Approval of Minutes:
The meeting was called to order by Chairman Bill Meyer.

Brenda Roosevelt made a motion to approve the minutes from November 16, 2015. Seconded by Kelly Tracy. Voice vote. All ayes. Motion approved.

Planning Coordinator’s Report:
Derek Jackson presented Zoning Board of Appeals Findings of Fact and Recommendations for the December 3, 2015 Zoning Hearings as well as Zoning Cases Z15-0093 and Z15-0088. Mr. Jackson also presented Gail DeClue’s request for an amendment to the screening condition of Resolution Z15-0021. Mr. Jackson fielded questions from the Committee pertaining to the hearings and request.

Citizens Wishing to Address the Committee:
Several citizens spoke against Gail DeClue’s request to reduce the screening condition tied to her accessory building Variance in zoning Resolution Z15-0021, which was passed in May 2015.

Leonard Metzger, property owner at 8 Wheat Ridge, stated that the Madison County Board passed the Resolution five months ago and recounted the hearing timeline and Mrs. DeClue’s requests for deadline extensions. Mr. Metzger stated that there is not currently a barrier along Mrs. DeClue’s north property line,
and stated that Mr. Lyles is subjected to the view of barn while he has to look at mud. Mr. Metzger stated that if Mrs. DeClue can afford to keep horses she can afford to erect a barrier.

Kelly Tracy asked if Mr. Metzger’s property abuts Mrs. DeClue.

Mr. Metzger stated that it did. Mr. Jackson corrected to record, stating that the properties are not adjoining, but that Mr. Metzger is nearby.

Laura Metzger, property owner at 8 Wheat Ridge, expressed property value concerns, stating that she would not have purchased her home if Mrs. DeClue were there first. Mrs. Metzger stated that she had spoken to arborist, and that Mrs. DeClue had options that she had not even looked into yet. Mrs. Metzger stated that she is dissatisfied with the effort Mrs. DeClue has put forth in complying with the screening condition. Mrs. Metzger stated that there is no grass in Mrs. DeClue’s pasture and that they now see a muddy mess.

William Lyles, adjoining property owner to the north at 10 Wheat Ridge, also spoke in opposition to Ms. DeClue’s request. Mr. Lyles then presented the Committee with a handout consisting of photos of Mrs. DeClue’s north property line so that the Committee could see the view from his home. The photos included Sharpie illustrations identifying each gap in the tree line between the properties and detailed what Mr. Lyles finds to be an appropriate screening. Mr. Lyles stated that he would like to see the original screening requirement satisfied.

Brenda Roosevelt inquired about the property owners to the east and west.

Mr. Jackson stated that the property owners to the east were in support of the request, while the owners to the west were opposed.

Dianna Howard stated that the Resolution should be upheld and asked why they are still having to attend meeting on the matter.

Scott Miller submitted a letter from Pastor Ball on behalf of St. Paul Lutheran Church’s request for a sign Variance.

Jared Schwarz spoke on behalf of his request for a Special Use Permit in order to use his barn as a wedding and reception venue.

Kelly Tracy stated that she had been on site and would consider the venue an asset to the area.

Liz Dalton stated that she was glad the Committee was reconsidering Gail’s request. She stated the Mrs. DeClue’s lot does not look attractive and that there is no screening in the winter months. Mrs. Dalton stated that Mrs. DeClue had attempted to make a mockery of the board.

Larry Trucano stated that he was in agreement with the neighbors in Wheat Ridge subdivision.

**Administrator’s Report:**

Emily Fultz presented the Request for Proposals for the Sustainability Program Environmental Grant and fielded questions from the committee regarding the grant process and timeline.

Matt Brandmeyer told the Committee about the successful Citizen Planner Workshop hosted at Collinsville City Hall, which Derek Jackson helped organize. Both Mr. Jackson and Mr. Brandmeyer served as a panel members at the workshop.

Matt Brandmeyer introduced CILA (Community Integrated Living Arrangements) homes to the committee, explaining that the department had received an application. Mr. Brandmeyer stated that CILA homes were protected under the Fair Housing Act, and as a result they are a permitted use within Single Family Districts.

Mr. Brandmeyer stated that staff would be proposing some amendments to the Zoning Ordinance, which will mostly consist scriveners’ errors and grammar.
Mr. Brandmeyer updated the Committee on the pending Intergovernmental Agreement between Edwardsville and Glen Carbon, stating that Edwardsville was making some map amendments that would need to be approved. He also notified the Committee that the department had received a regional planning award for the I-55 Corridor planning effort.

Adjournment:
Kelly Tracy made a motion to adjourn the meeting. Seconded by Brad Maxwell. Voice vote. All ayes. Motion approved.

Meeting adjourned.
