MINUTES

Vice-Chairman Schardan asked for action on the January 27, 2016 Minutes. (There was no ETSB meeting in February.)

A motion was made by Mr. Hertz and seconded by Mr. Brazier to accept the Minutes. All voted aye.

PUBLIC COMMENT

Madison County Chairman Alan Dunstan stated that he has sent a letter to the members of the ETSB recommending an extension of the consolidation plan. His concern is additional time is needed to review consolidation issues. Chairman Dunstan suggested the ETSB submit a partial plan for those areas that do agree on consolidation. This would show the Illinois State Police that Madison County is working on the issue, but also needs an extension/waiver to allow other areas time to work things out. Eric Decker from the Sheriff’s Office stated their office would also be in support of an extension/waiver. Mr. Hertz asked Coordinator McFarland to explain the waiver request process. Coordinator McFarland stated that a waiver would need to be requested to the State, identifying the reasons and criteria.

CLAIMS/PURCHASE ORDER RECOMMENDATIONS

The Claims/Purchase Order Recommendation report was passed around.

There was a motion by Mr. Klaustermeier to accept the Claims. The motion was seconded by Mr. Evans. Roll call was taken and all voted aye.

OLD BUSINESS

None.

COORDINATOR’S REPORT

Coordinator McFarland requested the Board’s approval to attend the New World Conference in Phoenix, Arizona in April 2016. The cost of the conference is estimated to be $3100.00 - $3,400.00.
There was a motion by Mr. Hertz to approve the New World Conference in April, and it was seconded by Mr. Brazier. Vice-Chairman Schar dan discussed his concern that this conference will be during the week of the April ETSB meeting. He feels that because of the consolidation timelines Coordinator McFarland should be here for the meeting. There was discussion and it was decided to change the ETSB meeting to April 20th (instead of April 27) to allow for Coordinator McFarland’s attendance. Roll call was taken and all voted Aye.

Dana Burris, reported on the status of the purchase of Pro QA, the digital version of the flip cards used in the PSAP’s. Since the process of purchasing the Pro QA started many months ago, the new legislation mandating consolidation is in effect. The old numbers for the RFP were based on the current number of PSAP’s. She suggested to the Board that it would be best to wait and send out a new RFP when we have final numbers. The Board concurred with her suggestion.

Coordinator McFarland reported that this past Monday he attended the Statewide Advisory Board Meeting in Springfield. There was clarification that a draft consolidation plan may be submitted. Coordinator McFarland stated that several Madison County agencies were also in attendance.

In reference to the new legislation there were questions and discussion as to how much the Illinois State Police will oversee expenses and how the surcharge revenues will be disseminated.

Coordinator McFarland stated that he had scheduled a meeting with the Chairman of the Statewide Advisory Board and the newly appointed Statewide Administrator for March 24, 2016. That meeting was cancelled by the ISP and is tentatively rescheduled for April 11, 2016. Coordinator McFarland also noted that he has had meetings with the Madison County State’s Attorney’s Office in reference to the new legislation and mandated consolidation.

**CONSOLIDATION REPORT**

Coordinator McFarland stated that with regards to consolidation he has put together several options/suggestions of consolidation for consideration. He discussed and provided explanations on each option/suggestion. There were questions, suggestions and discussion.
