EXECUTIVE COMMITTEE
August 5, 2020
RESOLUTION TO APPROVE UPDATE OF THE MADISON COUNTY PURCHASING POLICY

WHEREAS, on June 8, 2020, the Madison County Sheriff’s office submitted to the Public Safety Committee a “Resolution to Purchase for Professional Services: Law Enforcement Administration Services for the Madison County Sheriff’s Office ($114,000.00)” with Decker Analytics, which was tabled by the members of the committee until the following month; and,

WHEREAS, the following month, on July 6, 2020, the Sheriff’s office then withdrew the resolution, stating that it was a moot point, because they had already signed the contract with Decker Analytics, and that according to State Law, County Ordinance and the Attorney General, they did not need County Board approval for a professional services agreement; and,

WHEREAS, the professional services agreement, which did not receive the approval of the County Board, was for a six figure contract, for the term of one year, and automatically renews on the anniversary for an additional year unless cancelled; and,

WHEREAS, this professional services agreement was signed and the Auditor approved payment for, without the knowledge, approval or oversight of the County Board; and,

WHEREAS, it is unknown how often an Elected Office is exercising its privilege to not follow the County Purchasing policy.

NOW, THEREFORE, BE IT RESOLVED that the purchasing policy shall be revised to state that all purchases or contracts that exceed $5,000 will require approval of the Finance Committee, and that all purchases or contracts over $30,000, or $35,000 per 34.01 (d), will require approval of the County Board.

BE IT FURTHER RESOLVED that in the spirit of clarity, openness and transparency, the County Purchasing Policy shall be updated to state that the Auditor shall submit a monthly report listing all invoices, bills or contracts that were paid without the approval of the Finance Committee, if they exceeded $5,000, or without the approval of the County Board, if they exceeded $30,000, or $35,000 per chapter 34.01 (d) of the County Purchasing Policy, to include Accelerated Benefit invoices from IMRF.

Respectfully submitted,
