A Resolution Regarding Public Comment Limits was presented for approval. Chairman Novacich read the resolution and made a motion to accept. Attorney Schooley explained this was in compliance with the rules for the Madison County Board meetings but they may submit questions in writing. Helen Hawkins said she understood the need for public input but submitting questions in writing would give someone from this office an opportunity to be available to answer questions or concerns. William Gushleff seconded the motion to approve the resolution. **MOTION CARRIED.**

Public Input: Linda Knogl, Georgetown Subdivision Resident, read a letter, and submitted a petition, from David and Sandy Grant, 525 English, Mitchell, IL regarding the odor issues in their neighborhood due to sewer gases. She also read a letter from herself regarding sewer backups in her neighborhood. She showed a video of a sanitary sewer lid overflowing during June 2015. Both letters and petitions will be placed on file. Diane Sprous from 209 Chouteau Point spoke regarding the two backups she has suffered since December 2015. Mayor Pagano discussed the infiltration into the sewer system and the spikes in flow. Michael Parkinson discussed flow to West Granite and digging retaining ponds and diversionary canals. It was his opinion we have to stop allowing residents, Glen Carbon, and West Granite residents from putting their rainwater into our system. Helen Hawkins discussed her efforts to stop the building in the wetlands over the past fifty years.

Motion to adjourn.
