The following proclamation was received and placed on file:

PROCLAMATION OF A DISASTER IN MADISON COUNTY

WHEREAS, a significant outbreak of Coronavirus Disease (COVID-19) emerged in China; and

WHEREAS, COVID-19 is a novel severe acute respiratory illness that can spread among people through respiratory transmissions and present with symptoms similar to those of influenza; and
WHEREAS, certain populations are at higher risk of experiencing more severe illness as a result of COVID-19 including older adults and people who have serious chronic medical conditions such as heart disease, diabetes, or lung disease; and

WHEREAS, Madison County, Illinois is continuing its efforts to prepare for any eventuality given that this is a novel illness with known health risks to the elderly and those with serious chronic medical conditions; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue, washing hands often with soap and water for at least 20 seconds, and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, it is the policy of Madison County to be prepared to address any disasters and therefore, it is necessary and appropriate to make additional resources within Madison County, available to ensure that the effects of COVID-19 are mitigated and minimized and that residents and visitors in Madison County remain safe and secure; and

WHEREAS, this proclamation will activate Madison County’s emergency operations plan by proclaiming that a disaster exists within Madison County, this proclamation of disaster will assist the residents of Madison County, by and through its Emergency Management Agency and through coordination of federal, state, county and municipal resources and response activities, in an effort to prevent and reduce further damage and hazards, protect the health and safety of persons, protect property and provide emergency response;

NOW THEREFORE I, Kurt Prenzler, by virtue of the authority vested in me as Chairman of the County Board of Madison County, Illinois, pursuant to the Illinois Emergency Management Agency Act, 20 ILCS 3305/11, and Madison County Emergency Management Agency Code Ordinance proclaim that a disaster exists within Madison County, Illinois.

This proclamation is effective on March 17, 2020 and shall continue for a period not to exceed 30 days, unless extended by the County Board of Madison County, Illinois.

Approved:  
Kurt Prenzler  
Madison County Board Chairman

Attest:  
Debra Ming-Mendoza  
Madison County Clerk

PETITION FOR COUNTY AID
VIETH CULVERT, SECTION 20-10113-00-BR, HAMEL TOWNSHIP

Mr. Chairman and Members of the Madison County Board

The undersigned Highway Commissioner of Hamel Road District respectfully submitted that it is necessary to re-construct a culvert located on Jerusalem Road located in the Section 19, Township 5 North, Range 7 West of the 3rd p.m. for which work Hamel Road District is wholly responsible.

The estimated cost of removing twin corrugated steel plate pipe arches and replacing them with a new Wide Span Precast Concrete Box Culvert with other necessary work to complete the project in accordance with the approved plans (Known as Vieth Culvert) is Four Hundred Thousand Dollars ($400,000).

I hereby petition the Madison County Board for aid and request an appropriation from “County Bridge Fund” be made, of a sum sufficient to meet seventy-five (75%) percent of the expense of said work as per Resolution adopted by the Madison County Board on September 10, 1974.

Dated at Edwardsville, Illinois, this 6th day of March A.D., 20__.

s/ Clay Gusewell
Highway Commissioner

State of Illinois 
County of Madison 
Township of Hamel

Clay Gusewelle, Highway Commissioner of said Road District, being duly sworn on oath, says that the amount of Four Hundred Thousand Dollars ($400,000) mentioned in the estimate to which this affidavit is attached, is necessary, and that said Road District will be prepared to furnish twenty-five (25%) percent of the cost of said work upon completion.

HEALTH DEPARTMENT COMMITTEE
GENERAL PROVISIONS

Section 01 Definitions
Words and phrases shall be taken in their plain, or ordinary and usual sense, except where used in a technical sense or where context or the intent of the County Board of Health indicates or requires a different meaning.

01a Adoption by Reference- In addition to those provisions set forth herein, this Ordinance hereby adopts by reference the current edition and subsequent revisions of the following:
   a. Title 77: Public Health Chapter I: Department of Public Health Subchapter m: Food, Drugs and Cosmetics Part 797 Body Art Code.

1.1 AFTERCARE shall mean written instructions given to the client, specific to the body art procedure(s) rendered, on caring for the body art and surrounding area. These instructions will include information when to seek medical treatment, if necessary.

1.2 ANTISEPTIC shall mean an agent that destroys disease-causing microorganisms on human skin or mucosa—a product that is labeled as useful in preventing diseases caused by microorganisms present on the skin and/or mucosal surfaces of humans. This includes products meant to kill germs and/or labeled as “antiseptic,” “antibacterial,” “microbicide,” or “germicide,” or other similar terms. These products should be in compliance with section 201(g)(1)(B) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 321(g)(1)(B)).

1.3 BIOMEDICAL WASTE/REGULATED WASTE shall mean any solid or liquid waste that can present a threat of infection to humans, including non-liquid tissue, body parts, blood, blood products, and body fluids from humans; wastes that contain human disease-causing agents; and discarded sharps. The following are also included:

   Used, absorbent materials saturated with blood, blood products, body fluids, or excretions/secretions contaminated with visible blood. Also includes absorbent materials saturated with blood or blood products that have dried.

   Nonabsorbent, disposable devices that have been contaminated with blood, body fluids or, secretions/excretions visibly contaminated with blood, but the devices have not been treated by an approved method.

1.4 BLOODBORNE PATHOGEN shall mean pathogenic microorganisms that are present in human blood and can cause disease in humans. These pathogens include, but are not limited to, hepatitis B virus (HBV), hepatitis C virus (HCV), and human immunodeficiency virus (HIV) [Occupational Safety and Health Administration [OSHA] definition 29cfr 1910.103(b)].

1.5 BODY ART shall mean the practice of physical body adornment by permitted establishments and operators utilizing, but not limited to, the following techniques: body piercing, tattooing, cosmetic tattooing, branding and scarification. This definition does not include practices that are considered medical procedures by a state medical board, such as implants under the skin, and shall not be performed in a body art establishment. Nor does this definition include, for the purposes of this Code, piercing of the outer perimeter or lobe of the ear using pre-sterilized single use stud and clasp ear piercing systems.

1.6 BODY ART ESTABLISHMENT shall mean any place or premise, whether public or private, permanent in nature and location, where the practices of body art, whether or not for profit, are performed.
1.7 **BODY PIERCING** shall mean puncturing or penetration of the skin or mucosa of a person using pre-sterilized single use needles and the insertion of pre-sterilized single use needles and the insertion of pre-sterilized jewelry or other adornment thereto in the opening. Puncturing the outer perimeter or lobe of the ear using a pre-sterilized single use stud and clasp ear piercing system shall not be included in this definition.

**CONTAMINATED WASTE** shall mean any liquid or semi-liquid blood or other potentially infectious materials; contaminated items that would release blood or other potentially infectious materials in a liquid or semi-liquid state if compressed; items that are caked with dried blood or other potentially infectious materials and are capable of releasing these materials during handling; sharps and any wastes containing blood and other potentially infectious materials, as defined in 29 Code of Federal Regulations Part 1910.1030 (latest edition), known as “Occupational Exposure to Bloodborne Pathogens.”

1.8 **COSMETIC TATTOOING** see **PERMANENT COSMETICS**

1.9 **DEPARTMENT** shall mean the Madison County Health Department.

1.10 **DISINFECTANT** shall mean a product that is tuberculocidal and registered by the U.S. Environmental Protection Agency, as indicated on the label for use in disinfection.

1.11 **DISINFECTION** shall mean the destruction of disease-causing microorganisms on inanimate objects or surfaces, thereby rendering these objects safe for use or handling.

1.12 **DISINFECT** shall mean a process that provides an effective concentration of a United States Environmental Protection Agency registered chemical for enough contact time as specified by the manufacturer to reduce bacterial count, including pathogens, to a safe level (when disease organisms that may be present are destroyed so as to prevent transfer) on equipment surfaces and in toilet and hand-washing facilities.

1.13 **EAR PIERCING** shall mean the puncturing of the outer perimeter or lobe of the ear using a pre-sterilized single use stud and clasp ear piercing system following manufactures instructions.

1.14 **EQUIPMENT** shall mean all machinery, including fixtures, containers, vessels, tools, devices, implements, furniture, display and storage areas, sinks and all other apparatus and appurtenances used in connection with the operation of a body art establishment.

1.15 **GLOVES** shall mean medical grade or exam grade, sterile or nonsterile, disposable, single-use, full hand coverings worn for protection against disease transmission.

1.16 **HANDSINK** shall mean a lavatory equipped with hot and cold running water under pressure, used solely for washing hands, arms, or other portions of the body.

1.17 **HAZARDOUS WASTE** shall mean all substances that exposure to results or can result in adverse effects on human health and safety under 29 CFR 1910.120 OSHA

1.18 **HEALTH OFFICER** shall mean the Administrator of the Madison County Health Department or his authorized representative.
1.19 **IMMEDIATE HEALTH HAZARD** shall mean a significant threat or danger to health that is considered to exist when there is evidence sufficient to show that a product, practice, circumstance, or event creates a situation that requires immediate correction.

1.20 **INSTRUMENTS USED FOR BODY ART** shall mean hand pieces, needles, needle bars and other instruments that may come in contact with a client’s body or possible exposure to bodily fluids during body art procedures.

1.21 **JEWELRY** shall mean any personal ornament inserted into a newly pierced area, which must be made of surgical implant grade stainless steel, solid 14k or 18k white or yellow gold, niobium, titanium or platinum, a dense, low-porosity plastic and or which is free of nicks, scratches or irregular surfaces and which has been properly sterilized prior to use. If used for initial piercing, jewelry must be ASTM F2999 compliant.

1.22 **LIQUID CHEMICAL GERMICIDE** shall mean a disinfectant or sanitizer registered with the Environmental Protection Agency or an approximate 1:100 dilution of household chlorine bleach made fresh daily and dispensed from a spray bottle (500ppm, ¼ cup/gal. or 2 tablespoons/quart of tap water).

1.23 **MATERIAL CERTIFICATE** means all documents intended to state the specifics of a material used for body jewelry. Names for these documents include but are not limited to Mill Certificate, Material Certificate, Metal Composition Sheets, MSD, and Material Certification Sheets.

1.24 **MUCOSAL SURFACE** shall mean the moisture-secreting membrane lining of all body cavities or passages that communicates with the exterior, including but not limited to the nose, mouth, vulva, and urethra.

1.25 **OPERATOR/TECHNICIAN** shall mean any person who controls, operates, manages, conducts, or practices body art activities at a body art establishment and who is responsible for compliance with these regulations, whether actually performing body art activities or not. The term includes technicians who work under the operator and perform body art activities.

1.26 **PERMANENT COSMETICS** shall mean a tattoo, by someone other than a licensed physician, which includes but is not limited to eyebrows, eyelids, lips, and other parts of the body. This term includes any procedures whether referred to as, but not limited to, “permanent makeup,” “microdermapigmentation,” “micropigment implantation,” “microblading,” “micro-needling with use of pigment,” “dermagraphics,” “cosmetic tattooing,” or any other similar procedures and for the purpose of this ordinance has the same meaning as “tattoo.”

1.27 **PERMIT** shall mean written approval by the Department to operate a body art establishment.

1.28 **PERSON** shall mean an individual, any form of business or social organization or any other non-governmental legal entity including but not limited to a corporation, partnership, firm, limited liability company, association, trust or unincorporated organization.

1.29 **PHYSICIAN** shall mean a person licensed by the State of Illinois to practice medicine in all its branches and may include other areas such as dentistry, osteopathy or acupuncture.

1.30 **PIERCING** means to make a hole in the body or oral cavity in order to insert or allow the insertion of any ring, hoop, stud, or other object for the purpose of ornamentation of the body. Piercing does not include tongue splitting.
1.31 **PROCEDURE SURFACE** shall mean any surface of an inanimate object that contacts the client’s unclothed body during a body art procedure, skin preparation of the area adjacent to and including the body art procedure or any associated work area, which may require sanitizing.

1.32 **SANITIZE/SANITIZATION PROCEDURE** shall mean a process of reducing the numbers of microorganisms on cleaned surfaces and equipment to a safe level as judged by public health standards and which the Department has approved.

1.33 **SHARPS** shall mean any object (sterile or contaminated) that may purposefully or accidentally cut or penetrate the skin or mucosa including, but not limited to, pre-sterilized, single use needles, scalpel blades and razor blades.

1.34 **SHARPS CONTAINER** shall mean a puncture-resistant, leak-proof container that can be closed for handling, storage, transportation and disposal and is labeled with the International Biohazard Symbol.

1.35 **SINGLE USE** shall mean products or items that are intended for one-time, one-person and are disposed of after use on each client including, but not limited to, cotton swabs or balls, tissues or paper products, paper or plastic cups, gauze and sanitary coverings, razors, piercing needles, scalpel blades, stencils, ink cups and protective gloves.

1.36 **STANDARD PRECAUTIONS/UNIVERSAL PRECAUTIONS** shall mean a set of infection control practices used to prevent transmission of diseases that can be acquired by contact with blood, body fluids, non-intact skin (including rashes), and mucous membranes.

1.37 **STERILIZATION** shall mean a very powerful process resulting in the destruction of all forms of microbial life, including highly resistant bacterial spores.

1.38 **STERILIZATION AREA OR STERILIZATION ROOM** shall mean a room or enclosed area, set apart and used only to clean, decontaminate, and sterilize instruments. This room must be enclosed, not open to the public, and used only for cleaning, sterilization, and related tasks.

1.39 **STERILE WATER** shall mean water that is purchased from the manufacturer sterile, in a single-use container.

1.40 **TATTOO** shall mean the mark resulting from the act of tattooing.

1.41 **TATTOOING** shall mean any method of placing ink or other pigment into or under the skin or mucosa by the aid of needles or any other instrument used to puncture the skin, resulting in permanent coloration of the skin or mucosa. This includes all forms of cosmetic tattooing.

1.42 **TONGUE SPLITTING** means the cutting of a human tongue into 2 or more parts.

1.43 **ULTRASONIC CLEANER or ULTRASONIC** shall mean a device that removes debris by a process called cavitation, in which waves of acoustic energy are propagated in aqueous solutions to disrupt the bonds that hold particulate matter to surfaces [Guidelines for Disinfection and Sterilization in Healthcare Facilities, 2008, Section 445].

1.44 **UNIVERSAL PRECAUTIONS** shall mean a set of guidelines and controls, published by the Center for Disease Control (CDC) as ‘guidelines for prevention of transmission of human
immunodeficiency virus and hepatitis B virus to health-care and public-safety workers’ in Morbidity and Mortality Weekly Report (MMWR), June 23, 1989, Vol. 38, No S-6, and as ‘ recommendations for preventing transmission of human immunodeficiency virus and hepatitis B virus to patients during exposure-prone invasive procedures’, in MMWR, July 12, 1991, Vol. 40, No. RR-8. This method of infection control requires the employer and the employee to assume that all human blood and specified human body fluids are infectious for HIV, HBV and other blood pathogens. Precautions include hand washing, gloving, personal protective equipment, injury prevention, proper handling and disposal of needles, other sharp instruments, and blood and body fluid contaminated products.

PERMITS

Section 02 Establishment and Operator/Technician Permit Requirements

Establishment Permit

2.1 It shall be unlawful for any person to operate a body art establishment within the County of Madison, State of Illinois, who does not possess a valid permit issued by the department. Body art procedures shall only be performed in a body art establishment, with a valid permit issued by Madison County Health Department and with a valid permit issued by Illinois Department of Public Health.

2.2 Only a person who complies with the requirements of both this ordinance and the Illinois Department of Public Health’s Body Art Code (77 Ill. Adm. Code 797) shall be entitled to receive and retain such a permit.

2.3 Permits shall not be transferable from one person to another person nor shall said permit be transferable to any location, building, or place other than that which it was originally issued.

2.4 The Madison County permit for a body art establishment shall be for the length of a period of 12 months from the date of issuance. Annual renewal of both permits shall be required for continued operation of the body art establishment.

2.5 A valid permit shall be posted in every body art establishment so as to be clearly visible to all clients. A valid permit is one that is not suspended, revoked or expired.

2.6 The holder of the body art establishment permit must only hire operators who have complied with the operator permit requirements of this ordinance.

Operator Permit

2.7 No person shall practice body art procedures in Madison County without first obtaining an operator permit from the department. Only a person who complies with the requirements of this ordinance shall be entitled to receive and retain such a permit.

2.8 The body artist must be a minimum of 18 years of age.

2.9 An annual The operator permit shall be valid from the date of issuance and shall automatically expire twelve (12) months from date of issuance.
A guest operator permit shall be valid from the date of issuance and shall automatically expire ninety (90) days from date of issuance.

Any person desiring to obtain an operator permit shall make written application on forms provided by the department. Application for operator permits shall include:

A. Name;
B. Date of birth;
C. Sex;
D. Residence address;
E. Mailing address;
F. Phone number;
G. Place(s) of employment as an operator;
H. Training and/or experience;
I. Proof of attendance at a Bloodborne pathogen-training program approved by the department;
J. Copy of a State issued photo identification card or driver’s license with photo

Examples of approved courses would include Preventing Disease Transmission (American Red Cross) and Bloodborne Pathogen Training (US OSHA). Training/courses provided by professional body art organizations/associations or by equipment manufacturers may also be submitted to the department for approval.

Applicants shall demonstrate knowledge of the following subjects:

i) Anatomy;
ii) Skin diseases, disorders, and conditions (including diabetes);
iii) Infectious disease control including waste disposal, handwashing, techniques sterilization equipment operation and methods, and sanitization/disinfection/sterilization methods and techniques;
iv) Facility safety and sanitation knowledge of the above subjects may also be demonstrated through submission of documentation of attendance/completion of courses.

No operator permit shall be issued unless, following reasonable investigation by the Department, the body art operator has demonstrated compliance with the provisions of this section and all other provisions of this ordinance.

All operator permits shall be conditioned upon continued compliance with the provisions of this section as well as all applicable provisions of this ordinance.

All operator permits shall be posted in a prominent and conspicuous area where clients may readily observe them.

Section 03 Exemptions

Physicians licensed by the State of Illinois who perform either independent of or in connection with body art procedures as part of patient treatment are exempt from these regulations.

Individuals who pierce only the outer perimeter and lobe of the ear using a pre-sterilized single use stud and clasp ear piercing system are exempt from these regulations. Under no circumstances shall ear piercing studs and clasps be used anywhere on the body other than the outer perimeter and
lobe of the ear. Individuals who use ear-piercing systems must conform to the manufacturer’s directions on use and applicable U.S. Food and Drug Administration requirements. The department retains authority to investigate consumer complaints relating to alleged misuse or improper disinfection of ear piercing systems.

Section 04 Permit Fees - Permit fees shall be assessed for each operator/technician and deposited into the Health Department fund.

A. The fee schedule is as follows:
   Madison County Establishment Permit ………………………..$0.00
   Annual Operator/Technician Permit……………………….…. $50.00
   Guest Operator/Technician Permit…………………………… $20.00

B. Permit fees shall be non-refundable once the department has issued a permit.
C. All permit fees for the renewal of permits are due fifteen (15) days prior to the permit expiration date.
D. Persons failing to submit the fee and annual renewal application by the due date shall be assessed a late payment penalty fee of $50.00 $25.00 in addition to the permit fee.

Section 05 Suspension or Revocations of Permits

5.1 Permit Suspension – Permits issued under the provisions of this ordinance may be suspended by the Health Officer upon notice to the permit holder of same. Reasons for suspending the permit include, but are not limited to, the following:
   A. Failure to comply with the provisions of this Ordinance;
   B. Failure to comply with the provisions of this Ordinance after notification by the Health Officer;
   C. Failure to comply with the provisions of this Ordinance within the time established by the Health Officer;
   D. Interference with the Health Officer in the performance of his duties, including, but not limited to, failure to allow the Health Officer access to the permit holder’s building or records;
   E. Failure to update the original and renewal applications, as required by this Ordinance;
   F. Knowingly furnishing false information on the original or renewal applications.

5.2 Upon making a determination that a suspension is appropriate, the Health Officer shall advise the permit holder in writing of the intended suspension. The notice shall be delivered in person by the Health Officer or sent via certified mail. The permit holder may make a written request for a hearing with the Health Officer before imposition of the period of suspension.

5.3 Permits issued under the provisions of this ordinance may be suspended by the Health Officer without notice to the permit holder when, in the judgment of the Health Officer, a condition exists that will result in an imminent health hazard to the public.

5.4 Upon making a determination that a suspension without notice is appropriate, the Health Officer shall immediately, without warning or notice, advise the permit holder of said condition and all body art operations shall be immediately discontinued.

5.5 Permit Revocation - Permits issued under the provisions of this ordinance may be revoked by the Health Officer upon notice to the permit holder of same. Reasons for revoking the permit include, but are not limited to, the following:
   a) Repeatedly failing to comply with the provisions of this ordinance;
b) Interference with the Health Officer in the performance of his duties, including, but not limited to, failure to allow the Health Officer access to the permit holder's building or records;

c) Failure to update the original and renewal applications, as required by this Ordinance;

d) Knowingly furnishing false information on the original or renewal applications;

e) Failure to apply for reinspection within 30 days of the end of a suspension period imposed for violations of the provisions of this Ordinance; and,

f) When the continuous operation of the business has lapsed for a period of more than 90 days.

5.6 Upon making a determination that a revocation is appropriate, the Health Officer shall advise the permit holder in writing of the intended revocation. The notice shall be delivered in person by the Health Officer or sent via certified mail. The permit holder may make a written request for a hearing with the Health Officer before imposition of the revocation.

STANDARDS OF OPERATION

Section 06 Prohibitions

6.1 No mobile, temporary, or transient body art establishment shall operate in Madison County, State of Illinois.

6.2 No person other than a physician shall perform any tattooing procedure upon a person under the age of eighteen (18) [720 ILCS 5/12-10]. A violation of this subsection is a Class A misdemeanor.

6.3 No person shall pierce the body or oral cavity of a person under the age of eighteen (18) without written consent of a parent or legal guardian [720 ILCS 5/12-10.1]. A violation of this subsection is a Class A misdemeanor.

The client’s age is to be documented by a picture identification that includes the client’s date of birth. Nothing in this section is intended to require an operator to perform any body piercing procedure on a person under 18 years of age with parental or guardian consent.

6.4 Sections 6.2 and 6.3 are to be posted as to be clearly visible to all clients.

6.5 Before the oral cavity of a person under 18 years of age may be pierced, the written consent form signed by the parent or legal guardian must contain a provision in substantially the following form: “I understand that the oral piercing of the tongue, lips, cheeks, or any other area of the oral cavity carries serious risk of infection and damage to those areas, that could result but is not limited to nerve damage, numbness, and life threatening blood clots.” [720 ILCS 5/12-10.1] A violation of this subsection is a Class A misdemeanor.

6.6 Operators/technicians shall refuse service to any person who, in the opinion of the operator/technician is under the influence of alcohol or drugs.

6.7 A person may not perform tongue splitting on another person unless the person performing the tongue splitting is licensed to practice medicine in all its branches under the Medical Practice Act of 1987 or licensed under the Illinois Dental Practice Act.

6.8 Any person who is an owner or employed by a business that performs tattooing or piercing, other than a person licensed to practice medicine in all its branches, may not permit a person under 18
years of age to enter or remain on the premises where tattooing or piercing is being performed unless the person under 18 years of age is accompanied by his or her parent or legal guardian. A violation of this subsection is a Class A misdemeanor.

Section 07 Client Records  So that the operator/technician can properly evaluate the client’s medical condition for receiving a body art procedure and not violate the client’s rights or confidential medical information, the operator/technician shall ask for the information as follows:

7.1 In order for proper healing of your body art procedure, we ask that you disclose if you have or have had any of the following conditions:
   a. Diabetes;
   b. History of hemophilia (bleeding);
   c. History of skin diseases, skin lesions or skin sensitivities to soaps, disinfectants, etc.
   d. History of allergies or adverse reactions to pigments, dyes or other skin sensitivities;
   e. History of epilepsy, seizures, fainting or narcolepsy;
   f. Use of medications such as anticoagulants, which thin the blood and/or interfere with blood clotting.

7.2 The operator/technician should ask the client to sign a Release Form confirming that the above information was obtained or attempted to be obtained. The client should be asked to disclose any other information that would aid the operator/technician in the client’s body art healing process evaluation.

7.3 Each operator shall keep records of all body art procedures administered; including date, time, identification and location of the body art procedure (s) performed, and operator’s name. All client records shall be confidential and be retained for a minimum of three (3) years and made available to the Department upon notification.

7.4 Nothing in this section shall be construed to require the operator to perform a body art procedure upon a client.

Section 08 Records Retention

8.1 The following information shall be kept on file on the premise of the body art establishment and available for inspection by the department:
   A. Records of all persons who have had body art procedures performed. The record shall include the name, date of birth, and address of the client, the date of the procedure, name of the operator who performed the procedure(s), type and location of procedure performed, Aftercare Instruction document, with operator signature and signature of client and if the client is a minor, written consent of parent or legal guardian. All client records shall be confidential and be retained for a minimum of three (3) years.
   B. Identification photos of all operators/technicians.
   C. Proof that all operators have either completed or were offered and declined, in writing, the Hepatitis B vaccination series.
   D. A complete description of all body art procedures performed.
   E. Autoclave spore destruction test records shall be retained by the establishment for a period of three (3) years.
   F. An inventory of all instruments and body jewelry, all sharps, and all inks used for any and all body art procedures, including names of manufacturers and serial or lot numbers, if applicable. Invoices or orders shall satisfy this requirement.
   G. A copy of these regulations.
H. Receipts for jewelry purchased for initial piercings shall list specifications for materials sold as listed in section 1.18 and be retained for a period of three (3) years.

I. Material certificates from jewelry suppliers for jewelry used for initial piercings shall be retained for a period of three (3) years. Material certificates shall include the following information:
   a. Name of purchaser of material,
   b. Name of seller of material,
   c. Date of material sales,
   d. Type of material purchased,
   e. Composition of material purchased,
   f. Quantity of material purchased, and
   g. Country of origin.

Section 09 Body Fluid Precautions

9.1 The operator/technician shall maintain a high degree of personal cleanliness, conform to hygienic practices and wear clean clothes when performing body art procedures. Before performing body art procedures, the operator must thoroughly wash their hands in hot running water with liquid soap, then rinse hands and dry with disposable paper towels. This shall be done as often as necessary to remove contaminants.

9.2 The operator shall wear disposable medical gloves while performing body art procedures. Gloves must be changed if they become contaminated by contact with any non-clean surfaces or objects or contact with a third person. The gloves shall be discarded at a minimum, after the completion of each procedure on an individual client and hands washed prior to donning the next set of gloves. Under no circumstances shall a single pair of gloves be used on more than one person. The use of disposable medical gloves does not preclude or substitute for hand washing procedures as part of a good personnel hygiene program.

9.3 If, while performing a body art procedure the operator’s glove is pierced, torn or otherwise contaminated, the contaminated gloves shall be immediately discarded and the hands washed thoroughly before a fresh pair of gloves are applied. Any item or instrument used for body art that is contaminated during the procedure shall be discarded and replaced immediately with a new disposable item or a new sterilized instrument or item before the procedure resumes.

9.4 Contaminated waste—Biomedical waste, as defined in this ordinance, which may release liquid blood or body fluids when compressed or may release dried blood or body fluids when handled must be placed in an approved “red” bag which is marked with the International Biohazard Symbol. Biomedical waste shall be disposed of in compliance with 29 CFR 1910.1030. Sharps ready for disposal shall be disposed of in approved sharps disposal containers. Storage of contaminated waste on site shall comply with regulations in 29 CFR 1910.1030, and storage of regulated waste awaiting pick-up shall not exceed 30 days when first non-sharps item is placed in an approved bag or when a sharps container containing only sharps is sealed.

Section 10 Diseases

10.1 Any skin or mucosa surface to receive a body art procedure shall be free of rash or any visible infection.
10.2 The skin of the operator/technician shall be free of rash or infection. No person or operator affected with boils, infected wounds, open sores, abrasions, keloids, weeping dermatological lesions or acute respiratory infection shall work in any area of a body art establishment in any capacity in which there is likelihood that they could contaminate body art equipment, supplies or working surfaces with body substances or pathogenic organisms.

10.3 All infections, complications or diseases resulting from any body art procedure that becomes known to the operator shall be reported to the department by the operator within 24 hours.

Section 11 Preparation of Skin and Aftercare

11.1 There shall be no smoking, eating, or drinking by anyone in the area where body art is performed.

11.2 Instruments used for body art shall remain stored in sterile packages until just prior to performing a body art procedure. When assembling instruments used for performing body art procedures, the operator shall wear disposable medical gloves and use medically recognized techniques to ensure that the instruments and gloves are not contaminated.

11.3 All inks, dyes, pigments, needles and equipment shall be specifically manufactured for performing body art procedures and shall be used according to manufacturer’s instructions. The mixing of approved inks, dyes or pigments or their dilution with potable, distilled or sterile water is acceptable. Immediately before applying a tattoo, the quantity of the dye to be used shall be transferred from the dye bottle and placed into single use paper cups or plastic cups. Upon completion of the tattoo, these single cups or caps and their contents shall be discarded.

11.4 Before performing a body art procedure, the immediate and surrounding area of the skin where the body art procedure is to be placed shall be washed with soap and water or an approved surgical skin preparation, depending on the type of body art to be performed. If shaving is necessary, single use disposable razors or safety razors with single service blades shall be used and discarded after each use and the reusable holder shall be autoclaved after each use. Following shaving, the skin and surrounding area will be washed with soap and water. The washing pad shall be discarded after a single use.

11.5 All products used to check the flow of blood or to absorb blood shall be sterile, single use and disposed of immediately after use in appropriate covered containers.

11.6 Single use items shall not be used on more than one client for any reason. After use, all single use needles, razors and other sharps shall be immediately disposed of in approved sharps containers.

11.7 All products applied to the skin, including body art stencils shall be single use and disposable. Acetate stencils shall be allowed for re-use if sanitization procedures are performed between uses. Petroleum jellies, soaps and other products used in the application of stencils shall be dispensed and applied on the area to be tattooed with sterile gauze or in a manner to prevent contamination of the original container and its contents. The gauze shall be used only once and then discarded.

11.8 If performing microblading or manual procedures, a handpiece shall be considered single use, only to be used on one customer. It cannot be reused on another customer. After use on a single customer, the handpiece shall be fully disposed of into the sharps container. Any remaining equipment also must be disposed of into the sharps container.
Verbal and written public educational information, approved by the department, shall be required to be given to all clients wanting to receive body art procedure(s). Verbal and written instructions, approved by the department, for the aftercare of the body art procedure site shall be provided to each client by the operator upon completion of the procedure. The written instructions shall advise the client to consult a physician at the first sight of infection or swelling and shall contain the name, address and phone number of the body art establishment. These documents shall be signed and dated by both parties, with a copy given to the client and the operator retaining the original with all other required records.

Section 12 Equipment Sanitation and Sterilization

12.1 All equipment and devices used to clean and sterilize body art materials and reusable instruments must be suitable for their intended use. The equipment and devises must be used, cleaned, and maintained according to manufacturer’s instructions. A copy of the manufacturer’s recommended procedures for the operation of the equipment must be available for inspection. All body art establishments must have at least two (2) working autoclaves onsite. All other forms of sterilization are prohibited.

12.2 All non-single use, non-disposable instruments used for body art shall be cleaned thoroughly after each use by scrubbing with an appropriate soap or disinfectant solution and hot water or follow the manufacturer’s instructions to remove blood and tissue residue, and placed in an ultrasonic unit which will also be operated in accordance with manufacturer’s instructions. Instruments shall be rinsed post ultrasonic cycle, dried, and inspected prior to packaging.

12.3 After cleaning, all non-disposable instruments used for body art shall be packed individually in peel-packs and subsequently sterilized. All peel-packs shall contain either a sterilizer indicator or internal temperature indicator. Peel-packs must be dated with an expiration date not to exceed six (6) months.

12.4 All cleaned, non-disposable instruments used for body art shall be sterilized in a steam autoclave. The autoclave shall be used, cleaned, and maintained according to manufacturer’s instruction. A copy of the manufacturer’s recommended procedures for the operation of their sterilization unit must be available for inspection by the department. Sterile equipment may not be used if the package has been breached compromised or after the expiration date without first repackaging and resterilizing. Autoclaves shall be located away from workstations or areas frequented by the public. Non-disposable instrument cleaning shall be conducted in a sterilization room or sterilization area.

12.5 The body art establishment shall demonstrate that the autoclaves used are capable of attaining sterilization by monthly spore destruction tests. These tests shall be verified through an independent laboratory.

12.6 After sterilization, the instruments used for body art shall be stored in a dry, clean cabinet or other tightly covered container reserved for the storage of such instruments.

12.7 An autoclave, ultrasonic, and sterilization room or sterilization area is not required if the body art establishment uses only pre-sterilized disposable instruments, pre-sterilized body art materials, and pre-sterilized supplies.

12.8 Kneeling pads, other pads, and contact surfaces such as, but not limited to machine head and clip cords, shall be cleaned and sanitized disinfected after each use. Such contact surfaces shall be
sanitized disinfected by rinsing, spraying, or swabbing with a chemical sanitizing solution disinfectant.

12.9 A chemical test kit that accurately measures the parts per million concentration of the sanitizing solution shall be available and used when mixing a sanitizing solution.

12.10 Procedures for Responding to a Positive Spore Test: If a single positive spore test is found, the autoclave shall be removed from service, and operating procedures reviewed. Another spores test can be conducted on the failed autoclave. Document procedures taken in sterilization log. Recall and process all items processed since the last negative spore test in the second autoclave that has negative spore test results.

Section 13 Sanitary Facilities

13.1 Potable water supply shall be constructed and operated in accordance with the law.

13.2 All water-carried waste shall be disposed of by discharging into a sewerage system operated and maintained under permit the Illinois Environmental Protection Agency (IEPA), or a private sewage system constructed in accordance with the Illinois Private Sewage Licensing Act and Code.

13.3 All solid waste, except contaminated biomedical waste outlined in Section 9.4 of this ordinance, shall be kept in durable containers that do not leak or absorb liquids.

13.4 Containers stored outside the establishment shall be provided with tight-fitting lids and kept covered when not in use.

Section 14 Premises

14.1 All walls, floors, ceilings and all procedure surfaces of a body art establishment shall be smooth, non-absorbent, free of open holes or cracks, light colored, washable and in good repair. Walls, floors and ceilings shall be maintained in a clean condition. All procedure surfaces, including client chairs/benches shall be of such construction as to be easily cleaned and sanitized disinfected after each client. All body art establishments shall be completely separated by solid partitions or by walls extending from floor to ceiling, from any room used for human habitation, a food establishment or room where food is prepared, a hair salon, retail sales, or other such activity which may cause potential contamination of work surfaces.

14.2 Effective measures shall be taken by the operator to protect the entrance into the establishment and the breeding or presence on the premises of insects, vermin and rodents. Evidence of insects, vermin and rodents shall not be present in any part of the establishment.

14.3 Each establishment shall have an area that may be screened from public view for clients requesting privacy. Dividers, curtains or partitions shall separate multiple body art stations.

14.4 The establishment shall be well-ventilated and provided with an artificial light source equivalent to at least twenty (20) foot candles three (3) feet off the floor, except that at least 100 foot candles shall be provided at the level where the body art procedure is being performed, and where instruments and sharps are assembled.

14.5 A separate hand sink with hot and cold running water, under pressure, preferably equipped with wrist or foot operated controls and supplied with liquid soap, and disposable paper towels shall be
readily accessible within the body art procedural area. One handsink shall serve no more than three operators. In addition, there shall be a minimum of one lavatory, excluding any service sinks, and one toilet in a body art establishment.

14.6 At least one lined, covered waste receptacle shall be provided in each operator area and each toilet room. All refuse containers shall be easily cleanable.

14.7 If reusable instruments are used in a body art establishment, a separate sterilization room or sterilization area is required. The sterilization area shall have the following:
   a. A sink used only for cleaning contaminated instruments. This sink should not be used for handwashing nor as a mop sink.
   b. A handsink for handwashing.
   c. A covered ultrasonic and/or instrument washer.
   d. No other services including but not limited to tattooing, piercing, or retail sales may occur within this sterilization room/area.
   e. The covered ultrasonic unit and the sink used for rinsing and scrubbing contamination tools shall be separated from the autoclave to prevent contamination.

14.8 All instruments and supplies shall be stored in clean, dry and covered containers.

14.9 No reusable cloth or similar material-items may be used in a body art establishment. No multiple use materials may be employed for body art procedures unless they are nonporous and can be cleaned and disinfected.

14.10 No animals of any kind shall be allowed in a body art establishment except service animals used by persons with disabilities. Fish aquariums may be allowed in waiting rooms and non-procedural areas. Fish aquariums must contain only aquatic species that can survive under water for a minimum of 48 hours.

14.11 The establishment shall have a dedicated mop sink, the service sink for cleaning contaminated instruments shall not be used also for the purpose of a mop sink.

Section 15 Construction and Remodeling

15.1 When a body art establishment is constructed or remodeled, or whenever an existing structure is converted to use as a body art establishment, plans and specifications for such construction, remodeling, or conversion shall be submitted to the health officer for review and approval before construction, remodeling, or conversion may begin.

ADMINISTRATION AND ENFORCEMENT

Section 16 Inspections

16.1 The health officer shall conduct at least one (1) two (2) inspection annually of each body art establishment operating in Madison County, State of Illinois. As many additional inspections and reinspections as are necessary for the enforcement of this ordinance will be made.

16.2 The health officer, after proper identification, shall be permitted to inspect, at any reasonable time, any body art establishment or operator/technician, for the purpose of determining compliance with this ordinance.
16.3 Whenever an inspection of an establishment and/or operator(s) is made, the findings shall be recorded on a standardized inspection report form. One copy of the completed inspection report form will be furnished to the permit holder at the time of inspection. If violations of this ordinance exist, the inspection report shall serve as official notice to the permit holder that the establishment is in violation of the provisions of this ordinance. The completed inspection report form shall specify the violations found by the health officer, and shall establish a reasonable time period within which said violations must be corrected.

16.4 If the department has reasonable cause to suspect that a communicable disease is, or may be transmitted by an operator, use of unapproved or malfunctioning equipment, or unsanitary or unsafe conditions which may adversely impact the health of the public, upon written notice to the owner or operator, the department may do any or all of the following:

a) Issue an order excluding any or all operators from the permitted body art establishment who are responsible, or reasonable appear responsible, for the transmission of a communicable disease until the Department determines there is no further risk to public health.

b) Issue an order to immediately suspend the permit of the licensed establishment until the Department determines there is no further risk to the public health. Such an order shall state the cause for the action.

Section 17 Penalties

17.1 Violation of this ordinance shall constitute an offense pursuant to 55 ILCS 5/5 – 1052, punishable by a fine not to exceed $500.00. Each day the violation continues shall constitute a distinct and separate offense.

Section 18 Severability

If a Court of competent jurisdiction declares any provision of this Ordinance unconstitutional or invalid, that decision shall not affect the validity of the remainder of the Ordinance.

The ayes and nays being called on the motion to adopt resulted in a vote as follows:

AYES: Chapman, Ms. Dalton, Ms. Dutton, Foster, Ms. Glasper, Hankins, Ms. Harriss, Holliday, Jones, King, Madison, Malone, McRae, Michael, Minner, Moore, Parkinson, Petrillo, Pollard, Valentine, Walters, Wesley

NAYS: None.

AYES: 22. NAYS: 0. Whereupon the Chairman declared the foregoing (24) resolutions duly adopted.

708 MADISON COUNTY MENTAL HEALTH BOARD

Resolution

WHEREAS, DONNA LANDAU has been recommended for consideration and appointment to the 708 MADISON COUNTY MENTAL HEALTH BOARD;

NOW THEREFORE BE IT RESOLVED that DONNA LANDAU be appointed to a 4 year term replacing Dr. Durbin who resigned. Term ending 12/31/2023.

Madison County Board Chairman

On the question:

Ms. Dutton: I just want to say that I think this is incorrect, we replaced Michael Durbin in September at the Board meeting and we replaced him with Sarah Calvin and she has been serving out the remainder of that term. I believe that Deborah Humphrey, Director of Mental Health, has requested that Sarah Calvin remain on the Board.

Mr. Prenzler: I’m sorry, I’m mistaken and I was told that Mr. Durbin has not been replaced.

Ms. Dutton: We did as a County Board replace him in September at the Board meeting.

Mr. Prenzler: I’m sorry, that’s an administrative error on our part. So we can just wait on that then.

Ms. Dutton: Postpone it?

Mr. Prenzler: We’ll pull that. Ok, that’s surprising.

MADISON COUNTY FLOOD PREVENTION DISTRICT

Resolution

WHEREAS, FRANK DORRIS has been recommended for consideration and appointment to the MADISON COUNTY FLOOD PREVENTION DISTRICT;

NOW THEREFORE BE IT RESOLVED that FRANK DORRIS be appointed to a 3 year term ending 6/18/2021 replacing Jeremy Plank whose term expired.

Dated at Edwardsville, Illinois this Wednesday, March 18, 2020
Madison County Board Chairman

On the question:

Mr. McRae: I’d like to make a motion to table this. There still are some unanswered questions as far as I’m concerned and I did try to get some additional information about the legalities of using money for the 500 year levee for purposes outside that are not strictly limited to the levee itself.

Mr. Parkinson: I’ll second that.

Mr. Prenzler: Ok. If we could have…

Mr. Hulme: You can’t table an appointment.

Mr. Prenzler: Yeah, I think we cannot table appointments but we can vote it up or down, that’s my understanding. That was Doug Hulme that was speaking. We can certainly vote it up or down. Yes, Ms. Harriss?

Mr. McRae: Well, then…

Ms. Harriss: *inaudible*

Mr. Wesley: Do we have confirmation of that?

Mr. Prenzler: No, I don’t believe so. It’s up or down, that’s my understanding. If I could just call for a roll call, if that’s appropriate. This is to appoint Frank Dorris to the Madison County Flood Prevention District. So, roll call.

Mr. Chapman: Is there an objection to this or no?

Mr. Prenzler: I think that actually when you are dealing with appointments, the comments have to be directed to the person, I believe and that sort of thing. That’s my understanding but we can vote up or down.

Mr. McRae: My concern is not with the person, I think he is a good man from what little I know of him. It isn’t with regard to him but I think that you differ in your…

Mr. Prenzler: I think that’s speculation, and really…

Mr. McRae: Then clear it up. If it’s speculation then clear it up.

Mr. Prenzler: I think with this discussion it should be to vote up or down and I think we’ve had the opportunity for you to call Mr. Dorris talk to him.

Mr. McRae: I did talk to him.

Mr. Prenzler: Ok, so that’s my understanding when you’re dealing with an appointment that’s the issue. Yes, Mr. Wesley?
Mr. Wesley: Yes, I understand that was Mr. Hulme that gave us the opinion that we can’t do that. Do we have the States Attorney’s Office to give us an opinion? Not to discredit Mr. Hulme but I would like to hear from a legal representative, are they on the line?

Ms. Ming-Mendoza: Is there someone from the States Attorney’s Office on the line?

Mr. Prenzler: I don’t think there is.

Mr. Wesley: I feel uncomfortable doing anything with this without getting an official opinion from the States Attorney.

Mr. Prenzler: We don’t have a States Attorney. Yes, Mr. Dorris is here but the States Attorney is not here. Yes, Mr. Parkinson?

Mr. Parkinson: In light of this, my opinion is that we vote it down then.

Mr. Prenzler: Ok, vote it up or down. If I could call for a roll call, vote up or down for Mr. Frank Dorris.

RESOLUTION CONCERNING COMPENSATION FOR THE MADISON COUNTY LIQUOR COMMISSIONER AND LIQUOR COMMISSION CLERK

WHEREAS, Madison County currently pays annual compensation of $2000.00 for the County Liquor Commissioner and $1500.00 for the Liquor Commissioner Clerk; and

WHEREAS, 235 ILCS 5/4-3 states that the County Board is authorized to fix and pay compensation to the local liquor commissioner and assistants.

NOW, THEREFORE, BE IT RESOLVED by the County Board of Madison County, Illinois, that the Madison County Liquor Commissioner and Liquor Commissioner Clerk be compensated during the 2020-2024 term at the rates currently established.

Respectfully submitted,
On the question:

**Mr. Moore:** I apologize, I thought this is the one that was going to be pulled and not discussed tonight.

**Mr. Walters:** The one that we weren’t talking tonight about was the salaries for the county board members. The one you want to discuss is the under number 1.

**Mr. Moore:** Right, ok.

**Mr. Wesley:** Mr. Walters or Mr. Chairman, I think you’re mistaken, I do not believe that was unanimous.

**Mr. Walters:** That was not unanimous, I apologize, I’m having a bad night. It’s my wife’s birthday so my mind is other places. I do believe we did have a few no votes but on the other one we had more so, I apologize. Do we have the minutes Debbie for that, Ms. Mendoza?

**Ms. Ming-Mendoza:** For the committee?

**Mr. Walters:** Yeah.

**Ms. Ming-Mendoza:** No, sir, I’m sorry.

**Mr. Walters:** I do know for the second one there were several no’s so I apologize ladies and gentlemen. Mr. Wesley, Ms. Glasper and Mr. McRae did not sign. Mr. McRae, did you vote present?

**Mr. McRae:** I abstained because I’m running.

**Mr. Walters:** You abstained, so we did have on here that David Michael, Ms. Glasper and Mr. Holliday voted no. I apologize ladies and gentlemen, I wasn’t trying to slide anything by you. So this is $2,000 for the County Liquor Commissioner and $1500 for the Liquor Commissioner Clerk who is appointed by the Chairman.
Mr. Prenzler: Is there any discussion?

Mr. McRae: This is on the Liquor Commissioner?

Mr. Walters: Yes and the Liquor Commissioner Clerk.

Mr. Parkinson: Who are these 2 currently?

Mr. Walters: The County Liquor Commissioner is the Chairman and the Liquor Commissioner Clerk is the Auditor.

Mr. Prenzler: Mr. Faccin, would you like to say a few words?

Mr. Faccin: Yes, I would. I don’t know how you can say no to it because it has to be done. Kurt’s the Commissioner and I’m the Clerk, we don’t have any problems from either side of us since we’ve been doing this. It’s not that much money, you’re talking him $2000 and me $1500. There’s a lot of paper work that comes through here that requires work for Kurt and myself both. I’m asking that everybody just do the common sense thing and vote yes.

EXECUTIVE COMMITTEE
MARCH 2020

Michael Holliday, Sr.

On the question:

Mr. Moore: I did have some points that I wanted to make about this before we voted on it. Given the situation, I don’t know if we want to go into it now. I think it would probably only take 2 or 3 minutes.

Mr. Prenzler: No, it’s fine.

Mr. Moore: I guess I have a different opinion on how we should approach this and not vote for pay raises. Right now, it looks like the Circuit Clerk, Auditor and Coroner would end up receiving about $6,000 per year more than the County Clerk, Treasurer and Sheriff. Now, I’ll have everybody know that dating back to 2001 that it was the Circuit Clerk, Auditor and Coroner that made less than the County Clerk, Treasurer and Sheriff. Then in 2003, the salaries changed and all of these 6 peers made the same amount of money. In 2011, it changed again and the Circuit Clerk, Auditor and Coroner are now making more than the County Clerk, Treasurer and Sheriff. What I’m proposing is, if we consider this, we can save the County about $17k a year at a minimum. This is our opportunity to do that while voting down the people who make $116k to the $110k. Now, I don’t know anybody that is a quality individual that would not take this job if it went from $116k to $110k. So, I’m a proponent for equalizing the 6 peers back to what they used to be in 2011 and kind of put an end, hopefully, to the changing seas and over time where some peers make more than others. With the opportunity to be the Board of 2020 equalizes the pay for these 6 folks…

Mr. Prenzler: Are you making an amendment?

Mr. Moore: I would like to make an amendment to the current resolution, see if I can get a second and see what happens.

Mr. Prenzler: What is the amendment you propose?
Mr. Moore: The amendment would be, whereas, the salaries for the positions of Circuit Clerk, Coroner, Auditor and the County Board Chairman, actually I would like to omit the County Board Chairman, I’m just talking about the 3 elected officials, Circuit Clerk, Coroner and Auditor will be set for the next four years, beginning December 1, 2020 and ending November 30, 2024, at $110,115.20, an amount commensurate with the salaries of the County Clerk, Treasurer, and Sheriff.

Mr. Walters: We also have to have the County Board Chairman. Do you want to leave his at $107k?

Mr. Moore: I did want to leave his out and I do that based on over time going back 20 years, the County Board Chairman has always made less than the other elected officials and I also omitted the salary of the States Attorney has always made more. So, I look at them as not peers, those positions are not peers.

Mr. Prenzler: Madame Clerk, could you please repeat the amendment?

Ms. Ming-Mendoza: The amendment is to…

Mr. Moore: You want this?

Ms. Ming-Mendoza: You’re basically voting to freeze the salaries at where they are now.

Mr. Moore: No.

Mr. Walters: No, he’s got it at $110k.

Mr. Holliday: He wants to take it away.

Ms. Ming-Mendoza: Whereas, the salaries for the positions of Circuit Clerk, Coroner and Auditor will be set for the next four years, beginning December 1, 2020 and ending November 30, 2024, at $110,115.20, an amount commensurate with the salaries of the County Clerk, Treasurer, and Sheriff.

Mr. Prenzler: That’s the amendment. Any discussion? Mr. Faccin?

Mr. Faccin: I’m going to take a different position and agree with Mr. Moore on this. I think everybody should make the same. I think Mr. Prenzler’s salary should be brought up and reflect what everybody else is making. These are professional jobs. You’re coming into the situation there are no races being voted in for 4 years and that’s fine but this isn’t some job at McDonalds, the County is in good shape fiscally and I think everybody, all the office holders are doing their job and I don’t see any need to cut this back. Most of these people, I think, have got advanced degrees professionally, their offices have been ran well and I think what I would suggest from a monetary standpoint is you bring Kurt up to where…This isn’t about me being the Auditor or Kurt being the County Board Chairman, it’s about the office and the position. I think he should be brought up to where everybody else is. If you want to go 4 years without a raise…I’m not going to be here, so it doesn’t make any difference but if you want to go 4 years without a raise, ok. I’m not going to say that makes sense because the cost of living goes up but I’m going to advocate for this and say just for an example, Debbie Ming-Mendoza’s office is ran very efficient be brought up to where we’re at, Kurt be brought up to where we’re at and then if you want to freeze it for 4 years.

Mr. Prenzler: Ms. Dutton, I had already signaled to Mr. Faccin before you raised your hand, so yes?

Mr. Walters: Do we not need a second before we start speaking on this?

Mr. Holliday: If somebody wanted to.
Mr. Walters: So, there’s been a motion…

Mr. Prenzler: We don’t need a second.

Mr. Madison: We don’t need a second.

Mr. Prenzler: Oh, do we need a second for the amendment, I’m sorry, we do, yes. Do we have a second for the amendment? If we don’t have a second…

Mr. Chapman: I assumed Mr. Faccin was speaking about something else because there was no second to the amendment.

Mr. Prenzler: I’m sorry, Mr. Moore made a motion to amend the motion. Is there a second to Mr. Moore’s motion to amend?

Mr. Petrillo: I’ll second it so we can discuss it.

Mr. Prenzler: It is not appropriate to discuss. Yes, Ms. Dutton?

Ms. Dutton: I just don’t know if I feel comfortable making this big of a decision not knowing anything about this beforehand. Was this discussed at all in your committee? This idea of amending the language, I mean, I’m not saying I’m for or against it. I’m all for saving the tax payers money and equalizing all those positions pay, that does seem to make sense to me but I don’t feel comfortable as a board member coming in here tonight and making that decision for someone. I mean, this is someone’s pay we’re talking about and then just like that I’m supposed to vote. I don’t know, I don’t really have a whole lot of information. Can you take this back to your committee and discuss that proposal and then bring it back?

Mr. Walters: Well we did discuss this in the Executive Board meeting. Yes, this was brought up.

Mr. Madison: That resolution was from the Executive Committee, there was 3 options presented to us.

Mr. Walters: Right, there were 3 options; this option, then to bring everybody up to Mr. Moore’s option, then there was one to give everybody a 2% increase every year.

Mr. Petrillo: I know there’s a lot of new faces out here and I’m not totally prepared for this discussion, I didn’t think it would come up like this. Under the previous Administration, I was fortunate to serve on the Executive Board and what Mr. Faccin said is exactly what the feeling was of the Administration is that they would like to level that out and everyone make the same salary and you wouldn’t have a problem. Our problem was trying to find a way we could get those salaries even because we kept giving percentage increases and we couldn’t seem to catch up. I was able and I don’t know that it made me very popular and if nobody knew about it, please forget what I’m about to say. I was able to talk with the rest of the Executive Board and we were able to put a 2 year no raise on one of those groups to try to get them as equal as we could. The next time it came around, the second phase, now don’t quote me on first and second because like I said, I’m not totally accurate on that but you get the crux of the idea. My mathematics and checking with people to make sure I was correct with actuaries and people of that nature, had told me we needed to take at least on the next turn at least 3 years of a freeze. I battled for that and I lost that one. My comment to the previous Administrator was if you’re sincere in trying to bring this to an equal salary for each and all, then you’re not going to get it accomplished unless you take a hard stand and get to that. I know that there’s a lot of new faces on here, I don’t know who else was on it. Oh, were you on there, Bruce?
**Mr. Malone:** I was part of those discussions.

**Mr. Petrillo:** Yeah, you were a part of that, so you know what I was talking about and what we went through. Some people agreed and obviously some people did not. The only reason I seconded, I’m not saying that I agree with what Mr. Moore is doing but I think we ought to so we could have a discussion and I could give you just a little bit of a background. Like I said, if I knew that all of this would take place, I would have had the papers in front of me and give you more detail of what actually happened but I think that’s pretty close, isn’t it Bruce?

**Mr. Malone:** Yeah.

**Mr. Prenzler:** Very good, we have Mr. Moore’s amendment on the floor, any discussion regarding Mr. Moore’s amendment? Mr. Madison?

**Mr. Madison:** Thank you, Mr. Chairman. I’m personally not of the mind that all of the jobs have to be paid the same just because they’re all of elected official level. To me, they’re all different jobs, every person who ran for the job knew what the pay was when they ran, it’s a good salary, there’s different qualifications for each office and I don’t see they have to be the same way. Everybody agreed to do the job for the payment that was being offered so I don’t see that they need to be equalized. I’m fine with the freeze the way it is.

**Ms. Glasper:** Yes, Mr. Chairman, I am one of the no votes on this because currently the salary is $116,722.27, I am not for lowering that salary for those positions.

**Mr. Prenzler:** Very good, any other discussion? Mr. Parkinson?

**Mr. Parkinson:** I’m going to agree with Ms. Glasper on this. I don’t think lowering it is the right way to go. If you want to catch everybody up and freeze it at that then that can be a discussion but to cut somebody’s salary, I think, is not the right thing to do.

**Mr. Prenzler:** Any other discussion on Mr. Moore’s amendment? Yes, Mr. Michael?

**Mr. Michael:** Yes, just for clarification, since I’m obviously running for one of these offices, I’ll be abstaining on all of these. Thank you.

**Mr. Prenzler:** Any other discussion? Yes, Mr. McRae?

**Mr. McRae:** Yes, I’ll be abstaining as well for the same reasons just cited.

**Mr. Prenzler:** Any other discussion? Yes, Mr. Jones?

**Mr. Jones:** Is that the exact salary of the other 3 departments, the Treasurer, County Clerk and Sheriff? Are they at $110,115k?

**Mr. Prenzler:** Mr. Moore, do you know the answer to that?

**Mr. Moore:** Yes, the Treasurer, County Clerk and Sheriff are all paid $110,115.20, all the same.

**Mr. Jones:** Then also, the Chairman’s position would not be included in this?

**Mr. Moore:** I did not include that in this amendment.
Mr. Prenzler: Very good. Mr. Malone?

Mr. Malone: I think another problem with this too is I think that many of these offices have stipends added to those base salaries so we’re trying to juggle around matching people up. I’m agreeing with everything Mr. Petrillo has said, it’s a very difficult process because I’m almost certain the Sheriff gets some kind of stipend, I think the Treasurer gets some kind of stipend on top of the base salary. So you can have a difficult time trying to get the exactly all the same.

Mr. Prenzler: Any other discussion on this, Mr. Moore’s amendment? Yes, Mr. Moore, you would like to speak one more time on it?

Mr. Moore: Yes, sir, there are different stipends for the folks, I was not including the different stipends. I was just talking about the base salary for these positions. I do look at these 6 individuals being peered, I know the jobs are not the same but as much as anything I’ve seen over the years, to me, I call them the peer positions, there’s 6 of them. I would add that going back to 2001 whenever the County Clerk, Treasurer and Sheriff were making more than the other 3, it was only a $700 difference. As time went on then 2011 hit and the Circuit Clerk, Auditor and Coroner are now making more at $3,800 a year. Now this proposal would give a difference of $6,600 per year. Now, lets remember that, again, yes sometimes you have to make a hard decision. You can sit here all day and find reasons not to do this but go back to the way it used to be in the past at one time and it sounds like Mr. Petrillo explained over the years that they have tried to equalize and it has been hard to do and that they should take a hard stand. I would just like to say that it’s worthy of your consideration.

Mr. Prenzler: Any other discussion?

Mr. Moore: I guess I’m done.

Mr. Prenzler: Very good. Mr. Chapman?

Mr. Chapman: Mr. Chairman, I very much appreciate his homework and research into this. I’m wondering if we’re missing another sort of research which has been a trademark of this Administration called benchmarking. I haven’t heard any discussions as to the salaries of similar size and to what they pay these individuals. I might also add that we have non-elected officials who work for some of these folks and they make more than their bosses who directs them.

Mr. Moore: That’s not germane to this conversation, Mr. Chapman. I appreciate that.

Mr. Chapman: I’m just saying, if you’re looking at salaries, you need to look at salaries.

Mr. Prenzler: Any other comments or questions? Hearing none, roll call on Mr. Moore’s amendment.

Mr. Moore moved, seconded by Mr. Petrillo to amend the Resolution Establishing Salaries for Madison County Elected Officials to be Elected in November 2020 under the 3rd whereas to read “WHEREAS, the salaries for the positions of Circuit Clerk, Coroner and Auditor will be set for the next four years, beginning December 1, 2020 and ending November 30, 2024, at $110,115.20, an amount commensurate with the salaries of the County Clerk, Treasurer, and Sheriff.”

The ayes and nays being called on the motion to amend resulted in a vote as follows:

The following resolution was submitted and read by Mr. Madison:

Ms. Dutton moved, seconded by Mr. Wesley to reconsider Zoning Resolution z19-0038 from the February 19, 2020 County Board meeting.

RESOLUTION – Z19-0038

WHEREAS, on the 26th day of November, 2019, a public hearing was held to consider the petition of RAINTREEILL, LLC and Emile E. Damotte, owner of record, requesting a zoning map amendment in order to rezone a tract of land from “R-3” Single-Family Residential District to “M-1” Limited Manufacturing District. Also, a variance as per §93.034, Section B, Item 4 of the Madison County Zoning Ordinance in order to have an eight foot (8’) sight-proof wooden fence on the southwest property line instead of the required twenty foot (20’) landscape buffer. This is located in Chouteau Township, at 1082 St. Thomas Road, Granite City, Illinois, County Board District #21, PPN#18-2-14-32-02-202-026; and,

WHEREAS, the Madison County Zoning Board of Appeals submitted its Findings for the aforesaid petition; and,

WHEREAS, it was recommended in the aforesaid Report of Findings of the Madison County Zoning Board of Appeals that the petition of RAINTREEILL, LLC and Emile E. Damotte be as follows: Approved, and;

WHEREAS, it is the opinion of the County Board of Madison County that the Findings made by the Madison County Zoning Board of Appeals should be approved and Resolution adopted.

NOW, THEREFORE BE IT RESOLVED that this Resolution is approved and shall take effect immediately upon its adoption.
On the question:

Mr. Minner: What is this regarding now? I know what number it is.

Mr. Madison: This is the issue, Mr. Chairman, it’s up to you, what do I do?

Mr. Prenzler: Mr. Minner, this is the issue of Mr. Damotte, Emile Damotte, who’s zoning was industrial use, I believe, or manufacturing use that was on residentially zoned properties and there was 1 parcel that had 2 zoning designations.

Mr. Madison: I apologize for not explaining that guys.

Mr. Prenzler: So we voted now.

Mr. Madison: So we’re just correcting our zoning on this issue.

Mr. Prenzler: Yeah.

Mr. Madison: It’s a reconsideration.

The ayes and nays being called on the motion to reconsider resulted in a vote as follows:

AYES: Chapman, Ms. Dalton, Ms. Dutton, Foster, Ms. Glasper, Ms. Harriss, Holliday, Jones, King, Madison, Malone, McRae, Michael, Moore, Petrillo, Pollard, Valentine, Walters, Wesley

NAYS: Hankins, Minner, Parkinson

AYES: 19. NAYS: 3. Whereupon the Chairman declared the foregoing resolution reconsidered.

*P. Chapman voiced he intended to vote aye.

PLANNING AND DEVELOPMENT
COMMITTEE
MARCH 5, 2020

Mr. Madison moved, seconded by Mr. Wesley to postpone Zoning Resolution z19-0059 until the April, 2020 County Board meeting.

On the question:

Mr. Chapman: Yes, I’m just wondering why, I’m not saying we shouldn’t postpone it but just wondering why.

Mr. Madison: Oh, why we’re postponing, sorry. Because we’re trying to cut down on the number of people that felt like they had to come to this meeting.

Mr. Chapman: Yes, thank you.

Mr. Prenzler: Very good, so we have Mr. Madison’s motion to postpone for 1 month. Any more discussion? Hearing none, roll call.
The ayes and nays being called on the motion to postpone resulted in a vote as follows:

AYES: Chapman, Ms. Dalton, Ms. Dutton, Ms. Glasper, Hankins, Ms. Harriss, Holliday, King, Madison, Malone, McRae, Michael, Minner, Moore, Parkinson, Petrillo, Valentine, Walters, Wesley

NAYS: Foster, Jones, Pollard

AYES: 19. NAYS: 3. Whereupon the Chairman declared the foregoing resolution postponed.

On the question (z19-0038):

Mr. Madison: Mr. Chairman, Mr. Michael brings up that we only voted to reconsider item z19-0038 but did not vote on the item.

Ms. Ming-Mendoza: You voted to reconsider.

Mr. Prenzler: I thought we voted to reconsider at the last meeting.

Mr. Michael: We did, but the motion tonight was also to reconsider. So when we placed our votes, a lot of us just thought we were doing it again.

Mr. Prenzler: Ok, just to make it appropriate, I thought we voted to reconsider at the last meeting. That was a vote to reconsider?

Mr. Madison: Yes.
Mr. Prenzler: Now we’re voting on whether to change the zoning.

Mr. Madison: Yeah, whether to correct the zoning.

Mr. Prenzler: Correct the zoning, and this is back to z19-0038.

Mr. Madison: Again, this zoning was our fault many many years ago.

Mr. Chapman: Pardon, if we did this last time, did we have a vote and did it come out no to reconsider?

Mr. Madison: No, it wasn’t on the agenda, Mr. Chapman. So, they said that since you’re only allowed to reconsider at the following meeting…

Mr. Chapman: Correct.

Mr. Madison: They said we covered that so now it can be put off until the next meeting and they wanted to get it put on the agenda.

Mr. Chapman: Ok, thank you.

Mr. Prenzler: Very good. So we have voted to reconsider so now the motion from Mr. Madison is to correct the zoning and this is z19-0038.

Mr. Madison: Consider the prior vote, yes.

Mr. Prenzler: We did vote reconsider it, didn’t we?

Mr. Wesley: We reconsidered it already, now we have to vote to approve it.

Mr. Madison: We’ll say it however you want.

Mr. Prenzler: What do you think, Debbie?

Ms. Ming-Mendoza: You already voted to reconsider. Tonight’s vote should be to vote for the approval of correcting the zoning.

Mr. Prenzler: Ok, so that’s the motion, to correct the zoning.

Mr. Madison: Yes, to approve item z19-0038.

Mr. Gibbons: The States Attorney’s Office agrees.

Mr. Prenzler: Thank you, very good.

Mr. Parkinson: This is in Mr. Foster’s district, I would like to see if he approves of this.

Mr. Foster: I don’t have a problem with the zoning change at this time. I think the issues in the past have been with compliance and not so much as with zoning. I will be voting yes to the zoning issue.

Mr. Prenzler: Any other discussion? Hearing none, roll call.
The ayes and nays being called on the motion to approve resulted in a vote as follows:

AYES: Chapman, Ms. Dalton, Ms. Dutton, Foster, Ms. Glasper, Ms. Harriss, Holliday, Jones, King, Madison, Malone, McRae, Michael, Minner, Moore, Parkinson, Petrillo, Pollard, Valentine, Walters, Wesley

NAYS: Hankins

AYES: 21. NAYS: 1. Whereupon the Chairman declared the foregoing resolution duly adopted.

NEW BUSINESS

Mr. Minner inquired about Steve Adler’s new position as a Special Administrator, qualifications and salary; Mr. Prenzler explained his salary is $95,000 a year and will be working temporarily regarding the Covid-19 situation. Mr. Adler’s qualifications are Administration.

Mr. Prenzler voiced that since the Governor has declared a disaster, the counties and municipalities can spend money to address the Covid-19 situation with reimbursement.

Mr. Holliday asked if there were any candidates with a health background that could hold that position; Mr. Prenzler reiterated the importance of Administrative skills.

Amy Meyer, Recorder, requested the Administration building limit the public’s access due to Covid-19.

Mr. Parkinson requested masks be available to law enforcement and EMS personnel throughout the County for protection from Covid-19; A. Schoeberle reported the EMA/EOC has made a request for supplies specifically for the fire departments and EMS as well as a separate plan for law enforcement.
