Tony reports meetings with economic development staff in Highland & Collinsville. Also, there was a meeting with Dawn Mushill of the Troy Chamber of Commerce & she suggested a meeting
in the Wood River office for all of the Madison County Chamber of Commerce. It is scheduled for Wednesday, January 30.
Tony also mentioned the office is waiting for the official approval of the $400,000 apprenticeship grant.

**Membership/Board Officers**
Tony notified the committee that Jan Woker of Carlisle Syntec asked about resigning from the WIB because she travels so often & misses the meetings. Tony is going to reach out to Howard Elmore, Bond County Chairman, for any suggestions for business member. Also, Debbie received an email from Ronda Sauget who may resign due to meeting conflicts.
With the resignation of Dave Holtgrave from the Board & Executive Committee, there’s need to replace his position for both groups. It was suggested to ask current Board member, Danielle Wisely about her interest on joining the Executive Committee.

**Other Business:**
Tony updated the committee about the realignment of local WIOA areas. The County Board Chairs from Madison, Bond, Jersey, & Calhoun will be meeting here on Thursday, January 31 to discuss the intergovernmental agreement needed for the realignment. Last week the Madison County Board approved the realignment of Jersey & Calhoun Counties joining Madison & Bond Local Workforce Area 22.
Tony pointed out the Title 1B reports in the packet. The financial & numbers report both are on target & look good.
Tony also informed the committee about the NAWB conference in March at Washington, D.C. The soft skills video project that include Paul Wellhausen, Rosemarie Brown, Tony and Sarah Lorio will be attending the conference & showcasing the video.
The SIUE marketing research project was presented by the graduate student earlier in the week. Tony is still analyzing the report & the graduate student was asked by his professor to do additional research.
Tony discussed about the dialogue at the December WIB meeting concerning the manufacturing sector & the participation of the members. Everyone agreed it was a good discussion & want to have another topic for the March meeting. The topic of employee safety training was agreed to be on the next WIB agenda.
