Section 6. Security for the Bonds; Council Sales Tax Fund; Debt Service Reserve Fund. Each County has heretofore established a County Flood Prevention Occupation Tax Fund. Pursuant to the County/Council Intergovernmental Agreement each County shall direct the Comptroller of the State of Illinois to, for the period during which any of the Bonds are Outstanding, continue to pay the Flood Prevention District Sales Taxes directly to the Trustee rather than to the respective County, for deposit to the Council Sales Tax Fund. The Council covenants and agrees with the purchasers and the owners of the Bonds that so long as the Bonds remain outstanding, the Council will take no action or fail to take any action which in any way would adversely affect the ability of the Counties to collect and apply the Flood Prevention District Sales Taxes or the ability of the Council to collect the Flood Prevention District Revenues for the payment of the Bonds. The Council and its officers will comply with all present and future applicable laws in order to assure that the Flood Prevention District Revenues will be available as provided herein and deposited as provided in the Senior Indenture and the Subordinate Indenture.

The amendment of each of the County/Council Intergovernmental Agreements by the execution and delivery of the First Supplement to Intergovernmental Agreement relating thereto is hereby authorized
and approved and the Designated Representative is hereby authorized and directed to execute and deliver
the same.

Section 7. Additional Debt. Additional Bonds and debt may be incurred payable from the
Flood Protection District Revenues only as set forth in the Senior Indenture and the Subordinate Indenture.

Section 8. Use of Series 2015 Bond Proceeds. Accrued interest received on the delivery of
the Series 2015 Senior Bonds and capitalized interest in the amount set forth in the Senior Indenture is
hereby appropriated for the purpose of paying first interest due on the Series 2015 Senior Bonds and is
hereby ordered deposited into the account for the Series 2015 Senior Bonds in the Senior Bond Fund.
Principal proceeds of the Series 2015 Senior Bonds shall be deposited in the Reserve Fund, the Costs
of Issuance Accounts and the Construction Account (each as defined in the Senior Indenture) of the Project
Fund under the Senior Indenture in the amounts set forth in the Senior Indenture.

Accrued interest received on the delivery of the Series 2015 Subordinate Bonds and capitalized
interest in the amount set forth in the Subordinate Indenture is hereby appropriated for the purpose of paying
first interest due on the Series 2015 Subordinate Bonds and is hereby ordered deposited into the account
for the Series 2015 Subordinate Bonds in the Subordinate Lien Bond Fund. Principal proceeds of the Series
2015 Subordinate Bonds shall be deposited in the Reserve under the Subordinate Indenture and the Costs
of Issuance Accounts and Construction Account (each as defined in the Subordinate Indenture) of the
Project Fund under the Senior Indenture in the amounts set forth in the Subordinate Indenture.

Amounts deposited into the Construction Account of the Project Fund under the Senior Indenture
are hereby appropriated for the purpose of paying a portion of the remaining cost of the Project.

Any moneys received by the Trustee from any source for the Project shall be deposited in the
Project Fund under the Senior Indenture. The moneys in the Project Fund shall be held in trust by the
Trustee, shall be applied to the payment of the costs of the Project except to the extent required to be
transferred to a rebate fund in accordance with a tax compliance agreement and, pending such application,
shall be held as trust funds under the Senior Indenture until paid out or transferred as provided in the Senior
Indenture. The Bonds are secured by a pledge of all of the moneys on deposit in the Project Fund, and such
pledge is irrevocable until the obligations of the Council are discharged under the Senior Indenture and the
Subordinate Indenture. The Trustee may, in its discretion, establish such other accounts within the Project
Fund, and subaccounts within any of such accounts, as the Trustee may deem necessary or useful for the
purpose of identifying more precisely the sources of payments into and disbursements from the Project
Fund and its accounts, or, if directed by the Council, for the purpose of complying with the requirements
of the Code relating to arbitrage, but the establishment of any such account or subaccount shall not alter or
modify any of the requirements of the Bond Resolution, the Senior Indenture or the Subordinate Indenture
with respect to the deposit or use of money or result in commingling of funds not permitted hereunder or
under the Senior Indenture or the Subordinate Indenture, as applicable. In establishing such accounts or
subaccounts, the Trustee may at any time request, receive and rely with full acquittance upon an opinion of
Bond Counsel, addressed to the Trustee, that the establishment of such accounts or subaccounts will not
adversely affect any exemption from federal income taxation to which interest on the Bonds would
otherwise be entitled. Moneys deposited into the Project Fund shall be held in the Project Fund and
disbursed as provided in the Senior Indenture.

Section 9. Provisions a Contract. The provisions of the Bond Resolution shall constitute a
contract between the Council and the holders of the Outstanding Bonds and no changes, additions, or
alterations of any kind shall be made hereto, except as herein provided, so long as there are any Outstanding
Bonds.

Section 10. Tax Covenants. The Council agrees to comply with all provisions of the Code
which, if not complied with by the Council, would cause the interest on the Series 2015 Bonds not to be
excludable from gross income for federal income tax purposes. In furtherance of the foregoing provisions,
but without limiting their generality, the Council agrees: (a) through its officers, to make such further
specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable;
(b) to comply with all representations, covenants and assurances contained in certificates or agreements as
may be prepared by Bond Counsel; (c) to consult with Bond Counsel and to comply with such advice as

18
may be given; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Council in such compliance.

The Council also certifies and further covenants with the Underwriter and registered owners of the Series 2015 Bonds from time to time outstanding that moneys on deposit in any fund or account in connection with the Series 2015 Bonds, whether or not such moneys were derived from the proceeds of the sale of the Series 2015 Bonds or from any other source, will not be used in a manner which will cause any of the Series 2015 Bonds to be “arbitrage bonds” within the meaning of Code Section 148 and any lawful regulations promulgated thereunder, as the same presently exist or may from time to time hereafter be amended, supplemented or revised.

The Council further covenants that it will not take any action, or omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Series 2015 Bonds) if taking, permitting or omitting to take such action would cause any Series 2015 Bond to be a private activity bond within the meaning of the Code or would otherwise cause interest on any of the Series 2015 Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The Council acknowledges that, in the event of an examination by the Internal Revenue Service of the exemption from federal income taxation of interest on any of the Series 2015 Bonds, under present rules, the Council may be treated as a “taxpayer” in the examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the Internal Revenue Service in connection with such an examination.

Section 11. Registered Form. The Council agrees that it will not take any action to permit the Series 2105 Bonds to be issued in, or converted into, bearer or coupon form.

Section 12. Continuing Disclosure Undertaking. The execution and delivery of the Continuing Disclosure Undertaking is hereby authorized and approved and the Designated Representative is hereby authorized and directed to execute and deliver the same. When the Continuing Disclosure Undertaking is executed and delivered on behalf of the Council as herein provided, the Continuing Disclosure Undertaking will be binding on the Council and the officers, employees and agents of the Council, and the officers, employees and agents of the Council are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of the Bond Resolution, the Senior Indenture or the Subordinate Indenture, the sole remedy for failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Series 2015 Bond to seek mandamus or specific performance by court order, to cause the Council to comply with its obligations under the Continuing Disclosure Undertaking.

Section 13. Municipal Bond Insurance. In the event the payment of principal and interest on any of the Series 2015 Bonds is insured pursuant to a bond insurance policy or financial guaranty policy, and as long as such bond insurance policy or financial guaranty policy shall be in full force and effect, the Council and the Trustee agree to comply with such usual and reasonable provisions regarding presentment and payment of such Series 2015 Bonds, subrogation of the rights of the holders of such Series 2015 Bonds to the issuer of such bond insurance policy or financial guaranty policy upon payment of Series 2015 Bonds by the issuer of such bond insurance policy or financial guaranty policy, amendment hereof or of the Senior Indenture or the Subordinate Indenture, as applicable, or other terms, as approved by the Designated Representative on advice of counsel, his approval to constitute full and complete acceptance by the Council of such terms and provisions under authority of this Section.

Section 14. Further Authority. The President of the Board of Directors, the Chief Supervisor of Construction and the Works and the other officers, officials and employees of the Council are hereby authorized, empowered and directed to do all such acts and things and to execute, acknowledge and deliver all such documents (including, without limiting the generality of the foregoing, any closing certificate, non-arbitrage certificate or tax compliance agreement in connection with the issuance of the Series 2015 Bonds) as may in his or their discretion be deemed necessary or desirable in order to carry out or comply with the terms and provisions of this Resolution and the Official Statement and to make ministerial alterations,
changes or additions in the foregoing agreements, statements, instruments or other documents herein approved, authorized and confirmed which they may approve and the execution or taking of such action shall be taken as conclusive evidence of its necessity or advisability. All of the acts and undertakings of such officers, officials and employees which are in conformity with the intent and purposes of this Resolution, whether heretofore or hereafter taken or done shall be and the same are hereby in all respects, ratified, confirmed and approved.

Section 15. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 16. Repeal. All resolutions, ordinances or parts thereof in conflict herewith be and the same are hereby repealed and this resolution shall be in full force and effect forthwith upon its adoption.

Petition of Brian Wuebbels, owner of record, by applicant Argos Construction, requesting a Variance as per Article 93.051, Section A, Item 2, Sub (a) of the Madison County Zoning Ordinance in order to construct an accessory building that will be 28’ 3” in height instead of the allowable 25 feet. This is located in an Agricultural District in Marine Township, more commonly known as 11663 Osanna Lane, Highland, Illinois PPN#06-2-17-25-03-301-006 (04).

A motion was made by Mr. Janek and seconded by Mr. Dauderman that the petition of Brian Wuebbels be as follows: “Granted.”

The Finding of Fact of the Board of Appeals: I. The notice of Public Hearing was posted on the property in accordance with the terms of the ordinance; II. The legal notice appeared in the newspaper and meets the requirements of the ordinance for publication; III. The adjoining property owners were notified by mail of the time and date of the public hearing; IV. Maurice Wilbacher, building contractor, spoke on behalf of the applicant. Mr. Wilbacher stated that the applicant is seeking a variance in order to construct a new accessory building that would be 28’ 3” in height instead of the allowable 25 feet. Mr. Wilbacher stated that the architectural design of the proposed structure would be identical to the existing dwelling and accessory building; V. The Board of Appeals notes for the record that the proposed variance request would be compatible with the surrounding area; VI. The Board of Appeals feels that to allow this request would not cause a detrimental effect on adjoining properties; VII. The Board of Appeals notes that the Comprehensive Plan, Madison County Zoning Ordinance, and the zoning file were taken into consideration.
