**Trolley Bridge Reconstruction - New Poag Road**

**Location:** New Poag Road (County Highway 69) between Old Poag Road and Rose Avenue in Edwardsville.

Beginning July 8, 2019, work on replacing the Bridge Superstructure is scheduled to begin. The Bridge will be replaced in two separate stages. Two-way traffic will be maintained throughout the duration of the project.

Expect Lane Restrictions during working hours.

Slow down and use extreme caution when driving through work zone.

Obey posted speed limit and signing.

Watch for workers or flaggers and do not use cell phone or text.
