D. Moore presented the following resolution:

Discussion was held among committee members regarding the above resolution. The resolution was amended in the real estate committee to pay out of the general fund instead of the recorder admin budget. The amount would approximately be $15,000. The committee members discussed that a resolution is not needed to go out for bids. This was a past practice that has been changed in the purchasing policy.

Mr. McRae moved, there was no second on the motion to approve the above resolution.

The state needs to see that we are moving forward and in compliance on this fee study. A resolution is not needed to move forward with the RFP. L. Ogden will be moving forward with the bids.

Mr. Goggin moved, seconded by Mr. Michael, to adjourn the meeting. MOTION CARRIED.
