Finding of Fact and Recommendations

Hearing File Z19-0059

Petition of Sejal Patel, owner of record, requesting a zoning map amendment to rezone a tract of land from "R-3" Single-Family Residential District to "B-2" General Business District. This is located in Wood River Township, at 740 E. Airline Drive, East Alton, Illinois, County Board District #13, PIN#19-2-08-14-01-106-034

Members Present:  Don Metzler, Thomas Ambrose, Nicholas Cohan, George Ellis, Mary Goode, and Sharon Sherrill

Members Absent:  Tyrone Echols

A motion was made by George Ellis to approve the request. No second. Motion Failed. A motion was made by Thomas Ambrose and seconded by Nicholas Cohan that the petition be as follows: Denied.

The Finding of Fact of the Board of Appeals:  I. The zoning file, Comprehensive Plan, and Madison County Code of Ordinances were submitted for the record; II. The notice of public hearing was posted on the property in accordance with the terms of the ordinance; III. The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; IV. The adjoining property owners were notified by mail of the time, date, and location of the public hearing; V. Priyan Patel, applicant, said that the property is currently zoned “R-3,” but he wants to rezone to “B-2” in order to have a packaged liquor license. Mr. Patel said that there are many things that happened in the past year that have affected their business, such as minimum wage increases, competition, and economic hardship. Mr. Patel said his primary distributor, Chester Dairy, closed their business after 70 years because of all of those hardships. Mr. Patel said that their main business is a milk business, and he does not have a main provider for that anymore. Mr. Patel said he is still trying to sell glass bottle milk in their store with other vendors. Mr. Patel said that the other vendors cost a significantly higher amount than Chester Dairy did; VI. Tony Wendle, nearby property owner, said he is not in favor of Farm Fresh selling packaged liquor because of the risk of safety to the kids and an elevation of crime in the area. Mr. Wendle said you always have to worry about traffic of individuals coming out of their parking lot and those who come off of 140; VII. Pastor Debra Hartell, Pastor of nearby church, said Farm Fresh was a place where people could get their candy and soda, and they are concerned that the packaged liquor would change the mood of the area. Pastor Hartell said that the profit margin for selling alcohol is higher than it would be for groceries so there would be a higher motivation to sell alcohol and fewer groceries. She said is concerned it will become a place to buy alcohol, but they already have these places and they don’t need another one; VIII. Steve Woodson, Pastor at Riverbend Calgary Chapel, said that he has a girls’ softball league that plays 20 feet from the Farm Fresh front door, and he is concerned about how selling packaged liquor will change the tone of the neighborhood. Mr. Woodson said he was under the impression that it would have video gaming but that had recently been told otherwise. Mr. Woodson said he is concerned about the other uses that would be allowed for if it were to be rezoned. Mr. Woodson said he would not like to see the zoning change and would like to see it stay “R-3”; IX. Ron Wenzel, Pastor at a church and nearby property owner, said that his impression from Mr. Patel’s remarks led him to believe Mr. Patel would pursue any opportunity he got to make a better profit, and he is concerned that packaged liquor would not make the neighborhood safe. Mr. Wenzel said if he were to have it rezoned, he could have a use that would allow for gaming, but Mrs. Buncher indicated that it would have to be an “eating or drinking establishment” and that it would require a Special Use Permit, which would require a zoning hearing for approval. Mr. Wenzel said that the store is a magnet for youth and senior citizens and that the ZBA would keep the neighborhood that much safer by leaving things the way they are; X. Clyde McGill, nearby property owner and Rosewood Heights Fire Department, said he is speaking on behalf of the Rosewood Heights Fire Department and said he wanted them to express his concerns. Mr. McGill said that Farm Fresh has always been a kid-friendly place, and it is the only place left that they consider a kid-friendly place. Mr. McGill said he is president of the Roxana School Board, and they care about the children in the community and they want to protect them; XI. Kristie Shaw, resident of Rosewood Heights, said she
works for Roxana School District and from being in that environment she can say that they care about and want what is best for their kids. Ms. Shaw said that Mr. Patel said that they would pour and sell liquor and have video game gambling. Ms. Shaw said that part of the school district teaches the D.A.R.E program, and they are teaching them to stay away from drugs and alcohol, and permitting it wouldn’t be teaching their children the right thing. Ms. Shaw said that she has a petition signed that has 117 signatures against it; XII. Matthew King, County Board District member, said he wanted to make sure that Mr. Patel got his opportunity to speak about his issue, and he has been allowed his due process. Mr. King said that Rosewood Heights is a tight community and this is important to them because this is where they live and raise their kids and that they have his support and they have valid argument. Mr. King said Mr. Patel said the communication was good and he said that unfortunately he thought it could have went another route but it didn’t; XIII. George Ellis, said that the applicant is mandated by Illinois to raise the minimum wage and he wants to ask Mr. Patel if that would make him close his business, and Mr. Patel said that certain results of the things that they have to do would determine having to close the business. Mr. Patel said that Shop and Save was bought by Schnucks and closed because they didn’t have the clientele, and said that he is at a disadvantaged because he doesn’t have the liquor license. Mr. Patel said he hopes the day doesn’t come where he would have to close his business because that would also be a loss of eight jobs. Mr. Patel stated that they already sell tobacco products, and you have to be twenty-one years old to buy tobacco products, which they already ensure by checking IDs, and they would do the same when selling alcohol. Roll-call vote.

**Ayes to the motion:** Thomas Ambrose, Nicholas Cohan, and Sharon Sherrill
**Nays to the motion:** Mary Goode, George Ellis

Whereupon the Chairman declared the motion duly adopted.
