood that, but I am sorry. We should know what we are voting on.

**Mr. Prenzler:** The issue involved is approving the minutes Mr. Parkinson, this will not be a reanalysis of salary, and this will be a reanalysis of the minutes for the next minutes.
Ms. Harriss: Are they going to change between now and next month?

Ms. Mendoza: I will assume that a correction and amendment to the minutes will be striking the resolution as read, it will be the appointment as read. That will be the amendment I will make to the minutes.

The ayes and nays being called on the motion to table the minutes resulted in a vote as follows:

NAYS: Chapman, Ciampoli, Futrell, Harriss, Maxwell, McRae, Michael, Walters.

AYES: 19. NAYS: 8. Whereupon the Chairman declared the minutes tabled.

***********

Mr. Parkinson: I would like to make another motion that we send the pay back to the committee for further discussion.

Mr. Prenzler: We cannot do that, it is not on the agenda.

Mr. Asadorian: It is under new business.

Mr. Prenzler: We cannot do that.

Mr. Parkinson: Her pay is on the agenda.

Mr. Prenzler: No, her pay is not on the agenda. The approval of the minutes was on the agenda.

Mr. Parkinson: It is in the resolution.

Mr. Prenzler: The approval of the minutes was on the agenda, not her resolution. I think there will be another way to put it on. We cannot discuss it at this point because it is not on the agenda. We do have new business and I am opening it up.

Ms. Hawkins: I would like to recognize two Madison County officials, one being our county coroner, Steve Nonn, for keeping his costs down. I read all of these when they come to me. The other person is our treasurer, Chris Slusser for the good job he is doing. As a tax payer I appreciate the good things you do.

Ms. Novacich: I was curious what these hats were for?

Mr. Hulme: Those were left here by our partners in the animal rights community who have been working with us to move toward a no kill county. Those were provided by the organizations that are partnering with us. They have helped us today on having the event outside on microchipping and adoption. It was nice to see that.

Mr. Futrell: I would like to recognize the child advocacy center on the work they did on the Campbell family. The testimony given by the director, Carrie Cohan was amazing. Their group seemed to do an excellent job on that case.
Mr. Holliday moved, seconded by Ms. Dalton to recess this session of the Madison County Board Meeting until Wednesday, May 17, 2017. **MOTION CARRIED.**
