SETTLEMENT AGREEMENT
(“Agreement”)

WHEREAS, Olin Corporation (“Olin”) owns certain real property located in Madison County, Illinois, which property is devoted to manufacturing and other uses; and

WHEREAS, in November of 2007, Global Metals, LLC, now known as GBC Metals, LLC (“GBC”), obtained by quit claim deed from Olin all of the improvements on a parcel of real property in Madison County, Illinois now identified as parcel 19-1-08-16-00-000-003.003 (referred to herein as the “Property”) and Olin and GBC entered a 99-year lease whereby Olin leased the Property to GBC, and from and including the 2008 tax year, the real estate tax bills for the Property have been paid directly by GBC to Madison County; and

WHEREAS, GBC appealed the real property tax assessments for the Property for tax years 2008 through 2014 to the Illinois Property Tax Appeal Board (“PTAB”), following appeal to the Madison County Board of Review (“Madison County BOR”);

WHEREAS, GBC appealed the real property tax assessments under the following Docket Nos. before PTAB: 2008-05194, 2009-01271, 2010-00850, 2011-02293, 2012-01660, 2014-02509 (the “PTAB Appeals”); and

WHEREAS, the Madison County BOR is deemed a party to all of the foregoing appeals pending before PTAB and the Appellate Court (collectively, the PTAB Appeals and the Court Appeal shall be referred to as the “Pending Appeals”); and

WHEREAS, the taxing districts below,

St. Louis Regional Airport Authority,
Village of East Alton, Illinois,

Madison County, Illinois,
East Alton—Wood River High School District #14,
Wood River Township Road/Bridge District,

WHEREAS, GBC has submitted appraisals in the Pending Appeals supporting reduction of the assessed value of the Property below the values arrived at by PTAB for the 2008 through 2014 tax years; and

WHEREAS, if GBC is successful in obtaining its appraisers’ opinion of the assessed value of the Property, GBC would be entitled to recover significant refunds and statutory interest; and
WHEREAS, in the interest of avoiding further expense associated with the Pending Appeals and the potential for cash refunds to GBC for tax years 2008 through 2014, and to provide certainty and predictability with respect to the budgets of the Taxing Districts, GBC, the Taxing Districts and the Madison County BOR have determined it is in the public interest and in their respective interests to settle the Pending Appeals in accordance with the terms and conditions set forth in this Agreement; and

WHEREAS, Article VII, Section 10 of the Illinois Constitution of 1970 authorizes unit of local government and school districts to contract and associate among themselves and with individual corporations in any manner not prohibited by law or by ordinance to obtain services, finances and other legitimate governmental objectives.

NOW, THEREFORE, GBC, the Taxing Districts and Madison County BOR, (collectively, the “Parties” or singularly, a “Party”), in consideration of their promises to each other, their undertakings set forth herein, and other good and valuable consideration, hereby contract among themselves and with each other, and agree to be bound as follows:

1. Recitals Part of This Agreement. The Parties agree that all recitals contained in the Preamble of this Agreement are true and correct and are hereby incorporated into this Agreement by this reference.

2. Definition of “Assessed Value.” In additional to the words and terms defined in the Recitals hereto, which definitions are incorporated herein, the term “Assessed Value” with respect to a parcel of real property for any tax year shall mean the combined total of the non-farm assessment and the farmland assessment and also including the value of all real property and improvements, which together shall comprise the assessed value of the parcel for purposes of the Madison County real estate tax bills prior to application of that year’s state or township equalization factor (sometimes called the “multiplier”).

3. Term of Agreement. Unless otherwise specified, the term of this Agreement shall be from the execution thereof through the end of the 2023 tax year.

4. Stipulated Assessed Value. Upon execution of this Agreement, GBC and the Taxing Districts shall stipulate to the Madison County BOR that the total Assessed Value of the Property, PIN 19-1-08-16-00-000-003.003, for real estate tax assessment purposes as of January 1, 2015 shall be reduced to six hundred ninety-nine thousand five dollars and seventy-five cents ($699,005.75) (the “Stipulated Assessed Value”). The Madison County BOR agrees to adopt the Stipulated Assessed Value as the Assessed Value of the Property for tax years 2015 through 2023. The Parties’ stipulation shall also request the Madison County BOR to find the terms of the Agreement are just and that the BOR shall be bound by same to the extent permitted by law.

5. No Party To Take Action to Increase/Decrease Stipulated Assessed Value. Upon the reduction of the total Assessed Value as set forth in paragraph 4 above, for the term of this Agreement, and through and including the tax assessment valuation for the tax year commencing January 1, 2023, GBC, the Taxing Districts, and the Madison County BOR agree not to take any action to increase or decrease the Assessed Value of the Property for real estate tax purposes.

6. Taxing District Payments in the Event of Increased Assessed Value. During the term of this Agreement, in the event that the Assessed Value of the Property exceeds six hundred ninety-nine thousand five dollars and seventy-five cents ($699,005.75) in any tax year, for any reason, including, without limitation, because (i) the Madison County Assessor or Madison County BOR does not abide by
this Agreement, or (ii) this Agreement is set aside or declared invalid or unenforceable for any reason, then the Taxing Districts each agree to pay to GBC, for any such tax year, the difference between the taxes that GBC pays for that tax year and that are disturbed to each Taxing District and the taxes that GBC would have paid to each Taxing District based on the stipulated Assessed Value for the Property. Any amounts due from the Taxing Districts to GBC under this paragraph 6 shall be due and payable by said Taxing Districts within fifteen (15) days after the Madison County Treasurer distributes the real estate taxes to each Taxing District following each installment of taxes for that tax year. If said amounts are not paid in a timely manner by the Taxing Districts directly to GBC, any funds due to GBC from the Taxing Districts under this paragraph shall be deemed tax refunds due to GBC in accordance with the procedure set forth in 35 ILCS 200/23-20 (in the same manner as if those refunds had been ordered through final order of PTAB or the court) and said refunds shall be made by the Madison County Collector from the next funds collected after said amounts become due until full payment of the refund with statutory interest under 35 ILCS 200/23-20 & 23. The Parties acknowledge and agree that this provision is not a penalty provision but a reasonable approximation of the damages that GBC will suffer if, for any reason, this Agreement is not enforced in accordance with the terms hereof.

7. **GBC to Report Additions and Deletions to Property.** Notwithstanding the foregoing, GBC agrees that it will report any additions, capital improvements or deletions to the Property to the Wood River Township Assessor and the Madison County Supervisor of Assessments (“Assessment Officials”) in a timely fashion and that, upon expiration of this Agreement, the Assessment Officials will determine the contribution or reduction to the market value of GBC caused by said additions, improvements or deletions.

8. **Dismissal of Tax Appeals.** Upon full execution of this Agreement, and provided that Madison County BOR has reduced the Assessed Value of the Property in accordance with paragraph 4 hereof, GBC will dismiss with prejudice, and with each party to bear its own costs, all of the Pending Appeals, including the PTAB Appeals and the Court Appeal.

9. **Cooperation to Defend Agreement.** Following full execution of this Agreement, if any other individual or entity takes any action to increase the Assessed Value of the Property beyond the stipulated amount set forth herein during the term of this Agreement, the Taxing Districts agree to join GBC in opposition to said increase, and will use their reasonable efforts to defend the Assessed Value agreed upon in this Agreement. If any individual or entity takes action to decrease the assessed value of the Property during the term of this Agreement, GBC will use its reasonable efforts to oppose and defeat the same.

10. **Successors and Assigns.** This Agreement shall not only be binding upon GBC and the Taxing Districts hereto, and insure to the respective benefit of the Parties hereto, but shall also be binding upon and shall insure to the benefit of their agents, employees, representatives, administrators, successors and assigns. GBC shall ensure that as part of any transaction regarding transfer or other disposition of all or part of the Property that the terms of this Agreement are known to and binding upon any transferee, assignee or successor of GBC. Upon execution of this Agreement, GBC shall promptly record this Agreement with the Recorder of Deeds of Madison County, or such officer fulfilling the function of a recorder of deeds within said County.

11. **Agreement to Meet.** The Parties hereto, or their representatives, agree to meet not later than December 31, 2021, to discuss potential extension and/or amendments to this Agreement upon the expiration of the terms hereof.

Absent were Misters: Sedlacek.
Where upon the Chairman declared the petition removed from the table.
A motion was made by Mr. Koeller and seconded by Mr. Davis that the petition of Dillon Smith be as follows: “Denied.”
The Finding of Fact of the Board of Appeals: I. The notice of Public Hearing was posted on the property in accordance with the terms of the ordinance; II. The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; III. The adjoining property owners were notified by mail of the time and date of the public hearing; IV. Dillon Smith, applicant, stated that he is requesting a special use permit in order to continue the placement of a double-wide manufactured home for the sole occupancy of Cullen and Jenny Urick. Mr. Smith stated that previous hearings were conducted in the past for the subject manufactured home, approving the continued placement to date. Mr. Smith stated that the manufactured home and the property are well maintained and have not been subject to violation of County Ordinances; V. Steve Wilper, nearby property owner of 6315 Old Carpenter Road, spoke in opposition to the request. Mr. Wilper stated concerns with a manufactured home being located on a street that contains all housing on a permanent foundation, creating a negative precedent of allowing manufactured homes in the area and creating an unfair property tax assessment. Mr. Wilper stated that the manufactured home was originally located on the subject property in order to accommodate the housing needs of an elderly parent by the previous property owner. Mr. Wilper stated that now that the elderly parent is no longer residing in the manufactured home, he has concerns with the property becoming a rental unit and absentee landlords. Mr. Wilper submitted a letter of objection for the record; VI. Debra Hood, adjoining property owner to the north at 6260 Old Carpenter Road spoke in opposition to the request. Mrs. Hood stated that there are no other manufactured homes on Old Carpenter Road and that the continuance of the subject manufactured home would set a negative precedent. Mrs. Hood stated that when she purchased the property in 2004, a Special Use Permit was in place at the time to allow Mary Kreamalmeyer, elderly parent of the previous property owner, to remain on the property due to being disabled. Mrs. Hood stated she was told by the previous property owner, Cody Kreamalmeyer, that the manufactured home would be removed once the elderly parent no longer resided in the manufactured home. Mrs. Hood stated that the special use permit would have a detrimental impact on the surrounding area. Mrs. Hood submitted a letter of opposition for the record; VII. Larry Gaertner, adjoining property owner to the west at 6243 Old Carpenter Road, spoke in opposition to the request stating that during the consideration of the original placement of the manufactured home in 1985, he was told that the manufactured home would be removed once there was no longer a need for the elderly parent to live there; VIII. Raymond Kerkemeyer, nearby property owner of 6461 Old Carpenter Road, spoke in opposition to the request; IX. Shannon Van Patten, nearby property owner of 6264 Old Carpenter Road, spoke in opposition to the request, stating that she was bothered by the placement of the trailer when she originally purchased her property, but was told that the trailer would be removed once the elderly parent left; X. Cody Kremalmeyer, previous property owner of the subject property, spoke in support of the request, stating that he always abided by all zoning laws and requirements of the County. Mr. Kremalmeyer stated that he never guaranteed that the manufactured home would be removed when his mother no longer lived there. Mr. Kremalmeyer submitted an appraisal of the subject property from 2010 that the property and manufactured home appraised for $90,000; XI. Nancy Nekola and Vicky Hamlet, nearby property owners of 6273 Old Carpenter Road, spoke in opposition to the request; XII. Dillon Smith, applicant, stated during his closing comments that there have been comments for and against the request. Mr. Smith stated that concerns raised by those opposing the request are worried about what might happen and not what has happened. Mr. Smith stated that there have been no violations on the property and that the manufactured home existed before many of those opposing the request moved to the area. Mr. Smith stated that placement of the manufactured home does not diminish the value of the surrounding area; XIII. A petition containing thirty-two (32) signatures of adjacent and nearby property owners opposing the request was submitted to the Board of Appeals; XIV. A letter of support was submitted to the Board of Appeals by Vincent Allaria, nearby property owner of 6212 Old Carpenter Road; XV. A letter of support was submitted to the Board of Appeals by Tracey Burns, nearby property owner of 6228 Old Carpenter Road; XVI. A letter of support was submitted to the Board of Appeals by Dawn Burns, nearby property owner of 6234 Old Carpenter Road; XVII. A letter of support was submitted by Claudia Bohley, nearby property owner of 6224 Old Carpenter Road; XVIII. The Board of Appeals notes for the record that the subject manufactured home was originally approved for the residency of an elderly parent who no longer has a need to utilize the manufactured home; XIX. The Board of Appeals notes for the record
that the proposed special use permit request would not be compatible with the surrounding area; XX. The Board of Appeals feels that to allow this request would cause a detrimental effect on adjoining properties; XXI. The Board of Appeals notes that the Comprehensive Plan, Madison County Zoning Ordinance, and the zoning file were taken into consideration.

Mr. Hartweger stated that during the construction process, the detached garage was found to be too tall for the residential district requirements. INTERGOVERNMENTAL AGREEMENT
FOR
CONTRACT POLICE SERVICES

This Agreement comes into full force and effect on the 1st day of August, 2012 and is made and entered into by and among the County of Madison, a body politic and local governmental body, (hereinafter “COUNTY”), the Madison County Sheriff’s Department, (hereinafter “SHERIFF”), and Triad Community Unit School District No. 2, a school district within the boundaries of the County of Madison, (hereinafter “TRIAD”).

WHEREAS, both the COUNTY and TRIAD are governmental bodies of the State of Illinois vested with the responsibility and authority to enforce and uphold the laws of this State, to protect and safeguard the students enrolled in TRIAD from public menace and crime, and to keep peace in the school and the surrounding community; and,

WHEREAS, the SHERIFF is a department of the COUNTY; and TRIAD has determined that there presently exists a need for on-site police services at Triad High School to reduce the incidence of criminal activity at or on the campus of the high school; and,

WHEREAS, the SHERIFF has determined that it can provide the on-site police services that TRIAD desires; and,

WHEREAS, both the COUNTY and TRIAD are authorized by the terms and provisions of the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq., to enter into intergovernmental agreements, ventures and undertakings to perform jointly any governmental purposes or undertaking either of them could do singularly; and,

WHEREAS, TRIAD is desirous of contracting with the COUNTY to obtain and provide police services from the SHERIFF in and for the Triad School District.

NOW, THEREFORE, in consideration of the forgoing and the covenants contained herein, the parties hereby agree and covenant as follows:

1. SERVICES.

   a) Police services provided pursuant to this Agreement shall include, but are not limited to, enforcement of Federal and State statutes and Municipal and County ordinances on TRIAD property and/or at events or locations when such events or locations, or the matter being handled by SHERIFF, impacts or relates to TRIAD property or TRIAD’S educational process. Police services provided hereunder do not include calls concerning animals unless said animals are deemed dangerous to the public health or safety.

   b) The SHERIFF shall have one deputy and one squad car available to be used exclusively for patrol and police services as defined in Section 1(a) above, for one shift (8 hours) per day, five (5) days per week, for the term of this Agreement.

   c) The SHERIFF shall provide all necessary back-up services, personnel and equipment to assist the deputy on patrol if, in the discretion of the SHERIFF or at the request of TRIAD, such back-up services are necessary in order to assure the effective and safe performance of the SHERIFF’S total law enforcement function in the COUNTY.
d) At the reasonable discretion of the SHERIFF, and consistent with good police practices, the SHERIFF shall provide juvenile investigative services where the same are necessary to carry out the terms of this Agreement.

e) The SHERIFF shall establish and maintain a communication system of telephone and radio services adequate to provide communications between the deputy assigned to TRIAD and the SHERIFF. TRIAD shall provide the SHERIFF with the TRIAD radio communication frequency so that the deputy may communicate directly with the TRIAD administration and bus personnel where necessary.

f) While the deputy is on patrol at TRIAD, he shall not be responsible for warrant applications, court appearances, prisoner transportation or other related tasks unless directly related to police services provided pursuant to this Agreement.

g) The deputy shall establish and operate such programs and activities as are consistent with the intent of this Agreement and as determined jointly by the SHERIFF and TRIAD. The deputy shall have the duties and responsibilities contained in the job description which is hereby incorporated by reference and attached hereto as Exhibit A for the assignment of deputy. Duties and responsibilities, once established, may be changed, expanded, or redefined by the SHERIFF and TRIAD jointly.

2. **EMPLOYMENT & EQUIPMENT STATUS.**

a) All persons employed by the SHERIFF for the purpose of providing police services to TRIAD shall be COUNTY officers or employees, and they shall not have any benefit, status, or right of TRIAD employment.

b) The deputy and any vehicle or equipment utilized in the performance of this Agreement shall at all times be and remain under the control, maintenance and ultimate direction of the SHERIFF.

3. **SELECTION PROCESS.**

a) The SHERIFF shall post the job description contained in Exhibit A for this special assignment. The selection of the applicant will be by mutual agreement between the SHERIFF and TRIAD.

b) In the event the SHERIFF determines the assigned deputy would be best utilized by assignment in a different capacity or for any other reasonable cause, the deputy may be reassigned by the SHERIFF and another deputy may be assigned to TRIAD, provided the replacement deputy is acceptable to TRIAD. Notwithstanding the provisions of paragraph 6(c)(4), the SHERIFF shall be responsible for wages and training expenses incurred for the replacement deputy during any training period. For reasonable cause, TRIAD shall also have the right to request a replacement deputy, as per the selection process in 3(a) above, provided that the cost of related training wages is allocated pursuant to Section 6(c)(4).

4. **PERFORMANCE REVIEW.**

a) The Chief Deputy Sheriff shall be the contact person for receiving grievances, queries, complaints and commendations of services performed under this Agreement.
b) In the event of a dispute between the parties as to the discretionary police practices, procedures, policies or performance and the discipline of the deputy, the determination thereof made by the SHERIFF after considering input from TRIAD shall be final and conclusive as between the parties hereto.

5. **ASSIGNMENTS.**

   a) Subject to the terms of this Agreement, the planning, organization, scheduling and direction of the daily activities of the deputy when assigned to TRIAD shall be determined by TRIAD. The SHERIFF, however, shall retain authority over supervision and all other matters incident to the delivery of general police services to TRIAD and the COUNTY.

   b) On days during the term of this Agreement when the deputy would normally be assigned to TRIAD, but the school is not open (hereinafter referred to as “non-school days”), i.e., due to inclement weather, in-service days, holidays not recognized under the collective bargaining agreement between the COUNTY and the Police Benevolent Union, (hereinafter “UNION CONTRACT”) or otherwise, the deputy shall report to the SHERIFF for assignment.

   c) In the case of an emergency within TRIAD, at a location other than the high school, where immediate response by the SHERIFF’S personnel is deemed necessary by the SHERIFF or TRIAD, the deputy assigned to TRIAD may be directed by the SHERIFF or TRIAD to respond for the time necessary to abate the emergency. For the purposes of this Agreement, “emergency” is defined as any threat which subjects persons or property to immediate harm or danger or as otherwise deemed an emergency by the SHERIFF as determined on a case-by-case basis.

   d) On days during the term of this Agreement when the deputy elects to use vacation days, sick days or other leave, or is absent due to training, the SHERIFF may assign a replacement at no additional cost to TRIAD.

6. **COMPENSATION.**

   a) TRIAD shall not be liable for the direct payment of wages or other compensation to the deputy providing police services to TRIAD pursuant to this Agreement.

   b) TRIAD shall furnish at its own expense all necessary office space, furniture and furnishings, office supplies, janitor services, telephone, and other utilities for the deputy in connection with the performance of his duties in and under this Agreement.

   c) TRIAD agrees to pay for services pursuant to this Agreement as follows:

   1. That, except as otherwise provided in this Agreement, TRIAD shall reimburse the COUNTY for the full amount of the deputy’s salary for that portion of the school year that the deputy is assigned to TRIAD, with said period not to exceed 174 days per school year, (i.e., a full school year), and with said amount being calculated pursuant to the UNION CONTRACT;

   2. That TRIAD shall reimburse the COUNTY for any overtime pay to which the deputy is entitled for services to TRIAD, pursuant to the UNION CONTRACT;
3. That the deputy shall report to the SHERIFF for assignment on non-school days as defined in Section 5(b) of this Agreement and that TRIAD shall not reimburse the County for the deputy’s wages for these non-school days;

4. That TRIAD shall be responsible for reimbursing the COUNTY for any wages for time that the deputy utilizes for training pertinent to the police services provided under this Agreement, (i.e., recertification, D.A.R.E., etc.), during the term of this Agreement, and that the SHERIFF shall be responsible for any costs or expenses related to the training;

5. That TRIAD shall be responsible for reimbursing the COUNTY on a pro rata basis for any employer’s contribution made to Social Security, SLEP or a health benefits plan to which the deputy is entitled, pursuant to the UNION CONTRACT, with said pro rata basis being based on the number of days that the deputy shall be assigned to TRIAD out of the total work year which shall not exceed 174 days per school year, (i.e., (174÷260) x the total cost of the benefits listed);

6. That TRIAD shall reimburse the COUNTY for that portion of the deputy’s salary that is not covered by worker’s compensation benefits on a pro rata basis as defined in Section 6(c)(5) of this Agreement.

7. That TRIAD shall reimburse the COUNTY for any deputy assigned to TRIAD to replace the deputy for any vacation days, sick days or for any other leave only if TRIAD has requested a replacement deputy.

d) The SHERIFF shall transmit a monthly bill for any salary, expenditures or other expenses for which TRIAD is responsible pursuant to the terms of this Agreement.

e) Upon TRIAD’S receipt of the monthly bills from the SHERIFF, all reimbursements for police services and related costs and expenses shall be due on the last day of each month following the delivery of said services.

7. RECORDS.

a) It is expressly agreed by and between the parties hereto that any and all records generated as a result of the implementation of this Agreement, and pursuant to same, are the sole and exclusive property of the SHERIFF, shall be maintained and kept by the SHERIFF, and are not subject to release or disclosure except as authorized by the laws of the State of Illinois. It is understood, however, that TRIAD has a reciprocal agreement which is incorporated herein by reference and is attached hereto as Exhibit B with the Madison County State’s Attorney and various law enforcement agencies which may by mutual agreement provide authority to obtain such records. Notwithstanding any terms in this Agreement, this Agreement shall not abrogate any of the District’s responsibilities under state and federal student records law.

8. INDEMNIFICATION.

The COUNTY and SHERIFF agree to indemnify, defend and hold harmless TRIAD, its board members, officers, employees, volunteers, agents, successors and assigns, against any and all liabilities, damages, losses, expenses, causes of action, demands, claims, suits or judgments, including reasonable attorneys’ fees of any nature, kind or description arising out of, caused by or resulting from the deputy or any police services provided or failing to be provided by the COUNTY or the SHERIFF.

8. TERM AND TERMINATION.

a) This Agreement shall be in effect from August 1, 2012 to July 31, 2014, provided, however, that said termination date shall automatically extend for one (1) year unless a forty five (45) day notice of termination is given by either party prior to the termination date.
