Fred Faust’s Address to the Board

Fred Faust, a member of the Madison County Historical Society, addressed the Board to discuss several topics pertaining to the Madison County Museum. Mr. Faust noted that even though there isn’t a firm date
for the museum to open to the public, a Capital Campaign has launched and they plan to finish renovations by 2021. Mr. Faust mentioned the completed work on the building has been funded through Society funds and from here on out the work will be funded through the Capital Campaign. Mr. Faust said the Society has over 200 members. He goes on to say that even though the museum appears to be closed, it is not. The museum staff and volunteers continue to accept, document and archive new donations for the Museum along with curating exhibits for the Court House, Administration Building and the MCHS website.

************

**Dustin Beard’s Address to the Board**

Dustin Beard addressed the Board to voice his concern on Zoning Resolution z19-0008. Mr. Beard along with his neighbor are concerned because of reasons they believe to be valid today. Mr. Beard said the property has been vacant since the early 1980’s and three-quarters of the lot are part of the dam which would result in being unable to build a home. He said the septic system is also a concern; numerous questions have been asked about laterals and tanks but have not received a direct response. Mr. Beard goes on to say that it would be difficult to maneuver an aeration system around the existing lake to ensure no leakage into the water. Mr. Beard and his neighbor attended the March meeting to discover the variance request cancelled and was told this lot should be deemed unbuildable. Mr. Beard voiced another concern about the lack of information to the lake owners. He said that only 3 letters were sent out leaving the rest of the home owners responsible for the dam uninformed.

************

**Candace Ladd’s Address to the Board**

Candace Ladd, a member of the Madison County Historical Society, addressed the Board to voice the importance and history of the Museum. Ms. Ladd said the current organization was formed in the early 1920’s and was provided a room in the Courthouse to display artifacts. In the 1960’s the Museum was moved from the Courthouse to the Weir House, where they are currently housed. The Weir House was converted into a Museum with grants and private funds and a separate building was built to house the library collection. Ms. Ladd said recently the Museum was unexpectedly and prematurely closed to replace the roof. The library has remained open and continues to serve the public providing research assistance and preserving documents with the help of volunteers. The Museum staff continues preserving and documenting artifacts while telling the history of Madison County. No longer will the Museum be presented as a home but reflect the theme Madison County as a Crossroads with new interactive exhibits. The exhibits will be online and connected to lesson plans for individuals who study Illinois. The exhibits will encompass early American heritage, formation of settling in Madison County, rise of businesses, industry, labor, slavery, immigration, home life and the contribution of individuals.

************

**Stephen Hansen’s Address to the Board**

Stephen Hansen, a member of the Madison County Historical Society, addressed the Board to discuss a number of inquiries made by County Board Member, Erica Conway-Harriss. Ms. Conway-Harriss asked why the County should support a Museum since it is not an essential service. Mr. Hansen said over the past
2 years, he has been interviewing steel workers, farmers, contractors, small business owners, political leaders and educators to gather a collection of oral histories. The answer Mr. Hansen has been seeking is why Madison County has thrived over the past half century when so many other areas have lost population, jobs and businesses. Mr. Hansen has come to the conclusion that Madison County is different from other Counties because of the cooperation between labor, business, education and government. He said the Historical society has a partnership with County Government that makes Madison County a thriving and attractive place to live. Mr. Hansen spoke of an article published by The Illinois Policy Institute that surveyed 50 Illinois Counties and said Madison County was not only unique for supporting a Museum but gave criticism for supporting a non-essential service. Mr. Hansen said Madison County should stay unique and continue to thrive just as we have for the last half century.

**Kinder Morgan Liquids, LLC. – Wood River Terminal in Hartford**

Kinder Morgan Liquids Terminals, LLC.—Wood River Terminal has requested that the Illinois Environmental Protection Agency (Illinois EPA) renew the Clean Air Act Permit Program (CAAPP) permit regulating air emissions from its facility located at 1000 BP Lane in Hartford. The facility receives high and low vapor pressure petroleum products through a pipeline network, and receives denatured fuel ethanol via trucks. Based on its review of the application, the Illinois EPA has made a preliminary determination that the application meets the standards for issuance and has prepared a draft permit for public review.

The Illinois EPA is accepting comments on the draft permit. Comments must be postmarked by midnight May 11, 2019. If sufficient interest is expressed in the draft permit, a hearing or other informational meeting may be held. Requests for information, comments, and questions should be directed to Evan Yates, Office of Community Relations, Illinois Environmental Protection Agency, 1021 N. Grand Ave. East P.O. In addition to implementing Title V of the Act, CAAPP permits may contain “Title I Conditions,” i.e., conditions established under the permit programs for new and modified emission units, pursuant to Title I of the Act. The permit contains no T1 conditions that are being newly established or revised by this application.

The beginning of this public comment period also serves as the beginning date of the USEPA 45 day review period, provided the USEPA does not seek a separate proposed period.

The following (2) appointments were submitted and read:

Michael R. Baggett is recommended for appointment to a 3 year term to the Wood River Drainage and Levee District, replacing Margaret Weber.

David S. Overton is recommended to complete the unexpired term of Scott Miller to the Wood River Drainage and Levee District.

On the question:

Ms. Dutton: I would just first like to publicly thank Scott Miller for his time on the Board, he did a great there and was one of my recommendations. He was really well respected there and was doing good work, I’m sorry to hear that he had to resign. These other 2 appointments, I haven’t had any chance to call them and I didn’t know about them until a day or 2 ago. They might be great people, I’m not sure. I’ve been spending some time at the Levy District and trying to figure things out as well. I would just like time to talk to those people first, so I would like to table this if that’s ok.

Mr. Pollard: I would agree with Ms. Dutton on that.

Ms. Dutton moved, seconded by Mr. Pollard to table the foregoing (2) appointments until next month. MOTION CARRIED.

Mr. Prenzler: I will mention that the Levee District has to continue to do business and this will leave them with only 1 Board Member.
The following resolution was submitted and read by Mr. Walters:

**IMMEDIATE EMERGENCY APPROPRIATION TO PAY VETERANS’ ASSISTANCE COMMISSION (VAC) BILLS**

**WHEREAS**, the Fiscal Year 2016 Budget for the County of Madison has been duly adopted by the County Board; and

**WHEREAS**, the Veterans Assistance Commission (VAC) has unpaid legal fees from 2016 for VAC warrant 16-5 in the amount of $58,870.46; and

**WHEREAS**, the funds budgeted in 2016 were not sufficient to pay for VAC warrant 16-5; and

**WHEREAS**, there are sufficient funds available in the VAC’s special revenue fund balance to satisfy this immediate supplemental emergency appropriation.

**NOW THEREFORE BE IT RESOLVED**, by the Finance and Executive Committee of the County Board of the County of Madison, pursuant to 55 ILCS 5/6-1003, that this immediate emergency appropriation be hereby adopted whereby the Fiscal Year 2016 Budget for the County of Madison be increased by $58,870.46, with payment of said sum to be additionally approved by a 2/3 affirmative vote of the Madison County Board at its regularly scheduled meeting on March 20, 2019, with payment to be made thereafter by the County for VAC warrant 16-5 to Burkhart Law Office on or before April 1, 2019.

On the question:

Mr. McRae: Is this the same bill that we discussed last month? Is that correct?

Mr. Prenzler: I believe it is, yes.

Mr. McRae: We need a 2/3 majority?

Mr. Prenzler: Yes we do and that number is 19. We need 2/3 of the total number of County Board Members. Our States Attorney said 20. So we do need 20.

Mr. McRae: In a previous bill to the same attorney, we were instructed by the Court to pay it even though it didn’t have itemizations and things like that. Am I correct? It seems to me that even though we feel like we shouldn’t pay this because it doesn’t have itemizations in the bill, we may just end up in the same situation. I think we spent $300,000.00 or $400,000.00 just from the County litigation in the last bill; if we don’t pay it we’ll just end up spending more money in legal fees to get to the same place. It’s a similar issue isn’t it?

Mr. Gibbons: Actually, no. The Appellate Court spoke specifically to warrant 16-5 and in the Appellate Courts opinion on that, they specifically said that payment of 16-5 is entirely discretionary, that there is no legal remedy or means by which it could be collected. The County Board could not be forced by legal means to pay it; it’s totally within this Board’s discretion so if the Board decides to pay it, it is voluntary.

Mr. Prenzler: Any additional discussion?

Mr. Parkinson: How much of this money that we’re talking about is actually going to go to help one single Veteran?

Mr. Prenzler: I think that’s a question for the VAC.

Mr. Parkinson: I don’t think it’s any. I think it’s going to an attorney that keeps filing frivolous lawsuits in my opinion and it’s not going to stop; this is going to go on and on. We’re being put into a trick bag here and we’re being told a vote again this would be against Veterans. None of this money is going to help one single Veteran; it’s going to a lawyer. The Court said it’s our discretion to pay this bill or not. This isn’t
money going to help one single Veteran with a house payment, a medical bill or treatment. I’m all about the Veterans, I’m not about paying lawyers for frivolous lawsuits.

**Mr. Prenzler:** I would invite the VAC Director, Mr. Lavite, to come forward if he would like to speak to some of these issues.

**Mr. Lavite:** There was a letter that was drafted and distributed that has been in the works for the last couple of months; these were questions that I was individually talking to County Board Members about from the legal case that we just completed at the Fifth Circuit Appellate Court. A lot of the legal bills that stemmed, if you look at the bottom of this letter, had the County taken a different positon when I had my PTSD episode and not ban me from the building, we would have never have legal fees to begin with. If they would have listened to the VA psychiatrist, the people we trust and put into these positions to make these decisions on the care and treatment of our Veterans; not just here in Madison County but across this entire Nation. If the County would have listened to them to begin with and not treated me as an employee but treated me as someone who went out voluntarily for over 22 years to serve my Country to come back and be banned from a public building because I suffer from PTSD. I didn’t ask for PTSD. No Veteran asks for PTSD. This bill that we’re talking about is really a personal issue against the Attorney that we selected. We had no other rights and the Court said this, “How else are we supposed to vindicate our rights if not to use the Court System that we used?” We used the Court System. Veterans support the rule of law and Veterans follow the law. We do it every day when we put the uniform on whether we like it or not. I understand that yes, it took a lot of money to arrive at two decisions that we won. That Veterans won. That is what we paid for. We paid to have our rights vindicated in front of the entire state of Illinois. Yes, it cost a lot of money. We didn’t want that. If you look at the bottom of this letter, there was 3 occasions that I, myself, stood in the courtyard after the first trial and said, “All the County had to do was listen to our Doctor and allow me back into the building.”, but I was told no. I was given restrictions; to go doctor shop, to find a different doctor who would sign off on my PTSD to clarify and say they saw a video of me in a manic episode in the back of a squad car handcuffed. They wanted me to doctor shop. Does everybody know what that is? They wanted me to find a different doctor that would sign off on a statement that I am PTSD free and I will never have another PTSD episode in my entire life. If you could find me that answer, I could sell it to every Veteran across this Country. That is what this bill is; it is to vindicate the rights of a Veteran whether it’s Brad Lavite or someone else. It costs a lot of money to go to Court. When people go to Court and the Courts rule, we need to follow the rule of law. If the token would have fallen a different way then guess what? We would have had to suffer that loss. I say this very deeply, I spent 20 months in mobilized support of Iraqi Freedom in 2003 and 2004. I spent 6 months voluntarily extended for a total of anywhere between 15 and 16 months in combat. I’ve been battling this County for 4 years. 4 years! Because of a PTSD episode. Within the last week we’ve had 7 Veterans of this Country who has gone down to the VA and put a pistol in their mouths and shot themselves. We’ve had Veterans go to the National Cemetery, while somebody was getting buried, and committed suicide. These are the issues we are facing. It doesn’t stop with Brad Lavite; these things are going to keep occurring. We have 7 million Veterans from Iraq and Afghanistan and 1 out 4 of them have PTSD. Whether we deny it or not, this case is being fought for them. It means that we will be heard and the more we’re heard, the more we can talk about these issues. I’m sorry lawyers charge so much but I went around at the very beginning of this issue and tried to find an attorney here in Madison County to represent me and the VAC. I was told blatantly that, “If I take this, I will not work in Madison County again.” That’s a sad statement. Then we went across the River and was told, “If we take this case, we will have to spend so much money trying to learn the politics of Madison County, we will never get to your issue.” So, are we talking about a bill or are we talking about following the rule of law? In my case, I have been battling this for 4 years while the entire time having PTSD. Can I guarantee you I will not have another episode? No. Just like somebody can’t guarantee they are not going to have a heart attack driving the road and swerve in the other lane and kill somebody. If I could guarantee that, I would. I’m sorry that I had a PTSD episode but I should not have to apologize. The Vietnam Veterans are the number 1 population that we still represent and they are the ones who represent our Board. They said, “You
know what, Brad? We came back and were treated the same way you’re being treated right now. The only difference is, these people are doing it to you behind closed doors when back in Vietnam, they did it to us out in the open.” Those are the people I’m fighting for. Whether we want to pay the bill or not is up to you guys but I would like to think that when an Appellate Court makes a decision, everybody is going to follow the rule of law. I raised my hand and I have a commission; I was a commissioned officer for the Military. I’m still held to the UCMJ for the rest of my life. If I do something wrong and the Military felt I did something wrong as a result of my PTSD episode, guess what the Military would have done? They would have prosecuted me. But guess what the Army said after my PTSD episode? “Brad, you didn’t call us soon enough.” That’s the Federal Government; that’s big Army. That’s what my Commander said to me, “Brad, you failed to call us soon enough.” I was scared because, I was battling being banned and ostracized here in the County. I’m not pointing fingers at anybody because I know we all have fear and fear creates a lot of things. I am not one to be feared. Veterans out there, even in the highest state of crisis are not to be feared. I am just asking you to help me put an end to this. Burkhart does not want to do this his entire life; I went to him and the VAC went to him. We voted unanimously every time to retain him because, guess what? He’s winning; and he’s vindicating our rights. Justice Cates said, “If not for the Courts, where do they go? Where would the VAC go to bring this up?” The County responded with, “There are other remedies.” She said, “What are the other remedies? If not for the Courts, what are their remedies?” They could not come up with a remedy. I firmly believe, had the change of Administration not happened, I’d still be banned. I firmly believe that. That’s a sad thing and I’m not a political person but I urge each of you, republican and democrat, that it’s not a Veteran issue. I’ve actually had to work out of the office and I think I did a pretty good job maintaining an office that I wasn’t in. Not one Veteran has been turned away. We’ve actually increased services more than you would ever know. More Veterans are receiving mental health counseling now in the office than before my PTSD episode; as a result of my PTSD episode, free of charge, courtesy of the Federal Government. I plead with you, let’s follow the rule of law and help me put an end to this thing. I don’t want to fight anymore, I’ve fought long enough and I’m tired. I want to be done with this and we want to move on but there’s issues we still have to clarify. When we came and tried to sit down, we were stonewalled and told we had to go to the Courts. I can’t clarify it any clearer. If you have any questions, I’m here to answer. You have my cell phone number. You can walk in our office any time. I’m very open now, but for the last 4 years, guess what I couldn’t talk about? Every time I attempted to talk about it, guess what I was told? “You have to go through your attorney.” Then it would have to be filtered back through to the States Attorney. Now, I can talk about it and we have to talk about it because, if not, Veterans are going to continue to commit suicide at the rate of 22-25 a day.

Mr. Prenzler: Thank you, Mr. Lavite.

Mr. Parkinson: I have follow up for Mr. Lavite.

Mr. Prenzler: Any further discussion from any other County Board Member that would like to speak?

Mr. Moore: My fellow colleagues thought earlier that the money would be going to pay an attorney and not going to help a single Veteran; I believe that’s true also. Mr. Lavite talked about putting an end to this. If we continue to fight this, they probably could take us to Court and the amount we’re paying here could grow into something much larger. It makes our decision more difficult having to think about that but we have to take that into consideration before we vote.

Mr. Prenzler: Are there any other County Board members who would like to speak?

Mr. Parkinson: That was a follow up question I had for Mr. Lavite. One, I notice there’s interest attached to this…

Mr. Prenzler: No, I don’t believe there are questions for Mr. Lavite.
Mr. Parkinson: He said he would take questions.

Mr. Prenzler: Well that’s up to me, he was being polite.

Mr. Parkinson: Ok, then I’ll withdraw the question and I’ll finish my comment.

Mr. Prenzler: Ok, sure.

Mr. Parkinson: While I greatly appreciate Mr. Lavite’s struggle and his military service to our Country as well as all the other Veterans, I hope that if this passes tonight that this puts an end to this and we don’t continue to have to pay bills to this attorney.

Mr. Prenzler: Any other discussion? Hearing none, roll call.

RESOLUTION TO EXTEND PROFESSIONAL SERVICES: NETWORK ADMINISTRATOR SERVICES FOR THE MADISON COUNTY INFORMATION TECHNOLOGY DEPARTMENT

Mr. Chairman and Members of the County Board:

WHEREAS, the Madison County Information Technology Department wishes to purchase Network Administrator Services for an additional six (6) month period; and,

WHEREAS, three (3) months, December 2018 – February 2019 of this service was previously approved by the Information Technology and Finance Committees December 2018 for $24,750.00; and,

WHEREAS, these Extended Network Administration Services, April 2019 – September 2019 for $45,000.00 are available from Ace Tech Computer Services, Inc.; and,

Ace Tech Computer Services, Inc.
410 W. Bethalto Drive
Bethalto, IL 62010 …………(for a nine month period) ………………………….$69,750.00

WHEREAS, Ace Tech Computer Services, Inc. met all specifications at a total contract price of Sixty-nine thousand seven hundred fifty dollars ($69,750.00); and,

WHEREAS, it is the recommendation of the Madison County Information Technology Department to purchase said Network Administrator services from Ace Tech Computer Services, Inc. of Bethalto, IL; and,

WHEREAS, the Information Technology FY 2019 budget will pay for this services.

NOW, THEREFORE BE IT RESOLVED by the County Board of Madison County Illinois, that the County Board Chairman be hereby directed and designated to execute said contract with Ace Tech Computer Services, Inc. of Bethalto, IL for the afore mentioned Network Administrator Services.
On the question:

**Mr. Parkinson:** Jamie, can you explain what that is?

**Mr. Goggin:** Yes, we had a Senior Network Administrator leave and we are trying to hire a replacement; until that replacement comes, we’ve had to contract out that service out. That’s what this is about. The entire amount that you see, a part of it has already been spent. We did it under a purchasing approval but now we’ve extended that and we’ve lumped in what we did previously under purchasing approvals so it doesn’t look like we’re doing bid streaming.

**Mr. Parkinson:** So, my understanding is that we don’t have anybody in I.T. that knows how to do this job?

**Mr. Goggin:** We do not have a Senior Network Admin, no. It’s not an easy roll to fill. Those are high paying jobs and we need to find a candidate that lives in the County as a requirement, it’s not easy to find candidates for this position.

**Mr. Parkinson:** Thank you.

**Mr. Moore:** I was wondering if Mr. Goggin could answer if there is an anticipated need for further extension after this; the contract extension goes through September 2019.

**Mr. Goggin:** It’s very possible.

**Mr. Prenzler:** Any other discussion?

**Ms. Ming-Mendoza:** Chairman, Mr. Foster indicated to me how he’s going to vote so in his absence I’m going to perform that.
Mr. Prenzler: Very good, thank you. Hear no discussion, roll call.

Judiciary Committee
Finance Committee
APPROVED this _____ day of __________________________, 2019 by the Madison County Board of the County of Madison, Illinois.

____________________________________
Kurt Prenzler, County Board Chairman

On the question:

**Mr. Prenzler:** This ordinance went to the Finance Committee and they voted to postpone this. Mr. Walters, on behalf of the Judiciary Committee, I would entertain a motion to postpone.

Mr. Walters moved, seconded by Mr. Wesley to postpone the foregoing resolution until a special meeting is scheduled.

On the question:

**Mr. McRae:** I guess we need a legal opinion on a few things. One thing that I would like a legal opinion on is under the funds that we discretion over that go to the General Fund. Can we use any of that money for capital projects like maintenance of the Courthouse or Jail improvements? So, capital projects, do we have the ability to use that discretionary money to go to those funds?

**Mr. Prenzler:** Is this something we can research over the next week?

**Mr. McRae:** We need to pass this ideally by May 12th, because the vendor is going to load this into their software. We will probably need to have some special committee meetings and a special county board meeting if we want to make it before the May 12 deadline.

**Mr. Prenzler:** So that’s an area you are indicating that should definitely be researched?

**Mr. McRae:** Yeah, I’m assuming Mr. Gibbons and the Chief Judge would be the appropriate people to ask that question to say yes or no. I think it would be nice to put some of the discretionary funding into those capital projects because I do believe that is part of the function of the Court. That would be a way to ease the burden on the General Fund and still use that money in the spirit it was intended.

**Mr. Gibbons:** May I clarify with Mr. McRae as to the specifics of this question? I want to follow up to make sure I have his question correct. I just want to make sure this is how you want the question researched because that does matter. Can any of the discretionary funds be used for capital projects for example, courthouse renovations or jail renovations?

**Mr. McRae:** Renovations or ongoing maintenance.

**Mr. Gibbons:** Renovations or maintenance? Ok.

**Mr. McRae:** I could probably cite some of the…

**Mr. Gibbons:** Tom, we can talk about it later on specific provisions. I just wanted to make sure that’s what you’re asking for. We’ll be happy to research that and it’s my understanding that the Board will be able to be a little more specific in designating things and make modifications but I want to make sure I’m getting that specific answer questioned for you right so the Board understands the limitations on that.
Mr. McRae: I appreciate it.

   On the question:

   Ms. Kuhn: I would like to separate Zoning Resolution z19-0008. It’s located in district 1 which is the district I represent. I would like to make a motion to table z19-0008 to return to the Planning and Development meeting for further review.

   Mr. Holliday: Second.

   Mr. Prenzler: We do have a motion and a second to postpone that and send it back to committee.

   Ms. Kuhn: Table.

   Mr. Prenzler: To table it?
Ms. Kuhn: For it to go back to the Planning and Development Committee.

Mr. Prenzler: To go back to the committee? Ok. So we do have a motion and a second, any discussion?

Mr. Walters: I’m not on this Committee but did it come out of Committee with a yay or nay vote?

Mr. Michael: Yes, Mr. Walters, this came out of the Planning and Development Committee; it was voted on by the Zoning Board unanimously and then went to the Planning and Development Committee a week and a half ago and it passed unanimously.

Mr. Parkinson: Mr. Chairman, point of order, are we supposed to be having discussion?

Mr. Michael: This is technically a motion to refer to committee; you can’t table and then refer to committee, so yes, you can have a discussion on it.

Mr. Parkinson: She made a motion to table.

Mr. Michael: You can’t table and refer to committee at the same time but whatever.

Mr. Chapman: Mr. Chairman, I think Mr. Walters wanted a point of information. I think he has the right to ask as a member of this Board and he was receiving an answer from the acting Chairman which I think is totally within the rules.

Mr. Prenzler: So we do have to clarify. The intention is to send it back to committee to be reconsidered so is it more proper to postpone it then?

Ms. Kuhn: I would like to ask Mr. Gibbons. I was always under the impression that when you table, it will go back to the committee; postponing is more so permanent, isn’t it?

Mr. Gibbons: You’re talking about 3 different motions; a motion to postpone is to a definite time; a motion to table is to an indefinite time and may never be taken up again or it could be taken up again but it doesn’t have to be; a motion to postpone has to be taken back up at a finite period of time; to refer back to committee is something different.

Ms. Kuhn: So to postpone would be correct?

Mr. Prenzler: Is your intention to refer it back to committee?

Ms. Kuhn: Refer back to committee.

Mr. Prenzler: Ok, so let’s just clarify that then. In that kind of motion, it is my understanding there is no discussion. If we could have a roll call vote, we do have a motion to send it back to committee.

Ms. Kuhn moved, seconded by Mr. Holliday to refer the foregoing resolution back to committee.

The ayes and nays being called on the motion to refer back to committee resulted in a vote as follows:

AYES: Ms. Dalton, Ms. Dutton, Foster, Ms. Glasper, Goggin, Ms. Gorman, Gray, Guy, Hankins, Ms. Harriss, Holliday, Jones, King, Ms. Kuhn, Malone, McRae, Michael, Minner, Moore, Ms. Novacich-Koberna, Parkinson, Petrillo, Pollard, Trucano, Wesley

NEW BUSINESS:

Mr. Walters apologized to Ms. Kuhn for voting no on the resolution she motioned to send back to committee. He said he accidently missed the part where the zoning resolution was from her district and asked for the vote to be changed.

Mr. Parkinson asked for an item to be placed on the agenda for the next Judiciary Committee meeting under executive session to discuss legal matters pertaining to the County Board and recent depositions. He also asked to have an executive session as the next County Board meeting that would include County Board members and their attorney. Mr. Walters noted that he was going to call for an Executive Committee meeting to discuss these topics since he has been working with Mr. Gibbons. The two agreed to have an Executive Committee meeting.

Mr. Walters noted the Edwardsville tennis team and Coach, Dave Lipe, have done an extraordinary job and urged everybody to check them out. Mr. Walters said they are one of the best in the State and in the Midwest.

Mr. Holliday moved, seconded by Mr. Jones to recess this session of the Madison County Board Meeting until Wednesday, May 15, 2019. MOTION CARRIED.
