RE: Maclair Asphalt Sales LLC (Illinois EPA BOA ID# (119813AAA) (163802AAA) Generally Federally Enforceable State Operating Permit (72110008)(73010175)

To Distribution List:

In accordance with the Illinois EPA’s Environmental Justice Policy, the Illinois EPA wants to provide you with information about an Illinois EPA action in your area. The Illinois EPA is sending this courtesy letter to notify you of an application received by the Illinois EPA Bureau of Air (BOA).

Maclair Asphalt Sales LLC has requested a General Federally Enforceable State Operating Permits (FESOP) for its asphalt plant located at 6303 Collinsville Road in Collinsville.

The Illinois EPA has established general Federally Enforceable State Operating Permits (FESOP) for asphalt plants. The purpose of a general permit is to cover a large number of small facilities, which have similar operations. Once established, General FESOP’s can be issued to facilities that meet the criteria established in the General FESOP. The facility is required to meet the criteria established in the General FESOP and operate in compliance with the conditions of the General FESOP. The facility will have to apply to renew its General FESOP every ten years.

The general FESOP’s may be found at [http://www.epa.gov/reg5oair/permits/ilonline.html](http://www.epa.gov/reg5oair/permits/ilonline.html).

If you have any questions about the application, please contact Brad Frost, Office of Community Relations at 217-782-7027 or by email at brad.frost@illinois.gov.

Sincerely,

s/ Kenneth L. Page
Environmental Justice Officer

RE: Velocity Services LLC (Illinois EPA BOA ID# 119040AAO) Federally Enforceable State Operating Permit (05010036)

To Distribution List:

In accordance with the Illinois EPA’s Environmental Justice Policy, the Illinois EPA wants to provide you with information about an Illinois EPA action in your area. The Illinois EPA is sending this courtesy letter to notify you of an application received by the Illinois EPA Bureau of Air (BOA).
The Illinois EPA is reviewing an application for a Federally Enforceable State Operating Permit (FESOP) from Velocity Services LLC for their distillery production of coal tar and road tar. The facility is located at 1450 Edwardsville Road in Granite City.

The FESOP is the operating permit for the facility. The 1990 amendments to the Clean Air Act require potentially major sources of air sources of air emissions to obtain federally enforceable operating permits. A FESOP permit allows a source that is potentially major to take operational limits in the permit so that it is a non-major source. When initial review of the FESOP application is completed, a draft permit will be prepared and public comments accepted on the draft.

If you would like to be notified when the public comment period begins or have any questions about the application, please contact Brad Frost, Office of Community Relations at 217-782-7027 or by email at brad.frost@illinois.gov.

Sincerely,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY

Notice of Comment Period and Public Hearing Proposed Revision of Construction Permits/PSD Approvals Phillips 66 Company in Roxana and Phillips 66 Carrier, LLC in Hartford

Phillips 66 Company and Phillips 66 Carier, LLC have applied to the Illinois Environmental Protection Agency (Illinois EPA) to revise the air pollution control construction permits/PSD approvals for the Coker and Refinery Expansion (CORE) Project at the Wood River Refinery and the Terminal Expansion Project at the Hartford Terminal. The refinery is located 900 South Central Avenue in Roxana. The terminal is located at 2150 South Delmar Avenue in Hartford. While the Illinois EPA has received two separate applications, they are a single project for purposes of permitting, 35 IAC 203 and 40 CFR 52.21. The proposed revisions address planned changes due to differences in the composition of the crude oil available to the Wood River Refinery; available to the Wood River Refinery; available incoming crude contains lighter components than originally planned. Due to the change in available crude oil, different facilities will be required to process this lighter material at the refinery. In order to handle the different compositions of crude oil, Phillips is also proposing certain changes at the associated terminal.

The project revision will generally result in lower overall permitted emissions, as compared to the original project. Further detail on the proposed revisions to the permits may be found in the Project Summary.

Based on review of the applications, the Illinois EPA has made a preliminary determination to issue permits for the project and has prepared draft permits for review. The Illinois EPA is holding a public comment period and a hearing to accept comments from the public on the proposed issuance of permits for this project, prior to making a final decision on the applications.

The Illinois EPA Bureau of Air will hold a public hearing on Thursday, November 13, 2014 at 7:00 pm at the Wood River Hartford School District Board Room, 501 E. Lorena Ave in Wood River. The hearing will be held to receive comments and answer questions from the public prior to making a final decision concerning the applications. The hearing will be held under the Illinois EPA’s “Procedures for Permit and Closure Plans,” 35 IAC 166, Subpart A. Lengthy comments and questions should be submitted in writing. Requests for interpreters must be made by October 30, 2014. Any questions about hearing procedures or requests to address special needs should be made to the Illinois EPA, Dean Studer, Hearing Officer, Re: Phillips 66, 1021 N. Grand Ave. E., P.O. Box 19276, Springfield, IL 62794-9276, 217-558-8280.
Written comments must be sent to the Hearing Officer and postmarked by midnight, December 13, 2014, unless otherwise specified by the Hearing Officer. Written comments need not be notarized.

The repositories for the draft permits, project summary and applications are at the Roxana Public Library, 200 North Central Avenue in Roxana and the Illinois EPA’s offices at 2009 Mall Street in Collinsville, 618-326-5120 and 1021 North Grand Avenue East, Springfield, 217-782-7027. The draft permits and project summary may also be available at www.epa.gov/region5/air/permits/ilonline.html. Copies of the documents may also be obtained upon request to the contact listed below.

For information or requests about the applications or draft permits, please contact:
Brad Frost, Community Relations, Illinois EPA, 1021 N. Grand Ave. E., P.O. Box 19506, Springfield, IL 62794-9506, 217-782-7027.

The project was originally subject to and remains subject to permitting under the state rules for Major Stationary Source Construction and Modification (NANSR), 35 IAC 203, as a major project for emissions of volatile organic material (VOM) and under the federal rules for Prevention of Significant Deterioration (PSD), 40 CFR 52.21, as a major project for emissions of carbon monoxide (CO). In addition, GHG emissions are now subject to regulation (for the emission units added or now modified as part of this CORE permit revision) because significant increases in GHG emissions must be addressed as part of PSD permitting if PSD permitting is required for other pollutants. Given the proposed changes would result in emissions of VOM and CO and GHG, respectively, that exceed the thresholds established for a major modification under NANSR and PSD, respectively, the new and physically modified units associated with this project are subject to Lowest Available Emission Rate (LAER) and Best Available Control Technology (BACT) for these pollutants. The Illinois EPA’s initial review concludes that the control measures proposed by Phillips will provide BACT and LAER for this project.

Under NANSR rules, emission offsets are required for major projects. VOM offset credits were initially acquired for the VOM emissions increases for the project. Given the aggregate VOM emissions from the revised project are less than the VOM emissions addressed by the original permits, no additional emission offsets are required. In addition, as required by the PSD rules, Phillips has submitted an air quality analysis to the Illinois EPA demonstrating that the potential impacts of this project’s emissions will not have significant impacts on air quality for CO.

Finally, Section 106 of the National Historic Preservation Act (NHPA) requires United States Environmental Protection Agency to consider the potential effects of these permit actions on historic properties eligible for inclusion in the National Register Effects of the proposed project. The USEPA provided a copy of its determination. The State Historic Preservation Officer concurred with USEPA’s determination. Any interested person is also welcome to bring particular concerns or information to the USEPA or the Illinois EPA’s attention regarding this project’s potential effect on historic properties.

IMMEDIATE EMERGENCY APPROPRIATION

WHEREAS, the Fiscal Year 2014 Budget for the County of Madison has been duly adopted by the County Board; and,

WHEREAS, subsequent to the adoption of said budget, the County has received a grant in the amount of $108,503 with the purpose of preventing the initiation of tobacco use among young people, eliminating exposure to secondhand smoke, and promoting tobacco-use cessation among youth and adults; and,
WHEREAS, the Illinois Department of Public Health has authorized funds in the amount of $108,503, with the County providing no additional match funds; and,

WHEREAS, the agreement provides a grant period of July 1, 2014 through June 30, 2015; the amount not expended in Fiscal Year 2014 will be re-appropriated for the remaining grant period in Fiscal Year 2015;

**RESOLUTION AUTHORIZING THE DEMOLITION OF UNSAFE BUILDINGS AND STRUCTURES**

WHEREAS, there exists dangerous and unsafe buildings and structures within the territory of Madison County;

WHEREAS, the Madison County Building Official has determined that the properties, as listed on the attached sheet, has made a determination that the building is open, vacant, and constitutes an immediate and continuing hazard to the community.

WHEREAS, owners of such buildings, and structures have failed to conform to the Madison County ordinances; and,

WHEREAS, 55 ILCS 5/5-1121, Subsection (d) states that each county may use the provisions of this subsection to expedite the removal of certain buildings that are a continuing hazard to the community in which they are located.

WHEREAS, there now is funding and procedures through the Madison County Community Development Department to secure the workers and pay the fees for this demolition; and,

WHEREAS, the cost of demolition, by law, can be made a lien upon the property superior to existing liens enforceable by foreclosure proceedings.

NOW, THEREFORE, BE IT RESOLVED that Madison County Planning & Development, through the Community Development Department as our contract agent, be authorized to take all steps necessary to cause demolition of the properties described herein; and further be directed to take all steps necessary to place a lien upon the described subject property sufficient to cover the cost of the demolition and to pursue proceedings to foreclosure where directed to do so by the Madison County Board.

The properties included herein are generally composed of single-family residences, associated accessory structure(s), and/or the residual structural components of those residences.

INTERGOVERNMENTAL AGREEMENT
BETWEEN THE CITY OF ___________, IL AND COUNTY OF MADISON, IL
Computer-Aided Dispatch/Records Management System Expansion Project

This Agreement is made and entered into by and between the COUNTY of Madison, acting by and through its governing body, the County Board, hereinafter referred to as COUNTY, and the CITY of ___________, acting by and through its governing body, the City Council, hereinafter referred to as CITY, both of Madison County, State of Illinois, witnesseth:

WHEREAS, this Agreement is made pursuant to the authority granted by the Illinois Intergovernmental Cooperation Act (5 ILCS 220); and

WHEREAS, each governing body, in performing governmental functions or in paying for the performance of governmental functions hereunder, shall make that performance or those payments from current revenues legally available to that party; and

WHEREAS, each governing body finds that the performance of this Agreement is in the best interests of both parties, that the undertaking will benefit the public, and that the division of costs fairly compensates the performing party for the services or functions under this agreement; and

WHEREAS, each governing body finds that it will be beneficial for the Madison County Sheriff's Office and the CITY Police Department to share infrastructure, resources, and data, to include the computer-aided dispatch/records management system currently utilized by the Sheriff's Office from New World Systems, Inc., Troy, MI, and COUNTY-owned network infrastructure hardware equipment; and

WHEREAS, the CITY and COUNTY agree that additional equipment, software licensing, and services will need to be purchased in order to bring the CITY Police Department onto the COUNTY-owned system; and

NOW THEREFORE, the COUNTY and CITY agree as follows:

SECTION 1.

COUNTY agrees to allow CITY to utilize New World Systems, Inc., software enterprise licensing benefits, previously purchased by the COUNTY, and upgraded based on the contract dated September 25, 2014, and previously authorized by the Madison County Board, for computer-aided dispatch/records management system. CITY agrees that any additional New World Systems, Inc., mobile licensing required for the CITY to operate on the COUNTY-owned computer-aided dispatch/records management system shall be the responsibility of the CITY.
SECTION 2.

CITY agrees to pay for additional equipment and services that will be procured by the COUNTY and be required in order to add the Collinsville Police Department onto the COUNTY system, based on the schedule as found in Appendix A and B:

A. Client Software  
B. Fixed Installation Service Fees  
C. Third Party Software  
D. Optional Third Party Software  
E. Annual Mobile Standard Software Maintenance Agreement

SECTION 3.

The COUNTY agrees to provide computer network technical support for the interagency system and to pay for the host system annual software maintenance costs at no cost to the CITY. The CITY agrees to utilize its network support staff to assist the COUNTY in resolving issues. After a four year period, the parties may agree to modifications to the agreement for technical support and the annual software maintenance costs for the host system.

SECTION 4.

A Madison County New World Systems CADD/Records Management User Group will be created which will include representatives of the Madison County Sheriff’s Department, Madison County Information Technology Department, Madison County 911 Department, and representatives of each public safety agency that has entered into an Intergovernmental Agreement with Madison County. The group will collaborate on any technical or operational issues, system enhancements, the sharing of information, and any cost related matter.

SECTION 5.

The CITY and COUNTY agree that this Agreement shall remain in full force and effect through August 31, 2021. However, either party may terminate this Agreement at any time and for any reason by providing written notice to the other at the address stated below not less than sixty (60) days prior to such termination. Through the date of termination, the COUNTY shall continue to provide the services provided herein, shall retain any and all sums received; and, the CITY shall pay for any services rendered through the date of termination.

SECTION 6.

Nothing in the performance of this Agreement shall impose any liability for claims against COUNTY.

SECTION 7.

Nothing in the performance of this Agreement shall impose any liability for claims against CITY.

SECTION 8.
Each party to this agreement will be responsible for its own actions in providing services under this agreement and shall not be liable for any civil liability that may arise from the furnishing of the services by the other party. At all times each of the parties remain as independent contractors.

SECTION 9.

The parties to this Agreement do not intend for any third party to obtain a right by virtue of this Agreement. Further, this Agreement shall not create any rights in any party not a signatory hereto.

SECTION 10.

By entering into this Agreement, the parties do not intend to create any obligations express or implied other than those set out herein. The parties agree that this document contains the entire Agreement between the parties and that time is of the essence.
