**Wanda Road Overlay**

**Location:** WANDA ROAD (County Highway 19) between NEW POAG ROAD and STATE RTE 143.

Beginning June 3, 2019, Storm Sewer work is scheduled to begin north of MADISON AVENUE.

Excavation will then begin along the Edge of Pavement on the North-Bound Lane to construct Concrete Gutters and a wider Asphalt Shoulder. Once completed, Excavation will continue beside the South-Bound Lane to construct the Concrete Gutters and Asphalt Shoulder.

The remainder of the project will include Cold Milling of the existing Pavement Surface followed by the addition of a new Hot-Mix Asphalt Surface and Shoulder from NEW POAG ROAD to STATE RTE 143.

Expect Lane Restrictions with flaggers during working hours.

Slow Down and use extreme caution when driving through the work zone.

Obey posted speed limits and signing.

Watch for workers or flaggers and do not use your cell phone in the Work Zone.
