RESOLUTION SUPPORTING ‘STEPPING UP’, A NATIONAL INITIATIVE TO REDUCE THE NUMBER OF PEOPLE WITH MENTAL ILLNESSES IN JAIL

WHEREAS, counties routinely provide treatment services to the estimated 2 million people with serious mental illnesses booked into jail each year; and

WHEREAS, prevalence rates of serious mental illnesses in jails are three to six times higher than for the general population; and

WHEREAS, almost three-quarters of adults with serious mental illnesses in jails have co-occurring substance use disorders; and

WHEREAS, adults with mental illnesses tend to stay longer in jail and upon release are at a higher risk of recidivism than people without these disorders; and

WHEREAS, county jails spend two to three times more on adults with mental illnesses that require interventions compared to those without these treatment needs; and

WHEREAS, without the appropriate treatment and services, people with mental illnesses continue to cycle through the criminal justice system, often resulting in tragic outcomes for these individuals and their families; and

WHEREAS, Madison County takes pride in its responsibility to protect and enhance the health, welfare and safety of its residents in efficient and cost-effective ways; and

WHEREAS, through Stepping Up, the National Association of Counties, the Council of State Governments Justice Center and the American Psychiatric Association Foundation are encouraging public, private and nonprofit partners to reduce the number of people with mental illnesses in jails.

WHEREAS, Madison County has already taken steps to address this concern through the implementation of evidence-based practices and programs.

NOW, THEREFORE BE IT RESOLVED, by this County Board of Madison County, Illinois that the County Board Chairman is hereby authorized to sign on to the Call to Action in support of efforts to reduce the number of people with mental illnesses in our county jail, commit to sharing lessons learned with other counties in my state and across the country to support a national initiative and encourage all county officials, employees and residents to participate in Stepping Up.

BE IT FURTHER RESOLVED that Madison County will endeavor to utilize the comprehensive resources available through Stepping Up to:

- Convene or draw on a diverse team of leaders and decision makers from multiple agencies committed to safely reducing the number of people with mental illnesses in jails.

- Collect and review prevalence numbers and assess individuals' needs to better identify adults entering jails with mental illnesses and their recidivism risk and use that baseline information to guide decision making at the system, program, and case levels.

- Examine treatment and service capacity to determine which programs and services are available in the county for people with mental illnesses and co-occurring substance use disorders, and identify state and local policy and funding barriers to minimizing contact with the justice system.
and providing treatment and supports in the community.

- Develop a plan with measurable outcomes that draws on the jail assessment and prevalence data and the examination of available treatment and service capacity, while considering identified barriers.

- Implement research-based approaches that advance the plan.

- Create a process to track progress using data and information systems, and to report on successes.

**BE IT FURTHER RESOLVED** that the County Clerk is hereby authorized to distribute a certified copy of this Resolution to the Mental Health Board Executive Director, Director of Probation and Court Services, Court Administrator, State's Attorney, Public Defender, Madison County Sheriff, and County Administrator.

DATED at Edwardsville, Illinois, this 16th day of September, 2020.

A. Purchases by the County Highway Superintendent shall be in accordance with this Ordinance, except that such purchases shall be reported to and approved by the County Board Highway Committee, and where appropriate under ordinance forwarded to the County Board for report or approval.

B. This Ordinance requires that all parties involved in the procurement, negotiation, performance, or administration of any County contracts act in good faith. Contract requirements shall not be artificially divided so as to avoid the requirements of this Ordinance.

C. It is the intent of this Ordinance to comply with all applicable Federal and State purchasing requirements, including the Illinois Counties Code. The County acknowledges that in the letting of a particular contract the procedures may vary depending upon the requirements of the Federal or State Funding source, the nature of the purchase or other requirements. This could include but is not limited to the Illinois Joint Purchasing Act, the Architectural, Engineering, and Land Surveying Qualifications Based Selection Act, and any other applicable law, rule or regulation. Whenever permitted by law, the requirements of this Ordinance shall provide the minimum standards for the letting of contracts by the County. Nothing in this Ordinance shall prevent any County agency from complying with the terms and conditions of any grant, gift, bequest or co-operative purchasing agreement that is otherwise consistent with the law.

D. It is recognized that certain officers/agencies may have independent statutory authority to purchase their own services, materials equipment and supplies. These officers/agencies are encouraged to participate in the County purchasing program.

E. Any actual or prospective bidder may appeal a decision of the Director of Purchasing by the filing of a timely, written protest to the Director of Purchasing stating the basis of the appeal. Such appeal shall be reviewed by the Chairman of County Finance & Government Operations Committee, the County Administrator and the Purchasing Director (and, where applicable, the appropriate county official), whose decision shall be final.

F. Purchases by the Facilities Department Administrator and the SSA#1 Superintendent shall be in accordance with this Ordinance, except that such purchases less than $5,000 shall be reported to and approved by the County Board Facilities and SSA#1 Committees, and where appropriate under ordinance forwarded to the County Board for report or approval.

MADISON COUNTY
CREDIT CARD POLICY

Purpose: The purpose of this Credit Card Policy is to establish guidelines for the issuance, usage, and payment of County Credit Cards and the personal responsibilities of employees issued a County Credit Card. This policy is intended to apply to Department Heads and their employees as well as Elected Officials and their employees.

Issuance: The County Board Chairman (hereinafter referred to as “the Chairman”) is responsible for the authorization and issuance of County Credit Cards. The Chairman may authorize a county employee or employees (hereinafter referred to as “Agent”) to manage the administrative tasks associated with the Credit Card Program. Agents are not permitted to sign authorizing documents for the chairman. Agents are also not permitted to possess County Credit Cards, as this would be a conflict of interest.

A Credit Card Request/Authorization Form must be completed by the Department Head requesting the Credit Card. On this form the Department Head will identify to whom they are requesting a credit card be issued and the credit limit being requested. The completed form will be submitted to the County Board Chairman’s Agent. The Chairman will review and either approve, approve with modifications to requested credit limit, or deny the request. If approved, the Chairman will signify this by signing and dating the form. Notification of approval or denial will be sent to the requester by the Chairman’s Agent. The Agent will also supply the prospective County Credit Cardholder with (or direct them to) a copy of this Credit Card Policy as well as the County’s Credit Cardholder Agreement (discussed below) which must be signed by the employee. Additionally, if approved, the Chairman’s Agent will forward a copy of this signed Credit Card Authorization form to the Chief Deputy Auditor for her records. If the request is denied the Chairman or the Chairman’s Agent shall notify the requester of the reason for such denial.

Upon approval by the Chairman, the Chairman’s Agent will contact the Credit Card Company on the Chairman’s behalf to request a Credit Card be issued in the approved employee’s name. The Credit Card Company will mail the new Credit Card to the Chairman’s Agent directly. Upon receipt, the Chairman’s Agent will ask the prospective Credit Cardholder to present him or herself to County Board office. The Chairman’s Agent will ask the prospective Credit Cardholder to bring with them their signed County Credit Cardholder Agreement. The Chairman’s Agent must have this agreement in her possession prior to releasing the Credit Card to the employee. These agreements will be kept on file in the Chairman’s Office. Once the Credit Card is in the employee’s possession they will immediately contact the Credit Card Company to change the mailing address on the account to that of their department.

Note: Elected Officials are not required to submit a Credit Card Request/Authorization Form to the County Board Chairman. Elected Officials are, however, required to contact the Chairman’s Agent and the Chief Deputy Auditor via email to notify them of the issuance of said card, the type of Credit Card and the corresponding credit limit of the newly issued card should be stated within this email. All other aspects of this policy should be followed by Elected Officials as written, including the signing of the County’s Credit Cardholder Agreement. A copy of this completed form should be provided to the Chairman’s Agent as well as the Chief Deputy Auditor.

Usage: The usage of County Credit Cards is restricted to travel and travel related expenses as outlined below that cannot otherwise be made through the regular Accounts Payable Check issuance process. The County Credit Card may also be used in emergency situations when other payment avenues are not available or the timeframe for following the regular purchasing policy is not sufficient to meet the immediate needs of the department. The credit card may also be used as a last resort for items that cannot otherwise be paid via the regular Accounts Payable Check issuance process. The Purchasing Division of the Administrative Services Department shall be exempt from these County Credit Card usage
restrictions. Prior to making any purchases with the Credit Card, the cardholder shall verify that sufficient funds are available in his/her budget to cover the prospective purchase. All purchases made with the County Credit Card will follow the County’s Purchasing Policy as well as the Travel Regulations as stated in the County’s Personnel Policy Handbook. The Credit Card shall NOT be used for purchases for department operations unless it is due to an emergency situation as stated above. All non-travel related purchases should be referred to or coordinated with the Purchasing Division of Administrative Services. Receipts for all Credit Card transactions shall be obtained and retained for submission to the Auditor’s Office with the Credit Card Statement when payment is requested.

**Travel and Travel Related Expenses consist of the following:** Conference registration fees, hotel accommodations, airfare, train fare, fuel, parking, and transportation fees for shuttles, cabs, Uber, Lyft, etc. The aforementioned purchases shall be made in accordance with the Purchasing Policy and Travel Regulations which requires the most economical means of travel be utilized. Note: Car rentals should be made through the Purchasing Department.

**Explicitly Prohibited:** The County Credit Card shall NOT be used for Personal Purchases, Cash Advances, Bank Checks, Traveler’s Checks, or Electronic Cash Transfers. Doing so will result in the closure of the credit card account and may include disciplinary action including possible termination of employment and prosecution.

**Payment of Credit Card Statement:** The monthly Credit Card Statement must be submitted to the Auditor’s Office for payment within 5 business days of receipt. The monthly Credit Card Statement must be submitted monthly to the Auditor’s Office even if there has been no activity on the Credit Card. As with all requests submitted for payment, the statement should be coded with the proper expense code(s) and corresponding amount(s) along with proper approval of an employee authorized to sign off on purchases for the department. The payment of Credit Card Statements are part of the “Quick Claim” Check processing cycle as opposed to the “Board” Check processing cycle and should be turned into the Auditor’s Office as such. The original itemized receipts as well as pertinent travel documents (itineraries, conference brochures, registration forms, travel approval forms from the County Board Chairman, etc.) must accompany the monthly Credit Card Statement. Payment of the monthly Credit Card Statement will be delayed until the necessary documentation is submitted to the Auditor’s Office. The department will be responsible for paying any late charges or interest assessed on their Credit Card Statements when delays occur in submitting the requested supporting documentation to the Auditor’s Office.

**Employee Credit Cardholder Responsibilities:**

**Safekeeping:** The County Credit Card shall remain in a secured location in the department office when not in use or when not being carried by the employee while traveling on official County business. This is to prevent accidental use and loss of the Credit Card.

**Lost or Stolen Credit Cards:** A lost or stolen Credit Card shall be reported immediately to the Credit Card Company and the Chairman’s Agent.

**Employee Credit Cardholder Responsibilities (Continued):**

**Fraudulent/Disputed Charges:** It will be the responsibility of the cardholder to contact the Credit Card Company to file disputes on any fraudulent charges that appear on their Credit Card statement. The cardholder will send copies of fraud reports associated to fraudulent charges to the County Auditor’s Office for their records.
Count
y Credit Cardholder Agreement: The employee is required to sign the County’s Credit Cardholder Agreement. The employee’s signature signifies that the employee has read this Credit Card policy and agrees to abide by its terms. Employees who do not adhere to these policies and procedures will risk revocation of their Credit Card privileges and/or disciplinary action up to and including termination of employment and potentially prosecution.

Unauthorized/Undocumented Charges: The cardholder is personally liable for all charges made on their account and therefore it is the cardholder’s personal responsibility to provide payment/reimbursement of any unauthorized or undocumented charges made to the County Credit Card. This includes any late fees and interest charged to the Credit Card account due to these unauthorized or undocumented charges. Reimbursement should be made within 10 days of the receipt of the Credit Card Statement and should be made in the form a check made payable to Madison County and presented to the County Auditor’s Office.

End of Employment: At the end of the Cardholder’s employment with the County the Cardholder must relinquish his or her County Credit Card to the Chairman (Elected Official where applicable) or the Chairman’s Agent.

Conflict: Should a conflict arise between this policy and that of the County’s Purchasing Policy. The Purchasing Policy shall be followed.

Respectfully submitted for approval,

Petition of Garrett and Laura Gerdes, owners of record, requesting a variance as per §93.051, Section A, Item 3, Subsection (b) of the Madison County Zoning Ordinance in order to construct an accessory structure that will be 8 feet from the south and west property lines instead of the required 15 feet. This is located in an “A” Agricultural District in Foster Township at 3878 McCoy Road, Bethalto, Illinois, County Board District #5, PIN# 20-1-02-27-04-402-002

Members Present: Don Metzler, Sharon Sherrill, Thomas Ambrose, Nicholas Cohan, George Ellis, and Mary Goode
Members Absent: Tyrone Echols

A motion was made by George Ellis and seconded by Mary Goode that the petition of Garrett and Laura Gerdes be as follows: Approved.

The Finding of Fact of the Board of Appeals: I. The zoning file, Comprehensive Plan, and Madison County Code of Ordinances were submitted for the record; II. The notice of public hearing was posted on the property in accordance with the terms of the ordinance III. The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; IV. The adjoining property owners were notified by mail of the time, date, and location of the public hearing; V. Garrett Gerdes, applicant, stated that they are trying replace an old shed that was built right on the property line, but meeting the 15ft setback requirement limits them on the size of the structure they can build. Mr. Gerdes stated the fence on the back lot is also right on the property line, and they are going to remove that as well; VI. Mary Goode, ZBA member, asked if the private sewage lateral lines are really the main reason they are asking for this variance, to which Mr. Gerdes responded that was a large factor; VII. Thomas Ambrose, ZBA member, asked how large the building will be, to which Mr. Gerdes responded it would be 24ft x 24ft with an 8ft lean-to; VIII. Norman Crane, adjacent property owner, spoke in opposition to this request. Mr. Crane expressed concerns about runoff from the structure onto his property and stated 8ft does not leave much room for maintenance on the backside of the structure; IX. Mary Goode asked Mr. Crane if he currently has runoff issues on his property, to which Mr. Crane responded that he does from the existing structure that’s on the property line. Mr. Crane stated he thinks they should build at the required setback; X. Nannette Morgan, adjacent property owner, stated she was opposed to this request; XI. Thomas Ambrose asked if she thought there would be issues down the line. Ms. Morgan stated she was also concerned with runoff onto her property and about the space left for maintenance of the building.

Roll-call vote.

Ayes to the motion: Thomas Ambrose, Nicholas Cohan, George Ellis, Mary Goode
Nays to the motion: Sharon Sherrill

Whereupon the Chairman declared the motion duly adopted.

The adjoining property owners were notified by mail of the time, date, and location of the public hearing; V. Jake Sprague, applicant, stated they are asking for this request because the landscape screen would take up an additional approximately 1000 sq ft of space and landscaping looks great when it’s put in, but over time it will start looking worse; VI. Mary Goode, ZBA member, asked how tall the chain link fence would have to be, to which Mr. Sprague stated it would be 6ft, the same as this composite stone fence. Mr. Sprague stated that would be having this fencing around the whole facility; VII. Thomas Ambrose, ZBA member, asked how often they would be checking the fence to make sure it’s not damaged, to which Mr. Sprague stated maintenance crews would be on site at least once per quarter, but they have a great relationship with the property owner as well so he would call them if there were any issues.
