Finding of Fact and Recommendations
Hearing File Z19-0035

Petition of Angelina A. Highlander, owner of record, requesting a Special Use Permit as per §93.023, Section D, Item 20 of the Madison County Zoning Ordinance in order to continue placement of a double-wide manufactured home on site for the occupancy of Steven T. Lebro and family for a period not to exceed five (5) years. This voids Z09-0119. This is located in an Agricultural District in Moro Township at 8342 St. James Drive, Moro, Illinois, County Board District #5, PIN#16-1-03-24-00-000-001

Members Present:  Don Metzler, Thomas Ambrose, Tyrone Echols, George Ellis, Mary Goode, and Sharon Sherrill
Members Absent: Nicholas Cohan

A motion was made by Mary Goode and seconded by Tyrone Echols that the petition of Angelina A. Highlander be as follows: Denied.

The Finding of Fact of the Board of Appeals: I. The zoning file, Comprehensive Plan, and Madison County Code of Ordinances were submitted for the record; II. The notice of public hearing was posted on the property in accordance with the terms of the ordinance III. The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; IV. The adjoining property owners were notified by mail of the time, date, and location of the public hearing; V. Angelina Highlander, applicant, said that she is petitioning the board in order to keep her father’s home on site that she purchased with her nephew, Steven T. Lebro and would like the permit to keep it there for another five years for Steven to live in; VI. Thomas Ambrose, Zoning Board of Appeals member, asked if the mobile home was sitting on a foundation and the applicant stated that the axels had been removed and it has a foundation around the outside of it but it is sitting on 42 piers; VII. Ron Isenberg, nearby property owner, said that ever since the property had changed hands there has been total disruption in the neighborhood, including motorcycles and parties, and that this area is going to be a bad spot for the neighborhood and neighbors in both directions. Mr. Isenberg asked that the permit be denied, and stated he hates to do that because it has been in the community for so long but since the change of hands, everything has changed; VIII. Mary Goode, ZBA member, asked how long there has been problems and when it switched over, and Mr. Isenberg said from the first of the year. Ms. Goode asked if the police have been called and Mr. Isenberg said they have been called three times because there was racing on the road, there are dirt trails around the property, and the noise is very loud with the bikes. Ms. Goode asked when the last hearing for the mobile home was. Breana Buncher, Planning Coordinator, replied that the last hearing was in 2009 and the SUP was for Louis Lebro’s lifetime, who has now passed. Mrs. Buncher stated that Angelina and Steven purchased the property, and Ms. Goode noted that it is still in the family. Ms. Goode asked Angelina if she was aware of the issues, and she said they were and had told Steven to quit. Ms. Goode said that you could prevent him from living there because you are holding some type of lease with him and Angelina indicated that was the case; IX. Kelly Westfall, nearby property owner, said that since January the police have been called 30 to 60 times about the dirt bikes being raced down the road, which will stop the racing for one to one-and-a-half days and they will start back up. Mr. Westfall said there are 5 to 10 junk trucks and a couple of Harley’s always parked on the property, and it has been total chaos since they have been there. Mr. Westfall said they have been busted for underage drinking parties. Ms. Goode asked who has called the police and Mr. Westfall has said that the whole neighborhood has; X. Tim Cooper, nearby property owner, said they use the end of his driveway as a turnaround point for the motorcycles, and if they get hurt on his private property, he would be held liable. Mr. Cooper stated he does not want them to continue and he is opposed to the request; XI. Mary Goode asked the applicants if they were not aware of all the issues and Angelina stated that Steven owns the house, too, and said she was aware of a few of the issues, but not all of them. Brian Highlander said that all the motorcycles had mufflers and the one that did not was not being ridden anymore. He stated there are not any derelict cars on the property, and that these issues should not have any bearing on if the permit gets approved or not. Tyrone Echols, ZBA member, asked if they could postpone to have Planning
and Development look into the issues discussed; XII. Indira Steiner, nearby property owner, said that she has small children and is concerned about their safety with cars drag racing in front of her house. Ms. Steiner stated that having the motorcycles driving through the yard at the property drives her crazy, and that she will not take this because she has small children and does not want cars racing by her house; XIII. Chris Carney, 7856 St. James Drive, asked for the board to oppose the request. He stated that the property is a flop house and there are too many people living there at any given time because there are more than one or two vehicles there. Mr. Carney said that they ride back and forth as if the road was a track; XIV. Christina Hoxworth, observer, said that she is just observing and does not live in the neighborhood, but she is a real estate professional and the special use permit is for the placement of the mobile home. She stated that the problem is the person in the home and not the mobile home itself and to think about what a denial would result in, like the property becoming derelict and vacant. Mr. Ambrose pointed out that it could be demoed and a home could be built on the property. Ms. Hoxworth said that you could but it is up to the zoning and the owner.

Roll-call vote.

**Ayes to the motion:** Thomas Ambrose, Tyrone Echols, George Ellis, and Mary Goode

**Nays to the motion:** Sharon Sherrill

Whereupon the Chairman declared the motion duly adopted.
